The Unhoneymooners HarperCollins UK

♥ A swoon-worthy nobleman with a dark past ♥ A debutante with a flawless reputation ♥ A compromising embrace ♥ A close-knit, meddling family ♥ Sweet Regency romance! From New York Times bestselling author Lauren Royal and her daughter comes the first novel in their beloved Regency series featuring the "outrageously funny, loyal, and endearing" Chase family. Lady Alexandra Chase has always liked being the perfect daughter, thank you very much. Why would she bother chafing against society's restrictions when instead she could be basking in the warm glow of its approval? But when her brother's best friend-and secret obsession-returns from a long spell abroad, she begins losing interest in the suitable young lord she's expected to marry. Suddenly, family duty and a flawless reputation seem less important than the chance, however slight, that her girlhood crush might notice her now that she's all grown up... Tristan Nesbitt has done some growing up himself over the last few years, what with moving across oceans, inheriting a title, and facing a devastating scandal. But through it all, he's never forgotten the Chases, the closest thing he had to a family back in his school days. When his old friend Griffin Chase requests a favor, he's happy to oblige, as long as he can maintain enough distance from the family that his infamous past won't tarnish their good name. Unfortunately, one Chase seems intent on getting much closer to him than she should... PLEASE NOTE: This book is a SWEET & CLEAN ROMANCE. "Joyce Carol Oates has written what may be the world's finest postmodern Gothic novel: E.L. Doctorow's Ragtime set in Dracula's castle. It's dense, challenging, problematic, horrifying, funny, prolix and full of crazy people. You should read it." —Stephen King, New York Times Book Review Princeton, New Jersey at the turn of the 20th century: a tranquil place to raise a family, a genteel town for genteel souls. But something dark and dangerous lurks at the edges of the town, corrupting and infecting its residents. Vampires and ghosts haunt the dreams of the innocent. A powerful curse besets the elite families of Princeton—their daughters begin disappearing. A young bride on the verge of the altar is seduced and abducted by a dangerously compelling man—a shape-shifting, vaguely European prince who might just be the devil, and who spreads his curse upon a richly deserving community of white Anglo-Saxon privilege. And in the Pine Barrens that border the town, a lush and terrifying underworld opens up. When the bride's brother sets out against all odds to find her, his path will cross those of Princeton's most formidable people, from Grover Cleveland, fresh out of his second term in the White House and retired to town for a quieter life, to soon-to-be commander in chief Woodrow Wilson, president of the University, and a complex individual obsessed to the point of madness with his need to retain power; from the young Socialist idealist Upton Sinclair, to his charismatic comrade Jack London, and the most famous writer of the era, Samuel Clemens/ Mark Twain—all plagued by “accursed” visions. Narrated with Oates's unmistakable psychological insight, *The Accursed* combines beautifully transporting historical detail with chilling supernatural elements to stunning effect.

From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a love story about a Craigslist “missed connection” post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M
