The Collected Tales of Nikolai Gogol Delphi Classics

Using, or rather mimicking, traditional forms of storytelling Gogol created stories that are complete within themselves and only tangentially connected to a meaning or moral. His work belongs to the school of invention, where each twist and turn of the narrative is a surprise unfettered by obligation to an overarching theme. Selected from Evenings on a Farm near Dikanka, Mirgorod, and the Petersburg tales and arranged in order of composition, the thirteen stories in *The Collected Tales of Nikolai Gogol* encompass the breadth of Gogol's literary achievement. From the demon-haunted "St. John's Eve" to the heartrending humiliations and trials of a titular councilor

in "The Overcoat," Gogol's knack for turning literary conventions on their heads combined with his overt joy in the art of story telling shine through in each of the tales. This translation, by Richard Pevear and Larissa Volokhonsky, is as vigorous and darkly funny as the original Russian. It allows readers to experience anew the unmistakable genius of a writer who paved the way for Dostevsky and Kafka.

Delphi Collected Works of Georg Wilhelm Friedrich Hegel (Illustrated)

Delphi Classics

The early nineteenth century philosopher Georg Wilhelm Friedrich Hegel is an important figure of German idealism, who achieved wide recognition within the continental tradition of philosophy. He has since become increasingly influential in the analytic tradition and his canonical stature within Western philosophy is universally recognised. Hegel's principal achievement was his development of a distinctive articulation of idealism, in which the dualisms of mind and nature and subject and object are overcome. His philosophy of spirit conceptually integrates psychology, the state, history, art, religion and philosophy. Delphi Complete Works of A. E. W. Mason (Illustrated) Delphi Classics From the publisher of Pipette Magazine, discover a natural wine-soaked memoir about finding your passion—and falling in love. It was Rachel Signer's dream to be that girl: the one smoking hand-rolled

cigarettes out the windows of her 19th-century Parisian studio apartment, wearing second-hand Isabel Marant jeans and sipping a glass of Beaujolais redolent of crushed roses with a touch of horse mane. Instead she was an under-appreciated freelance journalist and waitress in New York City, frustrated at always being broke and completely miserable in love. When she tastes her first pétillant-naturel (pét-nat for short), a type of natural wine made with no additives or chemicals, it sets her on a journey of self-discovery, both deeply personal and professional, that leads her to Paris, Italy, Spain, Georgia, and finally deep into the wilds of South Australia and which forces her, in the face of her "Wildman," to ask herself the hard question: can she really handle the unconventional life she claims she wants? Have you ever been sidetracked by something that turned into a career path? Did you ever think you were looking for a certain kind of romantic partner, but fell in love with someone wild, passionate and with a completely different life? For Signer, the discovery of natural wine became an introduction to a larger ethos and philosophy that she had long craved: one rooted in egalitarianism, diversity, organics, environmental concerns, and ancient traditions. In You Had Me at Pét-Nat, as Signer begins to truly understand these revolutionary wine producers upending the industry, their deep commitment to making their wine with integrity and with as little intervention as possible, she is smacked with the realization that unless she faces, head-on, her own issues with commitment, she will not be able to live a life that is as freewheeling, unpredictable, and singular as the wine she loves.
