Celebrate Recovery  
introduces The Journey  
Continues—four new  
participant's guides

designed as a  
revolutionary, new second  
step study curriculum.  
This step study is taken  
after completing The  
Journey Begins  
(Participant Guides 1-4).  
In the five lessons in  
Guide 6: Asking God to  
Grow My Character, you  
will experience Christ-  
centered and biblically-  
based studies filled with  
brand new acrostics,

deeper questions, and  
more helpful Bible verses.  
The content in Guide 6  
will focus on a deeper  
study of the fourth  
recovery principle: Openly  
examine and confess my  
faults to God, to myself,  
and to someone I trust.  
"Happy are the pure in  
heart" (Matthew 5:8). By  
working through the  
lessons and exercises  
found in each of the four

participant's guides of The Journey Continues you will find a deeper sense of true peace and serenity, continue to restore and develop stronger relationships with others and with God, and find deeper freedom from life's hurts, hang-ups, and habits.

Drawn from the Beatitudes, Celebrate Recovery helps people resolve painful problems in the context of the church as a whole. Rather

than setting up an isolated recovery community, it helps participants and their churches come together and discover new levels of care, acceptance, trust, and grace.

The Celebrate Recovery Participant's Guides are essential tools for the personal recovery journey. In the seven lessons in Guide 4: Growing in Christ While Helping Others, you will work through the final two principles on the road to

recovery. More than just maintenance, these principles will help you prevent relapse and give you the necessary tools to help others in their recovery process. 7

Reserve a daily time with God for self-examination. Bible reading and prayer in order to know God and his will for my life and to gain the power to follow his will. 8 Yield myself to God to be used to bring this Good News to others, both by my example and by my words. "Happy are those who are persecuted because they do what

God requires" (Matthew 5:10). By working through the lessons and exercises found in each of the four Participant's Guides you will begin to experience the true peace and serenity you have been seeking, restore and develop stronger relationships with others and with God, and find freedom from life's hurts, hang-ups, and habits. All the scriptures have been updated to the new NIV 2011 version.

Sacred Pathways reveals nine distinct spiritual temperaments--and their strengths, weaknesses, and tendencies--to help you improve your spiritual life and deepen your personal walk with God. It's time to strip away the frustration of a one-size-fits-all spirituality and discover a path of worship that frees you to be you. Experienced spiritual directors, pastors, and church leaders recognize that all of us engage with God differently, and it's about time we do too. In this updated and

expanded edition of Sacred Pathways, Gary Thomas details nine spiritual temperaments and--like the Enneagram and other tools do with personality--encourages you to investigate the ways you most naturally express yourself in your relationship with God. He encourages you to dig into the traits, strengths, and pitfalls in your devotional approach so you can eliminate the barriers that keep you locked into rigid methods of worship and praise. Plus, as you begin to

identify and understand your own temperament, you'll soon learn about the temperaments that aren't necessarily "you" but that may help you understand the spiritual tendencies of friends, family, and others around you. Whatever temperament or blend of temperaments best describes you, rest assured it's not by accident. It's by the design of a Creator who knew what he was doing when he made you according to his own unique intentions. If your

spiritual walk is not what you'd like it to be, you can change that, starting here. Sacred Pathways will show you the route you were made to travel, marked by growth and filled with the riches of a close walk with God. A Sacred Pathways video Bible study is also available for group or individual use, sold separately.

Celebrate Recovery introduces The Journey Continues—four new participant's guides designed as a revolutionary, new second step study curriculum. This step study is taken after completing The Journey Begins (Participant Guides 1-4). In the seven lessons in Guide 7: Honoring God by Making Repairs, you will experience Christ-

centered and biblically based studies filled with brand new acrostics, deeper questions, and more helpful Bible verses. The content in Guide 7 will focus on a deeper study of principles 4-6 of the recovery process: Openly examine and confess my faults to God, to myself, and to someone I trust. "Happy are the pure in heart" (Matthew 5:8). Voluntarily submit to every change God wants to make in my life and humbly ask Him to remove my character defects. "Happy are those

whose greatest desire is to do what God requires" (Matthew 5:6). Evaluate all my relationships. Offer forgiveness to those who have hurt me and make amends for harm I've done to others, except when to do so would harm them or others. "Happy are the merciful" (Matthew 5:7). "Happy are the peacemakers" (Matthew 5:9). By working through the lessons and exercises found in each of the four participant's guides of The Journey Continues you will find a deeper sense of true

peace and serenity, continue to restore and develop stronger relationships with others and with God, and find deeper freedom from life's hurts, hang-ups, and habits.

A compassionate, shame-free guide for your darkest days “A one-of-a-

kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to

take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology

that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.
