**Endless Horizon** University of Texas Press

Answers many questions about the human body.

[100 Irish Tunes for Piano Accordion](#) Routledge

In the earliest years of the 20th century, North American ballroom dancers favored the waltz or the polka. But then a new dance, the tango, broke onto the scene when Vernon and Irene Castle performed it in a Broadway musical. Rudolph Valentino, Arthur Murray, and Xavier Cugat popularized it in the 1920s and 1930s, and thousands of people crowded onto dance floors around the country to hear the music and dance the tango. This work chronicles the history of the tango in the United States, from its antecedents in Argentina, Paris and London to the present day. It covers the dancers, musicians, and composers, and the tango's influence on American music.

*Popular World Music* University of Michigan Press

Allgorical Spanish satire of the laws and customs of 16th and 17th C. Spain, made all the more humorous and ingenious by the illustrations of Ernesto Joan. Brown color type on glossy paper.

*Aussie Jingle Bells* Springer Nature

From its earliest manifestations on the street corners of nineteenth-century Buenos Aires to its ascendancy as a global cultural form, tango has continually exceeded the confines of the dance floor or the music hall. In *Tango Lessons*, scholars from Latin America and the United States explore tango's enduring vitality. The interdisciplinary group of contributors—including specialists in dance, music, anthropology, linguistics, literature, film, and fine art—take up a broad range of topics.

Among these are the productive tensions between tradition and experimentation in tango nuevo, representations of tango in film and contemporary art, and the role of tango in the imagination of Jorge Luis Borges. Taken together, the essays show that tango provides a kaleidoscopic perspective on Argentina's social, cultural, and intellectual history from the late nineteenth to the early twenty-first centuries. Contributors. Esteban Buch, Oscar Conde, Antonio Gómez, Morgan James Luker, Carolyn Merritt, Marilyn G. Miller, Fernando Rosenberg, Alejandro Susti

[25 Piazzolla Tangos for Alto Saxophone and Piano](#) Alfred Music

From Apples in Winter to The Wise Maid, this collection of Irish jigs, reels, and polkas provides beginning to advanced players with a wealth of traditional Irish music for solo keyboard accordion. This collection includes a number of tunes transcribed from recordings of not only the keyboard accordion, but also the Irish button box and concertina. Herein too are many of the author's own arrangements. Some of the stellar players whose work appears here are: Jimmy Keane, Phil Cunningham, Alan Kelly, Joe Burke, Jackie Daly, Tom Doherty, Chris Sherburn, Sharon Shannon, and Tony MacMahon. With a basic guide to fingering and rhythm chord symbols included, this book will allow even the novice accordionist to join in a traditional Irish session. The audio features the author's performance of medleys including 21 of the book's 100 selections. Includes access to online audio

Around 1930, a highly popular and distinctive type of accordion music, commonly known as conjunto, emerged among Texas-Mexicans. Manuel Peña's *The Texas-Mexican Conjunto* is the first comprehensive study of this unique folk style. The author's exhaustive fieldwork and personal interviews with performers, disc jockeys, dance promoters, recording company owners, and conjunto music lovers provide the crucial connection between an analysis of the music itself and the richness of the culture from which it sprang. Using an approach that integrates musicological, historical, and sociological methods of analysis, Peña traces the development of the conjunto from its tentative beginnings to its preeminence as a full-blown style by the early 1960s. Biographical sketches of such

major early performers as Narciso Martínez (El Huracán del Valle), Santiago Jiménez (El Flaco), Pedro Ayala, Valerio Longoria, Tony de la Rosa, and Paulino Bernal, along with detailed transcriptions of representative compositions, illustrate the various phases of conjunto evolution. Peña also probes the vital connection between conjunto's emergence as a powerful symbolic expression and the transformation of Texas-Mexican society from a pre-industrial folk group to a community with increasingly divergent socioeconomic classes and ideologies. Of concern throughout the study is the interplay between ethnicity, class, and culture, and Peña's use of methods and theories from a variety of scholarly disciplines enables him to tell the story of conjunto in a manner both engaging and enlightening. This important study will be of interest to all students of Mexican American culture, ethnomusicology, and folklore.

*Tracing Tangueros* Scarecrow Press

The various activities and celebrations of the Mexican holiday that honors people who have died are introduced in this simple, festive beginning reader. The history of the holiday, as well as the traditions are also explained.

Exploring Popular World Music is the first introductory level text written to introduce students to popular music styles from around the world. Focusing on styles that all students will know -- from Reggae to Klezmer, from Afro-Pop to Kodo drums--the book offers a comprehensive, listening-oriented introduction to the world's popular musical cultures. Each chapter will focus on a specific music style and its associated geographic locale. The salient musical and cultural features associated with each example are discussed in detail to increase our appreciation of the music. Relevant artists will be highlighted and suggestions for further reading and listening will be offered. By the end of the book, the student should be able to 1) recognize a variety of world music styles, 2) articulate musical and cultural knowledge associated with each style, and 3) identify important artists related to the genre. Supplementing the text will be a web site created by the author) featuring the author's world music map, enabling students to explore pop music cultures as they relate to each other; as well as an iTunes playlist for all the highlighted selections in the book. This book should strongly appeal to Intro to World Music Courses for non-majors who wish to study popular rather than traditional musics of the world, which would encompass a large majority of students enrolled in these courses.

**El Diablo Cojuelo** Oxford University Press

(Boosey & Hawkes Chamber Music). 25 tangos by the revolutionary tango musician and composer Astor Piazzolla, arranged for alto saxophone and piano. These crowd-pleasing tangos borrow from classical, jazz, and Latin traditions. Includes Piazzolla's most famous tangos "Libertango" and "Oblivion." The My Itty-Bitty Bio series are biographies for the earliest readers. This book examines the life of Walt Disney in a simple, age-appropriate way that will help children develop word recognition and reading skills. Includes a timeline and other informative backmatter.

*A Thesaurus of English Word Roots* Boosey & Hawkes Incorporated

Dive into this playful poem about the draw of the shore and the effect the ocean has on all five senses. Relive a day at the beach with this lovely book of memories. You can almost feel the salt spray on your face and smell the musky scent of ocean in the cool morning air. Remember how the sand squishes between your toes as the tide rushes to shore and taste the tang of the ocean on your lips. Spirited language evokes a sense of closeness and nostalgia for an old friend. The inspiration of the ocean will make learning the five senses as easy as a day at the beach. Crisp, realistic illustrations fill the pages with the rush of surf and the warmth of sun-baked sand. The sights and smells and sensations of the sea become vividly clear in these beautifully rendered paintings.

'Here you'll find some of the most memorable comics by cartoonists from Australia and New Zealand - from the haunting hallucinations of Jo Waite to the methodical precision of Bruce Mutard. There's humour, joy, pain, pleasure and queasy recognition to be found here. Stories of sadness and loss, domestic familiarity, youthful passion, perversity and lust. Because Tango is, after all, a romance comic. Love, like food, can deliver nausea or bliss in equal portions. And isn't that what life is all about?' Dylan Horrocks The Tango Collection is the perfect introduction for anyone curious about this exciting and versatile storytelling medium.
