Johnny Appleseed Children's Press(CT)
Johnny Appleseed and the American Orchard illuminates the meaning of Johnny "Appleseed" Chapman's life and the environmental and cultural significance of the plant he propagated. Creating a startling new portrait of the eccentric apple tree planter, William Kerrigan carefully dissects the oral tradition of the Appleseed myth and draws upon material from archives and local historical societies

across New England and the Midwest. The character of Johnny Appleseed stands apart from other frontier heroes like Davy Crockett and Daniel Boone, who employed violence against Native Americans and nature to remake the West. His apple trees, nonetheless, were a central part of the agro-ecological revolution at the heart of that transformation. Yet men like Chapman, who planted trees from seed rather than grafting, ultimately came under assault from agricultural reformers who promoted commercial fruit stock and were determined to extend national markets into the West. Over the course of

his life John Chapman was transformed from a colporteur of a new ecological world to a curious relic of a pre-market one. Weaving together the stories of the Old World apple in America and the life and myth of John Chapman, Johnny Appleseed and the American Orchard casts new light on both. -- James Gilbert, University of Maryland
[The Story of Johnny Appleseed](#) Simon and Schuster
Who's that walking along the Ohio? It's Johnny Appleseed! He walks across the land, planting trees wherever he goes. So, everyone, clap your hands for Johnny

Appleseed!

The Story of Johnny Appleseed Jonny Appleseed

With a bag of seeds and a pot on his head, John Chapman set out West to plant apple trees. He made lots of friends and planted lots of trees. Pretty soon, people started to call him Johnny Appleseed.

Johnny Appleseed Turtleback Books

Who's that walking along the Ohio? It's Johnny Appleseed! He walks across the land, planting trees wherever he goes. So, everyone, clap your hands for Johnny Appleseed!

The Adventures of Johnny Appleseed Capstone

Recounts the story of John Chapman, the man behind the legend of Johnny Appleseed, who went on a great adventure across the land planting apple seeds everywhere he went.

Johnny Appleseed Greenwillow Books

His real name was John Chapman. He grew apples. But wait. So what? Why should we remember him and read about him and think about him and talk about him today, more than two hundred years after he was born? Why should we call him a hero? Esme Raji Codell and Lynne Rae Perkins

show us, in eloquent words and exhilarating pictures, why Johnny Appleseed matters now, perhaps more than ever, in our loud and wired and fast-paced world.

Johnny Appleseed Millbrook Press
Recounts the story of the man who traveled west planting apple seeds to make the country a better place to live.

Johnny Appleseed Gibbs Smith
“Finally, the cliché is peeled away and the essence of this utterly American character is so revealing. John Chapman comes alive here and it is a thrilling experience to escape the specific gravity of the decades of myth” (Ken Burns). This portrait of Johnny Appleseed restores the flesh-and-blood man beneath the many myths. It captures the boldness of an iconic American and the sadness of his last years, as the frontier marched past him, ever westward. And it shows how death liberated the legend and made of Johnny a barometer of the nation’s feelings about its own heroic past and the supposed Eden it once had been. Howard Means does for America’s inner frontier what Stephen Ambrose’s *Undaunted Courage* did for its western one.

Johnny Appleseed Child's World

Based on a real person, this tall tale tells the story of legendary nurseryman Johnny Appleseed and how he introduced apple trees to large parts of the United States. Additional features to aid comprehension include background information and historical context of the tale, and an introduction to the author and illustrator.

Johnny Appleseed Golden Books

Johnny Appleseed was an important historical figure, well known for planting apple orchards across the new frontier. But he was also a master storyteller! In his own folksy voice, Johnny Appleseed tells his story to a couple of entranced children in this fictionalized Step 2 title. Readers learn how he started planting apple trees—and about some of the myths and true stories of his life.

Johnny Appleseed Gloucester, Mass. : P. Smith, 1967 [c1954]

John Chapman is better known as Johnny Appleseed, but who was he, really? Did he really wear a pan on his head as a hat and travel the United States planting apple seeds? This unique biography explores the legend and the real man. The comic book-style illustrations help young people get a

true flavor for what life might have been like for this memorable legendary figure. [Who Was Johnny Appleseed?](#) Scholastic Inc.

John Chapman, introduced apple trees to large part of the US Midwest and some parts of Canada. Known as Johnny Appleseed, he was an eccentric and religious man who was kind, generous, and loved animals. This book is an introduction to the life and generosity of Johnny Appleseed whose unselfishness inspired songs, books, and city parks. This jovial volume contains original artwork, historical context of the story, recounts the folktale from diverse cultures, and defines words unique to the story.

Johnny Appleseed Plants Trees Across the Land Penguin

Retells the wandering of John Chapman whose devotion to planting apple trees made him a legendary figure in American history.

Johnny Appleseed

Johnny Appleseed Simon and Schuster WINNER, Lambda Literary Award “You’re gonna need a rock and a whole lotta medicine” is a mantra that Jonny Appleseed, a young Two-Spirit/Indigiqueer, repeats to himself in this vivid and utterly compelling novel. Off the reserve and trying to find ways to live and love in the big city, Jonny becomes a cybersex worker who fetishizes himself in order to make a living. Self-ordained as an NDN glitter princess, Jonny has one week before he must return to the “rez,” and his former life, to attend the funeral of his stepfather. The next seven days are like a fevered dream: stories of love, trauma, sex, kinship, ambition, and the heartbreaking recollection of his beloved kokum (grandmother). Jonny’s life is a series of breakages, appendages, and linkages—and as he goes through the motions of preparing to return home, he learns how to put together the pieces of his life. Jonny Appleseed is a unique,

shattering vision of First Nations life, full of grit, glitter, and dreams. This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines (WCAG-AA). It is screen-reader friendly and is accessible to persons with disabilities. A Simple book with few images, which is defined with accessible structural markup. This book contains various accessibility features such as alternative text for images, table of contents, page-list, landmark, reading order and semantic structure.

Seed by Seed Harper Collins

"Please--no apple blossoms!" protests author Robert Price, speaking of his approach to the Johnny Appleseed story. For over a quarter century Mr. Price has followed the circuitous trail of the elusive folk hero. Says the author: "Perhaps my bent for the outdoors, travel, and music shows up in this book. John Chapman's story has only recently emerged from a cloud of popular sentimentalism to become a major national myth in which

'Johnny Appleseed' is a symbol of everything good associated with the development of the land. To show this evolution, I have tied his drama not just to history and folklore, but to American topography. Most of his trail I have trampled or driven over from Leominster, Mass., to Fort Wayne." -- Amazon.com *Johnny Appleseed: My Story* Folk Heroes With a bag of seeds and a pot on his head, John Chapman set out West to plant apple trees. He made lots of friends and planted lots of trees. Pretty soon, people started to call him Johnny Appleseed.

Penguin

Shows how Johnny Appleseed grew from a young boy who loved the outdoors into the legendary man who spread apple trees all across the United States.

Little Naturalists Johnny Appleseed The Rosen Publishing Group, Inc

Introduce your brilliant baby to the American icon Johnny Appleseed. John Chapman, known as "Johnny Appleseed," planted apple tree nurseries all over

Pennsylvania, Ontario, Ohio, Indiana, Illinois, and West Virginia. He believed nobody should ever harm a living thing, so he advocated for animal rights, became a vegetarian, and planted seeds instead of grafting tree branches like most other orchardists. Kate Coombs and Seth Lucas recreate Johnny Appleseed's adventures for young readers, encouraging them to Be Adventurous and to Be Kind to every person, animal, and plant they meet. Kate Coombs is an award-winning author of original fairy tales, poems, middle-grade fantasy novels, and picture books, including the critically acclaimed *Water Sings Blue*, which won the Lee Bennett Hopkins Poetry Award for 2012, and seven books in the bestselling *BabyLit* series. She lives in Bountiful, Utah. Seth Lucas is an illustrator and designer with a BFA in graphic design. He is the co-creator of *Ello There Outdoors* selling prints and accessories supporting the National Parks and outdoors. He lives in Indianapolis, Indiana, with his wife and daughter.
