Silas Marner: The
Weaver of Raveloe is
the third novel by Mary
Ann Evans. It was
published in 1861. An

notable for its strong
realism and its

sophisticated
treatment of a variety
of issues ranging from
religion to
industrialisation to
community.

Where do those
relegated to the
margins find
belonging?In her
luminous debut
Unbelonging, Gayatri
Sethi deftly
interweaves verse,
memoir, and a bold call
to action as she
recounts her

experience searching for home in the diaspora. Drawing upon her life story as a Tanzanian-born-Punjabi turned American educator and mother of multiracial children, Sethi tells an intimate tale of stepping into her power while confronting misogyny, racism, and empire. Spanning decades and continents- from Partition to the Black Lives Matter movement, Southern Africa to Muscogee Lands- *Unbelonging* tells urgent truths, inspires critical self-reflection, and emboldens its readers to pursue radical forms of justice, compassion, and solidarity.

She thought, brightly,
This is the worst life

decision I have ever made! And she marvelled at herself for a while, at the mystery of this person who'd just done this bizarre, inexplicable thing.

Margot meets Robert. They exchange numbers. They text, flirt and eventually have sex - the type of sex you attempt to forget. How could one date go so wrong? Everything that takes place in *Cat Person* happens to countless people every day. But *Cat Person* is not an everyday story. In less than a week, Kristen Roupenian's *New Yorker* debut became the most read and shared short story in their website's history. This is the bad date that went viral. This is the conversation we're all having. This gift edition contains

photographs by celebrated photographer Elinor Carucci, who was commissioned by the New Yorker to capture the image that accompanied Kristen Roupenian's Cat Person when it appeared in the magazine. You Know You Want This, Kristen Roupenian's debut collection, will be published in February 2019.

Mean Girls Quercus Krishna is utterly incomparable, he is so unique. Firstly, his uniqueness lies in the fact that although Krishna happened in the ancient past he belongs to the future, is really of the future. Man has yet to grow to that height where he can be a contemporary of Krishna's. He is still beyond man's

understanding; he continues to puzzle and battle us. Only in some future time will we be able to understand him and appreciate his virtues. And there are good reasons for it.

DIANE Publishing Is a text the same as a hug? Can trolling be a full-time career? Is FOMO turning out to be a real psychological threat? Indian millennials have not only embraced the virtual space and all its extensions but are also living the fake reality. We now have the ability to reinvent ourselves online and keep our digital ego on fleek—flirting, preening, posting and filtering our way to a perfect profile. Social media has led to

trading our offline family for virtual ones, relationships for app-based affairs and birthday greetings for emojis. This constant interaction with the screen is taking a massive toll on our daily lives. Young adults are risking their lives for the perfect selfie; troll wars and cyber stalkers are driving people to depression; cyber porn, for small-town religious teens, is dangerously becoming an addiction. So where do we draw the line? How much is too much? Are parental controls and restrictions effective? In this book, the author, through a series of real conversations, breaks down the digital revolution of India and seeks to understand why we've turned into

a society of hashtags, tweets, shares and likes. Indian-ish Look Up Hard-headed evidence on why the returns from investing in girls are so high that no nation or family can afford not to educate their girls. Gene Sperling, author of the seminal 2004 report published by the Council on Foreign Relations, and Rebecca Winthrop, director of the Center for Universal Education, have written this definitive book on the importance of girls' education. As Malala Yousafzai expresses in her foreword, the idea that any child could be denied an education due to poverty, custom, the law, or terrorist threats is just wrong and unimaginable. More

than 1,000 studies have provided evidence that high-quality girls' education around the world leads to wide-ranging returns: Better outcomes in economic areas of growth and incomes Reduced rates of infant and maternal mortality Reduced rates of child marriage Reduced rates of the incidence of HIV/AIDS and malaria Increased agricultural productivity Increased resilience to natural disasters Women's empowerment What Works in Girls' Education is a compelling work for both concerned global citizens, and any academic, expert, nongovernmental organization (NGO) staff member, policymaker, or journalist seeking to

dive into the evidence and policies on girls' education.

many-splendored thing. It is a listicle. It is a celebration of the power of storytelling. It is also an account of a life lived in the Bollywood trenches. National Award-winning author, journalist and film critic Anupama Chopra writes about fifty films, artistes and events that have left an indelible impression on her and shaped her twenty-five-year-long career. Shah Rukh Khan is here. So are Super Deluxe and the Cannes Film Festival. A Place in My Heart is a blend of recommendations and remembrances, nostalgia and narratives. It is a smorgasbord of cinematic delights, written, as Marie Kondo would say, to 'spark joy.' Above all, it is a

testament to Chopra's enduring love for all things cinema.

"Nisha Sharma's Dating Dr. Dil is what would happen if you put all my favorite romantic comedy tropes into a blender: a frothy, snarky, hilarious treat with a gooey, heartwarming center. The perfect addition to any rom-com lover's shelf." —Emily Henry, #1 New York Times bestselling author of *People We Meet on Vacation* Nisha Sharma's new romantic comedy features enemies to lovers, a cast of best friends, and a gaggle of aunties determined to make a match. Hi! I'm Kareena

Mann. As cheesy as it sounds, I'm looking for my soulmate. In four months. And he must gain the approval of my meddling aunties. Kareena dreams of having a perfect love story like her parents did. That's why on the morning of her thirtieth birthday, she's decided to suit up and enter the dating arena. When her widowed father announces he's retiring and selling their home after her sister's engagement party, Kareena makes a deal with him. If she can find her soulmate by the date of the party, he'll gift her the house, and she'll be able to keep her mother's legacy alive. Hi, I'm Dr. Prem Verma, host of the Dr. Dil Show. Prem means love, Dil means heart, and I'm a cardiologist. Don't let

my name fool you. I only fix broken hearts in the literal sense. Prem doesn't have time for romance, which is why it's no surprise when his first meeting with Kareena goes awry. Their second encounter is worse when their on-air debate about love goes viral. Now Prem's largest community center donor is backing out because Prem's reputation as a heart-health expert is at risk. To get back in his donor's good graces, he needs to fix his image fast, and dating Kareena is his only option. Where women are created for the pleasure of men, beauty is the first duty of every girl. In Louise O'Neill's world of *Only Every Yours* women are no longer born naturally, girls (called "eves") are raised in Schools and trained in the arts of pleasing men until they come of age. Freida and Isabel are best friends. Now, aged sixteen and in their final year, they expect to be selected as companions--wives to powerful men. All they have to do is ensure they stay in the top ten beautiful girls in their year. The alternatives--life as a

concubine, or a chastity (teaching endless generations of girls)--are too horrible to contemplate. But as the intensity of final year takes hold, the pressure to be perfect mounts. Isabel starts to self-destruct, putting her beauty--her only asset--in peril. And then into this sealed female environment, the boys arrive, eager to choose a bride. Freida must fight for her future--even if it means betraying the only friend, the only love, she has ever known.

The 1962 blockbuster that took on "one of the most absurd (if universal) myths of our time: that every girl must be married" (The New York Times).

Helen Gurley Brown, the iconic editor in chief of *Cosmopolitan* for thirty-two years, is considered one of the most influential figures of Second Wave feminism. Her first book sold millions of copies, became a cultural phenomenon, and ushered in a whole new way of thinking about work, men, and life. Feisty, fun, and totally frank, *Sex and*

the Single Girl offers advice to unmarried women that is as relevant today as it was when it burst onto the scene in the 1960s. This spirited manifesto puts women—and what they want—first. It captures the exuberance, optimism, and independence that have influenced the lives of so many contemporary American women.
