HARDY BALDWIN

Son of a Witch LP Simon and Schuster

What if every story you'd ever heard was true? Jack killed the giants. Red slayed the wolf. Rapunzel fled the tower. But the greatest one of all, had yet to be told. Once upon a time, the magical Kingdom of Avalon was left to wither and die after the Snow Queen encased it in ice. Its former citizens are now refugees. Which is why crown prince Alex and his protectors are stuck in... Arizona. Tala Makiling has lived her life as an outsider. Her family curse, the one that's doomed her to be a spellbreaker, someone who destroys magic, hasn't won her too many friends. Except Alex, who trusts her and her family to keep his royal identity a secret. And then one night, a famous creature of legend, the Firebird, appears in their tiny town, reigniting hope for their abandoned homeland. Alex and Tala team up with a ragtag group of new friends to journey back to Avalon. Their path is filled with danger—from deadly prophecies, to terrifying ice wolves, a traitor among them, and the Snow Queen herself. But if they succeed... their story would be legendary. "A great read for fans of fairy tales, myths and legends... Come for the adventure, stay for the sassy jerkwad firebird."—Kendare Blake, #1 New York Times bestselling author of the Three Dark Crowns series Gripping, fantastical, and delightfully funny, *Wicked As You Wish* is perfect for readers looking for: young adult magic, mythology, and folklore LGBTQ representation diverse characters creative new takes on classic stories fresh and dazzling world building Praise for *Wicked As You Wish*: "Glorious."—Shelf Awareness "Combining legends, myths, fairy tales, and classic children's literature from Oz to Neverland, Chupeco (The Bone Witch) creates an enchanting story that is both a feast for the senses and a unique spin on the hero's journey...A nail-biting quest that introduces a gripping new series."—STARRED review, Publishers Weekly "...A truly original novel. A deftly executed melding of folklore and reality grounded in contemporary issues."—STARRED review, Kirkus

Mark of the Wicked Macmillan

Rebecca Podos, Lambda Literary Award-winning author of *Like Water*, returns with a lush, dark, and unforgettable story of the power of the past to shape our futures—and the courage it takes to change them. Ruby Chernyavsky has been told the stories since she was a child: The women in her family, once possessed of great magical abilities to remake lives and stave off death itself, were forced to flee their Russian home for America in order to escape the fearful men who sought to destroy them. Such has it always been, Ruby's been told, for powerful women. Today, these stories seem no more real to Ruby than folktales, except for the smallest bit of power left in their blood: when each of them comes of age, she will have a vision of who she will be when she dies—a destiny as inescapable as it is inevitable. Ruby is no exception, and neither is her mother, although she ran from her fate years ago, abandoning Ruby and her sisters. It's a fool's errand, because they all know the truth: there is no escaping one's Time. Until Ruby's great-aunt Polina passes away, and, for the first time, a Chernyavsky's death does not match her vision. Suddenly, things Ruby never thought she'd be allowed to hope for—life, love, time—seem possible. But as she and her cousin Cece begin to dig into the family's history to find out whether they, too, can change their fates, they learn that nothing comes without a cost. Especially not hope.

Raised by Unicorns Macmillan + ORM

Featured in HelloSunshine.com's Father's Day Book Gift Guide "Wicked River is partly a who-is-my-husband-really story, partly a horror-in-the-wilderness story, and partly a Manhattan-family drama, all rolled up in elegantly propulsive prose, and shot through with sinister suspense."—LEE CHILD, New York Times bestselling author Newlyweds Nat and Doug expected a romantic adventure when they decided on a canoe trip for their honeymoon, but they're not alone in the woods. Six million acres of Adirondack forest separate Natalie and Doug Larson from civilization. For the newlyweds, an isolated canoeing honeymoon seems ideal—a chance to start their lives together with an adventure. But just as Natalie and Doug begin to explore the dark interiors of their own hearts, and the deceit that has led to their

love, it becomes clear that they are not alone in the woods. Six million acres makes it easy for the wicked to hide. And even easier for someone to go missing for good. As they struggle with the worst the wilderness has to offer, a man watches them, wielding the forest like a weapon to get exactly what he wants. And once they are near his domain, he will do everything in his power to make sure that they never escape the of terror in the woods. *Wicked River* is a slow-burn psychological thriller—a book full of sinister secrets, deceit, and terror—a chilling addition to the genre.

The Poison Apple: And Other Tales of Magic Mirrors and Wicked Queen University of Arizona Press

A New York Times bestseller. "A wickedly chilling debut." —School Library Journal "Complex and sweetly satisfying." —Booklist "Prepare to be bewitched." —Paula Stokes, author of *Girl Against the Universe* "A story about the redemptive power of love." —Amber Smith, New York Times bestselling author of *The Way I Used to Be* "Eerie and enchanting." —Jessica Spotswood, author of *The Cahill Witch Chronicles* *Hocus Pocus* and *Practical Magic* meets the Salem Witch trials in this haunting story about three sisters on a quest for revenge—and how love may be the only thing powerful enough to stop them. Welcome to the cursed town of Sparrow... Where, two centuries ago, three sisters were sentenced to death for witchery. Stones were tied to their ankles and they were drowned in the deep waters surrounding the town. Now, for a brief time each summer, the sisters return, stealing the bodies of three weak-hearted girls so that they may seek their revenge, luring boys into the harbor and pulling them under. Like many locals, seventeen-year-old Penny Talbot has accepted the fate of the town. But this year, on the eve of the sisters' return, a boy named Bo Carter arrives; unaware of the danger he has just stumbled into. Mistrust and lies spread quickly through the salty, rain-soaked streets. The townspeople turn against one another. Penny and Bo suspect each other of hiding secrets. And death comes swiftly to those who cannot resist the call of the sisters. But only Penny sees what others cannot. And she will be forced to choose: save Bo, or save herself.

We Have Always Lived in the Castle HarperCollins

A young witch tries to unravel the mystery of who is framing her for dark magic in Georgia Bowers' creepy YA debut fantasy, *Mark of the Wicked*. Magic always leaves its mark. All her life, Matilda has been told one thing about her magic: You use only when necessary. But Matilda isn't interested in being a good witch. She wants revenge and popularity, and to live her life free of consequences, free of the scars that dark magic leaves on her face as a reminder of her misdeeds. When a spell goes awry and the new boy at school catches her in the act, Matilda thinks her secret might be out. But far from being afraid, Oliver already knows about her magic - and he wants to learn more. As Oliver and Matilda grow closer, bizarre things begin to happen: Animals show up with their throats slashed and odd markings carved into their bodies, a young girl dies mysteriously, and everyone blames Matilda. But she isn't responsible — at least, not that she can remember. As her magic begins to spin out of control, Matilda must decide for herself what makes a good witch, and discover the truth...before anyone else turns up dead. "[A] breathlessly told, consuming portrait of a witch's relationship with loneliness and power... protagonists are elaborately drawn, and the novel's eerie atmosphere lingers." —Publishers Weekly

The Wicked Redhead Algonquin Books

After ten years of talking about children, two years of trying (and failing) to conceive, and one shot of donor sperm for her partner, Amie Miller was about to become a mother. Or something like that. Over the next nine months, as her partner became the biological mom-to-be, Miller became . . . what? Mommy's little helper? A faux dad? As a midwestern, station wagon-driving, stay-at-home mom—and as a nonbiological lesbian mother—Miller both defines and defies the norm. Like new parents everywhere, she wrestled with the anxieties and challenges of first-time parenthood—including neurotic convictions that her child was chronically ill and the muddled confusion of sleeplessness. But unlike most mothers, she experienced pregnancy and birth only vicariously. Unlike biological parents, she had to stand before a judge to adopt her own daughter. And unlike most straight parents, she wondered how to respond when strangers gushed, "I bet Daddy's proud," or "She has your eyes." Miller began searching for a role that would fit her experience, somewhere in the unexplored zone between mother and father, gay and straight. Sometimes she felt like a dad in drag, other times like a

lesbian June Cleaver. Through it all, she and her partner became something new—even as the presence of a baby rattled the bones of their eighteen-year relationship. Part love story, part comedy, part quest, Miller's candid and often humorous memoir is a much-needed cultural roadmap to what it means to become a parent, even when the usual categories do not fit.

The Wise and the Wicked Harper Collins

From the New York Times bestselling author of *The Midnight Club*—now an original Netflix series! Dusty Shame was a high school senior, and a serial killer. Already he has murdered three young women, and he has more planned. Yet Dusty did not want to hurt anybody. There was something inside him, or perhaps outside him, that compelled him to kill. Sheila Hardolt has lost her best friend to Dusty's brutal attacks. It will be her task to probe the clues Dusty has left at the site of each of his murders. Clues that will point her into the past—to a time when a large portion of mankind lost all sense of decency. There she will find the seed of Dusty's evil compulsion, the Wicked Heart, and the reason why it did not die the first time it was destroyed.

Wicked Like a Wildfire Beacon Press

The New York Times bestseller and basis for the Tony-winning hit musical, soon to be a major motion picture starring Cynthia Erivo and Ariana Grande With millions of copies in print around the world, Gregory Maguire's *Wicked* is established not only as a commentary on our time but as a novel to revisit for years to come. *Wicked* relishes the inspired inventions of L. Frank Baum's 1900 novel, *The Wonderful Wizard of Oz*, while playing sleight of hand with our collective memories of the 1939 MGM film starring Margaret Hamilton (and Judy Garland). In this fast-paced, fantastically real, and supremely entertaining novel, Maguire has populated the largely unknown world of Oz with the power of his own imagination. Years before Dorothy and her dog crash-land, another little girl makes her presence known in Oz. This girl, Elphaba, is born with emerald-green skin—no easy burden in a land as mean and poor as Oz, where superstition and magic are not strong enough to explain or overcome the natural disasters of flood and famine. Still, Elphaba is smart, and by the time she enters Shiz University, she becomes a member of a charmed circle of Oz's most promising young citizens. But Elphaba's Oz is no utopia. The Wizard's secret police are everywhere. Animals—those creatures with voices, souls, and minds—are

threatened with exile. Young Elphaba, green and wild and misunderstood, is determined to protect the Animals—even if it means combating the mysterious Wizard, even if it means risking her single chance at romance. Ever wiser in guilt and sorrow, she can find herself grateful when the world declares her a witch. And she can even make herself glad for that young girl from Kansas. Recognized as an iconoclastic tour de force on its initial publication, the novel has inspired the blockbuster musical of the same name—one of the longest-running plays in Broadway history. Popular, indeed. But while the novel's distant cousins hail from the traditions of magical realism, mythopoeic fantasy, and sprawling nineteenth-century sagas of moral urgency, Maguire's *Wicked* is as unique as its green-skinned witch.

A Week to Be Wicked Beacon Press

A tree that sheds poison daggers; a glistening red seed that stops the heart; a shrub that causes paralysis; a vine that strangles; and a leaf that triggered a war. In "Wicked Plants," Stewart takes on over two hundred of Mother Nature's most appalling creations. It's an A to Z of plants that kill, maim, intoxicate, and otherwise offend. You'll learn which plants to avoid (like exploding shrubs), which plants make themselves exceedingly unwelcome (like the vine that ate the South), and which ones have been killing for centuries (like the weed that killed Abraham Lincoln's mother). Menacing botanical illustrations and splendidly ghastly drawings create a fascinating portrait of the evildoers that may be lurking in your own backyard. Drawing on history, medicine, science, and legend, this compendium of bloodcurdling botany will entertain, alarm, and enlighten even the most intrepid gardeners and nature lovers.

Pippa Park Crush at First Sight Harper Collins

Varla Ventura, fan favorite on Huffington Post's *Weird News*, frequent guest on *Coast to Coast*, and bestselling author of *The Book of the Bizarre* and *Beyond Bizarre*, introduces a new Weiser Books Collection of forgotten crypto-classics. *Magical Creatures* is a hair-raising herd of affordable digital editions, curated with Varla's affectionate and unerring eye for the fantastic. For fairy tale lovers and fans of TV shows like *Grimm* and *Once Upon a Time* and movies like *Mirror, Mirror* and *Snow White and the Huntsman*, here is a collection of stories thick with dark woods, poison apples, wicked queens, curses, blessings, huntsmen, true love, crystal coffins, and helpless beauties, largely from Andrew

Lang's bestselling Victorian series of color fairy books.

I'm Jen Brister: stand-up comedian, middle-aged adolescent, and mum. But not that mum - I'm the other one. 'Hysterical, important, moving, wonderful' Sara Pascoe Confused? Two years ago, my partner (a woman - we're not solicitors) gave birth to twins. (I know! Believe me, I'm still reeling myself.) Like every new parent, I had absolutely no clue what I was doing. Add 'gay' and 'non-biological' to the mix and what do you get? Not a weird box of detergent, but a panicked beige lesbian desperately googling, 'Will my babies love me?' at 3 a.m. A very funny, very honest look at parenting life, from IVF awfulness to crying over the pages of sleep training manuals. A perfect gift for any parent who feels they don't fit the mould of a traditional family.

LONGLISTED FOR THE POLARI PRIZE 'Damned funny. You'll find the pages of this book brimming with rich and wonderful proof' Hannah Gadsby 'A side-splittingly honest look at the grim realities of same-sex parenting' Diva

Born Wicked Red Wheel/Weiser

In Edwardian London, a girl dreams of being an artist, despite her family's disapproval. Welcome to the world of the fabulously wealthy in London, 1909, where dresses and houses are overwhelmingly opulent, social class means everything, and women are taught to be nothing more than wives and mothers. Into this world comes seventeen-year-old Victoria Darling, who wants only to be an artist—a nearly impossible dream for a girl. After Vicky poses nude for her illicit art class, she is expelled from her French finishing school. Shamed and scandalized, her parents try to marry her off to the wealthy Edmund Carrick-Humphrey. But Vicky has other things on her mind: her clandestine application to the Royal College of Art; her participation in the suffragette movement; and her growing attraction to a working-class boy who may be her muse—or may be the love of her life. As the world of debutante balls, corsets, and high society obligations closes in around her, Vicky must figure out: just how much is she willing to sacrifice to pursue her dreams?

Surrender to a Wicked Spy Harper Collins

Rank, wealth, and elegance are no match for a young lady who writes novels...

She Looks Just Like You Weiser Books

When an insect-borne plague begins to envelop the world, three sixteen-year-olds struggle to survive amongst the healthy "trues" and the infected "wicked" in this gripping dystopian tale from the author of *The Winter Place*. A plague, called Wickedness, is pulsing through the world; and in its wake, it's dividing the population into thirds: The WICKED: Already infected by the droves of Singers, the ultraviolet mosquito-like insects who carry the plague, the Wicked roam the world freely. They don't want for much—only to maim and dismember you. But don't worry: They always ask politely first. The TRUE: The True live in contained, isolated communities. They're the lucky ones; they found safety from the Singers. And while the threat of the Wicked may not be eliminated, for the True, the threat has certainly been contained...

The VEXED: The Vexed are the truly fortunate ones—they survived the sting of the Singers, leaving them immune. But they're far from safe. The Vexed hold the key to a cure, and there are those who will do anything to get it. In this brilliantly realized novel, three teens—Astrid, Hank, and Natalie—start to realize that the divisions of their world aren't as clear as they seem, and are forced to question what being wicked truly means.

Wicked Ways Penguin

Zacharel, the leader of a powerful angelic army, lets nothing stand in his way of his anti-demon missions until he rescues Annabelle Miller from an institution for the criminally insane and from the demons who long to possess her.

The Royal Four Series.

Wicked Plants Algonquin Books

From the author of the acclaimed *My Life in the Fish Tank* and *Maybe He Just Likes You* comes a moving and relatable middle grade novel about secrets, family, and the power of forgiveness. Twelve-year-old Wren loves makeup—special effect makeup, to be exact. When she is experimenting with new looks, Wren can create a different version of herself. A girl who isn't in a sort-of-best friendship with someone who seems like she hates her. A girl

whose parents aren't divorced and doesn't have to learn to like her new stepmom. So, when Wren and her mom move to a new town for a fresh start, she is cautiously optimistic. And things seem to fall into place when Wren meets potential friends and gets selected as the makeup artist for her school's upcoming production of *Wicked*. Only, Wren's mom isn't doing so well. She's taking a lot of naps, starts snapping at Wren for no reason, and always seems to be sick. And what's worse, Wren keeps getting hints that things aren't going well at her new job at the hospital, where her mom is a nurse. And after an opening night disaster leads to a heartbreaking discovery, Wren realizes that her mother has a serious problem—a problem that can't be wiped away or covered up. After all the progress she's made, can Wren start over again with her devastating new normal? And will she ever be able to heal the broken trust with her mom?

[Utterly Wicked](#) Regency Romances

Unexpected lovers find themselves together in Spindle Cove with *A Week to be Wicked*—the second book in Tessa Dare's utterly delectable historical romance series. This Regency Era delight finds a restless British lord desperate to escape the quaint and too quiet small seaside resort he's trapped in...and he gets much more than he expected when he eagerly agrees to escort a beautiful, brilliant, socially awkward lady scientist to Scotland. Concerning Tessa Dare and her irresistible romances, bestselling author Julia Quinn is spot on when she says, "Prepare to fall in love!" And anyone who loves the novels of Lisa Kleypas, Christina Dodd, and Liz Carlyle is going to adore having *A Week to be Wicked*.

[Wicked River](#) Harper Collins

Mexican-born Cuauhtemoc and Pilar Martinez came to America so that their children Julia, Francisco, Marcos and Ismael could make something of themselves. While the children experience different journeys, at the center lay all the love and teachings from their parents that bind them together. With *El Paso* and *Ysleta* as the backdrop (though family members also find themselves in Boston, New Mexico, Jerusalem, Iraq...), this book offers a blend of short stories in chronological form to showcase the struggles of the Martinez family and explore issues of assimilation, immigration, religion, politics and war.
