Una volta c'erano le fiabe, oggi sono i videogiochi a eccitare e appagare la fantasia di pubblici sterminati e ubiqui. Si tratta sempre di forme di intrattenimento ludico, che sollecitano un esercizio di intelligenza. E allora vale la pena di occuparsene seriamente, di questi giocattoli supertecnologici, così facili e così difficili da usare con profitto. Alla base del balocco c'è sempre una spinta di originalità creativa che occorre analizzare con attenzione, come un aspetto nuovo della fiction duemillesca. Tirature è nato per dare conto spregiudicatamente di tutti i processi di ammodernamento del sistema culturale. E quest'anno Tirature passa dal cartaceo al digitale perché questa è una via importante per intercettare e ampliare il pubblico leggente di giovane generazione, rispettandone le esigenze e valorizzandone le capacità.

L'amore costa caro Oxford University Press, USA

Beatrix Potter meets I Spy in this detailed and charming storybook adventure Best friends Julia and Sam are mice who live in the Mouse Mansion. When they're together they find all sorts of adventures—and all kinds of trouble! Come with them as they discover a secret hiding place, greet the ragman, and learn to make pancakes. There is a shop that sells everything and a box full of treasure. And—oh no!—there might even be a rat! The Mouse Mansion is always full of surprises. Author and artist Karina Schaapman spent years building and furnishing the Mouse Mansion in which this collection of stories takes place. The elaborate dollhouse is made of cardboard boxes and papier-mâché and contains more than one hundred rooms to explore.

Barbara Cartland Romances Drag City

Comic strips tell the stories of a beautiful runaway, an arranged marriage, a hidden family treasure, and the reluctant chieftain of a Scottish clan

Luis Royo revisits the world of Dead Moon with Epilogue. His ambitious story puts a science-fiction spin on the story of Romeo & Juliet, casting it not in terms of a war between families, but rather as a war between genders. This ambitious epilogue focuses on the origins of the characters, Moon and Mars, and their tortured and passionate relationship, leading to a trail of death left in their wake. This volume includes a DVD featuring behind-the-scenes footage from the making of this series.

"First-rate entertainment": The author of the Corfu Trilogy recounts his expedition to Madagascar and search for the elusive, endangered aye-aye (Publishers Weekly). In 1990, Gerald Durrell; his

wife, Lee; and a television crew embarked on a rescue mission to one of the most interesting places in the world: the island of Madagascar. It was there that they hoped to record and capture the endangered aye-aye, the world's largest nocturnal primate. Recognizable by its big eyes and long fingers, the strange, rare aye-aye was an animal of incredible fascination for Durrell, one he felt compelled to conserve as its habitat was taken away by deforestation. In this passionate memoir, Durrell's funny, vibrant voice shines as he describes the magical landscape of Madagascar, the exotic animals that inhabit it, and the challenges of his expedition to preserve an important part of our ever-changing world. This ebook features an illustrated biography of Gerald Durrell including rare photos from the author's estate.

Meeting Barbapapa for the very first time is a magical moment - every child will adore this loyal, gentle, friendly creature, who can change into any shape and solve any problem for his family and friends. In this story, Barbapapa searches the world and beyond for a Barbamama to share his life. **How Bluegrass Music Destroyed My Life** Kensington Publishing Corp.

In this prize-winning Iranian novel, a spoiled and foul-mouthed young woman looks to get high while her family and city fall to pieces. What do you do when the world is falling apart and you're in withdrawal? Disillusioned, wealthy, and addicted to opium, Shadi wakes up one day to apocalyptic earthquakes and a dangerously low stash. Outside, Tehran is crumbling: yuppies flee in bumper-to-bumper traffic as skaters and pretty boys rise up to claim the city as theirs. Cross-dressed to evade hijab laws, Shadi flits between her dysfunctional family and depressed friends—all in search of her next fix. Mahsa Mohebbali's groundbreaking novel about Iranian counterculture is a satirical portrait of the disaster that is contemporary life. Weaving together gritty vernacular and cinematic prose, *In Case of Emergency* takes a darkly humorous, scathing look at the authoritarian state, global capitalism, and the gender binary.

Paperbacks in Print Norma Editorial

A collection of stories and poems with the central theme of water, from each of the 54 countries of the Commonwealth. Suggested level: primary, intermediate.

Quanto sei disposto a pagare un amore con la A maiuscola? Un Lui, una Lei e la storia di un amore impossibile: a raccontarla è Quintino, un gatto siamese sornione e annoiato come il suo padrone. In una Torino altezzosa e imprevedibile, ora ambigua ora rassicurante, Alfonso e Giuseppina si incontrano. È il 1997, lui è un insoddisfatto studente d'ingegneria e lei un'ambiziosa modella di provincia, che un giorno mette un annuncio sul giornale per vendere il suo corpo al migliore offerente. Alfonso è il primo cliente: bastano poche ore trascorse insieme, perché i due comincino a sentire uno strano e inatteso trasporto. Ma lei scappa e lui non ha il coraggio di inseguirla. La rivede per caso al matrimonio del suo migliore amico, ma Giusy, in arte Amanda, non è ancora pronta e la fuga, anche questa volta, è la strada più semplice... L'amore costa caro è la storia di un incontro che, tra dubbi e paure, sembra destinato a non trasformarsi mai in un legame stabile. Intorno ai due protagonisti ruotano le avventure tragicomiche di amici e familiari: Laùra, una disinibita ragazza kazaka, zia Ceci, una bizzarra cartomante, don Gonzalo, un singolare prete argentino, Guja e Leopoldo, Gualtiero e Genny, Quintino e la gatta Bianca. Con le loro strambe vite colorano una storia fatta di passioni, di tormenti, ma soprattutto di sogni, proprio come l'amore. Quintin Contreras argentino, vive e vegeta a Buenos Aires. L'amore costa caro è il suo primo

romanzo. Per saperne di più visita il sito [quintincontreras.com](#).

WINNER OF THE NOBEL PRIZE IN LITERATURE A beautiful, comprehensive volume of Dylan's lyrics, from the beginning of his career through the present day—with the songwriter's edits to dozens of songs, appearing here for the first time. Bob Dylan is one of the most important songwriters of our time, responsible for modern classics such as "Like a Rolling Stone," "Mr. Tambourine Man," and "The Times They Are a-Changin'." The Lyrics is a comprehensive and definitive collection of Dylan's most recent writing as well as the early works that are such an essential part of the canon. Well known for changing the lyrics to even his best-loved songs, Dylan has edited dozens of songs for this volume, making The Lyrics a must-read for everyone from fanatics to casual fans.

Johnny Got His Gun DK Children

"By the will of fate I came to play a part in not letting Hitler achieve his final goal of disappearing and turning into a myth I managed to prevent Stalins dark and murky ambition from taking root his desire to hide from the world that we had found Hitlers corpse" - Elena Rzhnevskaya "A telling reminder of the jealousy and rivalries that split the Allies even in their hour of victory, and foreshadowed the Cold War"- Tom Parfitt, The Guardian On May 2, 1945, Red Army soldiers broke into Hitlers bunker. Rzhnevskaya, a young military interpreter, was with them. Almost accidentally the Soviet military found the charred remains of Hitler and Eva Braun. They also found key documents: Bormann's notes, the diaries of Goebbels and letters of Magda Goebbels. Rzhnevskaya was entrusted with the proof of the Hitlers death: his teeth wrenched from his corpse by a pathologist hours earlier. The teeth were given to Rzhnevskaya because they believed male agents were more likely to get drunk on Victory Day, blurt out the secret and lose the evidence. She interrogated Hitler's dentist's assistant who confirmed the teeth were his. Elenas role as an interpreter allowed her to forge a link between the Soviet troops and the Germans. She also witnessed the civilian tragedy perpetrated by the Soviets. The book includes her diary material and later additions, including conversations with Zhukov, letters of pathologist Shkaravsky, who led the autopsy, and a new Preface written by Rzhnevskaya for the English language edition. Rzhnevskaya writes about the key historical events and everyday life in her own inimitable style. She talks in depth of human suffering, of bittersweet victory, of an author's responsibility, of strange laws of memory and unresolved feeling of guilt.

Learn all about Spider-Man with this fun, easy-peel sticker book. Witness his astonishing powers and get up close with his unshakeable allies. Then things get even stickier as you meet his implacable foes, and recreate some of his most exciting battles on the page!

A River of Stories Kensington Books

George and Martha meet in a seedy motel room on the night before the Republican National Convention. Their affair goes way back, before George stole the election, before Martha built an empire on fascist domesticity. As usual, George numbs his pain over waging perpetual war with cocaine and the promise of kinky sex. Martha is forced to take a long view of her life as she suffers the public humiliation of corporate scandal, on the brink of going to prison. Written in the style of Albee's *Who's Afraid of Virginia Woolf*, *George & Martha* is Karen Finley's most scandalous work to date, a hilarious satire that takes a radical stand on political power, psychosexual relations between men and women, and the current state of affairs. Lavishly illustrated with drawings by the

author.

A top and a ball lived in the same toy drawer and the top wanted to marry the ball, but the ball felt differently. Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales include "The Emperor's New Clothes", "The Little Mermaid", "The Nightingale", "The Steadfast Tin Soldier", "The Snow Queen", "The Ugly Duckling" and "The Little Match Girl". His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films "The Little Mermaid" in 1989 and "Frozen", which is loosely based on "The Snow Queen", in 2013. Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day.

Barbapapa's Voyage Franklin Watts

The Searing Portrayal Of War That Has Stunned And Galvanized Generations Of Readers An immediate bestseller upon its original publication in 1939, Dalton Trumbo's stark, profoundly troubling masterpiece about the horrors of World War I brilliantly crystallized the uncompromising brutality of war and became the most influential protest novel of the Vietnam era. Johnny Got His Gun is an undisputed classic of antiwar literature that's as timely as ever. "A terrifying book, of an extraordinary emotional intensity."--The Washington Post "Powerful. . . an eye-opener." --Michael Moore "Mr. Trumbo sets this story down almost without pause or punctuation and with a fury amounting to eloquence."--The New York Times "A book that can never be forgotten by anyone who reads it."--Saturday Review

[L Prelibri](#) Lindhardt og Ringhof

As John Casti wrote, "Finally, a book that really does explain consciousness." This groundbreaking work by Denmark's leading science writer draws on psychology, evolutionary biology, information theory, and other disciplines to argue its revolutionary point: that consciousness represents only an infinitesimal fraction of our ability to process information. Although we are unaware of it, our brains sift through and discard billions of pieces of data in order to allow us to understand the world around us. In fact, most of what we call thought is actually the unconscious discarding of information. What our consciousness rejects constitutes the most valuable part of ourselves, the "Me" that the "I" draws on for most of our actions--fluent speech, riding a bicycle, anything involving expertise. No wonder that, in this age of information, so many of us feel empty and dissatisfied. As engaging as it is insightful, this important book encourages us to rely more on what our instincts and our senses tell us so that we can better appreciate the richness of human life.

Tirature 2014. Videogiochi e altri racconti Open Road Media

Daisy Dalrymple is up to her fashionable bob in a murder case in bohemian post World War I Chelsea. When an opera diva dies during a performance of Verdi's "Requiem", Daisy and Scotland Yard Inspector Alec Fletcher soon discover the singer had her share of adversaries. Did one of them poison the acclaimed mezzo soprano?
