*What We Owe to Each Other* Roaring Brook Press

A missing laptop, a petulant critic, a sojourn in communal living—Eleanor, or, The Rejection of the Progress of Love is a bracingly intelligent examination of grief, autonomy, aging, desire, information overload, and the condition of being a thinking and feeling inhabitant of an often unthinkable, numbing world. Anna Moschovakis's debut novel bristles with honesty, humor, and the hungers that propel us to revise and again revise our lives.

[Is That You, Eleanor Sue?](#) Turtleback

The winner of the Man Booker Prize, this "expertly written, perfectly constructed" bestseller (The Guardian) is now a Starz miniseries. It is 1866, and Walter Moody has come to stake his claim in New Zealand's booming gold rush. On the stormy night of his arrival, he stumbles across a tense gathering of 12 local men who have met in secret to discuss a series of unexplained events: a wealthy man has vanished, a prostitute has tried to end her life, and an enormous cache of gold has been discovered in the home of a luckless drunk. Moody is soon drawn into a network of fates and fortunes that is as complex and exquisitely ornate as the night sky. Richly evoking a mid-nineteenth-century world of shipping, banking, and gold rush boom and bust, *The Luminaries* is at once a fiendishly clever ghost story, a gripping page-turner, and a thrilling novelistic achievement. It richly

confirms that Eleanor Catton is one of the brightest stars in the international literary firmament.

Bunny Simon and Schuster

Eleanor Ty's bold exploration of literature, plays, and film reveals how young Asian Americans and Asian Canadians have struggled with the ethos of self-sacrifice preached by their parents. This new generation's narratives focus on protagonists disenchanted with their daily lives. Many are depressed. Some are haunted by childhood memories of war, trauma, and refugee camps.

Rejecting an obsession with professional status and money, they seek fulfillment by prioritizing relationships, personal growth, and cultural success. As Ty shows, these storytellers have done more than reject a narrowly defined road to happiness. They have rejected neoliberal capitalism itself. In so doing, they demand that the rest of us reconsider our outmoded ideas about the so-called model minority.

*Eleanor Roosevelt: In Her Words* McClelland & Stewart

Saturdays are dress-up days when Eleanor Sue Climbs out the window . . . Tiptoes over to the front door . . . And rings the doorbell. Ding dong. When her mother answers, she doesn't see Eleanor Sue. She sees A cranky old neighbor. Or a hungry witch. Or a white-bearded wizard. Eleanor Sue is a master of disguise, but when her mother gets in on the act, along with Grandma, anything can happen in this whimsical picture book by award-winning author/illustrator Tricia Tusa.

**The Hard Tomorrow** Little, Brown

In this hilarious follow-up to BEN FRANKLIN'S IN MY BATHROOM!, history and hijinks collide once more when Eleanor Roosevelt accidentally time travels to a ten-year-old's home in 21st-century

America! When Eleanor Roosevelt time travels to Nolan and Olive's house in modern-day Illinois, the kids don't know who she is at first. After all, she's old and wearing a hairnet. But the First Lady of the United States--some 80 years ago, that is-- isn't a mystery for long when she starts spouting things like "You must do the things you think you cannot do." Fresh off a visit from Ben Franklin, Nolan and Olive know what they're in for with this latest guest: an adventure. From drawing on ideals of civil protest to save the town park, to (almost) doing a loop-de-loop in a single-engine plane, to avoiding that know-it-all snoop Tommy Tuttle, there's one laugh after the next in this second book in the History Pals series. Fun back matter expands the story and unpacks the amazing life of Eleanor Roosevelt.

The Luminaries Coffee House Press

John Piper examines depression from a spiritual perspective, guiding and encouraging those for whom joy seems to stay out of reach.

A Witness for Eleanor Dare Schwartz & Wade

Unafraid to speak her mind and famously tenacious in her convictions, Eleanor Roosevelt was still mourning the death of FDR when she was asked by President Truman to lead a controversial commission, under the auspices of the newly formed United Nations, to forge the world's first international bill of rights. A World Made New is the dramatic and inspiring story of the remarkable group of men and women from around the world who participated in this historic achievement and gave us the founding document of the modern human rights movement. Spurred on by the horrors of the Second World War and working against the clock in the brief window of hope between the

armistice and the Cold War, they grappled together to articulate a new vision of the rights that every man and woman in every country around the world should share, regardless of their culture or religion. A landmark work of narrative history based in part on diaries and letters to which Mary Ann Glendon, an award-winning professor of law at Harvard University, was given exclusive access, *A World Made New* is the first book devoted to this crucial turning point in Eleanor Roosevelt's life, and in world history.

Finalist for the Robert F. Kennedy Book Award

*Eleanor Roosevelt's in My Garage!* Simon and Schuster

Eleanor Roosevelt's book on citizenship for young people now revised and updated for a contemporary audience. In the voice of one of the most iconic and beloved political figures of the twentieth century comes a book on citizenship for the future voters of the twenty-first century. Eleanor Roosevelt published the original edition of *When You Grow Up to Vote* in 1932, the same year her husband was elected president. The new edition has updated information and back matter as well as fresh, bold art from award-winning artist Grace Lin. Beginning with government workers like firefighters and garbage collectors, and moving up through local government to the national stage, this book explains that the people in government work the voter. Fresh, contemporary, and even fun, *When You Grow Up to Vote* is the book parents and teachers need to talk to children about how our government is designed to work.

*The Lost Book of Eleanor Dare* Doubleday Books

Publisher Description

**Eleanor Amplified and the Trouble with Mind Control** Little, Brown Spark

From Pulitzer Prize finalist Ben Montgomery, the story of a Texas man who, during the Great Depression, walked around the world - - backwards. Like most Americans at the time, Plennie Wingo was hit hard by the effects of the Great Depression. When the bank foreclosed on his small restaurant in Abilene, he found himself suddenly penniless with nowhere left to turn. After months of struggling to feed his family on wages he earned digging ditches in the Texas sun, Plennie decided it was time to do something extraordinary -- something to resurrect the spirit of adventure and optimism he felt he'd lost. He decided to walk around the world -- backwards. In *The Man Who Walked Backward*, Pulitzer Prize finalist Ben Montgomery charts Plennie's backwards trek across the America that gave rise to Woody Guthrie, John Steinbeck, and the New Deal. With the Dust Bowl and Great Depression as a backdrop, Montgomery follows Plennie across the Atlantic through Germany, Turkey, and beyond, and details the daring physical feats, grueling hardships, comical misadventures, and hostile foreign police he encountered along the way. A remarkable and quirky slice of Americana, *The Man Who Walked Backward* paints a rich and vibrant portrait of a jaw-dropping period of history.

Eleanor Houghton Mifflin Harcourt

Doris Kearns Goodwin's Pulitzer Prize-winning classic about the relationship between Franklin D. Roosevelt and Eleanor Roosevelt, and how it shaped the nation while steering it through the Great Depression and the outset of World War II. With an extraordinary collection of details, Goodwin masterfully weaves together a striking number of story lines—Eleanor and Franklin's marriage and remarkable partnership, Eleanor's life as First Lady,

and FDR's White House and its impact on America as well as on a world at war. Goodwin effectively melds these details and stories into an unforgettable and intimate portrait of Eleanor and Franklin Roosevelt and of the time during which a new, modern America was born.

No Ordinary Time University of Illinois Press

"The gorgeous and empathetic story of one couple's search for hope and a peaceful future Hannah is a thirty-something wife, home-health worker, and antiwar activist. Her husband, Johnny, is a stay-at-home pothead working—or ""working""—on building them a house before the winter chill sets in. They're currently living and screwing in the back of a truck, hoping for a pregnancy, which seems like it will never come. Legs in the air for a better chance at conception, Hannah scans fertility Reddits while Johnny dreams about propagating plants—kale, tomatoes—to ensure they have sufficient sustenance should the end-times come, which, given their fragile democracy strained under the weight of a carceral state and the risk of horrible war, doesn't seem so far off. Helping Hannah in her fight for the future is her best friend, Gabby, a queer naturalist she idolizes and who adores her. Helping Johnny build the house is Tyler, an off-the-grid conspiracy theorist driven sick by his own cloudy notions of reality. Told with tenderness and care in an undefined near future, Eleanor Davis's *The Hard Tomorrow* blazes unrestrained, as moments of human connection are doused in fear and threats. Her astute projections probe at current anxieties in a cautionary tale that begs the question: What will happen after tomorrow?"

*Eleanor* Harper Muse

Shapiro presents a colorful panoply of rejection letters--many

from famous people including A-Rod, Jimi Hendrix, and Andy Warhol--that when taken together offer humor, insight, and the comfort of shared experience.

**Eleanor Oliphant Is Completely Fine** Drawn & Quarterly  
A "riveting and enlightening account" (Bookreporter) of a mostly unknown chapter in the life of Eleanor Roosevelt—when she moved to New York's Greenwich Village, shed her high-born conformity, and became the progressive leader who pushed for change as America's First Lady. Hundreds of books have been written about FDR and Eleanor, both together and separately, but yet she remains a compelling and elusive figure. And, not much is known about why in 1920, Eleanor suddenly abandoned her duties as a mother of five and moved to Greenwich Village, then the symbol of all forms of transgressive freedom—communism, homosexuality, interracial relationships, and subversive political activity. Now, in this "immersive...original look at an iconic figure of American politics" (Publishers Weekly), Jan Russell pulls back the curtain on Eleanor's life to reveal the motivations and desires that drew her to the Village and how her time there changed her political outlook. A captivating blend of personal history detailing Eleanor's struggle with issues of marriage, motherhood, financial independence, and femininity, and a vibrant portrait of one of the most famous neighborhoods in the world, this unique work examines the ways that the sensibility, mood, and various inhabitants of the neighborhood influenced the First Lady's perception of herself and shaped her political views over four decades, up to her death in 1962. When Eleanor moved there, the Village was a zone of Bohemians, misfits, and artists, but there was also freedom there, a miniature society where personal

idiosyncrasy could flourish. Eleanor joined the cohort of what then was called “The New Women” in Greenwich Village. Unlike the flappers in the 1920s, the New Women had a much more serious agenda, organizing for social change—unions for workers, equal pay, protection for child workers—and they insisted on their own sexual freedom. These women often disagreed about politics—some, like Eleanor, were Democrats, others Republicans, Socialists, and Communists. Even after moving into the White House, Eleanor retained connections to the Village, ultimately purchasing an apartment in Washington Square where she lived during World War II and in the aftermath of Roosevelt’s death in 1945. Including the major historical moments that served as a backdrop for Eleanor’s time in the Village, this remarkable work offers new insights into Eleanor’s transformation—emotionally, politically, and sexually—and provides us with the missing chapter in an extraordinary life.

#### The Times I Knew I Was Gay Holiday House

A smart, heartbreaking mystery about unexpected love, art, family, and finding yourself. It's been a year since Luna's mother, the fashion-model wife of a successful film director, was hit and killed by a taxi in New York's East Village. Luna, her father, and little brother are still struggling with grief. But when Luna goes to clean out her mother's old studio, she's stunned to find her mom's old cell phone there—charged and holding seven unheard messages. As Luna begins to listen, she learns more about her mother's life than she ever wanted to know . . . because the tidy tale she's been told about her mother's death may not be the whole truth. With the help of Oliver, the musically gifted boy next door, Luna won't stop until she finds answers. But what else will

she find along the way?

#### **When You Grow Up to Vote** Harvard University Press

How do we judge whether an action is morally right or wrong? If an action is wrong, what reason does that give us not to do it? Why should we give such reasons priority over our other concerns and values? In this book, T. M. Scanlon offers new answers to these questions, as they apply to the central part of morality that concerns what we owe to each other. According to his contractualist view, thinking about right and wrong is thinking about what we do in terms that could be justified to others and that they could not reasonably reject. He shows how the special authority of conclusions about right and wrong arises from the value of being related to others in this way, and he shows how familiar moral ideas such as fairness and responsibility can be understood through their role in this process of mutual justification and criticism. Scanlon bases his contractualism on a broader account of reasons, value, and individual well-being that challenges standard views about these crucial notions. He argues that desires do not provide us with reasons, that states of affairs are not the primary bearers of value, and that well-being is not as important for rational decision-making as it is commonly held to be. Scanlon is a pluralist about both moral and non-moral values. He argues that, taking this plurality of values into account, contractualism allows for most of the variability in moral requirements that relativists have claimed, while still accounting for the full force of our judgments of right and wrong.

#### **Eleanor** St. Martin's Griffin

This illustrated, first of its kind collection of excerpts from Eleanor Roosevelt's newspaper columns, radio talks, speeches, and

correspondence speaks directly to the challenges we face today. Acclaimed for her roles in politics and diplomacy, first lady Eleanor Roosevelt was also a prolific author, journalist, lecturer, broadcaster, educator, and public personality. Using excerpts from her books, columns, articles, press conferences, speeches, radio talks, and correspondence, *Eleanor Roosevelt: In Her Words* tracks her contributions from the 1920s, when she entered journalism and public life; through the White House years, when she campaigned for racial justice, the labor movement, and "the forgotten woman;" to the postwar era, when she served at the United Nations and shaped the Universal Declaration of Human Rights. Selections touch on Roosevelt's early entries in women's magazines ("Ten Rules for Success in Marriage"), her insights on women in politics ("Women Must Learn to Play the Game As Men Do"), her commentary on World War II ("What We Are Fighting For"), her work for civil rights ("The Four Equalities"), her clash with Soviet delegates at the UN ("These Same Old Stale Charges"), and her advice literature ("If You Ask Me"). Surprises include her unique preparation for leadership, the skill with which she defied critics and grasped authority, her competitive stance as a professional, and the force of her political messages to

modern readers. Scorning the "America First" mindset, Eleanor Roosevelt underlined the interdependence of people and of nations. *Eleanor Roosevelt: In Her Words* illuminates her achievement as a champion of civil rights, human rights, and democratic ideals.
