MARSH JORDAN

The Year's Best Science Fiction Simon and Schuster

By the early 1970s, practically everyone under a certain age liked rock music, but not everyone liked it for the same reasons. We typically associate the sounds of classic rock 'n' roll with youthful rebellion by juvenile delinquents, student demonstrators, idealistic hippies, or irreverent punks. But in this insightful and timely book, author George Case shows how an important strain of rock music from the late 1960s onward spoke to and represented an idealized self-portrait of a very different audience: the working-class 'Average Joes' who didn't want to change the world as much as they wanted to protect their perceived place within it. To the extent that "working-class populism" describes an authentic political current, it's now beyond a doubt that certain musicians and certain of their songs helped define that current. By now, rock 'n' roll has cast a long shadow over hundreds of millions of people around the world not just over reckless kids, but over wage-earning parents and retired elders; not just over indignant youth challenging authority, but over indignant adults challenging their own definition of it. Not only have the politics of rock fans drifted surprisingly rightward since 1970; some rock, as Case argues, has helped reset the very boundaries of left and right themselves. That God, guns, and Old Glory can be understood to be paid fitting tribute in a heavy guitar riff delivered by a long-haired reprobate in blue jeans but that #Me Too, Occupy Wall Street or Black Lives Matter might not hints at where those boundaries now lie.

Hellraisers Soundcheck Books

Professional baseball has always consisted of a variety of characters, from likeable youngsters to notorious rebels. From 1871 to the present, the sport has witnessed the likes of Germany Schaeffer, an infielder with a penchant for "stealing" first base; Joe Medwick, the only player ever removed from a game for his own safety; and first baseman Hal Chase, noted for being one of the most corrupt players in baseball history. The Cooperstown Chronicles takes an entertaining look at the unusual lives, strange demises, and downright rowdy habits of some of the most colorful personalities in the history of baseball. Chapters profile the game's well-known tough-guys, the hard-drinking revelers, head-hunting pitchers, players who took their own lives, and those who died far too young from accidents or diseases. Frank Russo goes beyond the stats and delves into each player's personality, his life outside of baseball, and even his final resting place. The stories of little-known players like Terry Enyart, who pitched just one and two-thirds innings in the major leagues, are told next to those of superstars such as Mike Flanagan, who played professional ball for 18 years. However brief or long a career he may have had, every major league player has a story to tell. The Cooperstown Chronicles gives a voice to many of those players who are no longer able to tell their stories themselves. Compelling, fun, and often surprising, this book will entertain baseball fans and historians alike.

Sound of the Crowd: a Discography of the '80s (Fourth Edition) Simon and Schuster

The incredible true story of a rock legend. . . Lemmy's name was synonymous with notorious excess: his blood would have killed another human being. This is the story of the heaviest drinking, oversexed speed freak in the music business. Updated after Lemmy's untimely death in 2016, *White Line Fever* offers a sometimes hilarious, often outrageous, highly entertaining ride with the frontman of (what was) the loudest rock band in history. Motörhead stand firm as conquerors of the rock world, their history spanned an incredible forty years and while the Motörhead line-up saw many changes, Lemmy was always the soul of the machine. In the words of drummer Mikkey Dee, 'Lemmy was Motörhead.' From playing with local bands in Wales, his early career with the Rocking Vicars, backstage touring with Hendrix, and his time with Hawkwind to creating speed metal and forming the legendary band Motörhead, this is the truly epic finale, and tribute, to Lemmy from those who loved him best.

Boston's Ballparks & Arenas St. Martin's Griffin

Collects works with a rock music theme from various authors, including Sherman Alexie, T.C. Boyle, Roddy Doyle, Pagan Kennedy, and Tom Perrotta.

The Gods of Asphalt - Book One Oxford University Press

The Boozy Biography of the Four Greatest Actors to Ever Walk--Or Stagger--Into a Pub. Richard Burton, Richard Harris, Peter O'Toole, and Oliver Reed: On screen they were stars. Off screen they were legends! Hellraisers is the story of drunken binges of near biblical proportions, parties and orgies, broken marriages, riots, and wanton sexual conquests. Indeed, acts so outrageous that if you or I had perpetrated them we could have ended up in jail. Their mercurial acting talent and love from the press and the public allowed them to get away with the kind of behaviour that today's film stars could scarcely dream of. They were truly the last of a breed, the last of the movie hellraisers. This book traces the intertwining lives and careers of Burton, Harris, O'Toole, and Reed, plus an assortment of other movie boozers who crossed their path. It's a celebratory catalogue of their miscreant deeds, a greatest-hits package, as it were, of their most breathtakingly outrageous behavior, told with humor and affection. You can't help but enjoy it--after all, they bloody well did. "God put me on this earth to raise sheer hell."--Richard Burton "I don't have a drink problem. But if that was the case and doctors told me I had to stop I'd like to think that I would be brave enough to drink myself into the grave."--Oliver Reed "I was a sinner. I slugged some people. I hurt many people. And it's true, I never looked back to see the casualties."--Richard Harris "Booze is the most outrageous of drugs, which is why I chose it."--Peter O'Toole

Beer Drinkers and Hell Raisers Crooked Lane Books

... Then a shadow cast itself across the table and Jessica glanced over her shoulder. Tammuz was standing there, his head eclipsing the sun, its corona framing his solemn face like a halo. He held out his hand and smiled.

The Year's Best Science Fiction: Fourth Annual Collection Little, Brown Books for Young Readers (Guitar Recorded Versions). We're proud to present new guitar tab transcriptions for 25 classics from this bearded and bespectacled trio of Texas blues-rock masters! Includes huge hits such as: Beer Drinkers & Hell Raisers * Cheap Sunglasses * Doubleback * Francine * Gimme All Your Lovin' * Give It Up * Got Me Under Pressure * Heard It on the X * I Thank You * It's Only Love * Jesus Just Left Chicago * La Grange * Legs * My Head's in Mississippi * Party on the Patio * Rough Boy * Sharp Dressed Man * Sleeping Bag * Stages * Thunderbird * Tube Snake Boogie * Tush * Velcro Fly * Viva Las Vegas * Waitin' for the Bus.

Overkill: The Untold Story of Motörhead Lulu.com

This book is an unashamed celebration of the landmark album Slippery When Wet; Bon Jovi's most successful album to date, with sales of over 28 million copies since its 1986 release, and one of the most toe-tappingly gleeful albums to ever ring out from a pair of speakers. Everyone knows the rock classics 'Livin' On A Prayer' or 'You Give Love A Bad Name', but there isn't a bum track on the record. This is more than a 'making of' type book, because to put Slippery When Wet into context you need to understand what came before and after. It is also a handy fans' guide to the band's career with a track by track review, current thoughts on the album from top rock writers, plus bits and pieces that relate directly (or indirectly) to the legacy of a record which spent eight straight weeks at the top of the Billboard charts. The band, of course, are still with us and released an album in the spring of 2013 along with tour dates, which will heighten interest in the book. Their fan base is seriously loyal. Includes a foreword by former Kerrang! journalist and rock expert Paul Suter and an afterword by A&R supreme Derek Shulman (Simon Dupree And The Big Sound and Gentle Giant), who had the foresight to sign the band.

Bang Your Head Wheatmark, Inc.

A history of sports in Boston told through its parks and arenas.

Table for Two, Mr Sparrowhawk? Rowman & Littlefield

(Guitar Recorded Versions). Transcriptions of Billy Gibbons' work on 16 hits from the Texan blues-rock trio: Beer Drinkers & Hell Raisers * Blue Jean Blues * Brown Sugar * Cheap Sunglasses * Francine * I'm Bad, I'm Nationwide * Just Got Paid * La Grange * Pearl Necklace * Tube Snake Boogie * Tush * and more.

Losing Control Melville House

From the world leader in fascinating facts and amusing true stories comes a book about all things beer. For more than 25 years, Uncle John's Bathroom Reader has helped you learn amazing things you didn't know (and amazing things you didn't know you didn't know). Now, Uncle John's tackles one of the world's best loved and—fastest growing interests— beer. Pull up a stool and chug a pint of Beer-Topia, a rich, deep-bodied keg of beer knowledge, beer trivia, beer history, and beer fun. In recent years, beer has evolved from the swill your uncle drank at the bowling alley to the explosively-popular “microbrew” culture. There's a lot to explore about the beer phenomenon, and Beer-Topia will plumb the depths. What's on tap: The histories and origins of all the different styles of beers Interesting (and weird) beer flavors The science of beer, and how it's made Crazy beer-related news stories Beer terminology Funny microbrew names And lots, lots more!

Exurbia Now Troubador Publishing Ltd

This book is the only guide available that covers all the major climbing areas in the state with routes ranging from 5.0 to 5.14.

Killers Austin Maccauley Publishers

You want ninety? Fine, I'll give you ninety. I'll give them to you coming and going. Teen rocker Ritchie Sudden is pretty sure his life has just jumped the shark. Except he hates being called a teen, his band doesn't play rock, and “jumping the shark” is yet another dumb cliché. Part of Ritchie wants to drop everything and walk away. Especially the part that's serving ninety days in a juvenile detention center. Telling the story of the year leading up to his arrest, Ritchie grabs readers by the throat before (politely) inviting them along for the (max-speed) ride. A battle of the bands looms. Dad split about five minutes before Mom's girlfriend moved in. There's the matter of trying to score with the dangerously hot Ravenna Woods while avoiding the dangerously huge Spence Proffer—not to mention just trying to forget what his sister, Beth, said the week before she died. Acclaimed author Sean Beaudoin's latest offering is raw, razor-sharp, and genuinely hilarious.

ZZ Top Guitar Classics (Songbook) Orion

Full of grit and small town secrets, Tingle's debut is a searing look at the effects of crime for fans of David Joy and Michael Farris Smith. Davis Reed is plagued by the three “A's”: anger, alcohol, and anxiety. A former Charleston police officer, turned private detective, Davis hopes to gain some respect, self and otherwise, by writing a book. His subject: the true story of a B-25 bomber that crashed on Cold Mountain in western North Carolina just after the end of World War II. From the comfort of a mountain cabin in Cruso, NC Davis spends his days popping anti-anxiety pills, drinking copious amounts of home brewed beer, and not writing a book. But when he discovers a set of keys on a mountain trail, he becomes curious, then obsessed, about finding the rightful owner. With the help of his friend Dale Johnson, a 275 pound local deputy who is full time ornery and part time clever, and Dale's cousin Floppy, a motor mouthed mechanic with a penchant for conspiracy theories and kleptomania, Davis works to uncover the mystery of the keys while navigating a world of small town secrets, shady characters, 80's heavy metal, and murder. But Davis has his own secrets and even though he's escaped to the mountains some bad business in Charleston is beginning to catch up with him. For an anxiety riddled man looking for peace and quiet Davis somehow stumbles into more chaos and crossfire than any amount of beer and pills can alleviate.

Da Capo Press

The tiny Caribbean tourist trap of Union Island wants to declare its independence from the U.S. And while baby-faced island leader Greg Grom's “Free Union Island” movement is taken about as seriously as a summer day, good ol' Greg is touring Dixieland's hot spots, from the honky-tonks to the hee-haws, trying to rally support for the cause. And some weird stuff is happening . . . Ordinary beer-swilling, foot-stomping, line-dancing yahoos are running amok, brawling like beasts on a rampage. Remo Williams - currently not experiencing a lot of job satisfaction as Reigning Master - spots the connection between the goofball from Union Island and the redneck killer zombies. And he's pretty sure Greg is slipping something into the local brew, but the why is another matter. No biggie. Remo's not in a mood to make friends, or deal with the Chiun's abuse or CURE's insults. He's here to smoke some bacon. Happily. Breathlessly action-packed and boasting a winning combination of thrills, humour and mysticism, the Destroyer is one of the bestselling series of all time.

I'm Just the Keyboard Guy Lulu.com

Nestled away on the north shore of Long Island is the quiet town of Asharoken. A seaside community lined with multi-million dollar homes and home to the infamous Pierce Kingston. Thirty-one year old Pierce, the son of hotel magnate Celia Banks and Richard Kingston, a volatile disposition and owner of Kingston Custom Builders. Being born into a life of luxury, obscenely good looks, indispensable amounts of money, fast cars and disposable women. To any outsider his life was a dream, men were envious and women threw themselves at him, but for Pierce his life was nothing short of a prison. He had a not-so-secret drug addiction, lifelong abuse and nightmares that haunted him. Pierce was accustomed to having the best of everything, but cherished nothing, that was until he met Kim Duquette. Pierce finds himself losing control, will the love of his life unlock the shackles or is it too late?

In 1975 legendary bassist Lemmy decreed that Motörhead would be “the dirtiest rock’n’roll band in the world. If you moved in next door, your lawn would die.” *Overkill: The Untold Story Of Motörhead* tells the whole story of the ultimate rock trip. The Omnibus Enhanced edition includes a Digital Timeline spanning all four decades of Motörhead's reign, packed with audio, video and images of tour nights, memorabilia, music videos and interviews. Additionally, throughout the book are links to curated playlists allowing you to hear Motörhead's finest rock n' roll gems, their early influences and more. *Overkill: The Untold Story Of Motörhead* is based upon original interviews with those closest to the action and is packed with fresh insights. Joel McIver presents a more philosophical view than most of Lemmy and the band without shying away from the turbulent excesses of a life lived on the road. Updated in the wake of Lemmy's death, and with an introduction by rock legend Glenn Hughes, this is the definitive book for those wanting to sit at a bar with Lemmy, Whisky-in-hand, and listen to his odyssey.

Uncle John's Beer-Topia Hal Leonard Corporation

New York Times bestselling author and six-time WWE champion Chris Jericho shares 20 of his most valuable lessons for achieving your goals and living the life you want. Chris Jericho has known what he wanted out of life since he was a teenager: to be a pro wrestler and to be in a rock 'n' roll band. Most of his high school friends felt that he lacked the tools necessary to get into either, but Chris believed in himself. With the wise words of Master Yoda echoing through his head (“Do or do not. There is no try.”), he made it happen. As a result, Chris has spent a lifetime doing instead of merely trying, managing to achieve his dreams while learning dozens of invaluable lessons along the way. *No Is a Four-Letter Word* distills more than two decades of showbiz wisdom and advice into twenty easy-to-carry chapters, including: Developing a strong work ethic thanks to WWE chairman Vince McMahon, Remembering to always look like a star from Gene Simmons of KISS, Learning to let it go when the America's Funniest Home Videos hosting gig goes to his rival, Adopting a sense of perpetual reinvention from the late David Bowie, Making sure to sell himself like his NHL-legend father Ted Irvine taught him, and Going the extra mile to meet Keith Richards (with an assist from Jimmy Fallon). Now, in the hopes that those same principles might help and inspire his legions of fans, Chris has decided to share them while recounting the fantastic and hilarious stories that led to the birth of these rules. The result is a fun, entertaining, practical, and inspiring book from the man with many scarves but only one drive: to be the best. After reading *No Is a Four-Letter Word*, you'll discover that you might have what it takes to succeed as well...you just need to get out there and do it. That's what Jericho would do.

I, Jessica H.E. Ellis

Let me pull up my chair and tell you my story. But, my story is to be read as a conversation; not as some pure and perfect work of literature. It's not a story of fantasy or science fiction, but it's a story of mystery, intrigue, murder and young teenaged boys looking and finding a life full of adventures in a world that exists only at night. Have you ever been sitting on the hood of a car, on a dark gravel road when heat lightning can be seen high in the late night sky. And, at the same time the Whippoorwill birds begin to sound off and the lightning bugs light up all around you, so many of them that you can see your friends face. All of that, while you listen to an eight track tape of some good rock and roll music. So, this is how two teenaged boys, named Dunny and SL spend their weekends as they live in a small town and grow up in Callaway County Missouri in the 1970's. The raw and energetic teenagers have to run and be free. They can be compared to the free and raw spirit of the champion thoroughbred “Spectacular Bid” who loves to run hard and fast. And so, run is what they do, but not one of them can see what is waiting for them at the finish line. I invite you to read my story, but really, what mean to say is listen to my story through my written words and in the end you just might say “ and it sounded good.”

My Spectacular Bid Bloomsbury Publishing

The suburbs have become too liberal and diverse for many white American conservatives, so “exurbia”—areas outside the cities and their suburbs—are becoming the staging ground for the radical right extremist insurgency . . . Beyond a fanatical devotion to former president Donald Trump, one of the curious things that united the rank and file of the January 6 insurrectionist mob was that many of them were residents of one of America's fastest growing residential areas: Exurbia. Home to the likes of Georgia's Marjorie Taylor Greene, Ohio's Jim Jordan, big box retailers, chain restaurants, monster trucks, and megachurches, exurbia is becoming America's greatest political battleground, more important to American politics than urban or rural America. In this brilliant work of political and cultural inquiry, veteran political journalist David Masciotra provides a definitive account of what exurbia is, how it came to be, and how it's transforming American life. Zooming in outside the greater metropolitan area of Chicago—where Masciotra grew up—he shows how exurbia has become a safe space to fly the MAGA flag and romanticize the mores of the pre-civil rights, pre-feminist, pre-gay rights 1950s. But, as Masciotra also shows, reactionary white flight is not the whole story of small-town America. The story often lost is the power and persistence of small-town liberals—people who believe in equality, celebrate diversity, and enroll in movements for justice. Exurbia, as it turns out, is ground zero for the fight over a democracy mightily beleaguered, yet still full of promise, and still worth fighting for. Combining interviews, research, and anecdote—and anchored in personal experience—*Exurbia Now* delivers a powerful ballad on the state of small-town America, and provides a sense of the fight for democracy, on the ground, in the heartland.
