Algonquin  
Books  
A USA TODAY  
and Indie  
Bestseller! For  
fans of New  
Kid and  
Allergic, a  
must-have  
graphic novel

about five  
very different  
students who  
are forced  
together by  
their school to  
complete  
community  
service... and  
may just have

more in common than they thought. Can five overlooked kids make one big difference? There's George: the brain Sara: the loner Dayara: the tough kid Nico: the rich kid And Miguel: the athlete And they're stuck together when they're forced to complete their school's community service hours. Although they're sure they have nothing in common with one another, some people see them as

all the same . . . just five Spanish-speaking kids. Then they meet someone who truly needs their help, and they must decide whether they are each willing to expose their own secrets to help . . . or if remaining invisible is the only way to survive middle school. With text in English and Spanish, Invisible features a groundbreaking format paired with an engaging, accessible, and relatable

storyline. This Breakfast Club--inspired story by Christina Diaz Gonzalez, award-winning author of Concealed, and Gabriela Epstein, illustrator of two Baby-Sitters Club graphic novel adaptations, is a must-have graphic novel about unexpected friendships and being seen for who you really are.

**Workbook**  
Wm. B. Eerdmans Publishing

In 2016, \$4.6 trillion of merchandise was left in abandoned e-commerce shopping carts. Every year, the U.S. economy loses \$3 trillion dollars in productivity due to excess bureaucracy. Red tape and over-complicated licenses have contributed to China's GDP exceeding India's by \$82 trillion over the span of just three decades. If you're a business leader, these statistics should give

you nightmares. According to science-based marketing and business expert Roger Dooley, they illustrate the real and growing threat of "friction," which he defines as the unnecessary expenditure of time, effort, or money in performing a task. In today's high-speed, customer-empowered world, the levels of swiftness and efficiency of business transactions will determine ultimate

success or failure. In this groundbreaking guide, Dooley helps you spot the inevitable points of friction in your organization, and he provides the tools and insight you need to eliminate them. By truly understanding the impact friction can have, you'll be able to establish positive habits and eliminate negative ones—all with the end result of building a company that's the envy of your

industry.  
Friction takes you step-by-step through the process of:

- Empowering frank conversations
- Guiding individual and team behaviors
- Get ting ahead of friction
- Optimizing the customer experience
- Building a frictionless corporate culture

Combining scientific research with real-life examples of leaders who have conquered business friction,  
Dooley

teaches you how to identify roadblocks, alter them for the benefit of both business and customer, and create positive, lasting change. If you're in a leadership position, now is the time to declare war on friction—before your competitors do. Stamp out ridiculous rules, pointless procedures, and meaningless meetings. Become a relentless advocate for the customer

and for minimizing customer effort. Lubricate every point of friction and make your company run like a well-oiled machine. Friction provides the know-how you need to lead your company to industry dominance. FRICION—The Untapped Force That Can Be Your Most Powerful Advantage  
Hay House, Inc  
The first well-researched contrastive pragmatic analysis of requests and

apologies in British English and Uruguayan Spanish. It takes the form of a cross-cultural corpus-based analysis using male and female native speakers of each language and systematically alternating the same social variables in both cultures. The data are elicited from a non-prescriptive open role-play yielding requests and apologies. The analysis of the speech acts is based on an

adaptation of the categorical scheme developed by Blum-Kulka et al. (1989). The results show that speakers of English and Spanish differ in their choice of (in)directness levels, head-act modifications, and the politeness types of males and females in both cultures. Reference to an extensive bibliography and the thorough discussion of methodological issues concerning speech act

studies deserve the attention of students of pragmatics as well as readers interested in cultural matters. Just Listen UNC Press Books Argues that smart students have a different attitude about school and learning, and offers advice on taking notes, studying, preparing for tests, and writing papers. Linguistic Politeness in Britain and Uruguay

National Geographic Books  
This workbook is a wonderful guide to the need to know grammar structures commonly found on internationally recognized Spanish proficiency tests. Tests such as the DELE and SIELE. This workbook covers many of the confusing, and often neglected topics needed to successfully obtain or surpass the B2/ C1 level on Spanish proficiency

tests. This book covers, in a direct and concise manner, 26 topics pulled directly from the Common European Framework Of Reference For Languages, complete with over 100 exercises. This workbook is a great tool for advancing an aspiring language learners grammar skills, or for teachers looking for new and direct ways of explaining complex topics. Add this book to your learning

library as soon as possible!  
Divination on stage  
Scholastic Inc. This volume shows the formidable range of variation in youth language. Youth language is analyzed as a phenomenon in negotiations of identities and social relations. The contributions particularly concentrate on youth language in late modern urban societies. This is an area of study which has been gaining

increasing attention in sociolinguistics over the past few years. One observation that is almost inevitable is that there is a string of similarities to be found between youths in quite different circumstances, ranging from university students in Argentina, to juvenile delinquents in Greece and to skaters in Greenland. A wide range of language situations are covered, from Danish, Cypriot Greek,

Turkish, to Spanish, Greenlandic, Norwegian, Catalan, and of course English. The articles in this document and analyze linguistic youth styles and behaviors as well as attitudes. In their totality they present a picture of youth language as functional, socially valuable, and flexible, with a special emphasis on identity negotiations. Language Hacking Spanish

McGraw Hill Professional  
A two-wheeled journey across the landscape of America, and through the heart and mind of an artist.  
Hope and Other Dangerous Pursuits  
McGraw Hill Professional  
I'm Annabel. I'm the girl who has it all. Model looks, intelligence, a great social life. I'm one of the lucky ones. Aren't I? My 'best friend' Sophie is spreading rumours about me. My family is slowly falling apart.

It's turning into a long, lonely summer, full of secrets and silence. But I've met this guy who won't let me hide away. He's one of those intense types, obsessed with music and totally unafraid of confrontation. He's determined to make me listen. Will I ever find the courage to tell him what really happened the night Sophie and I stopped being friends? Captivating, emotionally turbulent,

unputdownable teenage fiction - the natural step up for older Cathy Cassidy fans. George Michael A Salem B&B Mystery When an unexpected snowstorm strands a busload of passengers en route to an annual holiday festival, a local donut shop owner discovers the driver murdered and decides to investigate. Object-Oriented Python MSU Press Power up your

Python with object-oriented programming and learn how to write powerful, efficient, and re-usable code. Object-Oriented Python is an intuitive and thorough guide to mastering object-oriented programming from the ground up. You'll cover the basics of building classes and creating objects, and put theory into practice using the pygame package with

clear examples that help visualize the object-oriented style. You'll explore the key concepts of object-oriented programming — encapsulation, polymorphism, and inheritance — and learn not just how to code with objects, but the absolute best practices for doing so. Finally, you'll bring it all together by building a complex video game, complete with full animations and sounds.

The book covers two fully functional Python code packages that will speed up development of graphical user interface (GUI) programs in Python.

**Practice Makes Perfect: Spanish Vocabulary, Third Edition** Penguin UK NATIONAL BESTSELLER • In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. Four months later, his decomposed body was found by a moose hunter. This is the unforgettable

story of how Christopher Johnson McCandless came to die. "It may be nonfiction, but Into the Wild is a mystery of the highest order." —Entertainment Weekly McCandless had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Not long after, he was dead. Into the Wild is the mesmerizing,

heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the world's attention. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license

plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into

the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and

is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding

—and not an ounce of sentimentality. Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page. Love Ya Hate Ya HarperCollins Two bestselling Sarah Dessen novels in one package! It's easy to become jaded when things don't go your way. But sometimes the things you expect the least are the things you need the most.

Sometimes a big, daunting change is what you need to move past what's been and embrace what's going to be. Whether that's saying goodbye to old friends or saying hello to new friends, found family, and loves, embracing change will help you forget your past. From #1 New York Times bestselling author Sarah Dessen, here are two books about exploring emotions, forgiving

those who have wronged you, and learning to be better than you ever thought you could be.

**Latina** Heidi McLaughlin

"A considerable tour de force by any standard."

?New York Times Book Review"

*What I Know For Sure*

McGraw Hill Professional Experience

the poignant world of Here with Me by Heidi

McLaughlin, the first installment in the captivating

Archer Brothers series. In this emotionally charged romance novel, McLaughlin explores the power of love to heal wounds, the complexities of navigating grief, and the hope that blooms when second chances arise. Ryley Clarke has always understood the risks that come with being married to the military. With a childhood rooted in service, she knows firsthand the

sacrifices and heartaches that can arise. But when her world is shattered by the unthinkable, Ryley finds herself struggling to survive. Enter Nate, Evan's twin brother, who becomes her beacon of hope, helping her piece together the fragments of her shattered life. After six years on a special military mission, Evan Archer returns home to a devastating realization - the woman he loves, Ryley

Clarke, is now engaged to his own brother, Nate. Determined to uncover the truth and reclaim the love he thought he had lost, Evan finds himself entangled in a battle against time and his own emotions. As Nate is deployed, Evan must navigate a delicate path to win back Ryley's heart, even if it means confronting his own conflicted feelings. Here with Me is a spellbinding tale of love

and redemption that will keep you turning the pages.

ensures that  
Spanish is a  
good deal less  
unified than  
French,

<p>German or even English, the latter more or less internationally standardized according to either American or British norms. Until the 1960s, the criteria of internationally correct Spanish were dictated by the Real Academia Espanola, but the prestige of this institution has now sunk so low that its most solemn decrees are hardly taken seriously - witness the fate of the spelling reforms listed</p>	<p>in the Nuevas normas de prosodia y ortograjia, which were supposed to come into force in all Spanish-speaking countries in 1959 and, nearly forty years later, are still selectively ignored by publishers and literate persons everywhere. The fact is that in Spanish 'correctness' is nowadays decided, as it is in all living languages, by the consensus of native speakers; but</p>	<p>consensus about linguistic usage is obviously difficult to achieve between more than twenty independent, widely scattered and sometimes mutually hostile countries. Peninsular Spanish is itself in flux.</p> <p><i>Salsa</i></p> <p><i>Consciente</i></p> <p>McGraw Hill</p> <p>Professional</p> <p>THESE HABITS</p> <p>WILL MAKE</p> <p>YOU</p> <p>EXTRAORDINA</p> <p>RY. Twenty</p> <p>years ago,</p> <p>author</p> <p>Brendon</p> <p>Burchard</p>
---	--	--

became obsessed with answering three questions: 1. Why do some individuals and teams succeed more quickly than others and sustain that success over the long term? 2. Of those who pull it off, why are some miserable and others consistently happy on their journey? 3. What motivates people to reach for higher levels of success in the first place, and what practices help them improve

the most After extensive original research and a decade as the world's leading high performance coach, Burchard found the answers. It turns out that just six deliberate habits give you the edge. Anyone can practice these habits and, when they do, extraordinary things happen in their lives, relationships, and careers. Which habits can help you achieve long-term success and vibrant well-being no

matter your age, career, strengths, or personality? To become a high performer, you must seek clarity, generate energy, raise necessity, increase productivity, develop influence, and demonstrate courage. The art and science of how to do all this is what this book is about. Whether you want to get more done, lead others better, develop skill faster, or dramatically increase your

sense of joy and confidence, the habits in this book will help you achieve it faster. Each of the six habits is illustrated by powerful vignettes, cutting-edge

science, thought-provoking exercises, and real-world daily practices you can implement right now. If you've ever wanted a science-backed, heart-centered plan

to living a better quality of life, it's in your hands. Best of all, you can measure your progress. A link to a free professional assessment is included in the book.
