BEST JESSIE

[The Project Skyfire Cloud-seeding Generator](#) Open Road Media

On the brink of a world war and nuclear crisis, Jack Singe must accept his calling. The catastrophic goal of the Federation seems inevitable as they become the largest empire in history. Jack's life is broken, but he must save the world before it is shattered as well. Chances of success of slim, and fighting seems futile, but Jack controls the greatest weapon in the world.

Join Jack as he embarks on a journey to find his family, forge friendships, and create waves of change in the dark, murky waters of humanity.

Skyfire Jumpstart request for Mondadori Libri Electa Trade

BLAZE & SKYFIRE is the second book in the fantasy series: THE ROOT OF GLORY. The tale describes "a longing burned into human hearts, and a struggle for the only power that can satisfy that longing." In Book Two, readers behold the champion. Blaze, son of Horse Stalker, has come to take up the lost Root of Glory, and with it lead his desert kinsmen to a new home in

the Green Lands. Long ago their ancestors stole the awesome Root and by its light were pierced with a deep longing that has been passed to each new generation. The mortals need a champion. But Blaze is a healer, not a fighter, a man of royal lineage who refuses to shed blood and who falls ill while tending the wounded. The fierce, ageless rebels who oppose Blaze believe he's too weak to withstand a blow from the Root, if only they can find it first. Opposed by rebels and kinsmen alike, Blaze gathers his followers from among the Seven Clans. And his mother, the Great King's daughter Healdin, makes

ready a fiery sacrifice on behalf of her son and the ones he loves.

Your perception of natural law, the concept of infinity, and the fragility of the psyche are all intertwined. An unexplained atmospheric phenomenon is over Lower Manhattan. Mysterious behavior begins presenting itself in a large majority of the population. A psychedelic experience in Afghanistan causes Jack Rugerman to question everything around him. He has trouble reconciling his current path in life with his innate desire to act toward the benefit of humanity. Everything is different now. Everyone around him is simply ignorant to the truth. But what is this slippery truth, specifically? How does one utilize this new tenuous knowledge towards deliberate and measurable action? Military veteran and booze enthusiast Trent Hughes sets out from his home just outside of New York City to find his missing wife, Emma. Can he hold it together to achieve his goal or will he succumb to the worst aspects of his nature and fail everyone he's ever loved? A young girl named Jessica with a unique way to perceive her environment leaves home

with her mother to run away towards western New Jersey. They are halted in their tracks. Exotic dancer Callie Kennedy wakes up alone in an unfamiliar setting amidst the chaos and tries to make sense of everything. She cannot piece together the last 48 hours of her life. Everyone is pushed to their psychological limit by the relentless persistence of haunted pasts that do not cease to fade into the annals of time. What, or who, is causing all of this? Something manmade? Something extraterrestrial? Something supernatural? Doug Vossen's SKYFIRE takes you on a journey that questions everything. How you look at your environment and perceive what is possible permeates multiple unseen layers that impact everything.

Skyfire Five Elements Press

And thou shalt see the crimson blade
In every restful, shaded glade
Where thou wouldst dare to lay thy head
And make thy soft and slumbering bed.
Confess thy sins and thou shalt rest
Thy spirits locked within this keep.
The fledgling United States is pushing westward, into the midwest.
There's wealth and opportunity there if you're willing to work for it. But not all rebirths are monetary. Some are about

reconciliation, and about laying to rest the old ghosts of the recent past. Seamus O'Flairty's ghosts chased him away from Athlone, the small village in Ireland where he farmed potatoes with his aging father, and into the New World. But while the Americans shelter him from the long reach of British law, they can't do the same for the specters in his dreams, or the fiancée he couldn't save. Alfred Simpson's rebirth begins with the bear that almost killed him. In the roundabout way of new beginnings, it does. Alfred Simpson is healed and renamed by a Blackfoot holy man, re-entering life as Bear-Claw - a strong man, a scarred man, a man who discovers power in violence. And yet the sky in bright red flame
To the West where the sun has long since gone
The sun now rises to the East
What spark it left to oppose the dawn.

The Wingman Adventures Volume

Three Five Elements Press

An old lady dreams about a Zeppelin being shot down over her childhood village during World War I. Her grandnephew tells her about a young woman friend of his who was raped and murdered. She talks to her cocker spaniel about it, to her

grandfather clock and to her potted aspidistra, but she can only come to one conclusion. Her grandnephew is in the most terrible danger.

Skyfire National Geographic Books

What if you achieve everything you've dreamed of - and it turns into a nightmare? Danika and her crew of refugees finally reach the Magnetic Valley. Will it be the safe refuge and land of freedom they had imagined? When a runaway girl is shot down before their eyes, Danika and her friends realise that this new land is no paradise. They must try to fit in at all costs - even if revealing their secrets will mean a death sentence. The conclusion to the Chasing the Valley trilogy will reveal explosive surprises and terrifying new dangers.

How Niels and Festie Faced the Skyfire Llewellyn Worldwide

Unprepared for her power and her attraction to Rune, her Eternal protector and destined mate, witch Teresa Santiago must save the world from the forces of darkness while saving them both from being imprisoned by the government.

Project Skyfire Progress Report, 1958-1960
Llewellyn Worldwide

When he sees a rainbow for the first time, Bear thinks that the sky is on fire and he is determined to put out the skyfire.

The Chronicles of Skyfire Skyfire

The threat of nuclear war keeps Hawk Hunter in the cockpit—from the author who delivers “desperate, raw, 200-proof action” (Stephen Coonts). In the chaos that followed the end of World War III, Major Hawk Hunter took refuge in the arms of a woman named Dominique. As he waged war against the Soviets, fighting to restore the United States, the nation’s greatest fighter pilot and the woman he loved became the most famous couple of the Free World. But Hunter’s campaign soon tore them apart, and he was forced to send her to Canada, where his enemies claimed Dominique as their own. Drugged, tortured, and imprisoned, she waits helplessly—praying for his return. After leading a daring raid to rescue his beloved, Hunter announces his retirement, declaring that only a nuclear threat could get him back into the cockpit. But such a threat is coming—in the sleek black nuclear submarines now steaming toward the eastern seaboard, whose warheads threaten everything Hunter has fought to

rebuild. Skyfire is the eighth book of the Wingman series, which also includes Wingman and The Circle War.

Skyfire Dreamslinger Fantasy Adventure Series

View our feature on Regan Hastings’s Visions of Skyfire. Teresa Santiago has awakened her abilities to summon lightning but is unable to control her power-or her attraction to Rune, her Eternal protector and destined partner. Now, Teresa and Rune must locate a missing artifact of unimaginable power before it unleashes the forces of darkness on the world. But with enemies both mortal and magical on their trail, Teresa and Rune discover that only through sacrifice will love conquer all...

Visions of Skyfire Pan Macmillan

Hawk Hunter is back—in the bestselling military adventure series by “the best high-action thriller writer out there today, bar none” (Jon Land). With nearly a quarter of million copies sold, this high-octane series features Hawk Hunter, a fearless fighter pilot who saves the not-so-distant-future United States from the brink of all-out anarchy. Skyfire: In the chaos that followed the end of World War III, Maj.

Hawk Hunter took refuge in the arms of a woman named Dominique. But Hunter's campaign soon tore them apart, and he was forced to send her to Canada, where his enemies claimed Dominique as their own. Drugged, tortured, and imprisoned, she waits helplessly—praying for his return. But while Hunter embarks on a daring raid to rescue his beloved, another threat is coming—in the sleek black nuclear submarines now steaming toward the eastern seaboard, whose warheads threaten everything Hunter is fighting to rebuild. Return from the Inferno: Just as America is beginning to recover from nuclear war, her enemies attack again. As ace pilot Hawk Hunter battles the horde of Nordic mercenaries who have ravaged the East Coast, another army lands in California: the combined forces of the dictatorships of East Asia. The Second Axis is here. Hunter leads the charge, flying his famous red, white, and blue F-16 into the invasion's maw. But this is the first time the Wingman does not come out the other side. Their champion gone, America's soldiers carry on, engaging in guerilla warfare to protect the country's interior, keeping hope alive that Hunter is out there

somewhere, planning a counterattack. War of the Sun: An army of cultish mercenaries from East Asia has seized the West Coast, conquering territory as far east as the Rocky Mountains—all in the name of Hashi Pushi, a Japanese despot revered as a god. With the support of two submarines patrolling the Pacific, each armed with a nuclear warhead, the invaders have promised that any counterattack will result in the annihilation of two American cities—a price the battle-scarred populace is not prepared to pay. Onboard the carrier Enterprise, Hunter prepares to strike. His target is not the submarines, but Tokyo itself, where his fellow pilots will attack this warrior cult from the top down. The Ghost War: A pilot patrolling the South Pacific discovers Xmas Island is nothing more than a blackened hole in the ground. The carnage was wreaked by a battleship armed with an array of sixteen-inch cannons that, in a matter of minutes, could obliterate any city on earth. As far as Maj. Hawk Hunter is concerned, that constitutes a direct threat to the West Coast—a threat he must neutralize personally.

Skyfire Penguin

Enter the DARE awards ... make your dreams come true! The seven winners of the inaugural DARE awards are thrust together on a life-changing journey, to cross seven continents in seven days. But on the eve of their adventure, they receive The First Sign. Before they can solve the puzzle of the mysterious symbols, a deadly attack throws one of them into a terrifying fight for life. Soon, all seven are battling an epic seven-day countdown to destruction. Can they stand together and solve The Seven Signs before their time is up? Seven teenagers. Seven signs. Seven days to save the world!

Skyfire Aladdin Paperbacks

Blast off for Courage! While exploring a forested park, lightning almost zaps Niels - - but a mysterious Something saves him. That Something turns out to be Festie, a legendary bird who ran away from home in search of her courage. In gratitude for saving his life, Niels decides to help Festie become as brave as he believes her to be. It's a task that will take them to the ends of the earth and beyond. From the Sahara desert to Antarctic wastes to a hidden city on the moon, Niels' and Festie's quest is to find Courage. But along the way, they also

discover what it means to become true friends. Whimsical, funny, and lyrical, How Niels and Festie Faced the Skyfire echoes classics like *The Lion, the Witch, and the Wardrobe* and *The Wind in the Willows* while also appealing to fans of J.K. Rowling and Roald Dahl.

Cascade Adventures IV CreateSpace

When an important space mission is sabotaged at Cape Canaveral, the Hardy boys are called in to investigate.

Skyfire Simon & Schuster/Paula Wiseman Books

As the SkyFire event begins, people everywhere stop to ponder the sky which is ablaze with a swirling display of light, color and motion. The small craft responsible for the disturbance is secretly retrieved by NASA and brought to the White Sands military base in New Mexico. Two television news personalities are given the inside track to monitor the story of the first official alien (T-1 for Traveler 1), to ever arrive on planet earth. The opportunity in what should be the greatest discovery of the millennium disappears as the military begins to view T-1 as an advanced scout for the imagined coming "invasion." While the military focuses on

this celestial attack, terrorist forces on earth are implementing their own real attack on America and western civilization. T-1 is rescued from the escalating military "dissect him" mentality by the reporters and a small group who believe T-1 is not the invasion scout the military fears. The terrorist plot, and the fate of two distant worlds become inexorably tied together. SkyFire was written specifically for and designed to provide today's avid fiction reader with a gripping tale that brings science fiction and Christian prophecy together. It is a refreshing positive alternative to the ever-increasing barrage of often negative alien literary choices. SkyFire is an easy read for all ages, holds the reader's attention and moves quickly to its dramatic conclusion. A common impression by people who have read it is, "This is like watching a movie "

Song of the Summer King Simon and Schuster

Four incredibly powerful Dreamslinger stones have revealed themselves to the world. The struggle to control them continues... After Alex McCray and his friends escape the chaotic events brought on by billionaire Rupert Kline, the team retreats to San Diego where Alex is forced to reveal a dark secret from his past. But he soon discovers he isn't the only one with a secret, when an obsessed archeologist discovers a Dreamslinger stone in South America that grants him phenomenal powers. Alex, Emily, Scott, and Christina must band together and confront their past to save the world's future. If you like exciting adventures and mind-bending storytelling, you'll love R.J. Johnson's highly anticipated sequel to Dreamslinger.

Skyfire Open Road Media

Shard is a gryphon in exile from the pride of the Silver Isles. After learning of the injustices wrought by the Red King he once served loyally, Shard now seeks to fulfill the promise of the legendary Summer King, who is destined to bring peace and balance when he appears. Shard's quest will take him across the sea to the homeland of the gryphons who conquered the Silver Isles, into a web of new allies and new enemies, winged and wingless alike. There he will learn of the fierce enmity that drove the Red King and his pride from their homeland, and the

deadly grudge stretching back two generations that, if left unfinished, could destroy them all.

Skyfire Hamlyn

Marco Baumgartner, nome in codice: B51444, è un ex agente del controterrorismo che ha cambiato connotati, lavoro e identità. Oggi nasconde il suo passato dietro l'identità di Bstaaard, uno degli youtuber italiani più conosciuti. Sembra aver cambiato totalmente vita. Almeno finché una sua vecchia conoscenza gli offre di lavorare per la Gta, un'agenzia privata che offre servizi "particolari" in giro per il mondo.
