The Kama Sutra of Vatsyayana Vintage

Hard-headed evidence on why the returns from investing in girls are so high that no nation or family can afford not to educate their girls. Gene Sperling, author of the seminal 2004 report published by the Council on Foreign Relations, and Rebecca Winthrop, director of the Center for Universal Education, have written this definitive book on the importance of girls' education. As Malala Yousafzai expresses in her foreword, the idea that any child could be denied an education due to poverty, custom, the law, or terrorist threats is just wrong and unimaginable. More than 1,000 studies have provided evidence that high-quality girls' education around the world leads to wide-ranging returns: Better outcomes in economic areas of growth and incomes Reduced rates of infant and maternal mortality Reduced rates of child marriage Reduced rates of the incidence of HIV/AIDS and malaria Increased agricultural productivity Increased resilience to natural disasters Women's empowerment What Works in Girls' Education is a compelling work for both concerned

global citizens, and any academic, expert, nongovernmental organization (NGO) staff member, policymaker, or journalist seeking to dive into the evidence and policies on girls' education.

"About the book In 2014 Karishma Mehta started Humans of Bombay to capture the untold stories of the millions of people living in the maximum city. This book entails a handpicked collection of some of the best stories on the Humans of Bombay Facebook blog as well as several unseen stories. Funny insightful quirky and intimate these stories are sure to make your heart melt."-- Provided by publisher.

Indian Girls Mrs Funnybones

In Sach Kahun Toh, actor Neena Gupta chronicles her extraordinary personal and professional journey—from her childhood days in Delhi's Karol Bagh, through her time at the National School of Drama, to moving to Bombay in the 1980s and dealing with the struggles to find work. It details the big milestones in her life, her unconventional pregnancy and single parenthood, and a successful second innings in Bollywood. A candid, self-deprecating portrait of the person behind the persona, it talks about her life's many choices, battling stereotypes, then and now, and how

she may not be as unconventional as people think her to be.

Sach Kahun Toh Andrews McMeel Publishing

Ankur Warikoo is an entrepreneur and content creator whose deep, witty and brutally honest thoughts on success and failure, money and investing, self-awareness and personal relationships have made him one of India's top personal brands. In his first book, Ankur puts together the key ideas that have fuelled his journey – one that began with him wanting to be a space engineer and ended with him creating content that has been seen and read by millions. His thoughts range from the importance of creating habits for long-term success to the foundations of money management, from embracing and accepting failure to the real truth about learning empathy. This is a book to be read, and reread, a book whose lines you will underline and think about again and again, a book you will give your family and friends and strangers. Ankur hopes for this book to become the most gifted book ever!

She is dating various marriage prospects, will she get her dream guy?

Zak George's Dog Training Revolution Clarkson Potter

Governments, businesses, and individuals around the world are thinking about what happens after the COVID-19 pandemic. Can we hope to not only ward off another COVID-like disaster but also eliminate all respiratory diseases, including the flu? Bill Gates, one of our greatest and most effective thinkers and activists, believes the answer is yes. The author of the #1 New York Times best seller How to Avoid a Climate Disaster lays out clearly and convincingly what the world should have learned from COVID-19 and what all of us can do to ward off another catastrophe like it. Relying on the shared knowledge of the world's foremost experts and on his own experience of combating fatal diseases through the Gates Foundation, Gates first helps us understand the science of infectious diseases. Then he shows us how the nations of the world, working in conjunction with one another and with the private sector, how we can prevent a new pandemic from killing millions of people and devastating the global economy. Here is a clarion call—strong, comprehensive, and of the gravest importance.

How to Prevent the Next Pandemic Open Road Media

One of the most enduring divas of Hindi cinema, a producer and director for films and television, dancer and choreographer par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears many hats with admirable ease. No other industry name comes close to matching the breadth of her achievements. In an industry where the male star has traditionally driven the commercial success of films, Hema was an exception, with her name alone sufficing to ensure a film's box-office glory. She was, arguably, India's first female superstar. Apart from starring in mainstream super-hits like Johny Mera Naam, Jugnu, Andaz, Seeta Aur Geeta, Sholay and, more recently, Baghban, she received critical acclaim for her performances in Lal Patthar, Khushboo, Kinara, Meera, Ek Chadar Maili Si and Razia Sultan. But there is much more to her than just her Bollywood journey. From her efforts at reviving and sustaining classical dance to her graceful handling of her personal life and the controversies that have plagued her in her political avatar, from her relationships to her religious beliefs and her recent tryst with singing, Hema Malini: Beyond the Dream Girl covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-actors, this is an inside look at the remarkable life of one of our greatest cinema icons, someone who has truly lived life on her own terms.

Sweeten Any Occasion with Bold, Unforgettable Desserts From Brown Butter Ghee Shortbread Cookies to Pomegranate Curd Brownies, these decadently spiced, versatile recipes are a joy to make and share. Drawing inspiration from her Indian-American upbringing and experience on MasterChef, Hetal Vasavada infuses every creation with the flavors of her heritage. The results are remarkable treats like Mango Lassi French Macarons and Ginger-Chai Chocolate Pot de Crème. Whip up a batch of small sweets (mithai) like Sesame Seed Brittle and Bourbon Biscuits, or impress guests with a fantastic breakfast like Banana Custard Brioche Donuts. The Gulab Jamun Cake, inspired by the quintessential Indian dough-balls soaked in spiced syrup, is the perfect showstopper for any gathering. Simple techniques and smart shortcuts make it easy to create familiar flavors or experiment with new ones. With delectable ingredients like ginger, cardamom, saffron, fennel and rose, every bite is worth celebrating.

The Kama Sutra of Vatsyayana by Vatsyayana The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vātsyāyana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kāma" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sūtra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, the Kama Sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life, and other aspects pertaining to pleasure-oriented faculties of human life. The Kama Sutra does reveal that Vatsyayana lived the life of a religious student, likely in Benares, and spent his time engaged in the contemplation of the highest Deity. Scholars believe that the tone Vatsyayana takes towards youth in the Kama Sutra suggests that he likely spent many years studying religion before beginning his life's work compiling the wisdom of the sages. Indeed, Vatsyayana was less of a groundbreaking philosopher and apparently more of a diligent academician. Besides transcribing the Kama Sutra more than 300 years after the Shastras had already been passed down, he also transcribed the Nyaya Sutras, an ancient Indian text of philosophy that was composed by the buddha Gotama in the 2nd century B.C. Whereas the Kama Sutra tackles kama (or sensual pleasures), the Nyaya Sutra delineates paths for achieving moksha, or spiritual liberation from the cycle of birth and death.

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

Dr. Babasaheb Ambedkar, Writings and Speeches Harper Collins

"The 2012 report recognized that expanding women's agency - their ability to make decisions and take advantage of opportunities is key to improving their lives as well as the world. This report represents a major advance in global knowledge on this critical front. The vast data and thousands of surveys distilled in this report cast important light on the nature of constraints women and girls continue to face globally. This report identifies promising opportunities and entry points for lasting transformation, such as interventions that reach across sectors and include life-skills training, sexual and reproductive health education, conditional cash transfers, and mentoring. It finds that addressing what the World Health Organization has identified as an epidemic of violence against women means sharply scaling up engagement with men and boys. The report also underlines the vital role information and communication technologies can play in amplifying women's voices, expanding their economic and learning opportunities, and broadening their views and aspirations. The World Bank Group's twin goals of ending extreme poverty and boosting shared prosperity demand no less than the full and equal participation of women and men, girls and boys, around the world." -- Publisher's description.

Life in Spiti begins. It is winter now. This Trans Himalayan region lies adjacent to the old Hindustan Tibet trade routes. Only a few dare to call it home. It is their destiny. The land of Lamas and Monasteries. This ancient Tibetan culture is preserved and protected by high mountain ranges from all sides. No electricity, sub-zero temperature, piles of snow. For once, man is one with nature. This book is a photo documentation of the life of people in the remote Trans Himalayan valley in the north Indian state of Himachal Pradesh.

What is it like to be known as Mansoor Ali Khan Pataudi's daughter? Or to have a mother as famous as Sharmila Tagore? Or to be recognized as Saif Ali Khan's sister? Or as Kareena Kapoor's sister-in-law? And where do I stand among them? Actor Soha Ali Khan's debut book is at heart a brilliant collection of personal essays where she recounts with self-deprecating humour what it was like growing up in one of the most illustrious families of the country. With never before published photos from her family's archives, *The Perils of Being Moderately Famous* takes us through some of the most poignant moments of Soha's life-from growing up as a modern-day princess and her days at Balliol College to life as a celebrity in the times of social media culture and finding love in the most unlikely of places-all with refreshing candour and wit.
