DICKSON SWANSON

Lev's Violin Penguin

A collection of stories features a pair of centuries-old vampires whose relationship is tested by a sudden fear of flying, a dejected teen who communicates with the universe, and a massage therapist who heals a tattooed veteran by manipulating the images on his body.

Orange Empire Simon and Schuster
In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her tumultuous early years in this "compelling...unvarnished, resonant" (BookPage) story of a childhood spent torn between two parents and two countries. As her parents make the dangerous trek across the Mexican border to "El Otro Lado" (The Other Side) in pursuit of the American dream, Reyna and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to "El Otro Lado" to live with the man who has haunted her imagination for years, her long-absent father. Funny, heartbreaking, and lyrical, *The Distance Between Us* poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart

forever, calling out to us of those places we first called home. Also available in Spanish as *La distancia entre nosotros*.

The Sweet Taste of Muscadines

Clarkson Potter

A love letter to Syria and its people, *As Long as the Lemon Trees Grow* is a speculative novel set amid the Syrian Revolution, burning with the fires of hope, love, and possibility. Perfect for fans of *The Book Thief* and *Salt to the Sea*. Salama Kassab was a pharmacy student when the cries for freedom broke out in Syria. She still had her parents and her older brother; she still had her home. She had a normal teenager's life. Now Salama volunteers at a hospital in Homs, helping the wounded who flood through the doors daily. Secretly, though, she is desperate to find a way out of her beloved country before her sister-in-law, Layla, gives birth. So desperate, that she has manifested a physical embodiment of her fear in the form of her imagined companion, Khawf, who haunts her every move in an effort to keep her safe. But even with Khawf pressing her to leave, Salama is torn between her loyalty to her country and her conviction to survive. Salama must contend with bullets and bombs, military assaults, and her shifting sense of morality before she might finally breathe free. And when she crosses paths with the boy she was supposed to meet one fateful day, she starts to doubt her resolve in leaving home at all. Soon, Salama must learn to see the events around her for what they truly are—not a war, but a revolution—and decide how she, too, will cry for Syria's freedom.

[The Lemon Tree \(Young Readers' Edition\)](#) Harper Collins

A unique culinary adventure through Italian history The Land Where Lemons Grow is the sweeping story of Italy's cultural history told through the history of its citrus crops. From the early migration of citrus from the foothills of the Himalayas to Italy's shores to the persistent role of unique crops such as bergamot (and its place in the perfume and cosmetics industries) and the vital role played by Calabria's unique Diamante citrons in the Jewish celebration of Sukkoth, author Helena Attlee brings the fascinating history and its gustatory delights to life. Whether the Battle of Oranges in Ivrea, the gardens of Tuscany, or the story of the Mafia and Sicily's citrus groves, Attlee transports readers on a journey unlike any other.

Desert Or Paradise Stockholm Text

The tale of friendship between two people, one Israeli and one Palestinian, that symbolizes the hope for peace in the Middle East. "Makes an incredibly complicated topic comprehensible."-- School Library Journal In 1967, a twenty-five-year-old refugee named Bashir Khairi traveled from the Palestinian hill town of Ramallah to Ramla, Israel, with a goal: to see the beloved stone house with the lemon tree in its backyard that he and his family had been forced to leave nineteen years earlier. When he arrived, he was greeted by one of its new residents: Dalia Eshkenazi Landau, a nineteen-year-old Israeli college student whose family had fled Europe following the Holocaust. She had lived in that house since she was eleven months old. On the stoop of this shared house, Dalia and Bashir began a surprising friendship, forged in the aftermath of war and later tested as political tensions ran high and Israelis and Palestinians each asserted their own right to live on this land. Adapted from the award-

winning adult book and based on Sandy Tolan's extensive research and reporting, The Lemon Tree is a deeply personal story of two people seeking hope, transformation, and home.

The Land Beyond the Forest Bloomsbury Publishing

A NEW YORK TIMES BOOK OF THE YEARHenrietta Lovell is best known as 'The Rare Tea Lady'. She is on a mission to revolutionise the way we drink tea by replacing industrially produced teabags with the highest quality tea leaves. Her quest has seen her travel to the Shire Highlands of Malawi, across the foothills of the Himalayas, and to hidden gardens in the Wuyi-Shan to source the world's most extraordinary teas. Infused invites us to discover these remarkable places, introducing us to the individual growers and household name chefs Lovell has met along the way - and reveals the true pleasures of tea. The result is a delicious infusion of travel writing, memoir, recipes, and glorious photography, all written with Lovell's unique charm and wit.

Citrus Ten Speed Press

ONE OF PEOPLE MAGAZINE'S BEST NEW BOOKS "A searing and intimate memoir about love turned deadly." —The BBC "An intimate illumination of sisterhood and loss." —People When Sheila Kohler was thirty-seven, she received the heart-stopping news that her sister Maxine, only two years older, was killed when her husband drove them off a deserted road in Johannesburg. Stunned by the news, she immediately flew back to the country where she was born, determined to find answers and forced to reckon with his history of violence and the lingering effects of their most unusual childhood—one marked by death and the misguided love of their mother. In her signature spare and incisive prose,

Sheila Kohler recounts the lives she and her sister led. Flashing back to their storybook childhood at the family estate, Crossways, Kohler tells of the death of her father when she and Maxine were girls, which led to the family abandoning their house and the girls being raised by their mother, at turns distant and suffocating. We follow them to the cloistered Anglican boarding school where they first learn of separation and later their studies in Rome and Paris where they plan grand lives for themselves—lives that are interrupted when both marry young and discover they have made poor choices. Kohler evokes the bond between sisters and shows how that bond changes but never breaks, even after death. “A beautiful and disturbing memoir of a beloved sister who died at the age of thirty-nine in circumstances that strongly suggest murder. . . . Highly recommended.”
—Joyce Carol Oates

Sabrina's Juicy Little Book of Citrus
Simon and Schuster

"Douglas Sackman peels an orange and finds inside nothing less than an American agricultural-industrial culture in all its inventive, exploitative, transformative, and destructive power. A beautifully researched and intellectually expansive book."—Elliott West, author of *The Contested Plains: Indians, Goldseekers, & the Rush to Colorado*
Growing Your Own Tea Garden Time Inc. Books

The renowned chef offers more than 200 sweet and savory recipes featuring fruit: “Wonderful . . . invaluable both as a reference and a cookbook” (Library Journal). In 1971, Alice Waters opened Chez Panisse in Berkley, California, as a place to cook country French food with local ingredients and talk with friends and neighbors. As the restaurant's popularity grew, so did Alice's commitment to fresh, organic ingredients and local farmers and producers. Now, in this companion to *Chez Panisse Vegetables*, Waters and the cooks at Chez Panisse celebrate the exuberant flavors of fresh, ripe fruit. Rejoice in the late-summer peach harvest with Peach and Raspberry Gratin, and extend the season with Grilled Cured Duck Breast with Pickled Peaches. Enjoy the first plums in Pork Loin Stuffed with Wild Plums and Rosemary. Preserve the fresh flavors of winter citrus with Kumquat Marmalade or Candied Grapefruit Peel. Organized alphabetically by fruit—from apples to strawberries—and including helpful essays on selecting, storing, and preparing fruit, this book will help you make the very most of fresh fruits from season to season. Illustrated with beautiful color relief prints by Patricia Curtan, *Chez Panisse Fruit* is a book to savor and to treasure.

Truffle Hound Frances Lincoln

'An enjoyable, highly readable history that manages to bring murky, often fiendishly complex events into the light' Sunday Times Italy emerged from the Second World War in ruins. Divided, invaded and economically broken, it was a nation that some people claimed had ceased to exist. And yet, as rural society disappeared almost overnight, by the 1960s, it could boast the fastest-growing economy in the world. In *The Archipelago*, historian John Foot chronicles Italy's tumultuous history from the post-war period to the present day. From the silent assimilation of fascists into society after 1945 to the artistic peak of neorealist cinema, he examines both the corrupt and celebrated sides of the country. While often portrayed as a failed state on the margins of Europe, Italy has instead been at the centre of innovation and change - a political laboratory. This new history tells the fascinating story of a country always marked by scandal but with the constant ability to re-invent itself. Comprising original research and lively insights, *The Archipelago* chronicles the crises and modernisations of more than seventy years of post-war Italy, from its fields, factories, squares and housing estates to Rome's political intrigue.

Lemons In The Garden of Love Dorling Kindersley Ltd

A guide to selecting and growing more than one hundred varieties of oranges, mandarins, lemons, limes, grapefruit, and kumquats, as well as exotic citrus, offering practical methods for making citrus part of outdoor living areas, and discussing alternative, chemical-free methods of pest control to ensure healthy as well as healthful fruit.

Vampires in the Lemon Grove
Flatiron Books

You can squeeze it, zest it, slice it, juice it, pickle it, or even take a bite out of it as Sicilians do. Adding freshness and flavor to food and drinks, this versatile sour fruit, also known for resolving diverse health and household troubles, has long been considered vital to Mediterranean and European cookery and cuisine. *Lemon: A Global History* tells the story of the remarkable adventure of the lemon, starting with its fragrant and mysterious ancestor, the citron, adored by the Greeks and Romans for its fine perfume and sacred to many of the world's great religions. The lemon traveled with Arabs along ancient trade routes, came of age in Sicily and Italy, and sailed to the New World with Columbus. It was an exotic luxury in seventeenth-century Europe and later went on to save the lives of thousands of sailors in the British Royal Navy after being recognized as a cure for scurvy. The last century saw the lemon's rise to commercial success in a California citrus empire as well as the discovery of new varieties. This book also includes delicious recipes for sweet and savory dishes and beverages.

Chez Panisse Fruit Flatiron Books
"Irresistible" - Literary Review Fig trees have affected humanity in profound but little-known ways: they are wish-fulfillers, rainforest royalty, more precious than gold. *Ladders to Heaven* tells their incredible story. They fed our pre-human ancestors, influenced diverse cultures and played a key role in the birth of civilisation. More recently, they helped restore life after Krakatoa's catastrophic eruption and proved instrumental in Kenya's struggle for independence. Figs now sustain more species of bird and mammal than any other fruit - in a time of falling trees and rising temperatures, they offer hope.

Theirs is a story about humanity's relationship with nature, as relevant to our past as it is to our future.

Tomato McCarta Publishing

The debut cookbook by the creator of the wildly popular blog Damn Delicious proves that quick and easy doesn't have to mean boring. Blogger Chungah Rhee has attracted millions of devoted fans with recipes that are undeniable 'keepers'-each one so simple, so easy, and so flavor-packed, that you reach for them busy night after busy night. Packed with quickie breakfasts, 30-minute skillet sprints, and speedy takeout copycats, this cookbook is guaranteed to inspire readers to whip up fast, healthy, homemade meals that are truly 'damn delicious!'

The Distance Between Us Knopf

Agnes has most things in life: a job at a fancy restaurant, a boyfriend who loves her, and a best friend whom she knows inside out. Or does she? All of a sudden things begin to crumble, one by one, and soon nothing is as it was. This is a beautiful feel-good novel with a memorable heroine, set in Sweden.

The Truffle Underground Random House Graphic

Outlines the author's ten points of sustainable self-reliance, details pond and lake construction, and discusses biodiversity.

The Sweetness of Doing Nothing: Live Life the Italian Way with Dolce Far

Niente Bloomsbury Publishing USA

Popular columnist, ABC broadcaster and landscape gardener Sabrina Hahn says no plants generate more questions than citrus. 'In the twenty years I have been doing talkback radio, there has never been a program where citrus questions didn't pop up. So frequently in fact that producers screen the calls and cap them at three per program,' says Hahn. This pocket-sized gardening book is packed with juicy tips on how to grow happy healthy citrus plants in your garden. Bringing together lemons, limes, grapefruits, kumquats, oranges and much more, you'll love this quick, practical and environmentally-friendly guide to common problems. 'Small In size, its packed with practically all you need to solve citrus problems and grow the juiciest fruit.' Better Homes & Gardens

When Lemons Grow on Orange Trees HarperCollins UK

Embrace off-grid green living with the bestselling classic guide to a more sustainable way of life, now with a brand new foreword from Hugh Fearnley-Whittingstall. John Seymour has inspired thousands to make more responsible, enriching, and eco-friendly choices with his advice on living sustainably. *The New Complete Book of Self-Sufficiency* offers step-by-step instructions on everything from chopping trees to harnessing solar power; from growing fruit and vegetables, and preserving and pickling your harvest, to baking bread, brewing beer, and making cheese. Seymour shows you how to live off the land, running your own smallholding or homestead, keeping chickens, and raising (and butchering) livestock. In a world of mass production, intensive farming, and food miles, Seymour's words offer an alternative: a celebration

of the joy of investing time, labour, and love into the things we need. While we aren't all be able to move to the countryside, we can appreciate the need to eat food that has been grown ethically or create things we can cherish, using skills that have been handed down

through generations. With refreshed, retro-style illustrations and a brand-new foreword by Hugh Fearnley-Whittingstall, this new edition of Seymour's classic title is a balm for anyone who has ever sought solace away from the madness of modern life.
