 Grab this inspirational and satisfying western romance collection and get transported to a small town life filled with heartwarming scenes, sexy cowboys, and all the feels in the Three Rivers Ranch Romance series by USA Today bestselling author Liz Isaacson! This Christian western romance boxed set contains four novels in the Three Rivers Ranch Romance series - Fifth Generation Cowboy, Sixth Street Love Affair, The Seventh Sergeant, and Eight Second Ride. Fifth Generation Cowboy: Tom Lovell has watched his friends find their true happiness on Three Rivers Ranch, but everywhere he looks, he only sees friends. Rose Reyes has been bringing her daughter out to the ranch for

equine therapy for months, but it doesn't seem to be working. Her challenges with Mari are just as frustrating as ever. Could Tom be exactly what Rose needs? Can he remove his friendship blinders and find love with someone who's been right in front of him all this time? Sixth Street Love Affair: After losing his wife a few years back, Garth Ahlstrom thinks he's ready for a second chance at love. But Juliette Thompson has a secret that could destroy their budding relationship. Can they find the strength, patience, and faith to make things work? The Seventh Sergeant: Life has finally started to settle down for Sergeant Reese Sanders after his devastating injury overseas. Discharged from the Army and now with a good job at Courage Reins, he's finally found happiness—until a horrific fall puts him right back where he was years ago: Injured and depressed. Carly Watters,

Reese's new veteran care coordinator, dislikes small towns almost as much as she loathes cowboys. But she finds herself faced with both when she gets assigned to Reese's case. Do they have the humility and faith to make their relationship more than professional? Eight Second Ride: Ethan Greene loves his work at Three Rivers Ranch, but he can't seem to find the right woman to settle down with. When sassy yet vulnerable Brynn Bowman shows up at the ranch to recruit him back to the rodeo circuit, he takes a different approach with the barrel racing champion. His patience and newfound faith pay off when a friendship—and more—starts with Brynn. But she wants out of the rodeo circuit right when Ethan wants to rejoin. Can they find the path God wants them to take and still stay together? Isaacson artfully combines disparate threads in her contemporary Western Christian romance,

the first in her Three Rivers Ranch series." ~BookLife, Publisher's Weekly Saddle up for tales of love, faith, and family life on the ranch!  Debbie Peck is a conflict resolution mediator fighting for relevance and her next paycheck in Chicago's near future. So when her headhunter offers her an interview at the Jefferson Trellis, she jumps at the chance to climb what remains of America's corporate ladder. The pay would provide upward mobility, the experience would elevate her marketability, and the murders plaguing the office . . . well, they were a risk she could manage given the right opportunity. As Debbie navigates her new position and Homicide Detective Melody Jackson investigates the Trellis' tenants, they each untwine the tendrils of a dark secret creeping through its corner offices. Like the botanical gardens at the Trellis's base, their worlds weave between the lush, the stark, the delicate, and the deadly. Dancing between mystery, suspense, and speculative fiction, THE TRELIS deftly layers a few years of decline on the current American condition. Whether it's the drone swarms, the deepfakes, the halves-of-one-tenth-of-one-percent, or the have-naughts, the technology has predictably improved while the people predictably haven't. Debbie's world is both familiar and fantastic, both funny and frightening, but to call it a dystopia would damn our own to the same definition.

 The murder was ugly. The killer was sure no one saw him. Someone did. In a horrifying vision, Chelsea Adams has relived the victim's last moments. But who will believe her? Certainly not the police, who must rely on hard evidence. Nor her husband, who barely tolerates Chelsea's newfound Christian faith. Besides, he's about to hire the man who Chelsea is certain is the killer to be a vice president in his company. Torn between what she knows and the burden of proof, Chelsea

must follow God's leading and trust him for protection. Meanwhile, the murderer is at liberty. And he's not about to take Chelsea's involvement lying down.

 The Thrills Continue! "It's Blade Gunner Meets The Maltese Falcon." Liquid Cool is the action-packed (and funny), cyberpunk/sci-fi detective series. Nearly 1000 pages includes The Electric Sheep Massacre (Book 4), I, Alien Hunter (Book 5) and A.I. Confidential (Book 6)!! In the sci-fi/cyberpunk detective series, author Austin Dragon shows why you never want to meet a cyborg in a dark alley. There is plenty of gritty action, suspense, thrills, and even a few laughs. It's cyberpunk reimaged—an ever-rainy world of colossal skyscrapers, hovercars, flashy neon streets, and futuristic mechanization. Metropolis isn't a bad place, but it isn't a good one either. Uber-governments and megacorporations fight for control of the fifty-million-plus supercity, but so does crime. We meet Cruz, our private eye (and unlikely hero), in this super-city with a million victims and perpetrators. Watch out for tech-tricksters, analog hustlers, and digital gangsters—psychos, samurais, and cyborgs aplenty. Visitors have a way of becoming permanent attractions.  One of the most revered essayists and novelists of his generation, Frederic Morton has captured with matchless immediacy the glamour of Vienna before World War I and the storied opulence of the Rothschild family in his bestselling and award-winning works. Now, in his first book in more than fifteen years, he delivers a luminous look at his own unique pursuit of the American dream. Like many Austrian boys in 1936, the author idolizes Fritz Austerlitz, the Austrian American who went to Hollywood and emerged as Fred Astaire. When his family is forced to flee Vienna, Fritz Mandelbaum becomes Fred Morton and immigrates to New York City. Though he does not learn English until he is sixteen years old, Morton nonetheless goes on to succeed as a writer. The author sets out ten scenes from his pilgrim life and his remarkable road to success: from watching a poorly dubbed Astaire in Vienna to delivering apricot tarts as a baker's assistant in New York; from Salt

Lake City where as a young English instructor he met Vladimir Nabokov to a Christmas spent with the Rothschilds at Château Mouton. Runaway Waltz is a soulful, beautifully written portrait of one man's extraordinary quest for fulfillment and enduring transformation.

Karl Jommers is a straight-shooting therapist committed to helping blue-collar men overcome their reluctance to seek counseling, a mission instilled in him after the suicide of his steelworker father. After a cop is set up to be shot, Jommers must evaluate the two police officers involved. They both offer conflicting accounts, but neither is lying. Their divergent perspectives are blurred by their personal anxieties and politics. Where one sees acts of local corruption, the other envisions a government conspiracy that includes covert dispersion of anxiogenic chemicals. Jommers methodically tries to disentangle the discordance, but is faced with a quandary. He can't square his patients' differing views without first discerning the truth of what happened. But stepping outside his domain to investigate may jeopardize his faltering practice and possibly his life. As he labors to clear the angst-fogged lenses of others, he is forced to question the clarity of his own perception.

The Gothic Trilogy : Dracula, Frankenstein, Dr. Jekyll and Mr. Hyde (unabridged versions) in one volume ! Three Classic Gothic Novels in One Book only ! 1) Dracula, 2) Frankenstein, 3) Dr. Jekyll and Mr. Hyde --all three classics complete and unabridged versions by Bram Stoker, Mary Shelley and Robert Louis Stevenson. 1) Dracula is an 1897 Gothic horror novel by Irish author Bram Stoker. It introduced the character of Count Dracula, and established many conventions of subsequent vampire fantasy. The novel tells the story of Dracula's attempt to move from Transylvania to England so that he may find new blood and spread the undead curse, and of the battle between Dracula and a small group of men and a woman led by Professor Abraham Van Helsing. Dracula has been assigned to many literary genres including vampire literature, horror fiction, the gothic novel, and invasion literature. The novel has spawned numerous theatrical, film, and television interpretations. 2) Frankenstein; or, The Modern Prometheus is a novel written by English author Mary Shelley (1797-1851) that tells the story of Victor Frankenstein, a young scientist who creates a hideous, sapient creature in an unorthodox scientific experiment. Frankenstein is infused with elements of the Gothic novel and the Romantic movement. At the same time, it is an early example of science fiction. Brian Aldiss has argued that it should be considered the first true science fiction story because, in contrast to previous stories with fantastical elements resembling those of later science fiction, the central character "makes a deliberate decision" and "turns to modern experiments in the laboratory" to achieve fantastic results. It has had a considerable influence in literature and popular culture and spawned a complete genre of horror stories, films and plays. 3) Strange Case of Dr Jekyll and Mr Hyde is a gothic novella by Scottish author Robert Louis Stevenson, first published in 1886. The work is also known as The Strange Case of Dr Jekyll and Mr Hyde, Dr Jekyll and Mr Hyde, or simply Jekyll & Hyde. It is about a London legal practitioner named

Gabriel John Utterson who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the evil Edward Hyde. The novella's impact is such that it has become a part of the language, with the phrase "Jekyll and Hyde" entering the vernacular to refer to people with an unpredictably dual nature: usually very good, but sometimes shockingly evil.

Evil will indeed flourish when good men remain silent, and yet sometimes all that it takes to bring dark practices to light is for a single man to speak out.' This book tells the story of John Anderson, an unassuming and decent living 85 year old retired school teacher who lives outside London. Depressed by years of living in a toxic social environment and under a government whose policies are openly hostile to the elderly, he finally decides to die by euthanasia. Euthanasia clinics claim to offer the sick and elderly a dignified death, free from pain at a time and place of their choosing. But John discovers that beneath the calm and rosy veneer of the clinics there lies a living hell, which he is determined to expose. The scenario portrayed here is surely just a page in mankind's history book away from reality!

Named in USA Today's "5 books not to miss," and New York Post's "The best new books to read" From New York Times bestselling author Eric Jerome Dickey—named one of USA Today's 100 Black Novelists and Fiction Authors You Should Read—comes his final work: an unflinchingly timely novel about history, hearts, and family. It's the summer of 2019, and Professor Pi Suleman is a Black man from Memphis with a lot to endure—not only as a Black man in Trump's America but in his hard-earned career as an adjunct professor. Pi is constantly forced to bite his tongue in the face of one of his tenured colleague's prejudices and microaggressions. At the same time, he's being blackmailed by a powerful professor who threatens to claim he has assaulted her, when in fact the truth is just the opposite, trapping him in a he-said-she-said with a white woman that, in this society, Pi knows he will never win. When he meets Gemma Buckingham, a sophisticated entrepreneur who has just moved to Memphis from London to escape a deep heartbreak, things begin to look up. Though Gemma and Pi hail from separate cultures, their differences fuel a fiery and passionate connection that just may consume them both. But Pi's

whirlwind romance is interrupted when his absentee father, a celebrated writer, passes away and Pi is called to Los Angeles to both collect his inheritance and learn about the man who never acknowledged him. With the complicated legacy of his famous father to make sense of, Gemma's visa expiration date looming, and the threats of his colleague becoming increasingly intense, Pi must figure out who he is and what kind of man he will become in his father's shadow. In *The Son of Mr. Suleman*, Eric Jerome Dickey takes readers on a powerful journey exploring racism, colorism, life as a mixed-race person, sexual assault, microaggressions, truth and lies, cultural differences, politics, family legacies, perceptions, the impact of enslavement and Jim Crow, code-switching, the power of death, and the weight of love. It is an extraordinary story, page-turning and intense, and a book only Dickey could write.

small town life filled with heartwarming scenes, sexy cowboys, and all the feels in the Three Rivers Ranch Romance series by USA Today bestselling author Liz Isaacson! A shy cowboy, a single mother, and their journey out of the friend zone. Tom Lovell, a fifth-generation cowboy raised by a single dad, knows ranching like the back of his hand. At Three Rivers Ranch, he watches his fellow cowboys get married one by one, but he's not sure he's the marrying type. His mother's abandonment when he was a child has left him wary of women and content with his life as a cowboy. Rose Reyes, a single mother to her daughter Mari, who has Autism, has been raising her daughter alone for seven years. Despite Mari's improvements through equine therapy, Rose struggles with loneliness, exhaustion, and the desire for adult companionship—and she's always found a friend in Tom. One day, Tom and Rose find themselves alone in the kitchen, where Rose confesses her feelings of being out of control and her need for a break. Tom, without judgment, offers to help her with her leaking kitchen sink and overgrown lawn. As they spend more time together, Tom realizes that his friendship with Rose could grow into something more—if he can get out of his own way. Tom also must navigate his confusing feelings about where he should be—Three Rivers or back home in Montana?—as his relationship with Rose heats up. And she always has to consider her daughter in every decision she makes. Tom and Rose will need faith, patience, and love to navigate the road out of the friend zone and toward where they're supposed to be without risking Mari's well-being in the process. Can they face the challenges of single parenthood, past traumas, and societal expectations to build a life together? Or will their leap of faith leave them all broken-hearted? Abandonment. Betrayal. Injustice. Two broken hearts given a second chance to mend. Widow Edythe Westin yearns for a peaceful home and independence from her controlling father. The goal seems within reach until her rebellious young son is suspected of arson and assault. With nowhere else to turn, she defies her father and appeals for help from the only man she ever loved—the man who once deserted her when she needed him most. Attorney Barrett Seaton returned to his hometown to make his brother's final days comfortable. Seeing Edy again raises Barrett's guard, especially when she remains under her father's thumb...just like the day she rejected Barrett to marry another man. A second betrayal by her would destroy him as surely as her devious father destroyed his brother by railroading him into prison. To save her son, Edy and Barrett must rekindle the trust lost years earlier. But how? Continue getting to know the young women of the Widow's Might group as they prepare to fall in love again. This is a novel about something we all know, something we carry within us: our inward rage, our lives of fantasy. Not all of us accommodate rage or fantasy in the same way. Most of us--bless us--go about our peaceful business, though our confidential fury may produce fantasies we'd rather not confess. Sometimes some of us translate fantasies to outer life. Most of us do not. Brown, in *KILLING EVERYBODY* (he has no other name we know), carries in his heart a burden of anger so terrible we think that he will burst. In a sense, he does. His rage communicates. His wife, a masseuse (her trade unknown to Brown: he thinks she's in real estate), soothes his rage when she strokes his body, but she knows that her husband will never rest until he has been liberated from his unendurable obsession. It is she who gives his fantasy reality, she who delivers death to his enemy. In this book a diverse company walks the streets of San Francisco: a romantic policeman, a sexually compulsive newspaperman, a businessman who cannot read, a neighborhood temptress, her mother, her children, her dog, a corrupt war-making congressman--and the ghost of the boy the congressman sent to die in war. It is a compelling story significantly familiar to all

of us whose fantasies and outrage are accessible to our consciousness.

Last spring, three girls went missing.

Nothing linked the cases except a frustrating lack of clues or motive. Then, one of them turned up headless in Lake Michigan pumped full of date rape drugs. Detective Cale Van Waring doesn't have proof, but he knows the girls are being abducted. Now, spring has returned, and so has Van Waring's invisible kidnapper. Another girl is missing, but this time Van

Waring finds a spotty trail. With his boss on his back and his girlfriend threatening to leave unless he commits, Van Waring struggles to put the pieces together before another girl ends up missing—or dead.
