adventure in this heartwarming picture
book about the true meaning of Christmas.
*A Bear Called Paddington [Anniversary
Edition]* HarperCollins UK
“I didn't feel like I was reading this
novel—I felt like I was living it.” —Ann

Patchett, author of *The Dutch House* From
award-winning author Asali Solomon, *The
Days of Afrekete* is a tender, surprising
novel of two women at midlife who
rediscover themselves—and perhaps each
other, inspired by Mrs. Dalloway, Sula, and
Audre Lorde's *Zami* Liselle Belmont is
having a dinner party. It seems a strange
occasion—her husband, Winn, has lost his
bid for the state legislature—but what
better way to thank key supporters than a
feast? Liselle was never sure about her
husband becoming a politician, never sure

about the limelight, never sure about the
life of fundraising and stump speeches.
Then an FBI agent calls to warn her that
Winn might be facing corruption charges.
An avalanche of questions tumbles around
her: Is it possible he's guilty? Who are they
to each other; who have they become?
How much of herself has she lost—and
was it worth it? And just this minute, how
will she make it through this dinner party?
Across town, Selena Octave is making her
way through the same day, the same way
she always does—one foot in front of the

other, keeping quiet and focused, trying not to see the terrors all around her. Homelessness, starving children, the very living horrors of history that made America possible: these and other thoughts have made it difficult for her to live an easy life. The only time she was ever really happy was with Liselle, back in college. But they've lost touch, so much so that when they ran into each other at a drugstore just after Obama was elected president, they barely spoke. But as the day wears on, memories of Liselle begin to shift Selena's path. Inspired by Mrs. Dalloway and Sula, as well as Audre Lorde's *Zami*, Asali Solomon's *The Days of Afrekete* is a deft, expertly layered, naturally funny, and deeply human examination of two women coming back to themselves at midlife. It is a watchful celebration of our choices and where they take us, the people who change us, and how we can reimagine ourselves even when our lives seem set.

Once On a Time HarperCollins UK

The true story of a beekeeper who risks his life to rescue enslaved women from Daesh. Since 2014, Daesh (ISIS) has been brutalizing the Yazidi people of northern Iraq: sowing destruction, killing those who

won't convert to Islam, and enslaving young girls and women. The Beekeeper, by the acclaimed poet and journalist Dunya Mikhail, tells the harrowing stories of several women who managed to escape the clutches of Daesh. Mikhail extensively interviews these women—who've lost their families and loved ones, who've been sexually abused, psychologically tortured, and forced to manufacture chemical weapons—and as their tales unfold, an unlikely hero emerges: a beekeeper, who uses his knowledge of the local terrain, along with a wide network of transporters, helpers, and former cigarette smugglers, to bring these women, one by one, through the war-torn landscapes of Iraq, Syria, and Turkey, back into safety. In the face of inhuman suffering, this powerful work of nonfiction offers a counterpoint to Daesh's genocidal extremism: hope, as ordinary people risk their own lives to save those of others.

Paddington at Work HarperCollins UK

A brand-new title from Michael Bond chronicling new and exciting adventures of Paddington Bear! Somehow Paddington always finds himself in extraordinary situations, so it is no surprise when he

appears in a popular TV cooking show, finds himself on a stage giving one of his hard stares to a hypnotist, and performing some precarious tricks at Mr. Gruber's birthday party. For nearly sixty years, Paddington has enchanted readers around the world with his numerous misadventures and earnest good intentions. From master storyteller Michael Bond, and with interior illustrations by R. W. Alley, this new Paddington adventure will charm and delight readers of all ages. [The National Union Catalogs, 1963-](#) Farrar, Straus and Giroux

This captivating companion to *Ballet Shoes* tells the story of 3 orphans who become students at a famous theatre school. After their father disappeared in the war, Sorrell, Holly, and Mark Forbes were sent to live with their grandfather. When he dies, the three orphans are on the move again—this time to London, where their maternal grandmother is a well-known actress. The city is a strange, bustling place that frightens young Holly, but the siblings' new home at 14 Ponsonby Square has a garden that instantly enchants them. Their grandmother enrolls them at the Children's Academy of Dancing and

Stage Training, where they'll carry on the tradition of their famous theatre family, which includes cousins they never knew they had. Stuck-up Miranda thinks she can act better than Sorrel; homesick Mark discovers he can sing; and Holly is a natural dancer. Will Sorrel, Holly, and Mark live up to their family legacy?

Black Hearts in Battersea Random House Books for Young Readers

This book is about your heart (the little bit inside of you that makes you, you!) The words we listen to can affect how we feel. Some words can do amazing things and make us happy. And some words can really hurt us (we all know what sort of words those are). Our words have power, and we can choose to use them to make the world a better place. Simple, direct, and emotive, *Words and Your Heart's* message is that words have extraordinary power—to harm and to heal, to create and to destroy, and to spread love.

Once on a Time (1917) is a fairy tale by A.A. Milne. Known more for his series of Winnie-the-Pooh stories and poems for children, Milne also wrote novels, fairy tales, and plays, including this entirely original work of fiction inspired by the author's experience in the Great War. Addressing themes of power, conflict, and moral ambiguity, *Once on a Time* updates the classic fairy tale format for the twentieth century, and remains a wonderful work of fiction for children and adults alike. >While testing out a pair of magical boots, King Merriwig of Euralia, a jolly and decent ruler, accidentally instigates war with a neighboring kingdom. While he is off fighting with the cruel and egotistical King of Barodia, Merriwig's daughter, Princess Hyacinth, is left in charge of Euralia. Despite her youth, she possesses both wisdom and a desire to do right by her people. But the Countess Belvane, the king's mistress, has desires of her own. Jealous of Hyacinth, she hatches a plan to take control of the kingdom, causing mischief for the Princess at every turn. With the help of Prince Udo of Araby—who suffers from a strange enchantment—and his companion Coronel,

Princess Hyacinth does her best to take care of Euralia until her father is able to return. With a beautifully designed cover and professionally typeset manuscript, this edition of A.A. Milne's *Once on a Time* is a classic work of British literature reimagined for modern readers.

Paddington's Finest Hour New Directions Publishing

Have you wandered from the life you want to live? Chrystal Evans Hurst shares raw and vulnerable stories from her own life to

let you know how you too can find your way back after a few missteps. Over 100,000 copies sold! What happens when a woman looks at herself in the mirror, lingering just a little longer than usual and realizes that she no longer recognizes the person staring back at her? What does she do when she sees that, somehow, her life has drifted away from all her original hopes, dreams, or plans? Speaker, blogger, and writer Chrystal Evans Hurst wrote this book because she was that woman. One day she realized that she had somehow wandered from the life she was meant to live. Chrystal since discovered that this moment of awareness happens to lots of women at different seasons of their lives. Poor decisions, a lack of intentionality or planning, or a long-term denial of deep hopes and dreams can leave a woman, old or young, reeling from the realization that she is lost, disappointed, or simply numb. And she just needs encouragement. This woman simply needs someone to hold her hand, cheer her on, and believe with her that she is still capable of being the person she intended to be. Chrystal uses her poignant story of an early and unexpected

pregnancy, as well as other raw and vulnerable moments in her life, to let readers know she understands what it's like to try and find your way after some missteps or decisions you didn't plan on. In *She's Still There* Chrystal emphasizes the importance of the personal process and the beauty of authentically sharing your journey one girlfriend to another. It's a book of "me toos," reminders of the hoped for, and challenges for the path ahead--to find direction, purpose, and true satisfaction. Also available: *She's Still There* DVD series and study guide.

She's Still There HarperCollins UK
There's only one Christopher Biggins. The man who was crowned the King of the Jungle on TV's *I'm a Celebrity ...Get Me Out of Here!* has been at the heart of the entertainment universe for more than forty years. His radiant personality and wicked sense of humour have made him a hit with millions of fans and won him the admiration of many of his peers. But just who is the person behind that infectious laugh? Within these pages, the man affectionately known as 'Biggins' finally reveals all...In this candid autobiography, Biggins tells the full story of his colourful,

packed life. He tells of how, after winning his first role at a local theatre he headed to Bristol Old Vic Theatre School, where his contemporaries included Jeremy Irons - with who he went on honeymoon! Thanks to diverse television roles such as Poldark, Porridge and Rentaghost, Biggins became one of the best-known faces on television and on the stage. Fortune shone on Biggins when he was the surprise contestant on I'm a Celebrity...Get Me Out of Here! in 2007. His genuine personality, his appetite for fun and the gusto with which he approached the dreaded Bushtucker trials all endeared him to his fellow contestants and the public, who wasted no time in voting him winner of the show.

A hilarious story of everyone's favourite bear, Paddington - now a major movie star! When Paddington visits the zoo, he

takes enough marmalade sandwiches with him to last all day. However, he is none too pleased when he realises how popular they are with the zoo's inhabitants! Stories of Paddington Bear have delighted children all over the world for more than sixty years.

Catalog of Copyright Entries. Fourth Series HarperCollins

This exhibition catalogue highlights the work of a cross-section of women artists, active during the first half of the 20th century, whose work deserves more critical acclaim. Ever since Linda Nochlin asked in 1971, 'Why have there been no great women artists?', art history has been probing the female gaze. Through scholarship and exhibitions, readings have been put in place to counter prevailing assumptions that artistic creativity is primarily a masculine affair. *Fifty Works by Fifty British Women* functions as a corrective to the exclusion of women from the 'master' narratives of art. It introduces fifty artworks by known and lesser-known women - outstanding works that speak out. Fifty commentaries by fifty different writers bring out each artwork's unique story - sometimes from an objective art

historical perspective and sometimes from an entirely personal point of view - thereby creating a rich and colourful diorama. This exhibition does not, however, attempt to present a survey or to address all the arguments around the history of women and art. Anthologies are of necessity incomplete, and many remarkable imaginations are not here represented. Women artists have been set apart from male artists not only to their own disadvantage but also to the detriment of British art. While there were some improvements for women to access an artistic career in the twentieth century in terms of patronage, economics and critical attention - all the things that confer professional status - women had the least of everything. By showcasing just a few of the remarkable works produced, this exhibition draws attention to the fact that a vision of British twentieth century art closer to a 50/50 balance would not only provide a truer account, but also a more vivid and meaningful narrative. 126 illustrations, 43 b/w

The Conscience Pudding HarperCollins UK
'Bittersweet perfection' Guardian, Best Books of the Year 'An engulfing historical

novel' The Times, Best Books of the Year 'A festive classic in the making' Observer, Best Books of the Year Nominated for the Carnegie Medal Three years ago, Margot's life was turned upside down when her fiancé, Harry, went missing in action on the Western Front. Worse, she was left with a devastating secret which threatened to ruin her life and destroy the

reputation of her family. As a respectable vicar's daughter, Margot has had to guard that secret with great care ever since, no matter how much pain it causes her. Now it's Christmas 1919, and Margot's family is gathering back home in the vicarage for the first time since the end of the Great War. And miraculously Harry has returned,

hoping to see Margot and rekindle their romance. Can Margot ever reveal the shocking truth to the only man she has ever loved?
