Henry Morton Stanley undertook the greatest African expedition of the 19th century to rescue Emin Pasha, last lieutenant of the martyred General Gordon and governor of the southern Sudan. Instead of ten months, the trip took three years and cost the lives of thousands of people, as Stanley's column hacked its way across the last great, unexplored territory in Africa. Stanley's secret agenda was territorial expansion on the model of Leopold's Congo or the British East India Company.

Throughout his illustrious writing career, Charles Dickens often turned his hand to fashioning short pieces of ghostly fiction. Even in his first successful work, *Pickwick Papers*, you will find five ghost stories, all of which are included in this collection. Dickens began the tradition of the 'ghost story at Christmas', and many of his tales in this genre are presented here including the brilliant novella, 'The Haunted Man and the Ghost's Bargain', which deserves to be as well known as *A Christmas Carol*. While all his supernatural tales aim to chill the spine, they are not without the usual traits of Dickens' flamboyant style, his subtle wit, biting irony, humorous incidents and moral observations. It is a mixture which makes these stories fascinating and entertaining as well as unsettling. To paraphrase the Fat Boy in *Pickwick Papers*: Charles Dickens 'wants to make your flesh creep.'

New York Times and USA Today Best Seller! Discover the amazing secret of the ages...and the mystery of your life! The Oracle will reveal the mystery behind everything...the past, the present, current events, even what is yet to come! Open the seven doors of revelation—and prepare to be blown away! Jonathan Cahn, author of the New York Times best sellers *The Harbinger*, *The Mystery of the Shemitah*, *The Book of Mysteries*, and *The Paradigm*, now unveils *The Oracle*, in which he opens up the Jubilean mysteries and a revelation so big that it lies behind everything from the rise and fall of nations and empires (even America), to the current events of our day, to the future, to end-time prophecy, and much more. Could an ancient prophecy and a mysterious ordinance given in a Middle Eastern desert over three thousand years ago be determining the events of our day? Could some of the most famous people of modern history and current events be secretly linked to this mystery—even a modern president of the United States? Could this ancient revelation pinpoint the events of our times down to the year, month, and day of their occurring? Could a mysterious phenomenon be manifesting on the world stage on an exact timetable determined from ancient times? Could these manifestations have altered—and now be altering—the course of world events? Jonathan Cahn takes the reader on a journey to find the man called the Oracle. One by one each of the Jubilean mysteries will be revealed through the giving of a vision. The Oracle will uncover the mysteries of *The Stranger*, *The Lost City*, *The Man With the Measuring Line*, *The Land of Seven Wells*, *The Birds*, *The Number of the End*, *The Man in the Black Robe*, *The Prophet's Song*, *The Matrix of Years*, *The Day of the Lions*, *The Awakening of the Dragon*, and much more. The reader will discover the ancient scrolls that contain the appointed words that have determined the course of world history from the onset of modern times up to our day. The revelation is so big that it will involve and open up the mysteries of everything and everyone from Mark Twain to Moses, from King Nebuchadnezzar to Donald Trump, from the fall of empires to the

rise of America, from a mystery hidden in a desert cave to another in an ancient scroll, from the palace of the Persian Empire to the US Senate, from the Summer of Love to the Code of Babylon, and much, much more. Ultimately the Oracle will reveal the secret that lies behind end-time prophecy and the mystery of the end of the age. As with *The Harbinger* and *The Book of Mysteries*, Cahn reveals the mysteries through a narrative. A traveler is given seven keys; each will open up one of seven doors. Behind each door lies a stream of mysteries. The reader will be taken on a journey of angels and prophetic revelations waiting to be discovered behind each of the seven doors—the ancient secrets that lie behind the world-changing events of modern times—and revelations of what is yet to come. Hailed as a mind-blowing masterpiece, *The Oracle* will reveal mysteries that are absolutely real, amazing, stunning, mind-blowing, and life-changing. Prepare to be blown away. ECPA BESTSELLER • A compelling emotional and spiritual case against hurry and in favor of a slower, simpler way of life “As someone all too familiar with ‘hurry sickness,’ I desperately needed this book.”—Scott Harrison, *New York Times* best-selling author of *Thirst* “Who am I becoming?” That was the question nagging pastor and author John Mark Comer. Outwardly, he appeared successful. But inwardly, things weren’t pretty. So he turned to a trusted mentor for guidance and heard these words: “Ruthlessly eliminate hurry from your life. Hurry is the great enemy of the spiritual life.” It wasn’t the response he expected, but it was—and continues to be—the answer he needs. Too often we treat the symptoms of toxicity in our modern world instead of trying to pinpoint the cause. A growing number of voices are pointing at hurry, or busyness, as a root of much evil. Within the pages of this book, you’ll find a fascinating roadmap to staying emotionally healthy and spiritually alive in the chaos of the modern world.

The Yoda Chronicles Thomas Nelson

God always keeps His promises, but not always in the way we expect.... “Have faith” is a phrase we hear all the time. But what does it actually look like to live it out? In *The Mothers and Daughters of the Bible Speak*, Shannon Bream examines the lives of biblical women to see how God’s plans can turn our worlds upside down. She tells the story of Jochebed, a mother who took enormous risks to protect her son, Moses, from Pharaoh. Could Jochebed have imagined that God’s actual design for her son involved flight into exile and danger? And yet this was all part of the master plan to deliver Israel from slavery. Another biblical mother, Rebekah, made terrible choices in an attempt to ensure her son’s place in history. And a daughter, Michal, struggled to keep her faithless father, Saul, from sin, while battling pride in herself. Through these stories, Shannon explains the intimate connection between faith and family—and how God’s unexpected agenda can redefine the way we think about family. Not all of

these mothers and daughters in the Bible were paragons of virtue. Like us, they were human beings who faltered and struggled to do their best. While some heard God's voice, others chose their own paths. Through the lens of their imperfections, we can see how God used their stories to bring about His divine plans. He's still doing the same work in our lives today. The

Mothers and Daughters of the Bible Speak shows that faith is more often a twisting road than a straight line. Yet, as the stories of biblical families attest, at the end of these journeys lies greater peace and joy than we could ever imagine. Supplemental enhancement PDF accompanies the audiobook.
