now known as the Moonchosen, the commoner who managed to do what no one else could. But slaying the cruel monarch wasn't the culmination of her destiny -- it was just the beginning. Now Lei, with a massive bounty on her head, must travel the kingdom with her warrior love Wren to gain support from the far-flung rebel clans. It is a story about

the proximity of terror and savagery to innocence and love. It is a vivid and graphic portrayal of the hellish Nazi occupation of Eastern Europe as seen through the eyes of a boy struggling for survival, an alien child lost in a world gone mad. Paper Girls #26 Image Comics Uncover a riveting story of palace intrigue set in a sumptuous Asian-inspired fantasy world in the breakout YA

novel that Publisher's Weekly calls "elegant and adrenaline-soaked." In this richly developed fantasy, Lei is a member of the Paper caste, the lowest and most persecuted class of people in Ikhara. She lives in a remote village with her father, where the decade-old trauma of watching her mother snatched by royal guards for an unknown fate still haunts her. Now, the

guards are back and this time it's Lei they're after -- the girl with the golden eyes whose rumored beauty has piqued the king's interest. Over weeks of training in the opulent but oppressive palace, Lei and eight other girls learns the skills and charm that befit a king's consort. There, she does the unthinkable: she falls in love. Her forbidden romance becomes enmeshed

behind when she moved to America after World War II. With the help of Paul, a charming Parisian student, she sets out to uncover the truth. However, the more time she spends digging through the mysteries of the past, the more she realizes there are secrets in the present that her family is still refusing to talk about. THEN: Sixteen-year-old Adalyn doesn't recognize Paris

When she meets Luc, the dashing and enigmatic leader of a resistance group, Adalyn feels she finally has a chance to fight back. But keeping up the appearance of being a much-admired socialite while working to undermine the Nazis is more complicated than she could

Something to tear into pieces. Something to

burn." We've all been paper before. We've all been fragile. Leaflike and gently blowing, enough to create stories or build fires. We go through life like that. We come across things that tear us into pieces, and we keep going. We keep fighting, because we must. We look for ways to be whole. To be the person we dream ourselves to be. Fragile by nature but tough by circumstance, paper girls are

shaped by their love and loss. This collection of poetry and prose describes the journey of learning to live fully through the messiness of life and tenuousness of mental health.  A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and

wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. This breakout book by Alison Bechdel is a darkly funny family tale, pitch-perfectly illustrated with Bechdel's sweetly gothic drawings. Like Marjane Satrapi's <i>Persepolis</i>, it's a story exhilaratingly suited to graphic memoir form.</p> <p>Meet Alison's father, a historic preservation</p>	<p>expert and obsessive restorer of the family's Victorian home, a third-generation funeral home director, a high school English teacher, an icily distant parent, and a closeted homosexual who, as it turns out, is involved with his male students and a family babysitter. Through narrative that is alternately heartbreaking and fiercely funny, we are drawn into a daughter's complex</p>

yearning for her father. And yet, apart from assigned stints dusting caskets at the family-owned "fun home," as Alison and her brothers call it, the relationship achieves its most intimate expression through the shared code of books. When Alison comes out as homosexual herself in late adolescence, the denouement is swift, graphic -- and redemptive. *Manufacturing Industries* Image Comics
