RHETT CANTRELL

Provincetown Createspace Independent Publishing Platform

The author of Legends & Lore of Cape Cod delves deeper into the colorful local history of Massachusetts's quaint seaside region. Cape Cod may be a popular tourist destination, but it has a strange and distinctive history. The Pukwudgies were two- to three-foot beings with smooth gray skin, hairy faces and horns. These shape-shifting, mischievous "little people" are connected to Wampanoag Indian mythology. Edward Rowe Snow, a New England historian who was also known as "the Flying Santa," delivered Christmas presents to lighthouse keepers and their families. Jeremiah's Gutter was a canal in Orleans and the first Cape Cod Canal. Join author Robin Smith-Johnson as she uncovers the secrets behind many unique places, remarkable events and fascinating people. Includes photos!

[Cape Encounters](#) Castle Books

Featuring nearly 50 paranormal events throughout the region, this book has the power to make even the most skeptical among us vulnerable to visits by uninvited guests. Best read by a crackling fire in a house that creaks on a howling snowy night, this collection explores Cape Cod and the Islands that were thought to no longer exist.

Swamp Tales Asey Mayo Cape Cod Mysteries

The singer/songwriter displays his gift for creating witty, laid-back Southern stories in a collection of bizarre tales and thoughtful essays.

Finding List of Books & Pamphlets: Embracing belles-lettres (poetry, drama, romance, literary history and criticism, essays, oratory, humor, satire, etc.) together with language, bibliography and general reference books Arcadia Publishing

The definitive biography of Edward Gorey, the eccentric master of macabre nonsense. 'A genius book about a bookish genius' Daniel Handler, author of A Series of Unfortunate Events

Blackbird House Penguin

From Bill Russo, the author of The Creature From the Bridgewater Triangle, comes new tales from

the 200 square mile area that is sometimes called 'America's Bermuda Triangle'. This time the stories are fiction - and yet these yarns come from a place where 'real' and 'unreal' collide and exist in an uneasy truce in the same space. Four young friends gather at a summer camp near the eerie Hockomock Swamp. They spin a few campfire yarns. The oldest of the group tells a story that could be called The Cold, Clammy Touch of Death. His narrative is derided by his companions so he offers them a far darker scenario when he relates the bizarre life of Jimmy Catfish of the devilish body of disparate waters called Codfresh Lake. As the last hushed words of the story fade away, more firewood is piled on the campfire and an unforeseen event ratchets the mood of the friends from jocular to tense as they contemplate a new horror - a reanimated warrior from a hundred years ago who wears a string of scalps around his neck and head - some of which are fresh with blood from the newly dead.

[Nantucket](#) Crown

Presents a series of interlinking stories that capture the lives and fortunes of the various occupants of an old Massachusetts house over the course of two centuries.

Tales of Old Harbor Chronicle Books

Alice Hoffman, the bestselling author of *The Rules of Magic*, asks how we can find the courage to face the unthinkable in this compelling New York Times Notable Book. When Ethan Ford fails to show up for work on a brilliant summer morning, none of his neighbors would guess that for more than thirteen years, he has been running from his past. His true nature has been locked away, as hidden as his real identity. But sometimes locks spring open, and the devastating truths of Ethan Ford's history shatter the small-town peace of Monroe, affecting family and friends alike. Now, the police are at the door. Ethan Ford's life as an irreproachable family man and heroic volunteer fireman has come to an end—and Jorie Ford's life is coming apart. Some of the residents of Monroe are rallying behind Ethan. But others, including his wife and son, and wondering what remains true when so much is shown to be false—and how capable we really are of change.

Tales of the New England Coast Arcadia Publishing

From the #1 New York Times bestselling author of *That Summer* comes another “fun, feisty” (The Washington Post) novel of family, secrets, and the ties that bind. When her twenty-two-year-old stepdaughter announces her engagement to her pandemic boyfriend, Sarah Danhauser is shocked. But the wheels are in motion. Headstrong Ruby has already set a date (just three months away!) and spoken to her beloved safta, Sarah’s mother Veronica, about having the wedding at the family’s beach house in Cape Cod. Sarah might be worried, but Veronica is thrilled to be bringing the family together one last time before putting the big house on the market. But the road to a wedding day usually comes with a few bumps. Ruby has always known exactly what she wants, but as the wedding date approaches, she finds herself grappling with the wounds left by the mother who walked out when she was a baby. Veronica ends up facing unexpected news, thanks to her meddling sister, and must revisit the choices she made long ago, when she was a bestselling novelist with a different life. Sarah’s twin brother, Sam, is recovering from a terrible loss, and confronting big questions about who he is—questions he hopes to resolve during his stay on the Cape. Sarah’s husband, Eli, who’s been inexplicably distant during the pandemic, confronts the consequences of a long ago lapse from his typical good-guy behavior. And Sarah, frustrated by her husband, concerned about her stepdaughter, and worn out by the challenges of the quarantine, faces the alluring reappearance of someone from her past and a life that could have been. When the wedding day arrives, lovers are revealed as their true selves, misunderstandings take on a life of their own, and secrets come to light. There are confrontations and revelations that will touch each member of the extended family, ensuring that nothing will ever be the same. From “the undisputed boss of the beach read” (The New York Times), *The Summer Place* is a testament to family in all its messy glory; a story about what we sacrifice and how we forgive. Enthralling, witty, big-hearted, and sharply observed, “this first-rate page-turner” (Publishers Weekly) is Jennifer Weiner’s love letter to the Outer Cape and the power of home, the way our lives are enriched by the people we call family, and the endless ways love can surprise us.

Wellfleet Tales Akashic Books

The Hazel Wood meets *The Astonishing Color of After* in this dreamy, atmospheric novel that follows sixteen-year-old Eli as she tries to remember what truly happened the night her mother disappeared off a frozen fjord in Norway under the Northern Lights. Never whistle at the Northern Lights, the legend goes, or they'll sweep down from the sky and carry you away. Sixteen-year-old Eline Davis knows it's true. She was there ten years ago, on a frozen fjord in Svalbard, Norway, the night her mother whistled at the lights and then vanished. Now, Eli lives an ordinary life with her dad on Cape Cod. But when the Northern Lights are visible over the Cape for just one night, she can't resist the possibility of seeing her mother again. So she whistles--and it works. Her mother appears, with snowy hair, frosty fingertips and a hazy story of where she's been all these years. And she doesn't return alone. Along with Eli's mother's reappearance come strange, impossible things. Narwhals swimming in Cape Cod Bay, meteorites landing in Eli's yard, and three shadowy princesses with ominous messages. It's all too much, too fast, and Eli pushes her mother away. She disappears again--but this time, she leaves behind a note that will send Eli on a journey across continents, to the northern tip of the world: Find me where I left you.

Blue Diary HarperCollins UK

Fairy tales for our times from the Pulitzer Prize-winning author of *The Hours* A poisoned apple and a monkey's paw with the power to change fate; a girl whose extraordinarily long hair causes catastrophe; a man with one human arm and one swan's wing; and a house deep in the forest, constructed of gumdrops and gingerbread, vanilla frosting and boiled sugar. In *A Wild Swan* and *Other Tales*, the people and the talismans of lands far, far away—the mythic figures of our childhoods and the source of so much of our wonder—are transformed by Michael Cunningham into stories of sublime revelation. Here are the moments that our fairy tales forgot or deliberately concealed: the years after a spell is broken, the rapturous instant of a miracle unexpectedly realized, or the fate of a prince only half cured of a curse. The Beast stands ahead of you in line at the convenience store, buying smokes and a Slim Jim, his devouring smile aimed at the cashier. A malformed little man with a knack for minor acts of wizardry goes to disastrous lengths to procure a child. A loutish and lazy Jack prefers living in his mother's basement to getting a job, until the day he trades a cow for a handful of magic beans. Reimagined by one of the most gifted storytellers of his generation, and exquisitely illustrated by Yuko Shimizu, rarely have our bedtime stories been this dark, this perverse, or this true.

The Enduring Shore Houghton Mifflin Harcourt

Gives voice to the many divergent--and equally passionate--points of view that surround ghosts. After a decade of research, the authors have produced a work of surprising substance and depth. Enter Cape Cod's historic, soulful homes--such as the nationally-renowned cover image of Wendell Minor--and discover a world in which the past is very much alive. Original.

Shipwrecks of Cape Cod: Stories of Tragedy and Triumph Algonquin Young Readers

From the drifting sand dunes and quaint shops of Provincetown to Nantucket's whitewashed verandas and craggy beaches, *Cape Cod Stories* evokes all the rustic beauty and history of this picturesque area in the words of America's best writers. With a striking new cover, this popular anthology is the next best thing to a summer on the Cape.

Cape Cod Jazz: From Colombo to The Columns Createspace Independent Publishing Platform

A collection of family stories of Depression Era Cape Cod.

Cape Cod Artmedia (Acc)

- Nantucket style features a high-end island lure and many design creations, and this book's major appeals are for those who love home, fashion, luxury, sailing, surfing, and designer photography- This stunning book features gorgeous photographic portraits and environmental shots of islanders in their homes and leisure pursuits, as well as illustrations of elements that shape signature Nantucket aesthetics. The visuals are complimented with essays on the island customs, activities, and history that helped shape this island's unique culture- Co-authors Liza Gershman and Carrie Culpepper have stepped into the lives of the island's characters, with interviews with various inhabitants, including prominent personalities, such as writer, actor, and creator of TV show *Odd Mom Out* Jill Kargman, and best-selling novelist Elin Hilderbrand, as well as lifelong residents, descendants of members of families who have been on the island dating back to its Quaker settlement in 1660, and many more- The authors have been long-time visitors of Nantucket. Liza lived there full-time for a year and has been an active member across the island in many projects and groups, so her intimacy with the island and its people is unique. And in the course of researching for various articles about the island, Carrie has gotten to know many stylish and influential islanders"NOBODY ACCIDENTALLY HAPPENS UPON NANTUCKET." *Nantucket Summer: Classic American style* 30 miles out to sea explores how the island's classic New England nautical style is shaped by its rugged landscape, as well as the sport, art, and lifestyle of its influential and everyday inhabitants. The island's tight-knit community of achievers, dreamers, and dropouts has created an enviable aesthetic that's affected in equal measure by the people, its historic gray-shingle homes and the 14-mile-long island itself, it's wind, sea, and wild landscape. This stunningly photographed book will feature portraits and environmental shots of summer residents and islanders in their homes and leisure pursuits across the island, as well as watercolor illustrations of elements that shape their Nantucket style.

Born to Be Posthumous: The Eccentric Life and Mysterious Genius of Edward Gorey Simon and

Schuster

Rick grew up in the village of Wellfleet, Cape Cod, Massachusetts (1952-1972) in a simpler time and place. With affection and humor, these short stories tell the tale of a tight knit community, a tiny high school and its teachers, generous community volunteers and quirky town characters. It is set in Wellfleet, but it could be any small town in the fifties and sixties in the "good old days."

The Cape Cod Companion Henry Holt and Company

"From the Barnstable sea captain who kept Siamese twins in his woodshed and the Sandwich man who taught dancing to King George V and Queen Mary of England, to the well-heeled Falmouth family that made a practice of weighing their guests before feeding them, Cape Cod, as you will find, is a never ending source of strange and unusual tales." -- P. [4] of cover.

The Asey Mayo Trio Penguin

Deep beneath the waves, a great enemy awakens . . . Corinne LaMer defeated the wicked jumbie Severine months ago, but things haven't exactly gone back to normal in her Caribbean island home. Everyone knows Corinne is half-jumbie, and many of her neighbors treat her with mistrust. When local children begin to go missing, snatched from the beach and vanishing into wells, suspicious eyes turn to Corinne. To rescue the missing children and clear her own name, Corinne goes deep into the ocean to find Mama D'Leau, the dangerous jumbie who rules the sea. But Mama D'Leau's help comes with a price. Corinne and her friends Dru, Bouki, and Malik must travel with mermaids across the ocean to fetch a powerful object for Mama D'Leau. The only thing more perilous than Corinne's adventures across the sea is the jumbie that waits for her back home. With action-packed storytelling and inventive twists on Caribbean and West African mythology and fairy tales, *Rise of the Jumbies* is a breathlessly exciting tale of courage and friendship. An NPR Best Book of 2017 A Kirkus Reviews Best Book of 2017 A School Library Journal Best Book of 2017 [The Nurse](#) National Geographic Books

From the wreck of the Sparrow-Hawk in 1626 to the grounding of the Eldia in 1984, Cape Cod's outer beach--often referred to as the "Graveyard of Ships"--saw the demise of more than three thousand vessels along forty miles of shifting shoals. The October Gale of 1841 claimed the lives of fifty-seven sailors from Truro, a devastating toll for a small seaside community. Survivors from the 1896 wreck of the Monte Tabor in Provincetown were arrested for a suspected mutiny. Aboard the *Castagna*, which stranded off Wellfleet in 1914, several sailors froze to death in the masts, while the crew's cat survived. Local author Don Wilding revisits these and many other maritime disasters, along with the heroic, and sometimes tragic, rescue efforts of the U.S. Life-Saving Service and Coast Guard.

Cape Cod Stories by Joseph Lincoln Crosby, first published in 1907, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

Lotus and Feather Arcadia Publishing

Even before the Pilgrims landed in 1620, Cape Cod and its islands promised paradise to visitors, both native and European. In Paul Schneider's sure hands, the story of this waterland created by glaciers and refined by storms and tides -- and of its varied inhabitants -- becomes an irresistible biography of a place. Cape Cod's Great Beach, Martha's Vineyard, and Nantucket are romantic stops on Schneider's roughly chronological human and natural history. His book is a lucid and compelling collage of seaside ecology, Indians and colonists, religion and revolution, shipwrecks and hurricanes, whalers and vengeful sperm whales, glorious clipper ships and today's beautiful but threatened beaches. Schneider's superb eye for story and detail illuminates both history and landscape. A wonderful introduction, it will also appeal to the millions of people who already have warm associations with these magical places.
