guidance on the order in
which to read

unnumbered series.

American Literature on Stage and Screen

Wiley & Sons

This extraordinary graphic
novel is a powerful
denunciation of sexual
violence against women.
As seen through the eyes
of a twelve-year-old girl
named Una, it takes place
in northern England in
1977, as the Yorkshire
Ripper, a serial killer of
prostitutes, is on the loose

and creating panic among
the townspeople. As the
police struggle in their
clumsy attempts to find
the killer, and the
headlines in the local
paper become more
urgent, a once self-
confident Una teaches
herself to "lower her
gaze" in order to deflect
attention from boys. After
she is "slut-shamed" at
school for having birth
control pills, Una herself is

the subject of violent acts for which she comes to blame herself. But as the police finally catch up and identify the killer, Una grapples with the patterns of behavior that led her to believe she was to blame. *Becoming Unbecoming* combines various styles, press clippings, photo-based illustrations, and splashes of color to convey Una's sense of confusion and rage, as well as sobering statistics on sexual violence against women. The book is a no-holds-barred indictment of sexual violence against

women and the shame and blame of its victims that also celebrates the empowerment of those able to gain control over their selves and their bodies. Una (a pseudonym) is an artist, academic, and comics creator. *Becoming Unbecoming*, which took seven years to create, is her first book. She lives in the United Kingdom. [In the Land of Milk and Honey](#) S&S/Saga Press An instant classic and eerily prescient cultural phenomenon, from “the patron saint of feminist

dystopian fiction” (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate “Handmaids” under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred’s persistent memories of

life in the “time before” and her will to survive are acts of rebellion.

Provocative, startling, prophetic, and with Margaret Atwood’s devastating irony, wit, and acute perceptive powers in full force, *The Handmaid’s Tale* is at once a mordant satire and a dire warning.

What Came Before He Shot Her arsenal pulp press

In 1592, Sir Robert Carey, a handsome courtier, comes north to Carlisle to take up his new post as Deputy Warden of the

West March. He has wangled his appointment to be nearer his true love, a married woman, and far from the gimlet eyes of his creditors and the disapproving eye of his father. Sir Robert is quick to realize he won't see any perks from the job if he fails to keep the peace. Alas, he is quickly challenged by the murder of a local lad, the possible betrayal of a disappointed rival, the ire of the lady's husband, and the question of the horses – the hundreds of horses being stolen from all over

the neighborhood. It's hard to say whether the greater danger lies without the city walls amidst the scheming Scots – or within, amidst the unruly English garrison.

Freedom's Coming Ardent Media

2013 Finalist for the Lambda Literary Awards, LGBT Studies category Barton argues that conventional Southern manners and religious institutions provide a foundation for homophobia in the Bible Belt In the Bible Belt, it's

common to see bumper stickers that claim One Man + One Woman = Marriage, church billboards that command one to “Get right with Jesus,” letters to the editor comparing gay marriage to marrying one’s dog, and nightly news about homophobic attacks from the Family Foundation. While some areas of the United States have made tremendous progress in securing rights for gay people, Bible Belt states lag behind. Not only do most Bible Belt gays lack

domestic partner benefits, lesbians and gay men can still be fired from some places of employment in many regions of the Bible Belt for being a homosexual. In *Pray the Gay Away*, Bernadette Barton argues that conventions of small town life, rules which govern Southern manners, and the power wielded by Christian institutions serve as a foundation for both passive and active homophobia in the Bible Belt. She explores how conservative Christian ideology reproduces

homophobic attitudes and shares how Bible Belt gays negotiate these attitudes in their daily lives. Drawing on the remarkable stories of Bible Belt gays, Barton brings to the fore their thoughts, experiences and hard-won insights to explore the front lines of our national culture war over marriage, family, hate crimes, and equal rights. *Pray the Gay Away* illuminates their lives as both foot soldiers and casualties in the battle for gay rights.

The Brave Turtle

HarperCollins
 The 525 notable works of 19th and 20th century American fiction in this reference book have many stage, movie, television, and video adaptations. Each literary work is described and then every adaptation is examined with a discussion of how accurate the version is and how well it succeeds in conveying the spirit of the original in a different medium. In addition to famous novels and short stories by authors such as Nathaniel Hawthorne, F.

Scott Fitzgerald, and Willa Cather, many bestsellers, mysteries, children's books, young adult books, horror novels, science fiction, detective stories, and sensational potboilers from the past two centuries are examined.

Observations NYU Press
 A bold, contemporary and urgent novel from a renowned Italian writer that examines silence in different forms, immigration, family and social class.

The Truths We Hold

HarperCollins

It is a truism to suggest

that celebrity pervades all areas of life today. The growth and expansion of celebrity culture in recent years has been accompanied by an explosion of studies of the social function of celebrity and investigations into the fascination of specific celebrities. And yet fundamental questions about what the system of celebrity means for our society have yet to be resolved: Is celebrity a democratization of fame or a powerful hierarchy built on exclusion? Is celebrity created through

public demand or is it manufactured? Is the growth of celebrity a harmful dumbing down of culture or an expansion of the public sphere? Why has celebrity come to have such prominence in today's expanding media? Milly Williamson unpacks these questions for students and researchers alike, re-examining some of the accepted explanations for celebrity culture. The book questions assumptions about the inevitability of the growth of celebrity culture, instead explaining

how environments were created in which celebrity output flourished. It provides a compelling new history of the development of celebrity (both long-term and recent) which highlights the relationship between the economic function of celebrity in various media and entertainment industries and its changing social meanings and patterns of consumption.

The Handmaid's Tale

Harper Collins

In the 1990s, the Personal Computer (or PC) was on

the rise in homes, and with it came new genres of play. Yet most of the games in these new genres featured fantasylands or humorous science fiction landscapes with low stakes and little to suggest the potential of the PC as a serious space for art and play. Jane Jensen's work and landmark Gabriel Knight series brought a new darkness and personality to PC gaming, offering a first powerful glimpse of what games could be as they came of age. As an author and designer,

Jensen brought her approach as a designer-writer hybrid to the forefront of game design, with an approach to developing environments through detailed research to make game settings come to life, an attention to mature dilemmas and complex character development, and an audience-driven vision for genres reaching beyond the typical market approaches of the gaming industry. With a brand new interview with Jensen herself, Anastasia Salter provides the first ever

look Jensen's impact and role in advancing interactive narrative and writing in the game design process.

Carrie HarperCollins
Retired folk art curator Beatrice Coleman knows everything there is to know about quilts, except how to make them. But with her recent move to Dapple Hills, North Carolina, she's learning all sorts of new things—including how to solve a murder... As the newest member of the Village Quilters Guild, Beatrice has a lot of

gossip to catch up on—especially with the Patchwork Cottage quilt shop about to close. It seems that Judith, the landlord everyone loves to hate, wants to raise the rent, despite being a quilter herself... But when Judith is found dead, the harmless gossip becomes an intricate patchwork of mischievous motives. And it's up to Beatrice's expert eye to decipher the pattern and catch the killer, before her life gets sewn up for good.

Includes quilting tips!

Dante's Equation

Penguin
Amish country in
Lancaster County,
Pennsylvania, has always
been a place of quiet
beauty—until a shocking
murder shatters the
peace, and leaves a
troubled detective picking
up the pieces... After her
husband is murdered,
Detective Elizabeth Harris
turns in her NYPD badge
and moves back home,
hoping that a quiet life in
remote Pennsylvania
Dutch country will help
her overcome the dark
memories of her ten years
in New York. But when a

beautiful, scantily clad
“English” girl is found
dead in the barn of a
prominent Amish family,
Elizabeth knows that she’s
uncovered an evil that
could shake the
community to its core.
Elizabeth’s boss is
convinced this was the
work of an “English,” as
outsiders are called in
Lancaster County. But
Elizabeth isn’t so sure. All
she’s missing is an actual
lead—until another body
is found: this time, a
missing Amish girl. Now
Elizabeth must track down
a killer with deep ties to a

community that always
protects its own—no
matter how deadly the
cost...
Kingdom Come New York
Review of Books
“Sheer entertainment...
Bennett infuses wit and
an arch sensibility into her
prose... This is not mere
froth, it is pure
confection.” – New York
Times Book Review “[A]
pitch-perfect murder
mystery... If *The Crown*
were crossed with *Miss
Marple*..., the result would
probably be something
like this charming
whodunnit.” – Ruth Ware,

author of One by One The bestselling first book in a highly original and delightfully clever crime series in which Queen Elizabeth II secretly solves crimes while carrying out her royal duties. It is the early spring of 2016 and Queen Elizabeth is at Windsor Castle in advance of her 90th birthday celebrations. But the preparations are interrupted by the shocking and untimely death of a guest in one of the Castle bedrooms. The scene leads some to think the young Russian pianist

strangled himself, yet a badly tied knot leads MI5 to suspect foul play. When they begin to question the Household's most loyal servants, Her Majesty knows they're looking in the wrong place. For the Queen has been living an extraordinary double life ever since her teenage years as "Lilibet." Away from the public eye and unbeknownst to her closest friends and advisers, she has the most brilliant skill for solving crimes. With help from her Assistant Private Secretary, Rozie Oshodi, a

British Nigerian officer recently appointed to the Royal Horse Artillery, the Queen discreetly begins making inquiries. As she carries out her royal duties with her usual aplomb, no one in the Royal Household, the government, or the public knows that the resolute Elizabeth won't hesitate to use her keen eye, quick mind, and steady nerve to bring a murderer to justice. SJ Bennett captures Queen Elizabeth's voice with skill, nuance, wit, and genuine charm in this

imaginative and engaging mystery that portrays Her Majesty as she's rarely seen: kind yet worldly, decisive, shrewd, and, most important, a superb judge of character.

Sugar Money Vintage
Cult graphic novelist Dylan Meconis offers a rich reimagining of history in this beautifully detailed hybrid novel loosely based on the exile of Queen Elizabeth I by her sister, Queen Mary. When her sister seizes the throne, Queen Eleanor of Albion is banished to a tiny island off the coast of

her kingdom, where the nuns of the convent spend their days peacefully praying, sewing, and gardening. But the island is also home to Margaret, a mysterious young orphan girl whose life is upturned when the cold, regal stranger arrives. As Margaret grows closer to Eleanor, she grapples with the revelation of the island's sinister true purpose as well as the truth of her own past. When Eleanor's life is threatened, Margaret is faced with a perilous choice between helping

Eleanor and protecting herself. In a hybrid novel of fictionalized history, Dylan Meconis paints Margaret's world in soft greens, grays, and reds, transporting readers to a quiet, windswept island at the heart of a treasonous royal plot.

Celebrity McClelland & Stewart

A revelatory biography of the first Black woman to be elected Vice President of the United States. In *Kamala's Way*, longtime Los Angeles Times reporter Dan Morain charts how the daughter

of two immigrants born in segregated California became one of this country's most effective power players. He takes readers through Harris's years in the San Francisco District Attorney's Office, explores her audacious embrace of the little-known Barack Obama, and shows the sharp elbows she deployed to make it to the US Senate. He analyses her failure as a presidential candidate and the behind-the-scenes campaign she waged to land the Vice President spot. And along

the way, Morain paints a vivid picture of her family, values and priorities, as well as the missteps, risks and bold moves she's made on her way to the top. *Kamala's Way* is a comprehensive account of the Vice President-Elect and her history-making career.

Quilt or Innocence

Penguin

The #1 New York Times bestseller *From Vice President Kamala Harris*, one of America's most inspiring political leaders, comes a book about the core truths that unite us

and how best to act upon them. "A life story that genuinely entrances." —Los Angeles Times "An engaging read that provides insights into the influences of [Harris's] life...Revealing and even endearing." —San Francisco Chronicle The daughter of immigrants and civil rights activists, Vice President Kamala Harris was raised in an Oakland, California, community that cared deeply about social justice. As she rose to prominence as one of the political leaders of our

time, her experiences would become her guiding light as she grappled with an array of complex issues and learned to bring a voice to the voiceless. In *The Truths We Hold*, she reckons with the big challenges we face together. Drawing on the hard-won wisdom and insight from her own career and the work of those who have most inspired her, she communicates a vision of shared struggle, shared purpose, and shared values as we confront the great work of our day.

All for Nothing American Library Association
In the Retro Hugo Award-nominated novel that inspired the Syfy miniseries, alien invaders bring peace to Earth—at a grave price: “A first-rate tour de force” (The New York Times). In the near future, enormous silver spaceships appear without warning over mankind’s largest cities. They belong to the Overlords, an alien race far superior to humanity in technological development. Their purpose is to dominate

Earth. Their demands, however, are surprisingly benevolent: end war, poverty, and cruelty. Their presence, rather than signaling the end of humanity, ushers in a golden age . . . or so it seems. Without conflict, human culture and progress stagnate. As the years pass, it becomes clear that the Overlords have a hidden agenda for the evolution of the human race that may not be as benevolent as it seems. “Frighteningly logical, believable, and grimly prophetic . . .

Clarke is a master.” —Los Angeles Times
Heaven's War Grand Central Publishing
 From the author of Judgment Day and creator of the popular Gabriel Knight computer games comes an edge-of-the-seat science-fiction thriller that weaves together elements of the Kabbalah and physics with doorways to other worlds. Sequels Henry Holt and Company
 J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. Late Essays:

2006-2016 will be available January 2018. Since 1982, J. M. Coetzee has been dazzling the literary world. After eight novels that have won, among other awards, two Booker Prizes, and most recently, the Nobel Prize, Coetzee has once again crafted an unusual and deeply affecting tale. Told through an ingenious series of formal addresses, Elizabeth Costello is, on the surface, the story of a woman's life as mother, sister, lover, and writer. Yet it is also a profound and haunting

meditation on the nature of storytelling.
All the Queen's Men
 Simon and Schuster
 Set in 1765 on the Caribbean islands of Grenada and Martinique, *Sugar Money* opens as two enslaved brothers - Emile and Lucien - are sent on an impossible mission forced upon them by their masters, a band of mendicant French monks. The monks run hospitals in the islands and fund their ventures through farming cane sugar and distilling rum. Seven years earlier - after

a series of scandals - they were ousted from Grenada by the French authorities, and had to leave their slaves behind. Despite the fact that Grenada is now under British rule, and effectively enemy territory, the monks devise an absurdly ambitious plan: they send Emile and Lucien to the island to convince the monks' former slaves to flee British brutality and escape with them. Based on a historical rebellion, award-winning writer Jane Harris peoples her daring

novel with unforgettable characters. Recounted by Lucien, the younger brother, this story of courage, disaster, and love, is a testament to the tenacity of the human spirit under the crush of unspeakable cruelty.

Mike Nichols Harper Collins

The New York Times bestselling collection, from the Man Booker prize-winner for *Wolf Hall* and *Bring Up the Bodies*, that has been called "scintillating" (New York Times Books Review), "breathtaking" (NPR),

"exquisite" (The Chicago Tribune) and "otherworldly" (Washington Post). "A new Hilary Mantel book is an Event with a 'capital 'E.'"—NPR "A book of her short stories is like a little sweet treat."—USA Today (4 stars) "[Mantel is at] the top of her game."—Salon "Genius."—The Seattle Times One of the most accomplished, acclaimed, and garlanded writers, Hilary Mantel delivers a brilliant collection of contemporary stories In *The Assassination of*

Margaret Thatcher, Hilary Mantel's trademark gifts of penetrating characterization, unsparing eye, and rascally intelligence are once again fully on display. Stories of dislocation and family

fracture, of whimsical infidelities and sudden deaths with sinister causes, brilliantly unsettle the reader in that unmistakably Mantel way. Cutting to the core of human experience, Mantel brutally and

acutely writes about marriage, class, family, and sex. Unpredictable, diverse, and sometimes shocking, The Assassination of Margaret Thatcher displays a magnificent writer at the peak of her powers.
