Village in the Jungle is a novel by Leonard Woolf, published in 1913, based on his experiences as a colonial civil servant in British-controlled Ceylon (now Sri Lanka) in the early years of the 20th century. Ground-breaking in Western

fiction for being written from the native rather than the colonial point of view, it is also an influential work of Sri Lankan literature. The Village in the Jungle - Wikipedia There's been a ferocious heat-wave where I live, with temperatures

reaching degrees unheard of for decades. In a kind of sympathetic mirroring of such torrid days, my reading path took me from one blistering hot village in a jungle to another, from George Orwell's *Kyautada* to Leonard Woolf's *Beddagama* - in the heart of Ceylon, now Sri Lanka. *The Village in the Jungle* by Leonard Woolf Directed by Lester James Peries.
