The death of Artemio Cruz Bloomsbury Publishing USA

Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world

of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

My Madder Fatter Diary HarperCollins

An atmospheric young adult novel from bestselling *The Shadow of the Wind* author Carlos Ruiz Zafón, translated from the original Spanish by acclaimed translator Lucia Graves. It's wartime, and the Carver family decides to leave the capital where they live and move to a small coastal village where they've recently bought a home. But from the minute they cross the threshold, strange things start to happen. In that mysterious house still lurks the spirit of Jacob, the previous owners' son, who died by drowning. With the help of their new friend Roland, Max and Alicia Carver begin to explore the strange circumstances of that death and discover the existence of a mysterious being called the Prince of Mist—a diabolical character who has returned from the shadows to collect on a debt from the past. Soon the three friends find themselves caught up in an adventure of sunken ships and an enchanted stone garden—an adventure that will change their lives forever.

RAE'S BACK! But now it's 1990. The Berlin wall is down and the Happy Mondays are up, really up, but the new decade's brought new mortifications for Rae Earl and she's Madder and FATTER than ever. About to enter the most important year of her life - her actual bloody A Level year - everyone expects her to concentrate on schoolwork but how can she when Haddock's backside is still a national treasure and revision at home is just NOT HAPPENING! It's hell outside the house too, if hell was in Stamford, Lincolnshire, and punishment for sins was a fiery eternity of awkwardness. In My Madder Fatter Diary, Rae reveals her real-life teenage diary once again, transporting us to a Britain instantly recognisable to those who remember Bryan Adams at the top of the charts and anybody who's been eighteen and agonisingly embarrassed by EVERYTHING. It's wet-your-knickers hilarious. It's blub-your-eyes-out sad. It's the touching, romantic, MAD, FAT story of what happened next.

Read the book that inspired the Choose Kind movement, a major motion picture, and the critically acclaimed graphic novel *White Bird*. And don't miss R.J. Palacio's highly anticipated new novel, *Pony*, available now! I won't describe what I look like. Whatever you're thinking, it's probably worse. August Pullman was born with a facial difference that, up until now, has prevented him from going to a mainstream school. Starting 5th grade at Beecher Prep, he wants nothing more than to be treated as an ordinary kid—but his new classmates can't get past

Auggie's extraordinary face. Beginning from Auggie's point of view and expanding to include his classmates, his sister, her boyfriend, and others, the perspectives converge to form a portrait of one community's struggle with empathy, compassion, and acceptance. In a world where bullying among young people is an epidemic, this is a refreshing new narrative full of heart and hope. R.J. Palacio has called her debut novel "a meditation on kindness" —indeed, every reader will come away with a greater appreciation for the simple courage of friendship. "An intense, eloquent, and appropriately furious memoir with the transporting beauty of classical music . . . The cumulative effect of the literary concert [Rhodes] gives in these pages is transcendence, both for him and for the reader." --Los Angeles Review of Books "A mesmeric combination of vivid, keen, obsessive precision and raw, urgent energy." --Zoe Williams, The Guardian James Rhodes's passion for music has been his lifeline--the thread that has held through a life encompassing abuse and turmoil. But whether listening to Rachmaninov on a loop as a traumatized teenager or discovering a Bach adagio while in a hospital ward, he survived his demons by encounters with musical miracles. These--along with a chance encounter with a stranger--inspired him to become the renowned concert pianist he is today. Instrumental is a memoir like no other: unapologetically candid, boldly outspoken, and surprisingly funny--shot through with a mordant wit, even in its darkest moments. A feature film adaptation of Rhodes's incredible story is now in development from Monumental Pictures and BBC Films, following a competitive bidding war involving major U.S. and U.K. companies. An impassioned tribute to the therapeutic powers of music, Instrumental also weaves in fascinating facts about how classical music actually works and about the extraordinary lives of some of the great composers. It explains why and how music has the potential to transform all of our lives.
