Harper Lee's Pulitzer

Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-

wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

Double Identity Penguin
Beginning with a dilemma about whether he spends more money on reading or smoking, George Orwell's entertaining and uncompromising essays go on to explore everything from the perils of second-hand bookshops to the dubious profession of being a critic, from freedom of the press to what patriotism really means. Throughout history, some books have

changed the world. They have transformed the way we see ourselves – and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives – and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are. The City of Ember Penguin Longman

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

Lord of the Flies - Student Packet John Wiley & Sons
A BEST OF SUMMER READ
ACCORDING TO

NEWSWEEK, PARADE MAGAZINE, NBC NEWS, LITHUB, AND POPSUGAR! "The most heartfelt read of the summer...a surprising delight of a novel."--Shondaland An unforgettable and heartwarming debut about how a chance encounter with a list of library books helps forge an unlikely friendship between two very different people in a London suburb. Widower Mukesh lives a quiet life in Wembley, in West London after losing his beloved wife. He shops every

Wednesday, goes to Temple, and worries about his granddaughter, Priya, who hides in her room reading while he spends his evenings watching nature documentaries. Aleisha is a bright but anxious teenager working at the local library for the summer when she discovers a crumpled-up piece of paper in the back of *To Kill a Mockingbird*. It's a list of novels that she's never heard of before. Intrigued, and a little bored with her slow job at the checkout desk,

she impulsively decides to read every book on the list, one after the other. As each story gives up its magic, the books transport Aleisha from the painful realities she's facing at home. When Mukesh arrives at the library, desperate to forge a connection with his bookworm granddaughter, Aleisha passes along the reading list...hoping that it will be a lifeline for him too. Slowly, the shared books create a connection between two lonely souls, as fiction helps them

escape their grief and everyday troubles and find joy again.

Someday, Janey promised

the willow plate, with its picture of a real house, her family would once again be able to set down roots in a community.

Blue Willow is an important fictional account of the Dust Bowl and the Great Depression, and has been called *The Grapes of Wrath* for children. It won a Newbery Honor and many other awards.
