Motorbooks International  
In late 2008, artist and creative director Christian Kieffer began his retro revival, when he brought WWII nose-art pinups to life. He began shooting some of his handpicked beauties with a P-51 Mustang and the sky was the limit from there. With the successful release of his 2011 Warbird Pinup Girls calendar, featuring all flight worthy WWII fighter planes and authentic classy pinup girls, they took the retro world by storm. With the

help of his wife and creative partner, Gili Kieffer, they became renowned for recreating the most authentic pinup girls. Now in their 5th year of production comes the release of this special edition book featuring many unseen works by the creative duo.

### **Bettie Page Strange Chemistry**

Spicy Saunders is a teenage bombshell with lots of attitude and very little clothing! She's teamed with a pair of over-the-hill Soldiers of Fortune to fulfill a deathbed vow to her father to find the mysterious River of the Arrow. To do that, they must overcome acts of angry gods, animal magnetism, and men and women of bad intentions!

### Viva's Pinups Binary Publications

Shares memories of Ken Scott's days working as a producer with the Beatles, David Bowie, Elton John, Pink Floyd, Jeff Beck, Duran Duran, The Rolling Stones, Lou Reed, America, Devo, Kansas, The Tubes, Missing Persons, Mahavishnu Orchestra, Billy Cobham, Dixie Dregs and Stanley Clarke.

Pinups: Past and Present

is a curated reference survey of the state of pinup art among contemporary graphic artists, tattooists, and cartoonists. With more than 100 artists from the United States, Europe, Australia, Japan, and China included, this collection offers an unrivaled look at every different direction pin-up art design has taken since the heady days of Bettie Page. More than 200 images from the best practitioners betray the influences of the greats, such as Gil Elvgren and Olivia De Berardinis, but also show new trends, including a revival in 1980s-influenced line work in the vein of Patrick Nagel, and of biomech-influenced approaches. Every image is accompanied by a caption detailing the artist, name of work, and major influences, making this an invaluable source of information and inspiration for all graphic artists and cartoonists in the genre. In the past, pinup women were considered to be a low bar for artists and were generally taboo in the art community. The current appeal of old pinup art is the unpretentious, often naive, and joyful whimsy that celebrates the

sensuality of the women depicted. Whether they're real or imaginary, pinup women are a celebration of feminine sexuality. The sheer breadth and span of pinup art today is amazing and every major genre is represented within, including: Classic American Sci-Fi and Fantasy Cartoon and Comic Book Hot Rod Neo-Surreal Pinups: Past and Present features the best contemporary artists, such as Enric Badia Romero, Carlos Cartagena, Fiona Stephenson, Chris Wahl, ONEQ, David Nakayama, Andrew Hickinbottom, Zach Gardia, Ben Tan, Marta Nael, Jan Meininghaus, David Vincente, Screaming Demons, Syd Brak, Loopydave, Natalie Shau, Jasmine Becket-Griffith, Elias Chatzoudis, and many more. For the pinup aficionado and artist, this non-stop, eye-popping book is an essential source of inspiration. *Hollywood Pinups* Duke University Press

Reveal these glamour girls as you connect the dots! If you dig polka dots and pinups, you'll love this dot-to-dot puzzle book inspired by images from Gil Elvgren, one of the most famous American pinup artists of

all time. Connect the dots in more than 40 puzzles and increase your hand-eye coordination, as well as concentration skills. Once the puzzles are completed, add color to make a truly unique piece of art, then use the perforations to easily remove your work for display!

Peep Show Back Bay Books

Deirdre Little Darling' Franklin founded the non-profit organisation Pinups for Pitbulls because she was tired of so-called rescues and shelters euthanising healthy, friendly and adoptable animals due to their alleged 'breed'. She created a calendar showcasing pinup girls and their beloved pitbulls, starting a revolution in the world of animal advocacy. Now, Pinups for Pitbulls has assembled the best of their calendars and many never-before-seen photographs into a lush full-colour volume. Featuring interviews and essays, as well as tips for new rescue owners.'

### **On Gold Mountain**

Citadel Press

When the documentary *Bettie Page Reveals All* was released in 2013, it would have been easy to assume we would never again hear directly from

the adored icon. After all, the film is narrated by Bettie Mae Page herself, and she spills on lots of subjects that she had previously kept private-even in her authorized biography-though she does maintain her own decades-long, no-photos rule in the movie. She loathed the effects of aging, said it made her sad to see her own celebrity idols when they were older, and wanted people to remember her as she looked in her pinup days. Fortunately for the hordes of Bettie fans worldwide, a bounty of unreleased Bettie material awaits. For years-since before Bettie's death from heart failure in December 2008 at the age of 85-boxes and file folders of Bettie mementoes have been gathering dust in the closets of Bettie's nephew's house. Ron Brem, a musician living in Bakersfield, California, is the only child of Bettie's beloved sister, Goldie Jane Page. Bettie never had kids, other than three stepchildren during one of her four marriages to three men (she married one twice). Goldie was also an aspiring model and actress but later settled into housewifery before eventually becoming an art teacher

and gallery owner. She died during the summer of 2004, but in the several years before her death, she had carefully stored heaps of incredible family photos, the bulk of which feature Bettie as either the sole subject or part of the shot. None of these hundreds of photos has ever been published until now, and few people even know they exist. Goldie also saved approximately 29 letters from Bettie spanning the years 1949 to 2000, ranging in length from note-size to 18 full pages, which tell the unknown story of Bettie's "lost years" following her retirement from modeling in 1957.

Abbey Road to Ziggy Stardust Schiffer Book with Values

This lovely gift book--available in three striking cover options that will be shipped to customers at random--will beguile a new generation with flirtatious representations of femininity from the 1940s and 50s. Illustrations of irresistible pinup models bring teasing frivolity to a range of everyday situations, organized thematically from morning to evening. From sun-kissed beauties at the beach to ski bunnies hitting the slopes, bedside nurses ready to

take your temperature to scantily clad runaways, rakish shipmates to not-so-conscientious secretaries, these smiling cuties are ready for fun. Representations of women who embrace their sexuality--flirtatious but never vulgar--have been around since the late nineteenth century, but the pin-up genre skyrocketed into popularity during World War II. The penny arcade trading cards originally viewed on a peep-show style reel and reproduced here as detachable illustrations feature both established pin-up artists and those waiting to be rediscovered. Each illustration is accompanied by a humorous and memorable celebrity quote.

*The Great American Pin-up* Vintage

The follow-up to last year's popular poster collection, DC Poster Portfolio: Stanley "Artgerm" Lau showcases a wider selection of art by one of the most revered artists of our time. DC Comics presents the artwork of illustrator Stanley "Artgerm" Lau, featuring 20 of his most stunning pieces starring some of the greatest superheroes and supervillains in comics history.

Featuring favorites from Wonder Woman to Supergirl and Harley Quinn, the art collected in this poster book showcase is perfect for framing and display.

### **Jeepers Peepers!**

Penguin

In 1839 Louis Jacques Mande unveiled the daguerreotype upon the world and it became possible to produce erotic images of real women taken in real time. After its first stumbling technical steps, this new medium of photography opened up unforeseen worlds, including the world of glamour and eroticism, to a mass market. Peep Show Pinups celebrates the history of erotic, sexually-charged photographs of women, pioneered in France but spreading through Europe and across to North America, from the 1840s until the 1930s. It offers sketches of the studios, the photographers, the models, and captures the costumes, sets, and props. This book follows the technological evolution in the medium from the fragile daguerreotype to the first printed cabinet cards and the mass market saucy postcards. It explains the experiments that allowed the introduction of color

and the illusion of three dimensions and movement into the medium, and the shifting balance between the demands of the market and the strictures of the law. Above all, this book offers delightful photographs of women from past eras and creates a timeline of sensuality and eroticism. The authors acknowledge and delve into the issues of commercial, racial, and sexual exploitation that were present from those earliest days of erotic photography until today, but Peep Show Pinups is also a celebration of sensuality, fun, style, and joie de vivre in what may be regarded as its golden era.

#### All Too Human Chartwell Books

Indulge yourself with this stunning collection of pin-ups! The art of pin-up glorifies the female form, and John Gladman celebrates beautiful girls from all walks of life. He has a refreshing, timeless style, bringing back the art of the tease at a time when innocence has been lost. Glamour and art meet photography to create John's recognizable and unique look. His imagery is tasteful yet sexy, stirring up sensuality and allure. He

has revered and admired the female form throughout his life span, learning posing from the great artists of the past, paying attention to every detail during posing from the hand placement, the arch of the back, to the expressions and nuances, creating an art piece that appears as natural happenstance. John has a modern flair mixed with vintage themes honoring the classic era of the mid-twentieth century.

#### Bernard of Hollywood Pin-ups Thunder Bay Press

Adorably cute, sweet, and just a little on the naughty side. This is the hallmark of Joe Pekar's illustrations, as his little ladies make their way from his brain to the outside world! A one-time 3D animator and games designer, Joe decided to go with his first overriding passion -- drawing girls! It seems following that particular career goal has led to flourishing business and an ever-growing field of fans who buy his originals and clamour for more! Collected for the first time is a gallery of Pekar's best, showing off his ability to create portraits of pillow-fights and pouty teens with expert ease! 1001 Dot-to-Dot: Classic Pinups by Gil Elvgren Walter Foster

Pinups Around the World features 200+ new images from the greatest pinup artists of today with a vintage look at developments throughout the history of pinup design.

New Jersey artist Viva Van Story is one of the most respected and busiest pin-up photographers in the country. Full of atmosphere and suggestion, her photographs perfectly capture a cool retro-raunch 1940s vibe. Her timeless images range from smoldering seduction to coquettish playfulness, as she depicts women who are sexy, but also empowered, ironic, and complex. Her work headlined the Detroit Dirty Show, and she and her images have been featured in such publications as Bizarre Magazine, Car Kulture Deluxe, Deadbeat Magazine, DicE, Edge Detroit, Leg Show, New York Post, Ol' Skool Rodz, Real Detroit Weekly, ROCKRGRL, Tattoo, and Varla Magazine.

#### DC Poster Portfolio:

Stanley Artgerm Lau Vol. 2 Taschen America Llc  
All Too Human is a new-

generation political memoir, written from the refreshing perspective of one who got his hands on the levers of awesome power at an early age. At thirty, the author was at Bill Clinton's side during the presidential campaign of 1992, & for the next five years he was rarely more than a step away from the president & his other advisers at every important moment of the first term. What Liar's Poker did to Wall Street, this book will do to politics. It is an irreverent & intimate portrait of how the nation's weighty business is conducted by people whose egos & idiosyncrasies are no sturdier than anyone else's. Including sharp portraits of the Clintons, Al Gore, Dick Morris, Colin Powell, & scores of others, as well as candid & revelatory accounts of the famous debacles & triumphs of an administration that constantly went over the top, *All Too Human* is, like its author, a brilliant combination of pragmatic insight & idealism. It is destined to be the most important & enduring

book to come out of the Clinton administration. [Chocolate Cheesecake](#) Warner Books (NY) World renowned pin-up artist Joe Chiodo has spent the last five years teaching painting and drawing. Now, with the release of his new book, Chiodo brings his techniques for drawing and painting to a wider audience. Joe Chiodo [Drawing and Painting](#) presents a step by step guide for drawing and painting good girl pin-ups. [Pin-Up Grrrls](#) Harper Collins
