Deontology; Or, The Science of Morality Editorial AMAT

Distinctively links stress, self-esteem, health and work as a way to develop individual and organizational strategies for dealing with stress. It proposes an innovative concept of organizational self-esteem and a new philosophy for managing companies in order to create an establishment that is healthy emotionally,

economically and ethically.

Amador Penguin

On a transatlantic flight between Bilbao and New York City, a fictional version of Kirmen Uribe recalls three generations of family history—the inspiration for the novel he wants to write—and ponders how the sea has shaped their stories. The day he knew he was going to die, our narrator's grandfather took his daughter-in-law to the Fine Arts Museum in Bilbao, the de facto capital of the Basque region of northern Spain, to show her a painting with ties to their family. Years later, her son Kirmen traces those ties back through

the decades, knotting together moments from early twentieth-century art history with the stories of his ancestors' fishing adventures—and tragedies—in the North Atlantic Ocean. Elegant, fluid storytelling is punctuated by scenes from Kirmen's flight, from security line to airport bar to jet cabin, and reflections on the creative writing process. This original and compelling novel earned debut author Kirmen Uribe the prestigious National Prize for Literature in Spain in 2009. Exquisitely translated from Basque to English by Elizabeth Macklin, Bilbao-New York-Bilbao skillfully captures the intersections of

many journeys: past and present, physical and artistic, complete and still unfolding. Bilbao–New York–Bilbao is the second book commissioned for the Spatial Species series, edited by Youmna Chlala and Ken Chen. The series investigates the ways we activate space through language. In the tradition of Georges Perec’s *An Attempt at Exhausting a Place in Paris*, Spatial Species titles are pocket-sized editions, each keenly focused on place. Instead of tourist spots and public squares, we encounter unmarked, noncanonical spaces: edges, alleyways, diasporic traces. Such intimate journeying requires experiments in language and genre, moving travelogue, fiction, or memoir into something closer to eating, drinking, and dreaming.

Ética como amor propio Fondo de Cultura Económica

Two prominent philosophers explore the place of religion & belief in contemporary society.

One World 50 Ideas You Really Need to Know series

“From aide to nanny and housekeeper . . . Paolo Giordano examines this unusual relationship in the context of one

household of three. . . . Spare, elegant.”—The New York Times “Like Family. . . demands to be savored. . . Giordano’s emphasis on how we choose to live and love offers subtle hope that our decisions actually matter.”—NPR.org From the author of *Heaven and Earth*, an exquisite portrait of marriage, adulthood, and the meaning of family Paolo Giordano’s prizewinning debut novel, *The Solitude of Prime Numbers*, catapulted the young Italian author into the literary spotlight. His new novel features his trademark character-driven narrative and intimate domestic setting that first made him an international sensation. When Mrs. A. first enters the narrator’s home, his wife, Nora, is experiencing a difficult pregnancy. First as their maid and nanny, then their confidante, this older woman begins to help her employers negotiate married life, quickly becoming the glue in their small household. She is the steady, maternal influence for both husband and wife, and their son, Emanuele, whom she protects from his parents’ expectations and disappointments. But the family’s delicate fabric comes undone when Mrs. A. is diagnosed with cancer. Moving

seamlessly between the past and present, Giordano highlights with remarkable precision the joy of youth and the fleeting nature of time. An elegiac, heartrending, and deeply personal portrait of marriage and the people we choose to call family, this is a jewel of a novel—short, intense, and unforgettable.

Ética para o meu fillo Stanford University Press

In *Amador*, Fernando Savater writes in the form of a letter to his teenage son about ethics, morals and freedom in today’s society.

The Natural Science of Stupidity Penguin
A helpful guide to assessing one’s personal entrepreneurial aptitude, written for anyone seriously considering starting a business of any kind, includes interviews with successful entrepreneurs, real-life anecdotes and case studies, and a look at fourteen important failure factors that hinder success. Original.

Ética y ciudadanía Restless Books

“Este libro -advierte el autor- no es un manual de ética para alumnos de bachillerato. No contiene información sobre los más destacados autores y más importantes movimientos de la teoría

moral a lo largo de la historia... Este libro no es más que eso, sólo un libro. Personal y subjetivo, como la relación que une a un padre con su hijo; pero por eso mismo universal como la relación entre padre e hijo, la más común de todas. Ha sido pensado y escrito para que puedan leerlo los adolescentes: probablemente enseñará muy pocas cosas a sus maestros. Su objetivo no es fabricar ciudadanos bienpensantes (ni mucho menos malpensados) sino estimular el desarrollo de librepensadores”

Reservoir 13 Catapult

“We walked toward the part of the library where the air smelled as if it had been interred for years..... Finally, we got to the hallway where the wooden floor was the creakiest, and we sensed a strange whiff of excitement and fear. It smelled like a creature from a bygone time. It smelled like a dragon.” Thirteen-year-old Juan’s favorite things in the world are koalas, eating roast chicken, and the summer-time. This summer, though, is off to a terrible start. First, Juan’s parents separate and his dad goes to Paris. Then, as if that wasn’t horrible enough, Juan is sent away to his strange Uncle Tito’s house for the

entire break! Uncle Tito is really odd: he has zigzag eyebrows; drinks ten cups of smoky tea a day; and lives inside a huge, mysterious library. One day, while Juan is exploring the library, he notices something inexplicable and rushes to tell Uncle Tito. “The books moved!” His uncle drinks all his tea in one gulp and, sputtering, lets his nephew in on a secret: Juan is a Princeps Reader--which means books respond magically to him--and he’s the only person capable of finding the elusive, never-before-read Wild Book. Juan teams up with his new friend Catalina and his little sister, and together they delve through books that scuttle from one shelf to the next, topple over unexpectedly, or even disappear altogether to find The Wild Book and discover its secret. But will they find it before the wicked, story-stealing Pirate Book does?

Ethics Without Ontology Fourth Estate
« Ética para Amador nunca fue un recetario de soluciones — hay que hacer esto, no hay que hacer aquello — sino una invitación . ¿A qué? A reflexionar. ¿Sobre qué? Sobre la orientación que podemos dar a nuestra vida. Porque la ética consiste en intentar vivir a propósito , de

un modo deliberado y consciente. »
Siguiendo la estructura de una larga carta dirigida a un adolescente, el autor analiza algunas de las cuestiones éticas más esenciales para la sociedad actual: el correcto ejercicio de la libertad, la aceptación de la responsabilidad, la necesidad de la convivencia para poder vivir plenamente, la ineludible relación entre ética y política, el saludable deseo de disfrutar de los placeres y la obligada reflexión acerca de temas como la conservación del planeta o la realidad de la inmigración. Mediante un lenguaje accesible y cercano, Savater logra que seamos conscientes de la relevancia que tienen en nuestra vida las consecuencias derivadas de nuestras decisiones diarias.

La última selfie. Retos, riesgos y dilemas implícitos en el desarrollo de algunas nuevas tecnologías representa básicamente una invitación al lector para que se permita la propia aventura de armar un rompecabezas con piezas de conocimiento acumuladas a partir de elementos que posean una base y un respaldo científico ciertos. A través de los diferentes capítulos, el autor guiará al

lector en forma sencilla, pero válida por la senda señalada por las megatendencias del avance científico contemporáneo, focalizándose en aquellas tecnologías cuyo desarrollo -de una u otra forma- están cambiando los rasgos de lo que antes definíamos como "algo exclusivamente humano". La última selfie. Retos, riesgos y dilemas implícitos en el desarrollo de algunas nuevas tecnologías es también una invitación al lector para que en forma ponderada y basado en evidencia científica, haga su propia reflexión sobre los Retos éticos, riesgos implícitos y dilemas morales que estas tecnologías representan para el conjunto de la humanidad. De la utopía a la fantasía. Del imaginario a la realidad. De las opiniones y las creencias a la razón con evidencia científica. De la experimentación responsable a un fatídico "momento de singularidad" catastrófico e irreversible. Y en este hipotético caso: "¿Quién responde?" será una pregunta irrelevante. *Ama y no sufras* Destino Ediciones Questions of ethics - about how we should act, our responsibilities to one another, the difference between right and wrong - have long been debated by philosophers the

world over and form the foundations of government, culture and religion. Here, in concise, easy-to-read chapters, Ben Dupré explains the fundamentals of this discipline and how it is relevant to our lives today. Covering essential ethical concepts, including relativism, the golden rule and utilitarianism, as well as high-profile issues such as terrorism, censorship and the death penalty, 50 Ethics Ideas You Really Need to Know will lead you through the moral maze - and rattle your conscience in the process.

Los caminos para la libertad Editorial Norma

Este estuche es una edición limitada, contiene dos de las obras sobre ética más emblemáticas del autor, *Ética para Amador* y *Ética de urgencia*. Fernando Savater, escritor, es Catedrático de filosofía en la Universidad Complutense de Madrid. Ha publicado más de cincuenta obras de ensayo político, literario y filosófico, narraciones y obras de teatro, además de cientos de artículos en la prensa española y extranjera. Algunos de sus libros han sido traducidos a más de veinte lenguas.

Improvement of the Understanding

Harvard University Press

From Argentine literary powerhouse Ricardo Piglia, *The Way Out* is "an offbeat take on the campus novel, full of sex, intrigue, and marginalia" (Kirkus Reviews) that probes the lengths we go to hide our own truths and to uncover the secrets of others. In the mid 1990s Emilio Renzi leaves his unstable life in Argentina to take a visiting position at a prestigious university in New Jersey. Settling in for a semester of academic quietude, he is unexpectedly swept up in a secret romance with his colleague, the brilliant and enigmatic Ida Brown. But their clandestine relationship is cut brutally short by an apparent tragic car accident. Discontented with the police's lackluster inquiries into Ida's death, Renzi begins his own investigation. His suspicions are piqued as details emerge about a bizarre string of attacks targeting scientists and

researchers. Then a radical manifesto appears in the press threatening continued violence. As he delves deeper into Ida Brown's past, Renzi discovers a link between her and the terrorist that sets him on a path of no return: he must discover once and for all whether her death was part of a larger pattern and, if so, whether she was a victim or accomplice. Renzi's quest for truth exposes a darker side of humanity that will force him to confront the systems and culture that could produce such a misguided killer. Praise for *The Way Out*: "An offbeat take on the campus novel, full of sex, intrigue, and marginalia." —Kirkus Reviews Praise for *The Diaries of Emilio Renzi*: "Splendidly crafted and intersplined with essays and stories, this beguiling work is to a diary as Piglia is to 'Emilio Renzi': a lifelong alter ego, a highly self-conscious shadow volume that brings to bear all of Piglia's prowess as it illuminates his process of critical reading and the inevitable tensions between art and life. Amid meeting redheads at bars, he dissects styles and structures with a surgeon's precision, turning his gaze on a range of writers, from Plato to Dashiell

Hammett, returning time and again to Pavese, Faulkner, Dostoyevsky, Arlt and Borges. Chock-full of lists of books and films he consumed in those voracious early years of call girls, carbon paper, amphetamines and Heidegger, this is an embarrassment of riches — by turns an inspiring master class in narrative analysis, an accounting of the pesos left in his pockets and a novel of Piglia's grandfather (named Emilio, natch) with his archive of World War I materials pilfered from Italian corpses.... No previous familiarity with Piglia's work is needed to appreciate these bibliophilic diaries, adroitly repurposed through a dexterous game of representation and masks that speaks volumes of the role of the artist in society, the artist in his time, the artist in his tradition." —Mara Faye Lethem, *The New York Times Book Review* "For the past few years, every Latin American novelist I know has been telling me how lavish, how grand, how transformative was the Argentinian novelist Ricardo Piglia's final project, a fictional journal in three volumes, *Los diarios de Emilio Renzi*—Renzi being Piglia's fictional alter ego. And now here at last is the first

volume in English, *The Diaries of Emilio Renzi: Formative Years*, translated by Robert Croll. It's something to be celebrated... [It] offer[s] one form of resistance to encroaching fascism: style." —Adam Thirlwell, *BookForum*, *The Best Books of 2017* "[A] masterpiece.... everything written by Ricardo Piglia, which we read as intellectual fabrications and narrated theories, was partially or entirely lived by Emilio Renzi. The visible, cerebral chronicles hid a secret history that was flesh and bones." —Jorge Carrión, *The New York Times* "A valediction from the noted Argentine writer, known for bringing the conventions of hard-boiled U.S. crime drama into Latin American literature...Fans of Cortázar, Donoso, and Gabriel García Márquez will find these to be eminently worthy last words from Piglia." —Kirkus Reviews, *Starred Review* "When young Ricardo Piglia wrote the first pages of his diaries, which he would work on until the last years of his life, did he have any inkling that they would become a lesson in literary genius and the culmination of one of the greatest works of Argentine literature?" —Samanta Schweblin, author of *Fever Dream* "Ricardo Piglia, who

passed away earlier this year at age seventy-five, is celebrated as one of the giants of Argentine literature, a rightful heir to legends like Borges, Cortázar, Juan Jose Saer, and Roberto Arlt. *The Diaries of Emilio Renzi* is his life's work...An American equivalent might be if Philip Roth now began publishing a massive, multi-volume autobiography in the guise of Nathan Zuckerman...It is truly a great work...This is a fantastic, very rewarding read—it seems that Piglia has found a form that can admit everything he has to say about his life, and it is a true pleasure to take it in.” —Veronica Esposito, BOMB Magazine “In 1957, Argentinian writer Ricardo Piglia started to write what would become 327 notebooks filled with the thoughts of his alter ego, Emilio Renzi. Piglia’s final literary act before his death in January 2017 was to organize and publish these works as Renzi’s diaries. *Formative Years*, the first of three volumes, covers the years 1957 to 1967, detailing Renzi’s development into a central figure of Argentine literary culture. In epigrammatic diary entries filled with memorable observations, Piglia details Renzi’s political education, relationships, views on

Argentinian politics, and experiences during this remarkably productive era of Latin American fiction. As a fictionalized autobiography, it is, like the work of Karl Ove Knausgaard, of *My Struggle* fame, part confession and part performance. Renzi meets and corresponds with literary luminaries like Borges, Cortázar, and Márquez, and offers insightful readings of Dostoevsky, Kafka, Faulkner, and Joyce. Ilan Stavans (*Quixote: The Novel and the World*, 2015) provides a wonderfully informative introduction. Fans of W.G. Sebald and Roberto Bolaño will find the first installment in Piglia’s trilogy to be a fascinating portrait of a writer’s life.” —Alexander Moran, Booklist “Here through the Boom and Bolaño breach storms Ricardo Piglia, not just a great Latin American writer but a great writer of the American continent. Composed across his entire career, *The Diaries of Emilio Renzi* is Piglia's secret story of his shadow self—a book of disquiet and love and literary obsession that blurs the distinctness of each and the other.” —Hal Hlavinka, Community Bookstore (Brooklyn, NY) “In this fictionalized autobiography, Piglia’s ability to succinctly criticize and

contextualize major writers from Kafka to Flannery O’Connor is astounding, and the scattering of those insights throughout this diary are a joy to read. This book is essential reading for writers.” —Publishers Weekly “*The Diaries of Emilio Renzi* is a rare glimpse into the heart of twentieth-century Latin American literature, with the inimitable Ricardo Piglia as tour guide. More than just a traditional diary, Renzi is an illuminating voyage into the hearts of books and writers and history. An inspiring work and an important achievement.” —Mark Haber, Brazos Bookstore (Houston, TX) “The great Argentine writer.... In a career that spanned four decades, during which he became one of Latin America’s most distinctive literary voices.” —Alejandro Chacoff, *The New Yorker* “*The Diaries of Emilio Renzi* continue to be a fascinating literary-autobiographical experiment ... and, especially, a wonderful immersion in literature itself. Of particular interest in showing the transition of Latin American (and specifically Argentine) literature—no longer: “out of sync, behind, out of place”—Piglia's range extends far beyond that too. Yes, most of this is presumably mainly of interest to the

similarly literature-obsessed—but Piglia makes it hard to imagine who wouldn't be.” — M. A. Orthofer, *The Complete Review*

The Supreme Gift William Collins
The feminist book they tried to ban in France

Planeación estratégica para parejas
Charisma Media

¿Padecemos mayor contaminación emocional que atmosférica? La Ecología emocional es un concepto revolucionario que propone prevenir la contaminación y el calentamiento emocional y sus nefastas consecuencias. Enseña a traducir la información emocional y a canalizar creativamente dicha energía; a crear espacios emocionales protegidos y aprender la gestión ecológica de nuestros afectos. Dado que “el adentro condiciona el afuera”, cada persona puede escoger ser parte de la solución o del problema de la humanidad. Ésta es nuestra responsabilidad: mejorarnos a nosotros mismos para mejorar el mundo y conseguir una vida más equilibrada y armónica. La ecología emocional es un ameno ensayo que incluye textos, relatos e integra visiones procedentes de la

ecología, la literatura, la poesía, la psicología, la sabiduría popular y la filosofía.

The Epic Fail of Arturo Zamora
VINTAGE ESPAÑOL

El altruismo o desinterés suelen considerarse sinónimos de actitud moral, mientras que la acción egoísta o interesada son ejemplo de inmoralidad. Pero siempre ha existido otra inspiración, no transmundana sino inmanente, basada en la ilustración del egoísmo y en el apasionado interés de una ética como amor propio, la cual no es menos social sino sólo menos hipócrita que la anterior. Dentro de esa corriente Fernando Savater se plantea cuestiones como la vinculación entre individuo y sociedad y el sentido cultural de la inmortalidad, en un diálogo con pensadores favorables y contrarios a ese planteamiento, que van de Aristóteles a Heidegger, de Schopenhauer a Foucault. Esta edición incorpora un ensayo inédito titulado “Las virtudes como necesidad y libertad”.

La última selfie Letrame Grupo Editorial
A 2018 Pura Belpré Author Honor Book
Save the restaurant. Save the town. Get the girl. Make Abuela proud. Can thirteen-

year-old Arturo Zamora do it all or is he in for a BIG, EPIC FAIL? For Arturo, summertime in Miami means playing basketball until dark, sipping mango smoothies, and keeping cool under banyan trees. And maybe a few shifts as junior lunchtime dishwasher at Abuela's restaurant. Maybe. But this summer also includes Carmen, a poetry enthusiast who moves into Arturo's apartment complex and turns his stomach into a deep fryer. He almost doesn't notice the smarmy land developer who rolls into town and threatens to change it. Arturo refuses to let his family and community go down without a fight, and as he schemes with Carmen, Arturo discovers the power of poetry and protest through untold family stories and the work of José Martí. Funny and poignant, *The Epic Fail of Arturo Zamora* is the vibrant story of a family, a striking portrait of a town, and one boy's quest to save both, perfect for fans of Rita Williams-Garcia.

Bilbao-New York-Bilbao Editorial Autores de Argentina

Evoking the spirit of Jeffrey Eugenides' *The Virgin Suicides*, Zadie Smith's *NW*, and Hisham Matar's *Anatomy of a*

Disappearance, this novel sweeps the reader up quickly into its understated and emotionally moving story of a whole English village haunted by one family's loss. Midwinter in an English village. A teenage girl has gone missing. Everyone is called upon to join the search. The villagers fan out across the moors as the police set up roadblocks and a crowd of news reporters descends on what is usually a place of peace. Meanwhile, there is work that must still be done: cows milked, fences repaired, stone cut, pints poured, beds made, sermons written, a

pantomime rehearsed. As the seasons unfold and the search for the missing girl goes on, there are those who leave the village and those who are pulled back; those who come together and those who break apart. There are births and deaths; secrets kept and exposed; livelihoods made and lost; small kindnesses and unanticipated betrayals. An extraordinary novel of cumulative power and grace, Reservoir 13 explores the rhythms of the natural world and the repeated human gift for violence, unfolding over thirteen years as the aftershocks of a tragedy refuse to

subside. Winner of the Costa Novel Award, Longlisted for the Man Booker Prize 2017, and a New York Times Book Review Editors' Choice
