histories and  
the  
globalization  
of English.  
Rashmi  
Sadana places  
internationally  
recognized  
authors such  
as Salman  
Rushdie, Anita  
Desai, Vikram  
Seth, and  
Aravind Adiga  
in the context  
of debates  
within India  
about the

politics of  
language and  
alongside  
other writers,  
including K.  
Satchidanand  
an, Shashi  
Deshpande,  
and Geetanjali  
Shree. Sadana  
undertakes an  
ethnographic  
study of  
literary culture  
that probes  
the  
connections  
between  
place,  
language, and  
text in order  
to show what  
language  
comes to  
stand for in  
people's lives.  
In so doing,  
she unmask  
a social  
discourse rife  
with questions  
of authenticity

and cultural politics of inclusion and exclusion. English Heart, Hindi Heartland illustrates how the notion of what is considered to be culturally and linguistically authentic not only obscures larger questions relating to caste, religious, and gender identities, but that the authenticity discourse itself is continually in flux. In order to mediate and extract cultural

capital from India's complex linguistic hierarchies, literary practitioners strategically deploy a fluid set of cultural and political distinctions that Sadana calls "literary nationality." Sadana argues that English, and the way it is positioned among the other Indian languages, does not represent a fixed pole, but rather serves to change political and literary alliances among classes

and castes, often in surprising ways. *Modern Shorthand Teach Yourself* A helpful guide full of simple and easy to follow exercises, perfect for anybody wishing to learn the art of writing shorthand. *Look East, Cross Black Waters* Oxford University Press

While in a Russian-administered holding camp in Katowice, Poland, in 1945, Primo Levi was asked to provide a report on living conditions in Auschwitz. Published the following year, it was subsequently forgotten and remained unknown to a wider public. Dating from the weeks and months immediately after the war, Auschwitz Report details the authors' harrowing deportation to

Auschwitz, and how those who disembarked from the train were selected for work or extermination. As well as being a searing narrative of everyday life in the camp, and the organization and working of the gas chambers, it constitutes Levi's first lucid attempts to come to terms with the raw horror of events that would drive him to create some of the greatest works of twentieth-

century literature and testimony. Auschwitz Report is a major literary and historical discovery.

**Islamic Shangri-La**  
Rand Corporation  
Confining itself to the peaks of anticolonial struggles and the popular resistance to the state in independent India, this book shows the political prisoners' view of the ruptures and continuities in the forms of repression, the nature of penal

sanctions, and the legal political processes and discourses in colonial and independent India,	<u>Reporting</u> Legare Street Press This book examines the deeply divided terrain of the twentieth century city and its formative impact on narrative fiction. It focuses on two major 'world authors' at the two ends of the twentieth century who write, systematically , about the colonial and postcolonial cities they were born in: James Joyce and Dublin, and Salman Rushdie and	Bombay. <u>Political Prisoners in India</u> McGraw-Hill Prof Med/Tech The dialectic between national literary production and the rise of a group of writers with cosmopolitan sympathies is the aim of this book, concentrating on Rushdie's novels and journalism. A <i>Revolutionary Artist of Tibet</i> Springer This catalog is published in conjunction with an exhibition organized and

KEY. SAGE

The nautanki performances of northern India entertain their audiences with often ribald and profane stories.

Rooted in the peasant society of pre-modern India, this theater vibrates with

lively dancing, pulsating drumbeats, and full-throated singing. In *Grounds for Play*, Kathryn Hansen draws on field research to describe the different elements of nautanki performance: music, dance, poetry, popular story lines, and written texts. She traces the social history of the form and explores the play of meanings within nautanki narratives, focusing on the ways

important social issues such as political authority, community identity, and gender differences are represented in these narratives. Unlike other styles of Indian theater, the nautanki does not draw on the pan-Indian religious epics such as the Ramayana or the Mahabharata for its subjects. Indeed, their storylines tend to center on the vicissitudes of

stranded heroines in the throes of melodramatic romance. Whereas nautanki performers were once much in demand, live performances now are rare and nautanki increasingly reaches its audiences through electronic media—records, cassettes, films, television. In spite of this change, the theater form still functions as an effective conduit in the cultural flow that connects urban centers

and the hinterland in an ongoing process of exchange. **Grounds for Play** Paul Zante India's core goals for Southeast Asia are in basic harmony with those of the United States, including regional stability, peaceful settlement of territorial disputes, and containment of radicalism Still, America should not expect India to enter any sort of alliance, nor join any

coalition to balance against China, but should demonstrate strategic patience and willingness to cultivate a long-term relationship. *Magnum Steno* Independently Published The bestselling essential guide for mathematics teachers and those training to teach, Yes, but why? answers all your questions, and sheds light on the hidden connections between everything in

mathematics at school. The new edition includes a new 'Test Yourself' feature, additional coverage on fractions and much more!

Univ of California Press  
Now a major motion picture nominated for nine Academy Awards.  
Narrative of Solomon Northup, a Citizen of New-York, Kidnapped in Washington City in 1841, and Rescued in 1853.  
Twelve Years a Slave by Solomon Northup is a memoir of a black man who was born free in New York state but kidnapped,

sold into slavery and kept in bondage for 12 years in Louisiana before the American Civil War. He provided details of slave markets in Washington, DC, as well as describing at length cotton cultivation on major plantations in Louisiana.
