MARIANA GARRETT

[A Feast for Crows](#) Little, Brown

#1 BESTSELLER • A collection of bone-chilling, nail-biting tales from the undisputed master of horror that showcases the darkest depths of his brilliant imagination and will "chill the cockles of many a heart" (Chicago Tribune). • INCLUDES THE STORY "THE BOOGEYMAN" – NOW A MAJOR MOTION PICTURE FROM 20th CENTURY STUDIOS Originally published in 1978, Night Shift is the inspiration for over a dozen acclaimed horror movies and television series, including Children of the Corn, Chapelwaite, and Lawnmower Man. Night Shift is Stephen King's first collection of short stories--a perfect showcase of just how far King's dark imagination can go. Here we see mutated rats gone bad ("Graveyard Shift"); a cataclysmic virus that threatens humanity ("Night Surf," the basis for The Stand); a possessed, evil lawnmower ("The Lawnmower Man"); unsettling children from the heartland ("Children of the Corn"); a smoker who will try anything to stop ("Quitters, Inc."); a reclusive alcoholic who begins a gruesome transformation ("Gray Matter"); and many more. This is Stephen King at his horrifying best.

[Scary Night](#) A&C Black

Born in the stables of the Sultan of Morocco, an Arabian stallion named Sham is taken to England, along with the loyal yet mute Arab stable boy who

tends to him, and becomes one of the founding sires of the Thoroughbred breed.

[The Letter For the King](#) Pushkin Children's Books

Two-time Caldecott Medalists Leo and Diane Dillon open your heart with the pure magic of a "dream team" jazz session. Bright colours and musical patterns make the music skip off the page in this toe-tapping homage to many jazz greats. From Miles Davis, Charlie Parker, John Coltrane, and Thelonious Monk to Ella Fitzgerald, here is an evening sure to knock your socks off. Learn about this popular music form and read a biography of each player, featured at the end of the book. From start to finish, here is a book to share and savor again and again.

[King of the Wind](#) Simon and Schuster

During one long, hot summer, five-year-old Pea and her little sister Margot play alone in the meadow behind their house, on the edge of a small village in Southern France. Her mother is too sad to take care of them; she left her happiness in the hospital, along with the baby. Pea's father has died in an accident and Maman, burdened by her double grief and isolated from the village by her Englishness, has retreated to a place where Pea cannot reach her - although she tries desperately to do so. Then Pea meets Claude, a man who seems to love the meadow as she does and who always has time to play. Pea believes that she and Margot have found a friend, and maybe even a new papa. But why do the villagers view Claude with suspicion? And what secret is he keeping in his strange, empty house? Elegantly written, haunting and gripping, The Night Rainbow is a novel about innocence and experience, grief and compassion and the dangers of an overactive imagination.

A Midsummer-night's Dream Harper Collins

A young girl brings home a peacock, but he refuses to show off his colorful tail! Inspired by the life of Flannery O'Connor. In this picture book, inspired by the life of Flannery O'Connor, a young fan of fowl brings home a peacock to be the king of her collection, but he refuses to show off his colorful tail. The girl goes to great lengths to encourage the peacock to display his plumage — she throws him a party, lets him play in the fig tree, feeds him flowers and stages a parade — all to no avail. Then she finally stumbles on the perfect solution. When she introduces the queen of the birds — a peahen — to her collection, the peacock immediately displays his glorious shimmering tail. This delightful story, full of humor and heart, celebrates the legacy of a great American writer. Includes an author's note about Flannery O'Connor. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.2.5 Describe the overall structure of a story, including describing how the beginning introduces the story and the ending concludes the action.

The Night Rainbow Atlântico Press

Once upon a scary night, three friends set out on a journey. But where were they going in the dead of the night, tip-toe creeping in the pale moonlight?

Adapting Stephen King Harlequin

He controls dreams. Now the Dream King wants to claim me as his own. When everyone in the world fell asleep at exactly the same time and woke up a week later, the world believed it was the start of a rampant plague. They didn't know the half of it. Working in a sleep clinic is hardly the career of dreams, (pun intended) but when the world falls prey to a weird sleeping sickness, my job suddenly becomes ridiculously busy. Not that my asshole of a boss would think to give me the pay rise I deserve. In fact. My life can't get any worse. My bank account is empty, my ex is hooking up with his boss and watching old people sleep is seriously dull. That is until a lethally sexy freaking brute of a man appears in the sleep study and accidentally drags me into the dream world. A world that he owns and rules over. The dark and brooding jerk doesn't want me there, but I'm staying whether he likes it or not if there's a chance it will cure the sickness and my mother who has fallen prey to it. What I'm not expecting is the feelings he begins to ignite in me, just as the tables turn and I become his prisoner. Dream King is the first in the Night Realm series by a new pen name of a USAT bestselling author. This is an enemies to lovers wring-your-heart-out book for fans of Laura Thalassa, Jennifer L. Armentrout, Sarah J. Maas, and C.N. Crawford Scroll up and grab this before the Dream King takes you too.

The King of the Birds Groundwood Books Ltd

THE BOOK BEHIND THE FOURTH SEASON OF THE ACCLAIMED HBO SERIES GAME OF THRONES Few books have captivated the imagination and won the devotion and praise of readers and critics everywhere as has George R. R. Martin's monumental epic cycle of high fantasy. Now, in *A Feast for Crows*, Martin delivers the long-awaited fourth book of his landmark series, as a kingdom torn asunder finds itself at last on the brink of peace . . . only to be launched on an even more terrifying course of destruction. *A FEAST FOR CROWS* It seems too good to be true. After centuries of bitter strife and fatal treachery, the seven powers dividing the land have decimated one another into an uneasy truce. Or so it appears. . . . With the death of the monstrous King Joffrey, Cersei is ruling as regent in King's Landing. Robb Stark's demise has broken the back of the Northern rebels, and his siblings are scattered throughout the kingdom like seeds on barren soil. Few legitimate claims to the once desperately sought Iron Throne still exist—or they are held in hands too weak or too distant to wield them effectively. The war, which raged out of control for so long, has burned itself out. But as in the aftermath of any climactic struggle, it is not long before the survivors, outlaws, renegades, and carrion eaters start to gather, picking over the bones of the dead and fighting for the spoils of the soon-to-be dead. Now in the Seven Kingdoms, as the human crows assemble over a banquet of ashes, daring new plots and dangerous new alliances are formed, while surprising faces—some familiar, others only just appearing—are seen emerging from an ominous twilight of past struggles and chaos to take up the challenges ahead. It is a time when the wise and the ambitious, the deceitful and the strong will acquire the skills, the power, and the magic to survive the stark and terrible times that lie before them. It is a time for nobles and commoners, soldiers and sorcerers, assassins and sages to come together and stake their fortunes . . . and their lives. For at a feast for crows, many are the guests—but only a few are the survivors.

The Book of the Thousand Nights and a Night Penguin

Kevin King is obsessed with one thing: women. His ability to seduce any woman in his path is also a gift and a self-destructive curse. This book is a real life account of his most memorable, unusual, and unforgettable one-night stands. Take a journey into the mind of a man obsessed with sex and the female anatomy, who frequently exposes himself to life-threatening situations in pursuit of satisfying his sexual appetite. Experience these mind blowing stories first-hand through his eyes as he describes his sexual conquests across the globe. "The King of One-Night Stands" is a guilty pleasure that keeps you glued and hooked from start to finish. These "sexcapades" are shocking, entertaining, and provocative to say the least!

Dream King Simon and Schuster

One Road-one Destiny-two men. Two men and on road; lives forever changed and not for the better. Mark and Kevin leave two bars late at night and come face to face with a horror so indescribable that only Hell can say what is next. You will not like the answer. Fasten your seat belt if it makes you feel any better. It doesn't make a difference.

The Sun Dog Insights

Waterstones' Children's Book Prize 2019, Klaus Flugge Prize 2019 and Independent Bookshop Week Awards 2019 There was once a little boy who was afraid of the dark. There's nothing unusual about that. Most children are afraid of the dark at one time of another. But this little boy was a Prince, and he decided that when he became King, he would do something about the dark. He would ban it. When the King bans the dark completely, installing an artificial sun, and enforcing "anti-dark" laws, it seems like a good idea. The citizens don't need to worry about any of the scary things that might live in the dark. But what happens when nobody can sleep, and the citizens revolt? Will the King face his fears and turn the lights off? The King Who Banned the Dark is a beautiful and thought-provoking story about how we need the dark in order to enjoy the light.

Death of a King Enchanted Quill Press

This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1989.

King Lear's Wife; The Crier by Night; The Riding to Lithend; Midsummer-Eve; Laodice and Danaë Simon and Schuster

A poetic journey through the dark night of the soul, where each phase of light and night represents a thought, a feeling, an experience or a person. In this deeply personal, introspective collection of poems, Siobhan aka Sio, The Twilight Child, confronts herself and her world and finds healing in at the break of dawn.

Daughter of the Salt King Bethany House

The Voice in the Night, a short story by William Hope Hodgson, has been adapted by the cinema a number of times, most prominently in the 1963 Japanese film "Matango". It also appeared in Alfred Hitchcock's paperback anthology "Alfred Hitchcock Presents: Stories They Wouldn't Let Me Do on TV". William Hope Hodgson (1877 - 1918) was an English author that produced essays and novels, that mixes horror, fantastic fiction and science fiction. Hodgson used his experiences at sea to his short stories, many of which are set on the ocean. Hodgson's single most famous story is probably "The Voice in the Night", where a fisherman's aboard a ship in the North Pacific, on night watch in a fog-bank, hears a voice call out from the sea. The voice asks for food, but it insists it can come no closer, that it fears the light, and that God is merciful. In payment for the food it tells a frightening tale... The Voice in the Night integrates the collection "Classics of World Literature", developed by Atlântico Press, a publisher company present in the global editorial market, since 1992.

King of the Night Blue Sky Press (AZ)

#1 BESTSELLER • The apocalyptic vision of a world blasted by plague and tangled in an elemental struggle between good and evil remains as riveting—and eerily plausible—as when it was first published. • The tie-in edition of the nine-part CBS All Access series starring Whoopi Goldberg, Alexander Skarsgard, and James Marsden. A patient escapes from a biological testing facility, unknowingly carrying a deadly weapon: a mutated strain of super-flu that will wipe out 99 percent of the world's population within a few weeks. Those who remain are scared, bewildered, and in need of a leader. Two emerge—Mother Abigail, the benevolent 108-year-old woman who urges them to build a peaceful community in Boulder, Colorado; and Randall Flagg, the nefarious "Dark Man," who delights in chaos and violence. As the dark man and the peaceful woman gather power, the survivors will have to choose between them—and ultimately decide the fate of all humanity.

King of the Dark Simon and Schuster

America's best-known talk-show host and TV's most phenomenal success is completely revealed in this spicy, and scandalous biography written by the acclaimed author of *As Time Goes By*. "The most authoritative of the unauthorized Carson surveys".--Kirkus Reviews.

To Be a King (Guardians of Ga'Hoole #11) Bantam

Stephen King's fiction has formed the basis of more motion picture adaptations than any other living author. His earliest short stories, collected in the *Night Shift* anthology, have been adapted into hit features including *Creepshow*, *Children of the Corn*, *Cat's Eye*, *Maximum Overdrive*, *Graveyard Shift*, *Sometimes They Come Back*, and *The Mangler*. Through his "Dollar Baby" program, King licensed several *Night Shift* stories to aspiring filmmakers for just one dollar each, resulting in numerous student film adaptations. This book critically examines and contextualizes adaptations of the *Night Shift* short stories, from big box office features to relatively unknown student films. It illuminates how each film is a uniquely and intricately collaborative endeavor, and charts the development of each adaptation from first option to final cut. Through old and new interviews with the creators, the work explores how filmmakers continue to reinvent, reimagine, remake and reboot King's stories.

The Works of William Shakespeare: King Richard III. King John. Merchant of Venice. King Henry IV, pt. I-II Anchor

The eleventh title in this best-selling series brings Hoole to kingship and the legends to fulfillment signaling a return to the adventures of Coryn, Soren and the Band.In this final book of the Legends trilogy Hoole reclaims the thrown of his father and goes on to wage a war against the forces of chaos, greed and oppression led by the powerful warlord-tyrants. Grank, the first collier, uses his skills with fire and metals to forge weapons for battle. With great trepidation Hoole uses the power of the Ember in the final, decisive battle and wins. At the dawn of a new ear of peace, Hoole searches for the ideal place to establish not a kingdom but an order of free owls and finds the Great Tree. (continued)

The Voice in the Night McFarland

Beautiful, beloved college sophomore Brianna Denison was home for the holidays in Reno, Nevada. After a long night out, she crashed on a friend's couch. It would be the last time the child psychology major was seen alive. Her strangled body was found in a field nearly a month later. But Brianna was not the first victim of a murderer with a disturbing fetish, and the patience to search for his favorite prey--petite, vulnerable brunettes. In unflinching detail Gary C. King recounts the hunt for James Biela, an ex-Marine turned rapist and killer. The investigation would lead authorities to a maze of troubled relationships, crucial DNA evidence, and ultimately a death sentence--bringing this shocking true-life thriller to a chilling end. . . Praise For Gary C. King's True Crime Books "A page?turner for true?crime fans." ??Vincent Bugliosi "Will leave you gasping." --Jack Olsen "Thorough, thoughtful, and unforgettable." ??Inside Detective magazine Includes 16 Pages Of Dramatic Photos

Hadassah Talonbooks

#1 New York Times bestselling author Stephen King's novella *The Sun Dog*, published in his award-winning 1990 story collection *Four Past Midnight*, now available for the first time as a standalone publication. The dog is loose again. It is not sleeping. It is not lazy. It's coming for you. Kevin Delavan wants only one thing for his fifteenth birthday: a Polaroid Sun 660. There's something wrong with his gift, though. No matter where Kevin Delevan aims the camera, it produces a photograph of an enormous, vicious dog. In each successive picture, the menacing creature draws nearer to the flat surface of the Polaroid film as if it intends to break through. When old Pop Merrill, the town's sharpest trader, gets wind of this phenomenon, he envisions a way to profit from it. But the Sun Dog, a beast that shouldn't exist at all, turns out to be a very dangerous investment.
