PERKINS TORRES

Mafia King: Matteo Barbara Wilson
A termination order came from the top. The contract killer couldn't refuse his own father. A luxurious Lake Huron waterfront mansion bought and paid for with dirty Russian-mob money was designated as the deadly venue. Dorothy Gale, mobster wife and philanderess, was discovered weeks later naked in a shallow grave, her clothing carelessly tossed on top of the corpse. Dorothy was one of many unsolved murders suspected at the hands of the notorious hitman. Life was a dream for Sarah after settling in Canada. It was the late 1980s and already she embarked on a roller coaster ride taking her to cloud-nine in a whirlwind romance. Even her closest friends were unable to ground her. The newfound happiness was short-lived. Sarah's world unexpectedly veered off track taking a downward spiral that only she could control. A cast of unforgettable characters, both likable and vile, entertain the reader while navigating through unexpected twists and turns. Abandon Fear is a story of loyal friendships and a courageous heroine who beat the odds.

Sinful Promise A Dark Mafia Romance JD Turnbull

Matteo I never thought my father would die. He's too fucking mean. Now, I'm the head of the Borelli Empire, and I'm expected to produce an heir. I had no desire to marry until I walked into a club and saw her. I am the new king. She is my queen. Alena I was raised to marry a Capo in the bratva. After I met a stranger in a sexy club, I had second thoughts about my fate. The stranger,

who calls himself Mr. Grey, makes me feel alive, and my loneliness disappears. But when he catches my father doing unscrupulous things behind the bratva's back, I'm party to the deal to save him. Now, I'm forced to keep my father's dirty secret that might jeopardize my best friend's life. Step into the intoxicating world of the Borrelli Mafia Romance Series, where power, passion, and peril collide in a breathtaking dance. When Sicilian blood meets the pulse of New York City's streets, Matteo Borrelli rises as the new Don, inheriting a legacy forged in intrigue and ambition. Loyalty binds him to his kin, but temptation draws him to Alena - the enigmatic beauty tied to the Russian mafia. Can Matteo navigate the treacherous path he has to follow in a realm where trust is a mirage and love is a perilous game? Or will the burning allure of a forbidden love with the Russian angel be his ultimate undoing? The Borrelli Mafia Romance Series -where every touch is a promise, and every secret is a double-edged dagger. *All titles in the Borrelli Mafia series are interconnected but can be read as standalones. This book is over 90k words and has a bonus scene in the ebook in my store. On wide platforms, use the link address in the book for Matteo & Alena's Wedding *Harlequin Desire* September 2020 - Box Set 2 of 2 Rowman & Littlefield
This is a fictional work that encompasses modern counterterrorism with current terrorist tactics that have been thwarted or investigated by respected counterterrorism agencies. These scenarios are linked together with the formation of a special privately owned terrorism task force that is designed to counter the weakening of the United States government and growth of a more sinister radical Islamic faction. These all

take place in real locations with a cast of characters building as the book progresses. The title *Casting Shadows* has multiple meanings, first of which is the casting or formation of both groups; second, it refers to the methods used by these organizations to move forward; and lastly, it refers to the shadows and images of people burned on buildings after several nuclear explosions. *Casting Shadows* is a suspense thriller with law enforcement and military leanings, twisting back and forth between sides. This story line gets a little more complicated when more sides appear. Its not just a good guy meets bad guy book but has many dimensions of good and evil and the perception of either may be different, depending on the angle you're witnessing. Who are the real bad guys? The time line carries the reader through the development of the most sinister plot in the history of mankind. Complex and very involved, the plot destroys believers and nonbelievers alike. The sacrifice of their own people provides a screen that ultimately weakens their objective. Islamic radical factions from around the world bond together to create the ultimate union; this union called Al Infitar is attempting to finish the jihad their forefathers have started. With just a small force with perfect resolve, funds, and opportunity, they attempt to complete their jihad. Total Islam is their goal, and total destruction is their tool. Acquiring nukes for the black market, the brothers embark on a slow methodical plan to destroy the Western world as we know it. Is this book really fiction? Your call! The techniques are real. The targets are real, the motivation is real, and the desire is real. Even more frightening than that, the plots are real and are being attempted as you read this. Islamic radicals have

stepped up attempts to destroy our way of life. The inner jihad they seek or the total acceptance of Allah by Muslims have now become an outward call for war against Western civilization and all non-Muslims. Jihad is being called in mosques throughout the world, and groups are forming for the final push. The Koran calls all Muslims to jihad, which by definition is the inner struggle of an individual to fight evil, the sort of yin and yang of Muslims. The radical leaders interpret this differently and call for the death of any nonbeliever. Who are they speaking of? Who are the nonbelievers? As you read this book, pay particular attention to the dates because in the beginning, the planning stages cover several years and locations. This is typical of radical plots, and the formation of cells by their recruiters takes time and large sums of money. What allows the fertile ground to produce such plots to blossom is the weakened state of the United States and European governments. This weakness will always be exploited, as the enemy will be constantly vigilant for such cracks in the armor. Enjoy this book the way it was intended, not to terrify but to enlighten and make these attempts public. Yes, they can happen. Yes, they are trying. And yes, we can stop them. So is this really a fictional book or a book that hedges on insanity? Is this book a recipe for disaster or too far-fetched to believe? Read it and make your own decision. This book, like real life, will continue. The plots will always be there, and the desire will continue. The will to survive is stronger than humans can comprehend. For a nation to survive, it sometimes takes continuous vigilance and strength. When one or the other is lacking, then evil creeps in to steal what it can. After 9/11

Read this steamy mafia series by dark romance author Ivy Thorn. For fans of dark romance authors Rina Kent, Naomi West, and Brook Wilder... Efrem is older and a deadly criminal—everything my parents despise—but he's all I want. I gave up everything to be with him. My parents are strangers to me now. But if that was the price of dating Efrem. I would gladly pay it. Efrem said he loves me, that he would do anything for me. But he betrayed me. And his betrayal cost me dearly. In an instant, I see New York's dark underbelly for the ugly hell it is. However I'm determined to make things right, to protect the people I love and reform the bonds I so carelessly broke. But everything's different now. I can no longer trust the people closest to me. And nothing is as it seems. Am I too late to redeem my terrible mistakes? And now that I know the stakes, what will my vow of sin truly cost me? *Sinner's Vow* is the first installment of the *Vow of Sin* series. The reading order is as follows: *Sinner's Obsession*, *Sinner's Vow*, and *Sinner's Revenge*. The series is complete!

Lilah Infinite Joy

"Don't you see? EVERYTHING comes at a price mio il amore" Matteo Russo- The heir to the Russo Famiglia. At 26 he's accomplished more than men his age could ever dream of, in unconventional ways, of course...He's not just a man, he is the man. He runs New York nothing comes in without him knowing and nothing will most certainly get out. Ruthless, cocky enigmatic, and assertive. Just a few words to describe him. Talia Cruz- A trauma nurse in one of the richest hospitals in New York. Young

and successful and she's so proud of herself. Well, she should be, made an orphan at just 13 her and her older sister Iris, never thought they would make it this far. Now that she's 22 with a supportive job Iris can finally move back to their hometown leaving Talia to take on New York by herself. When Talia sees something that she shouldn't see and is taken captive by Matteo Russo himself, does she crumble and fall or does she reveal her true self? Because after all, what's a crazy King without an even crazier Queen?

13 to Life Oceanview Publishing
 Max Geller: Target of the Kremlin, MI6, and the CIA Fired for bias against the U.S. president, ex-CIA Russia expert Max Geller gets a chance to redeem his reputation and make a fortune when he is hired to investigate the president's incriminating ties to Moscow. Jill Rucker, an undercover CIA agent, is assigned to work with him—and she does—when she's not pursuing her own conflicting goals. The search takes them to England, Russia, Panama, and Switzerland. Along the way, Max runs afoul of British intelligence by inadvertently compromising two of its operations. He gets help from an anti-Russian underground cell in Moscow, is assisted and threatened by the Russian mafia, exposes a massive Russian-American money laundering scheme in Panama, and uncovers a plot to protect the president from mounting accusations threatening his presidency. Close behind is Zablude, a Kremlin assassin, who means to kill them and their sources and destroy evidence incriminating the president. Max discovers that he has been betrayed by his former boss, his current employer, and his girlfriend. Seeking revenge, he takes on a powerful Washington law firm, the CIA, and the Russians. Max Geller is the spy who went out in the cold—and no one wants him to come in and tell what he knows. Perfect for fans of Daniel Silva and Nelson DeMille The Publishing Sequence for this series is: *The President's Dossier* *The Blood of Patriots and Traitors* (coming 2023)

Tempting Her Dad's Best Friend St. Martin's Griffin

M. Leighton's *Down to You* was just the beginning. "Up to Me has even more shockers in store!" (Examiner.com) For Olivia, romantic bliss has never felt so right as it does with Cash. Unpredictable, except when it comes to satisfying her desires, Cash's 'bad boy' reputation is well-earned, but he's turning his life around with the one woman who accepts him for who he is. Until strangers from the past turn Olivia and Cash's world upside down. What they want is something only Cash can give them. And if he doesn't deliver, then they're taking the one thing that Cash values the most. Olivia always knew that in falling for Cash she was likely to get burned. But this new threat is beyond anything she imagined. Now she has to trust Cash with her life—and for Olivia that's much easier than letting go, and trusting him with her heart. Includes a teaser from *Everything for Us*

From Russia with Blood Zebra Books
 It is 1972 when Jimmy James meets Vito Ciro on a basketball court. Vito, born into a New York mob family, quickly becomes a bad influence on Jimmy, who is destined to receive an athletic scholarship. As Jimmy becomes friends with Vito, he has no idea that his life has changed forever with that one decision. Several weekends later, Jimmy's uncle shows him his FBI badge and tells fascinating stories about organized crime. Despite warnings from his father, an already intrigued Jimmy soon becomes immersed in a lifestyle not intended for the faint-hearted. After he sets out on a dangerous path lined with drugs, fast women, hot cars, and gangs, Jimmy encounters a variety of characters that eventually lead him to wonder who he can trust, even within a family where

loyalty is supposed to matter. As he ponders his life choices and contemplates his next move, now only time will tell if Jimmy will shun the lures of his past or continue on the same misguided path. Snitches n B*tches shares the tale of one mans lifelong saga through organized crime and drugs as he learns life lessons the hard way in a cold, harsh world where no one is safe.

Book 7: *Slow Burn* by Janice Maynard If he's really the idle playboy his family claims, will his inaction threaten a reunion with the woman who got away?

Silver Creek Bodyguard Transit Lounge "A joy to read, in fact, a book so good one doesn't want it to end.... Kempe has written a piece of contemporary history as it should be written, in clear, engaging prose, and with judicious and sensible arguments. He has expertly handled the history of modern Germany, and given us insights into the German soul, including his own, that are crucial for an understanding of our modern world." -Kirkus Reviews "While Kempe does not sugarcoat Germany's current problems-its dyspeptic tolerance of immigrants, its pervasive bureaucracy and pedantry, the viciousness of the neo-Nazis-he argues that young Germans are right to no longer feel guilt for the Holocaust, as long as they learn its lessons." -Newsday "This is a fascinating and important book for anyone interested in the New and Old Germany. Fred Kempe, a distinguished foreign correspondent who has reported from many countries, turns in *Father/Land* to a different land-the mysteries and dark secrets of his German family that lay shrouded since

the Third Reich. As painful as it is, this is a search that Kempe could no longer refuse if he was to bring some sense to his American character and German roots. As he interweaves his family's history with that of the German nation, his personal quest becomes a window not only into the German past but also into Germany's future." -Daniel Yergin, Pulitzer Prize-winning author of *The Prize* and coauthor of *The Commanding Heights* "Father/Land takes us on a spellbinding journey into Germany's past and present that begins with a musty olive trunk of old papers Fred Kempe inherited from his father. Inside that trunk lies the enduring mystery of the German people. Kempe's lively writing makes us see the paradox of modern Germany in small things-such as the trashcans at the Frankfurt airport or the personal quirks of Kempe's teammates on an amateur basketball team in Berlin. When Kempe finally discovers the horrific story that lies buried in his own family's history, the reader has the shock of experiencing the nightmare of Nazism from the inside." -David Ignatius, columnist, *The Washington Post*, and author of *A Firing Offense* "From a skilled American reporter's search for his German ancestry emerges a rich and rewarding portrait of a nation moving toward a promising future even as it remains tied to an inescapable past." -Ronald Steel, author of *Walter Lippmann and the American Century* "No foreign correspondent knows Germany as well as Frederick Kempe. He understands us sometimes better than we understand ourselves. His book is a refreshing, human look at where Germany is going, and it shows deep understanding for where it has been." -Volker RÃ¼he, former defense minister of Germany *Father/Land* is a brilliant, unorthodox

work of observation, insight, and commentary, a provocative book that will become required reading for anyone seeking to understand modern Germany. And it is something more. For in researching the past, Kempe discovered that the ghosts of Germany's past were not limited to others, that the contradictory threads of good and evil wove through his own family as well. After years of denying his own Germanness, he would have to confront it at last. During a pilgrimage to Germany with his father, Fred Kempe promised him he would write about modern Germany. Twelve years later, as a correspondent for *The Wall Street Journal Europe*, Kempe began a long journey of exploration in an attempt to answer questions that haunted him about his father's land: "How could such an apparently good people with such a rich cultural history have done such evil things? What causes evil, and what breeds good? After only half a century of reeducation and reconstruction, could the strength of German democracy and liberalism be as great as it seemed?" In this book, Fred Kempe delves into Germany's demographic change, its modern military, its youth, and America's role in the remaking of Germany after the war. He also looks at German pre-war history and how that history plays into shaping the future of the newly intact Germany. While searching modern Germany for the answers to his philosophical questions, Kempe finds himself in a parallel search for the roots of his own German heritage. Through seeking out relatives and searching documents that might enlighten him about the unspoken mysteries of his family's past, he discovers more than he bargained for, and at the same time learns a great deal

about himself. The journey that began as the fulfillment of a promise to his father, led him as he had hoped, to a greater understanding his father's Heimat. In the last chapter of his book, Kempe calls modern Germany "America's Stepchild." He theorizes that Germans, because of their past atrocities, feel a great responsibility to their European neighbors as well as to the world. In their process of atonement, they have become a kinder and gentler people, while their strength remains. Their role as a world leader beckons them to heights to which they no longer aspire. Reaching great heights makes the world seem conquerable. This is the mistake they must avoid. Reaching out makes the world more united. This is the direction they know they must go.

The Friend Chosen Books

The essays in this volume reflect the effort to recognize the alteration in the intellectual and social contexts in which Jews and Christians gather for prayer, and the undermining of the conjunction between memory and ritualization.

Mingling With Murder Mulholland Books

(Use the code 'smily dreamers' to get 30% off book coupon) "I want to taste and ruin that pussy of yours" the billionaire CEO said. "Do whatever you want to do with me but before that, you'll have to...marry me" She replied. "Do you think I'll marry you just to taste you?" "I'll make you marry me anyhow and only then my pussy will be yours and only yours." "If I tell you my real identity, you won't even come close to me...ever" the CEO said with a devilish smirk. Aaron was the CEO of the Wolf Pack Company, the largest company in the whole world. But little did anyone knew what his reality and true identity was. When he saw Lucy looking so sexy, he just could not control himself from his

desire to fuck her. Not knowing that he's billionaire, Lucy rejected him but after knowing the truth, Lucy like every other girl developed the desire to marry him. Do you think a person like Aaron would marry a girl just to fuck her? I mean he can just fuck her by force. And Lucy, does she only cares about money? Is she bitch like other girls who just want money? Will they two marry and make a lovely couple? Well, I don't think so. It's gonna be dirty. I bet.

God Will Give Me Justice Xlibris

Corporation

In a Russian world governed by politics and vicious allegiances, Nikolay finds himself plunged into a life with new dangers following his father's death. He immediately honors his arranged marriage to merge two powerful families before a cold-blooded traitor in the mafia family claims another victim. Nikolay promises he will never love, and he has a list of rules for his virginal fiancée Anya, who promptly breaks them as she strives to remain free of the criminal world. Some destinies are meant to be forged, and the two will find their journey amid the danger that surrounds their every move. This book contains the tropes of arranged marriage, secret identities, touch her and you die, plot twists, surprises, and suspense. Immerse yourself with the handsome morally-gray brothers introduced in book 1.

Moral Theory at the Movies Simon and Schuster

High school gossip...a death glare from a rival girl? Charlie takes them in stride. But her mother's murder and her dad's disappearance send her off the rails. Therapy sessions get her to college, where she spots her missing dad in a film and races to Los Angeles to find him. A lead takes her to a low budget zombie movie production in the desert.

The crew say her dad died, but Charlie keeps investigating. Could the aging film star or the creepy man who writes in Russian Cyrillic script help lead her to her father? Or will Charlie find another truth, one she doesn't want to hear?

Never Truth Revell

Can Alexi find the daddy of his dreams? Lonely and lost, Alexi Drake is looking for a caring hand. Starting a new job with the same anxieties, he doesn't think he'll ever feel wanted, let alone someone who will understand him. But will the kindness of a stranger change that? Overworked and under-laid, Warren Raines is searching for someone special to share himself with. Touch is his love language. He's armed with a giant stuffed teddy, and a need to please. Will he finally find someone to have fun with? Dressed up and playing the part, they find something special... but can they complete each other? A DADDY FOR ALEXI is the start of a brand new series! You'll find age gap, age play, and plenty of femboy fantasy. Each book in the series is standalone, although characters are known to make a guest appearance.

The President's Dossier Penguin

They took roughly 3 years from his life. He will never be 28 again. Time can never be returned to him. It is lost forever. Read about John Bielski and the story as seen through his eyes. Go inside one of the most horrific jails in the United States. Underfunded, overpopulated, and corrupt. Learn about how a law abiding citizen ended up spending twelve months waiting for a trial in what can only be called a certain kind of hell. Our constitutional rights are being violated, and this book is an account of real events that demonstrate just how that happens. The names and locations have been purposely omitted to avoid any backlash from the authorities, but this is a true story. In the land of the free, John Bielski believes that only God can give him justice. I went over my whole life and recounted every time I came in contact with the authorities . . . police officers. I also wrote about the events leading to the arrests as well as what happened to me once in custody. Some of this is scary . . . really scary.
