In this witty and warm-hearted account, Peter Mayle tells what it is like to realize a long-cherished dream and actually move into a 200-year-old stone farmhouse in the remote country of the Lubéron with his wife and two large dogs. He endures January's frosty mistral as it comes howling down the Rhône Valley, discovers the secrets of goat racing through the middle of town, and delights in the glorious regional cuisine. *A Year in Provence* transports us into all the earthy pleasures of Provençal life and lets us live vicariously at a tempo governed by seasons, not by days.

Paris to Provence is a culinary travelogue of separate summers spent in France, interweaving a collection of simple recipes with evocative memories and stories of those years. "This beautiful *mémoire* will beguile everyone who loves France and should be essential reading for anyone going there for the first time. Ethel and Sara have captured a

beloved place through the rosy, whimsical, wacky, tender, and honest lens of childhood. Forget three-star dining and luxury travel; this is the France that I love and remember with pleasure. The recipes are simple and soul satisfying—from café fare and home cooking to street food and a village feast. I was enchanted with the evocative photos and charmed by every memory." —Alice Medrich, author of *Sinfully Easy Delicious Desserts* "To read *Paris to Provence* is to take a beautiful and wonderfully nostalgic journey to the France of my childhood, the France of sweet dreams. If you've ever had your soul captured by the magic that exists in the lighter side of *la France profonde*, and if you have a sensitivity toward joyful moments created around food, family, and friends, then *Paris to Provence* is for you. It's a lovely book filled with classic and simple yet delicious French recipes. Somebody needs to open a restaurant here in the United States that uses this book to inspire its menu. I'd eat there at least once a week!"

—William Widmaier, author of *A Feast at the Beach*
Ethel and Sara

beguile you with recipes and stories from their summer childhoods as they traveled with their respective families from Paris to Provence. In markets, cafés, truck stops, bakeries, bistros, and French family homes, the girls experienced their first taste of France, re-created here through recipes, stories, and photographs. Inspired by her memories of truck stop lunches sitting next to tables of grizzled truckers, Ethel gives us *Steak au Poivre à la Sauce aux Morilles* (pepper steak with morels). Sara's whimsical game of using her asparagus as soldiers' spears to guard her food from her sister is the source of her recipe for *Les Soldats* (soft-boiled eggs and fresh asparagus spears). Linger over late-night dinners with grown-ups and listening in on their stories of the resistance and wild boar hunts inspired Ethel's recipe for *Fraises au Vin Rouge* (strawberries in red wine syrup). Rosemary and its powerful scent, first discovered by Sara while hiking with her family in the Luberon Mountains in the south of France, infuses her recipe for *Cotes d'Agneau Grillées au Romarin* (grilled lamb chops with

rosemary). From îles Flottantes (poached meringues in crème anglaise) to Escargots (snails in garlic butter), and from Merguez (spicy grilled lamb sausage patties) to Ratatouille (summer vegetable stew), each recipe reflects Sara and Ethel's childhood experiences in Paris and Provence. Sixty thoughtful, simple, and traditionally French dishes complemented by over one hundred luscious photographs will send you to your kitchen, and maybe even to France.

The Week-end Review

University of Chicago Press

This book takes you further into the sleepy little village of St-Buvar where Maggie and Laurent discover not one but four murders to spice up their tenure in Provence. A year spent living in the south of France is not all it's cracked up to be—especially when you have no job, a prickly first year of marriage, and your new best friend is murdered virtually before your eyes. Maggie Newberry is determined to help the investigations into the murders even if the incredibly sexy and too available French police detective on the case can only complicate her life in every possible way. Murder in Provence is set in the ancient city of Arles and, like all the books in the series, showcases the sights and mouthwatering cuisine of Provence—with a spicy dash of murder.

Is Paris really the eternal City of Love? Dumped suddenly by her Parisian boyfriend, sultry expat Lily is left wondering if je t'aime still exists. Instead of crying into her glass of wine, she decides to heal her bruised ego and quash her romantic doubts with a carefree summer fling . . . or as the French call it: une aventure. Supported by her faithful friends and

trusty Saint Amour wine, Lily embarks on her presumably easy quest. Little does she know what-or whom-this adventure has in store! Rather than guide her into the arms of a perfect summer amoureux, the sexy streets of Paris lead her from one impossible candidate to another: disappearing foxy Frenchmen, unavailable Latino heartthrobs, overly-mysterious world travelers, mistress-hunting married men, and not-so-single amnesiacs-oh la la! As her amorous mishaps accumulate, Lily gradually re-evaluates her strategy. But will her good intentions be enough to lead her to the right homme . . . one who might last out the summer-and maybe even beyond? Or will she continue to get embroiled in more mesaventure? This novelized memoir tells the tantalizingly true romantic odyssey of a 21st-Century young woman caught in the mire of desires-which is only intensified by the passion of Paris.
