From the husband and wife team behind *Babies, Babies, Babies*, featured in the Sunday Times as one of their top 100 Children's Modern Classics.

Papa Hamlet Orchard Books

"We should never have given Paddington a boomerang for his birthday," said Mrs Brown as she gazed down at the figure lying on the lawn. "I knew no good would come of it." Paddington has got himself into trouble again, and this time he finds himself being whisked off to hospital in an

ambulance. Full of the humorous misunderstandings and adventures that this lovable bear is famous for, this is a great story for the young Paddington fan who is apprehensive, or merely curious, about what goes on inside a hospital. Children can recap Paddington's experience in hospital through his letter to Aunt Lucy on pages 30-31, providing lots of speaking and listening opportunities. Emerald/Band 15 books provide a widening range of genres including science fiction and biography, prompting more ways to respond to texts. Ideas for Reading provide practical support and stimulating activities.

[The Most Beautiful Egg of All](#) Orchard Books

Adultery, vulgarity, disordered lives on the brink of collapse: the feverish existence of failed actor Niels Thienwiebel shocked German readers when PAPA HAMLET was first published in 1889. In declaiming the soliloquies of his most famous role, "the great Thienwiebel" finds delusional refuge from the squalid room he shares with despondent wife Amalie and infant son Fortinbras. But it was the radical style as much as the moral outrage of this novella that so confounded contemporaries. Reflecting their own bohemian Berlin milieu, Arno Holz and Johannes Schlaf showed the dream of the self-authored life turning to nightmare through apathy and self-absorption. Originally credited to a fabricated Norwegian writer, PAPA HAMLET signalled the explosive arrival of Naturalism while also pointing ahead to Modernism; its appropriations, irony and play of identity even foretold Postmodernism. Appearing for the first time in English, it is teamed here with an early incarnation of the same narrative by Schlaf alongside further collaborations with Holz. Together their fearless candour and anarchic ingenuity reveal another side to German Naturalism that is well overdue for rediscovery. Fiction. Translated by James J. Conway.

Walt Disney's Mickey Mouse Book Capstone Classroom

Just when William is ready to fall asleep in his cozy cabin, there is a tap on his window. A chilly chipmunk asks to stay, and Will scooches over in bed. "There's room for two -- I'm sure we'll fit." The chipmunk is just the first in a parade of mammals, each bigger than the last, until the bed is full. Then a note is slipped beneath the door: "Do you have room for just one more?" William tugs the door to see who's there . . . only to find a great big BEAR! Is there enough space to spare? Will the other animals be willing to share? Kids will delight at each new guest's arrival and enjoy counting along as the animals keep scooching over to fit in William's bed. Linda Ashman's clever rhymes set up each page turn with suspense and humor, and the expressions on Chuck Groenink's characters are perfect. This is must reading for the dark time of year when everyone wants to hibernate!
