St. Thomas Aquinas preached the illuminating sermons in these books to the townspeople of Naples -- to lay persons, not scholars. "The Three Greatest Prayers" contains his clear explanations of the Our Father, the Hail Mary, and the Apostles' Creed. In "God's Greatest Gifts", St. Thomas explains the Sacraments and the Commandments. Both books draw heavily on Scripture. "Flawless spiritual direction from the church's premier theologian". Midwest Book Review "These sermons bear the mark of the Holy Spirit. They are filled with clarity and life". The Word Among Us

Sharing God's Love, the children's companion to The Jesus Creed, can transform kids as they learn to love God and others with intentionality. "Love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength. Love your neighbor as yourself."

40 Days, 40 Ways Toolbox

"The Christian faith is mysterious not because it is so complicated but because it is so simple. A person does not start with baptism and then advance to higher mysteries. In baptism each believer already possesses the faith in its fullness. ... In the same way, it takes considerable effort to begin to comprehend all that we have received in Christ. Theological thinking does not add a single thing to what we have received. The inheritance remains the same whether we grasp its magnitude or not. But the better we grasp it, the happier we are. So this small book is an invitation to happiness. I have written it with a glad heart, and I hope it will be helpful for others who want to comprehend the mystery of faith in all its 'breadth and length and height and depth, and to know the love Christ that surpasses knowledge' (Eph 3:18-19)."--Preface, pages xv-xvi

Affirming the Apostles' Creed

Image

Alister McGrath unpacks the content of the Apostles' Creed and introduces us to the essential truths about God the Father, the person and work of Jesus Christ, and the Holy Spirit.
Young Children and Worship Lion Books
The Apostles' Creed is a treasure trove of basic Christian beliefs and wisdom that helps ensure the integrity and orthodoxy of our faith. Sadly, modern churches have often hesitated to embrace the ancient creeds because of our "nothing but the Bible" tradition. In *What Christians Ought to Believe* Michael Bird will open your eyes to the possibilities of the Apostles' Creed as a way to explore and understand the essential teachings of the Christian faith. Bringing together theological commentary,

tips for application, and memorable illustrations, *What Christians Ought to Believe* summarizes the basic tenets of the Christian faith using the Apostles' Creed as its entryway. After first emphasizing the importance of creeds for the formation of the Christian faith, each chapter, following the Creed's outline, introduces the Father, the Son, and the Spirit and the Church. An appendix includes the Apostles' Creed in the original Latin and Greek. *What Christians Ought to Believe* is ideally suited for both the classroom and the church setting to teach beginning students and laypersons the basics of what Christians ought to affirm if they are to be called Christians.

Angels and saints. Catholics tend to think of them as different from the rest of us. They're cast in plaster or simpering on a holy card, performing miracles with superhero strength, or playing a harp in highest heaven. Yet they are very near to us in every way. In this lively book, Scott Hahn dispels the false notions and urban legends people use to keep the saints at a safe distance. The truth is that Jesus Christ has united heaven and earth in a close communion. Drawing deeply from Scripture, Dr. Hahn shows that the hosts of heaven surround the earthly Church as a "great cloud of witnesses." The martyrs cry out from heaven's altar begging for justice on the earth. The prayers of the saints and angels rise to God, in the Book of Revelation, like the sweet aroma of incense. Dr. Hahn tells the stories of several saints (and several angels too) in a way that's fresh and new. The saints are spiritual giants but with flesh-and-blood reality. They have strong, holy ambitions—and powerful temptations and opposition that must be overcome. Their stories

are amazing and yet familiar enough to motivate us to live more beautiful lives. In this telling of their story, the saints are neither otherworldly nor this-worldly. They exemplify the integrated life that every Christian is called to live. Still, their lives are as different from one another as human lives can be. Dr. Hahn shows the heavenly Church in all its kaleidoscopic diversity—from Moses to Mary, Augustine to Therese, and the first century to the last century. Only saints will live in heaven. We need to be more like the saints if we want to live in heaven someday. Dr. Hahn shows us that our heavenly life can begin now. It must.

Age Range: 8 and up
Celebrated author Marigold Hunt retells for children the dangerous early days of the Church as reported in The Acts of the Apostles, St. Luke's account of the dangerous early days of the Church. Focusing on the deeds and experiences of Sts. Peter, Paul, Luke, and Barnabas, author Hunt shows children that the Catholic Church which

today seems so ancient and established was born in turbulent times, when merely professing belief in Christ could get you killed — and not by rowdies and brigands, but by public officials carrying out their sworn duty. Time and again, the apostles wind up in jail (some for years), and time and again God frees them by miracles of one sort or another. With Christian hope and great good cheer, they take up again the task with which Christ charged them just before He ascended into Heaven: "Go forth and teach all nations." By foot, on horseback, and on frail craft tossed in stormy seas, they do just that, preaching and teaching their way across much of the known world, winning converts and establishing churches in Palestine, Crete, Cyprus, Malta, Phoenicia, the lands that are now Turkey, and even in Rome itself, the pagan capital of the anti-Christian Empire. Along the way, the apostles heal the sick, cast out devils, and work other miracles. They face down mobs, evade murder plots, and defend themselves in courts in city after city. In the midst of it all, Peter — whose authority as the first Pope was accepted by all of the apostles —

settles disputes that arise among the Christians and between the new Churches. All this and more is told in *The First Christians*, the thrilling — and true — saga of the lives and works of the first apostles of Jesus.

Growing in Christ (Repack) Ave Maria Press "Reclaims through the sermons of Augustine the sense of "belief" as relational and participatory to offer a holistic vision of Christian spirituality and practice"--.

The Barber Who Wanted to Pray Thomas Nelson

Many Catholic parents are tempted to leave the religious education and spiritual formation of their children up to their parish or Catholic school.

Professional catechist, popular blogger, and father of two, Marc Cardaronella has a passionate plea for those parents: be your child's primary educator in the faith by what you do and say. This practical guide gives parents what they need to be a bigger partner in handing on the faith to their children by creating a faith-nurturing environment at home.

When Marc Cardaronella started his job as a catechist, he could empathize with parents

who came to him to talk about how their now-grown children had left the Church because he had been there: Despite years of religious education and regular Mass attendance, Cardaronella never really practiced his faith. He fell away from the Church right after his Confirmation and stayed away for twenty years. Now it's his mission to equip families like yours to hand on your faith. His passionate message is that the kind of faith formation children need is not taught in standard religious education classes and probably never will be.

Cardaronella is on a quest to help you fill the gaps by first strengthening your own faith—opening your heart to God, practicing trust, clearing away obstacles to God's grace, and creating regular prayer and study routines at home. He gives you the tools to pass that faith on to your kids and make it stick by teaching you how to pray with your children consistently, about adoration of the Blessed Sacrament, the power of the Examen prayer, and how to motivate your kids to be engaged in parish life and Christian outreach. *Keep Your Kids*

Catholic offers equal shares of inspiration, challenge, and practical advice. Each chapter includes Reflect, Pray, and Live sections to help you integrate Cardaronella's message into family life.

Word Among Us Press
Help kids explore biblical answers to their questions about Heaven in a language they can understand. As in the

adult title Heaven, Randy Alcorn addresses the difference between the present Heaven, where we go when we die, and the New Earth, where we will live forever with Jesus after he returns. Intended for kids ages 8-12, Heaven for Kids is sure to be an excellent resource for families, especially those in which the parents have read the adult title and wish to pass on that same level of understanding to their children. The book features ten chapters of questions and answers based on Scripture and is written in a style relevant to today's kids. The book addresses kids' common questions about Heaven, like: Can we be sure we'll go to Heaven instead of hell? How can we know

what Heaven is like if we've never seen it? Will we have real bodies in Heaven? Will we actually see God? What happens to us the second after we die? The book also has a summary of the gospel for those who want to be sure they are going to Heaven someday. Equip your kids with answers to difficult questions and encourage them to live "in light of Heaven."
