Power Jillian Dodd

When sports agent Carter Crawford and supermodel Vale Martin meet, they have an instant connection and a really fun night together. Their relationship goes like this. She calls and says

she's in town. He tells her to stop by. They both know what that means. And it is amazing. Every time. She doesn't want a commitment. So, he does something crazy and buys a ring. But instead of surprising Vale with a proposal, Carter sees her kissing another man and leaves without telling her. After months of not speaking, Vale doesn't call Carter. She stops by. And begs him to pretend to be her fiancé at her little sister's wedding. And even though Carter knows he's about to do something crazy again, he agrees. Because there is nothing *fake* about the way he still feels about her.

That Ring Jillian Dodd

You know, being friends with two cute boys does have its benefits. There's Danny. Danny is a golden boy in every way. He has dreamy blue eyes and blonde hair that always looks perfect, even when it's windblown or been stuck under a football helmet. He's the boy every girl crushes on. The boy I get into trouble with, the boy I fight with, the hot quarterback no girl can resist, not even me. Being with Danny is like being on an adventure. He has a bright, contagious smile and abs to die for. He's pretty much irresistible. Equally crush worthy is Phillip. Adorable, sweet Phillip, who I have known since birth. Phillip has dark hair, a perfect smile, brown eyes, and the sexiest voice I have ever heard. He's the boy I talk to every night before I go to sleep. The boy who rescues me, the boy who can read my mind, the boy who is always there for me, the boy who tries to keep me out of trouble, the boy who irritatingly keeps getting hotter, and whose strong arms always seem to find their way around me. And when he gives me that grin, I can never say no. One boy will give me my very first kiss. One boy will teach me to make out. One boy will take me to prom. And finally, one boy will ask me to marry him. They will both be my best friends. But only one of them will be the boy I fall in love with. Only one of them is that boy.

A USA Today Bestselling Book! ★★★★★ "A beautiful story of brokenness, forgiveness, and second chances." -- Reviewer
If my mother thought that restoring the run down family inn would break me, she was wrong. The hardest part of falling in love with the small town of Magnolia and my grumpy handyman is knowing at some point, I'm going to have to sell the inn and leave. Maggie My ex-husband left me for my best friend. I'm 36, unemployed, and about to be evicted. My only option is to ask my estranged mother for help. She offers me a deal: fix up the run down family inn on the small island of Magnolia and any of the proceeds I can make off the sale, will be mine to invest. Determined to start believing in myself, I roll into town with an unhealthy amount of optimism. The only person who is going to stop me, is me. That is, until I meet my grumpy handyman. He has more walls built up around his heart than the three story inn I'm restoring, but I'm determined to break them down. Even if he's determined to stop me. Clementine I meant to leave Magnolia at some point in my life. With a full ride scholarship to Juilliard, my dream was to dance. But Dad got sick and I needed to stay to run the local hardware store. Plus, there's no way I can rely on my older brother, Archer, who can't outrun the ghosts of his past. When

Maggie blows into town, I can't help but feel inspired by her desire to reinvent herself and when she asks for the local handyman, it becomes the perfect opportunity to provide Archer with purpose and perhaps, a little bit of sunshine. As our friendship grows, I realize just how much I needed a sisterhood. And when I catch Archer smiling, I realize that he needed Maggie as well. I just hope that when the time comes to sell the inn, Maggie fights to stay, because I'm not sure we could handle the heartbreak if she leaves. The Magnolia Inn will capture you from page one. I'm falling for him. But then there's Noah. I live in his house and share a bathroom with him, and we've had a few intense moments. But nothing compared to him sauntering into the room, declaring that I want him and that, at some point, he's going to give in to me. I know! The nerve. I'm not sure how I'm going to tell him that I'm dating his best friend again. Or how I'm going to keep my eyes off his shirtless chest. With tensions running high between Noah and me, Harry's ongoing family issues, my new friendship with Naomi, and Mohammad's party-planning skills, things are getting crazy.

The Party Jillian Dodd

'Beautifully wrought dark fantasy' NetGalley Reviewer A MAN MARKED BY MAGIC. A WOMAN MARKED BY HER PAST. On the other side of the Shadowpass, rebellion is brewing and refugees have begun to trickle into the city at the edge of the world. Looming high on the cliff is The Nest, a fortress full of mages who offer protection, but also embody everything the rebellion is fighting against: a strict hierarchy based on magic abilities. When Isha arrives as a refugee, she attempts to fit in amongst the other mages, but her Kher tattoo brands her as an outcast. She can't remember her past or why she has the tattoo. All she knows is that she survived. She doesn't intend to give up now. Tatters, who wears the golden collar of a slave, knows that this rebellion is different from past skirmishes. He was once one of the rebels, and technically, they still own him. He plans to stay in the shadows, until Isha appears in his tavern. He's never seen a human with a tattoo, and the markings look eerily familiar . . . As the rebellion carves a path of destruction towards the city, an unlikely friendship forms between a man trying to escape his past and a woman trying to uncover hers, until their secrets threaten to tear them apart. The Collarbound hooks from the opening page and will appeal to fans of magical, brink-of-war settings, like that of *The Poppy War* and *The City of Brass*. 'Zahabi deftly creates a fully-realized and richly described world, providing a quiet yet striking exploration of the way inequality and injustice often serve as the bedrock of systems of power' M.
