Jazz Praeger

Mustafa Kemal Atatürk is hailed as one of the most charismatic political leaders of the twentieth century, but little is known today about his one and only wife, Latife Hanim. A multilingual intellectual educated at the Sorbonne, Latife's marriage to Atatürk in 1923 set her apart from her contemporaries, raising her to the pinnacle of political power. She played a central role in the creation of a modern and secular Turkey and campaigned tirelessly for women's right to vote. Throughout her marriage, Latife stood beside her husband and acted as his interpreter, promoter and diplomatic aide. She even twice risked her own life to save his. However, after only two years of marriage, Atatürk divorced Latife and she soon disappeared from public life. She was shunned, blamed for the failure of the marriage and portrayed as a sharp-tongued, quarrelsome woman who had strained Atatürk's nerves. Latife spent the rest of her life in seclusion. In the first biography to be written on Latife Hanim, Ipek Çalislar recounts the life of an exceptional and courageous woman, well ahead of her time, who lived through a remarkable period in Turkish history. 'Rich, surprising and profound' Orhan Pamuk 'A daring biography' Independent 'A unique account of the life and times of an exceptional woman' Moris Farhi, author of Young Turk

Turkey Saqi

The raging question in the world today is who is the real Vladimir Putin and what are his intentions. Karen Dawisha's brilliant Putin's Kleptocracy provides an answer, describing how Putin got to power, the cabal he brought with him, the billions they have looted, and his plan to restore the Greater Russia. Russian scholar Dawisha describes and exposes the origins of Putin's kleptocratic regime. She presents extensive new evidence about the Putin circle's use of public positions for personal gain even before Putin became president in 2000. She documents the establishment of Bank Rossiya, now sanctioned by the US; the rise of the Ozero cooperative, founded by Putin and others who are now subject to visa bans and asset freezes; the links between Putin, Petromed, and "Putin's Palace" near Sochi; and the role of security officials from Putin's KGB days in Leningrad and Dresden, many of whom have maintained their contacts with Russian organized crime. Putin's Kleptocracy is the result of years of research into the KGB and the various Russian crime syndicates. Dawisha's sources include Stasi archives; Russian insiders; investigative journalists in the US, Britain, Germany, Finland, France, and Italy; and Western officials who served in Moscow. Russian journalists wrote part of this story when the Russian media was still free. "Many of them died for this story, and their work has largely been scrubbed from the Internet, and even from Russian libraries," Dawisha says. "But some of that work remains."

Der Antiheld in Westerncomics der franko-belgischen Schule Dutton Adult

The good-old sticker rewards chart meets the social media era in this sticker rewards book for toddlers. Divided into three sections with over 500 stickers, the book offers something for every busy toddler and their parents and teachers. The large-size stickers in the I Did It Myself section are perfect for being displayed on kids' shirts or chests and then photographed and shared on social media, with messages like I brushed my teeth, I fed my pet, and many more. Smaller-size stickers in the Awesome Achievements section celebrate general kid accomplishments with words of

encouragement, such as Excellent Work! and Way to Go!, as well as popular icons like smiling faces, emoticons, stars, etc. This section also includes popular stickers with encouraging phrases in an array of languages, from Spanish and Chinese to Italian and Korean. These stickers are designed to be used by kids and their educators on anything from worksheets and notebooks to tricycles and scooters. And of course we all love a sticker chart, so the last section of the book includes a collection of stickers specially designed for a removable Fold-Out Chart (included) that can be displayed in a child's room, the family room, the kitchen, etc.

First Person Europe Comics

Why DO people look like their dogs? Is it shared personality traits, an expression of self-love, or do they grow together over time like old married couples? This book explores the intense bonds we develop with our dogs, which are far from only skin, or even fur, deep. 50 photos by renowned animal photographer Gerrard Gethings present insightful and fun depictions of dogs and their humans, and humorous texts are included in the booklet to provide clues about these 25 people and their furry best friends. The book also includes behind the scenes photos and an interview with the photographer.

Superman: Legacy of Superman (1993-) #1 Oxford University Press on Demand

The first English-language biography of the de facto ruler of the late Ottoman Empire and architect of the Armenian Genocide, Talaat Pasha (1874-1921) led the triumvirate that ruled the late Ottoman Empire during World War I and is arguably the father of modern Turkey. He was also the architect of the Armenian Genocide, which would result in the systematic extermination of more than a million people, and which set the stage for a century that would witness atrocities on a scale never imagined. Here is the first biography in English of the revolutionary figure who not only prepared the way for Atatürk and the founding of the republic in 1923, but who shaped the modern world as well. In this explosive book, Hans-Lukas Kieser provides a mesmerizing portrait of a man who maintained power through a potent blend of the new Turkish ethno-nationalism, the political Islam of former Sultan Abdulhamid II, and a readiness to employ radical "solutions" and violence. From Talaat's role in the Young Turk Revolution of 1908 to his exile from Turkey and assassination--a sensation in Weimar Germany--Kieser restores the Ottoman drama to the heart of world events. He shows how Talaat wielded far more power than previously realized, making him the de facto ruler of the empire. He brings wartime Istanbul vividly to life as a thriving diplomatic hub, and reveals how Talaat's cataclysmic actions would reverberate across the twentieth century. In this major work of scholarship, Kieser tells the story of the brilliant and merciless politician who stood at the twilight of empire and the dawn of the age of genocide.

Pretty Little Liars #6: Killer Methuen Childrens Books

'Imperial Classroom deserves our attention on several counts, the most important being its innovatory approach, systematic presentation and the large variety of sources consulted to good effect... well-documented and very readable... this scholarly book should be read not only by those studying late Ottoman education, but by all those interested in the period of Abdülhamid II.' -Middle Eastern Studies This book presents a many-sided view of education in the late nineteenth and early twentieth century under the Ottoman Empire. Drawing on a wide array of primary material, ranging from archival reports to textbooks and classroom maps, Benjamin C. Fortna provides a detailed

scholarly analysis of the Ottoman educational endeavour, revealing its fascinating mix of Western and indigenous influences.

Smurf Soup Last Gasp of San Francisco

An extraordinary autobiography story from a legend in American comics.

*The Smurfs Vol. 18* Dark Horse Comics

From the author of *Yacht Designing and Planning* and *Boatbuilding: the definitive history and survey of the great classic American small sailing craft*.

**Grandville Noel** Akademische Verlagsgemeinschaft München

A concise introduction to one of today's fastest-growing, most exciting fields, Comics Studies: A Guidebook outlines core research questions and introduces comics' history, form, genres, audiences, and industries. Authored by a diverse roster of leading scholars, this Guidebook offers a perfect entryway to the world of comics scholarship.

Talaat Pasha PublicAffairs

When Papa Smurf is hurt in a lab accident he sends a smurf to the good wizard Homnibus for help. Although Homnibus has a cure, he needs to buy some seeds he's missing for the recipe. Fascinated by this exchange of commerce among the humans, the smurf returns to Smurf Village as Finance Smurf! After teaching his fellow smurfs how to buy things with money, some smurfs get rich while others don't, and things quickly tumble into disarray. Will the smurfs find a way back to the peaceful way things used to be?

Negative Space Pantheon

This book examines Turkey's position in the world at the end of the Cold War. An account of Turkey's political history, society, and economy helps determine what degree of credence to attach to the claim that Turkey is an island of stability in a troubled area extending from the borders of the European Union to China. The author describes Turkey's foreign relations with the West, in general, and the European Union, in particular, and also with its Middle Eastern neighbors, Greece and the ex-communist countries, including the Turkic republics of the former Soviet Union. The emphasis is on Turkey's ability to support Western efforts to bring political stability to the region and to enter into partnership with Western economic enterprise.

Way to Go! Harper Collins

One of the funniest, most beloved, and most often quoted entertainers in the world tells his tale of Life and Golf--and of somehow surviving both. With his brilliant creation, groundskeeper Carl Spackler, and the outrageous success of the film *Caddyshack* firmly etched into the American consciousness, Bill Murray and golf have become synonymous. Filled with Murray's trademark deadpan and dead-on humor, *Cinderella Story* chronicles his love affair with golf from the life lessons he learned as a caddy--"how to smoke, curse, play cards. But more important, when to"--to his escapades on the Pro-Am golf circuit at the Augusta National and as a fan at the Masters, the U.S. Open, and the Western Open. An up-by-the-bootstraps tale of a man, his muse, and our society's fascination with a little white ball, *Cinderella Story* is one pilgrim's bemused path through the doglegs.

**Grandville** duopress

Enjoy this great comic from DC's digital archive!

*Blueberry: Ballad for a coffin* Simon and Schuster

Rain Wolf, a young native American, is in trouble. He just killed a white man in an act of self-defense. Justifiable in the eyes of the law... when it's a white man who does it. Bruce, the son of influential railway magnate Vincent McDell, springs his friend Rain Wolf from jail and vows to protect him. Rain Wolf has no choice but to go into hiding. Sent along to accompany him by the tribe sages is Little Moon, the woman Bruce's brother Jack is in love with. Little Moon is at the age to marry, but she doesn't yet know who her husband will be. Her mystical grandfather gives her a monocle with strange powers that seems to be guiding her. Meanwhile, the Cody brothers are called upon by the dead man's mother to bring down the man who killed her son. They're hot on the trail of the two runaways, having first kidnapped Blanche McDell. But they're not the only ones...

**Deutsche Nationalbibliographie und Bibliographie der im Ausland erschienenen deutschsprachigen Veröffentlichungen** Kodansha

Includes works commissioned by The New York Times, Esquire UK, The Guardian and Time Out London, as well as never-before-seen illustrations, Noma Bar plays with negative space, focusing on subject matter ranging from sex, global warming and nuclear warfare to religion.

*Rain Wolf - Volume 1* Macmillan

Two hundred years ago, Britain lost the Napoleonic War and fell under the thumb of French domination. Gaining independence after decades of civil disobedience and anarchist bombings, the Socialist Republic of Britain is now a small, unimportant backwater connected by a railway bridge, steampowered dirigible, and mutual suspicion to France. When a British diplomat's murder is made to look like suicide, ferocious DetectiveInspector LeBrock of Scotland Yard stalks a ruthless murder squad through the heart of a Belle Epoque Paris, the center of the greatest empire in a world of steamdriven hansom cabs, automatons, and flying machines. LeBrock's relentless quest can lead only to death, truth... or war. \* Following on the heels of his internationally acclaimed graphic novels *The Tale of One Bad Rat* and *Alice in Sunderland*, Grandville is a fantastical and audacious rollercoaster ride, visually stunning and rich in memorable detail.

Sammlung DC Comics

Press kit includes: fact sheet, 1 booklet (production and biographical information), opening announcement story, 30 black and white still photographs.

Verzeichnis lieferbarer Bücher Laurence King

When Kenji Nakagami burst onto the literary scene in the 1970s, he was seen as a breath of fresh air in the stuffy world of Japanese letters. He came from "the Alley", the ghetto world of Japan's underclass that for centuries has been condemned to do "unclean" work. He had left school to work on construction sites, thought of becoming a sumo wrestler, and then, out of the blue, won a major literary prize. The seven stories collected here span the whole range of his writing. Nakagami's birthplace was a mountainous region of dense forests, waterfalls, and remote temples. Nakagami draws on this background in several tales of red-eyed demons and mountain bandits, but he focuses mainly on the violent lives of his contemporaries: drunks and day laborers, gamblers and battered wives. His prose is tough, spare, and stylish, making him known to many of his readers as the Japanese Hemingway.

*Do You Look Like Your Dog?* the Book Mark Batty Publisher

Le blaireau est de retour! Alone in Grandville, Detective Inspector LeBrock stalks a growing religious cult led by a charismatic unicorn messiah who, along with his con-men partners, are responsible for horrific mass murder. With Paris in the grip of the mysterious crime lord Tiberius Koenig and increasingly violent attacks by human terrorists, can LeBrock stop the inevitable slide into fascism? And could these conditions all be the manipulations of a centuries-old conspiracy to throw the world into war? From the imagination of Bryan Talbot comes Grandville Noël, the fourth installment of the acclaimed steampunk fantasy series.

**Cinderella Story** Tales of the Green Lantern Cor

Who is this Vladimir Putin? Who is this man who suddenly--overnight and without warning--was

handed the reigns of power to one of the most complex, formidable, and volatile countries in the world? How can we trust him if we don't know him? First Person is an intimate, candid portrait of the man who holds the future of Russia in his grip. An extraordinary compilation of over 24 hours of in-depth interviews and remarkable photographs, it delves deep into Putin's KGB past and explores his meteoric rise to power. No Russian leader has ever subjected himself to this kind of public examination of his life and views. Both as a spy and as a virtual political unknown until selected by Boris Yeltsin to be Prime Minister, Putin has been regarded as man of mystery. Now, the curtain lifts to reveal a remarkable life of struggles and successes. Putin's life story is of major importance to the world.
