JEFFERSON ESTRELLA

Sadhguru, More Than a Life Simon and Schuster

"Shiva does not spell religion. Shiva spells responsibility -- our ability to take our very life process in our hands." -- Sadhguru 'Shi-va' is 'that which is not', a primordial emptiness; Shiva is also the first-ever yogi, Adiyogi, the one who first perceived this emptiness. Adiyogi is symbol and myth, historic figure and living presence, creator and destroyer, outlaw and ascetic, cosmic dancer and passionate lover, all at once. A book like no other, this extraordinary document is a tribute to Shiva, the Adiyogi, by a living yogi; a chronicle of the progenitor of mysticism by a contemporary mystic. Here science and philosophy merge

seamlessly, so do silence and sound, question and answer--to capture the unspeakable enigma of Adiyogi in a spellbinding wave of words and ideas that will leave one entranced, transformed.

Life and Death in One Breath Jaico Publishing House
Pete's father starts kneading the dough. Next, some oil is generously applied. (Its really water.) And then some tomatoes. (They're really checkers.) When the dough gets tickled, it laughs like crazy.

Moments of Truth Isha Foundation

An essential resource for anyone who has ever been called "too sensitive"—gain a deeper understanding of the what, why, and how of your natural intuitive abilities Do you struggle with small talk and prefer deep conversation? Are you extremely sensitive to other people's moods and feel exhausted after being in crowd?

Do people describe you as highly perceptive? If you've answered 'yes' to any of the above questions, you may be a Highly Intuitive Person—someone who is sensitive to the energies of others and experiences the world through the deeper senses. Also known as Intuitive-Sensitives and similar to Highly Sensitive People, Highly Intuitive People are said to make up 15-20% of the population. They are often described as being calm, caring, and extremely wise and 'knowing'. Based on Heidi Sawyer's years of experience as an intuitive mentor, *Highly Intuitive People* provides a roadmap for anyone who wants to understand their natural intuitive abilities—how they got them, what they're for, and how best to use them. Become one of the thousands of people who have benefited from Sawyer's revolutionary techniques and become a happier, more empowered Intuitive-Sensitive.

Pete's a Pizza Jaico Publishing House

"THERE ARE ONLY TWO TYPES OF PEOPLE: MYSTICS AND MISTAKES," says Sadhguru, leaving readers in no doubt of the category to which they belong! That sounds damning. But mistakes can thankfully be rectified. And that's the hope this book holds out to seekers. It reminds us that each one of us can make the journey—from confusion to clarity, from error to enlightenment, from self-deception to self-discovery—if only we choose.

Of Mystics & Mistakes HarperCollins UK

Mind is your Business For most people, the mind seems to be an unruly cacophony, attempting to grasp and shape everything which falls in its purview. In *mind is your business*, Sadhguru explains that only if we make it "our business" to transform this uncoordinated mess into a well - coordinated symphony, will we

able to use the mind, rather than be used by it. *Body the Greatest Gadget* BODY, THE GREATEST GADGET, is an introduction to the most sophisticated and incredible device on the planet. In the course of this book, Sadhguru explores the yogic physiology and the many subtle dimensions of the body. It is a first step on an intriguing and exciting journey that culminates in total mastery of the system, allowing us to stay rooted in the physical, and yet taste the beyond. Above all, the book is a glimpse of a possibility to live and function in a way that most human beings would consider superhuman. Sadhguru is a yogi and profound mystic of our times. An absolute clarity of perception places him in a unique space in not only matters spiritual but in business, environmental and international affairs, and opens a new door on all that he touches.

The Art and Science of Raja Yoga Inner Engineering

The *Flowers on the Path* series is a bouquet. It comprises articles created by Sadhguru for the *Speaking Tree* column of the *Times of India*. These articles have, for many years, brought daily infusions of beauty, humour, clarity and wisdom into lives abraded by mayhem and monotony. In pages devoted to the changing weather of the stock market and international affairs, these articles have brought readers moments of unexpected insight and stillness. Sadhguru's original thoughts, outspoken comments and references to current affairs have sometimes provoked controversy. But they have invariably added vitality and color to a national debate. Like flowers, these articles have

inspired and stimulated readers, wafting into their lives as a gentle fragrance on some mornings, and on others, startling them awake with fresh perspectives on age-old ideas and beliefs.

Mystic's Musings is a compilation of extracts from Sadhguru's discourses and talks. An intriguing look into the truth that lies at the core of existence, this book provokes readers to delve into spaces that are not for the faint-hearted, yet deftly guides us with answers about reality that transcend our fears, angers, hopes, and struggles. Sadhguru keeps us teetering on the edge of logic and captivates us with his answers to questions relating to life, death, rebirth, suffering, karma, and the journey of the Self.

Midnights with the Mystic Jaico Publishing House

The New York Times bestselling author of *The Element* gives readers an inspirational and practical guide to self-improvement, happiness, creativity, and personal transformation. *You, Your Child, and School* is forthcoming from Viking. Sir Ken Robinson's TED talk video and groundbreaking book, *The Element*, introduced readers to a new concept of self-fulfillment through the convergence of natural talents and personal passions. *The Element* has inspired readers all over the world and has created for Robinson an intensely devoted following. Now comes the long-awaited companion, the practical guide that helps people find their own Element. Among the questions that this new book answers are: • How do I find out what my talents and passions are? • What if I love something I'm not good at? • What if I'm good at something I don't love? • What if I can't make a living from my Element? • How do I do help my children find their Element? *Finding Your Element* comes at a critical time as

concerns about the economy, education and the environment continue to grow. The need to connect to our personal talents and passions has never been greater. As Robinson writes in his introduction, wherever you are, whatever you do, and no matter how old you are, if you're searching for your Element, this book is for you.

Body the Greatest Gadget Isha Foundation

"It is often said that education and training are the keys to the future. They are, but a key can be turned in two directions. Turn it one way and you lock resources away, even from those they belong to. Turn it the other way and you release resources and give people back to themselves. To realize our true creative potential—in our organizations, in our schools and in our communities—we need to think differently about ourselves and to act differently towards each other. We must learn to be creative."

—Ken Robinson *PRAISE FOR OUT OF OUR MINDS* "Ken Robinson writes brilliantly about the different ways in which creativity is undervalued and ignored . . . especially in our educational systems." —John Cleese "Out of Our Minds explains why being creative in today's world is a vital necessity. This book is not to be missed." —Ken Blanchard, co-author of *The One-minute Manager* and *The Secret* "If ever there was a time when creativity was necessary for the survival and growth of any organization, it is now. This book, more than any other I know, provides important insights on how leaders can evoke and sustain those creative juices." —Warren Bennis, Distinguished Professor of Business, University of Southern California; Thomas S. Murphy Distinguished Research Fellow, Harvard Business School; Best-selling Author, *Geeks and Geezers* "All corporate leaders should

read this book." —Richard Scase, Author and Business Forecaster
 "This really is a remarkable book. It does for human resources what Rachel Carson's *Silent Spring* did for the environment."

—Wally Olins, Founder, Wolff-olins "Books about creativity are not always creative. Ken Robinson's is a welcome exception" —Mihaly Csikszentmihalyi, c.s. and d.j. Davidson Professor of Psychology, Claremont Graduate University; Director, Quality of Life Research Center; Best-selling Author, *Flow* "The best analysis I've seen of the disjunction between the kinds of intelligence that we have traditionally honored in schools and the kinds of creativity that we need today in our organizations and our society." —Howard Gardner, a. hobbs professor in cognition and education, Harvard Graduate School of Education, Best-selling Author, *Frames of Mind*

Adiyogi HarperCollins Publishers India

Since the 1960s, yoga has become a billion-dollar industry in the West, attracting housewives and hipsters, New Agers and the old-aged. But our modern conception of yoga derives much from nineteenth-century European spirituality, and the true story of yoga's origins in South Asia is far richer, stranger, and more entertaining than most of us realize. To uncover this history, David Gordon White focuses on yoga's practitioners. Combing through millennia of South Asia's vast and diverse literature, he discovers that yogis are usually portrayed as wonder-workers or sorcerers who use their dangerous supernatural abilities—which can include raising the dead, possession, and levitation—to acquire power, wealth, and sexual gratification. As White shows, even those yogis who aren't downright villainous bear little resemblance to Western assumptions about them. At turns

rollicking and sophisticated, *Sinister Yogis* tears down the image of yogis as detached, contemplative teachers, finally placing them in their proper context.

Highly Intuitive People Icon Books

In modern societies, enhancing the quality of our life has become one of our main objectives. In this pursuit, we tend to emphasize on enhancing external situations, our job, business, family and the abounding accumulation of material things; in spite of all the efforts, our personal and professional lives are too often painfully lacking happiness and fulfillment. In this volume, Sadhguru shifts our focus to the inside, pointing out a way to establish a true sense of inner peace and wellbeing by applying "Inner Management."

Encounter the Enlightened (eBook) Penguin Ananda

"Ambition is about more, vision is about all." - Sadhguru Being ambitious has always been seen as an advantage. But a century's worth of human ambitions has resulted in uncountable tragedies and wars, and brought the environment to a point of collapse. Only when ambition is guided by a vision for wellbeing, can our activity become a powerful possibility to create our destiny and touch the lives of everyone around us. This book offers tangible first steps towards the ultimate plan of action - to understand every aspect of our creation and existence, and make ourselves the way we want. And with individual transformation comes universal transformation, opening up a whole new world once we take that step from ambition to vision.

Inner Engineering Penguin

'Eternal Echoes' is an anthology of poems penned by Sadhguru. Expertly expressing love, devotion, longing, struggle, seeking and

bliss – Sadhguru’s poems are a true portrayal of the many facets of the master. Each poem is illustrated by a carefully chosen picture of the master himself, accentuating the mood of the poem.

Don’t Polish Your Ignorance ...It May Shine Jaico Publishing House

An absolute clarity of perception places him in a unique space in not only matters spiritual but in business, environmental and international affairs, and opens a new door on all that he touches.

The Journey Home Penguin UK

The story of one man’s journey from his youth in suburban Chicago to an adult in spiritual India and a world of mystics, yogis, and gurus. Within this extraordinary memoir, Radhanath Swami weaves a colorful tapestry of adventure, mysticism, and love. Readers follow Richard Slavin from the suburbs of Chicago to the caves of the Himalayas as he transforms from young seeker to renowned spiritual guide. The Journey Home is an intimate account of the steps to self-awareness and also a penetrating glimpse into the heart of mystic traditions and the challenges that all souls must face on the road to inner harmony and a union with the Divine. Through near-death encounters, apprenticeships with advanced yogis, and years of travel along

the pilgrim’s path, Radhanath Swami eventually reaches the inner sanctum of India’s mystic culture and finds the love he has been seeking. It is a tale told with rare candor, immersing the reader in a journey that is at once engaging, humorous, and heartwarming. Praise for The Journey Home “Here is an inspiring chapter of “our story” of spiritual pilgrimage to the East. It shows the inner journey of awakening in a fascinating and spellbinding way.” —Ram Dass, author, Be Here Now “He tells his story with remarkable honesty—the temptations of the 1970s, his doubts, hopes, and disappointments, the culture shock, and the friendships found and lost . . . Add a zest of danger, suspense, and surprise, and Radhanath Swami’s story is a deep, genuine memoir that reads like a novel.” —Brigitte Sion, assistant professor of Religious Studies, New York University

The Element Jaico Publishing House

For ages, most of humanity has placed “life” and “death” at two ends of the existential spectrum – favoring one, fearing the other and continuously floundering between the two. Only when someone who has consciously traversed between both life and death offers to articulate some aspects of it, does humanity get a glimpse of what lies beyond the horizon of its normal perception. With his extraordinary insights, coming from a profound inner experience, Sadhguru reveals that life and death are, in fact, two sides of the same coin. It is only by embracing both that we can break the shackles of our selfmade struggles and be set free. In his own words, he says: “Death is a cosmic joke. If you get the joke, when you fall on the other side, it will be wonderful. If you don’t get the joke, when you are here you fear the other side, and when the other side comes, you just don’t know what it is

about. If death becomes a laughing matter in your life, life becomes an utterly effortless process – there is no need to restrain yourself in the process of life; you can live your life absolutely, totally.” “The distance between your life and death is just one breath, isn’t it?” – Sadhguru

Quantum Economics Isha Foundation

Joy 24x7 is a very simple but unusual exploration of Joy. There is no religion in this book. There are no rituals prescribed here. There is no deep meditation being described here and neither is there any mention to any spiritual practice. This is not a guidebook. This is not a “self-help” book. It is not going to give you “an instant formula for joy”. But it will surely make you explore your Joy for yourself in a very direct way. The simple, short snippets of daily lives connected with what Sadhguru has to say about Joy, will take you on a wonderful roller coaster ride on Joy with the Master himself. With Sadhguru’s incredible clarity of expression, his brilliant wit and sense of observation, his ability to bring the most profound aspect in a very simple and direct way, this book is for any human being who seeks to be Joyful. No matter who you are, what you are trying to do, Sadhguru’s words will touch a wonderful wave of Joy inside you and you will soon be restless to seek Joy 24x7.

Essential Wisdom From A Spiritual Master John Wiley & Sons
Every year, a group of Isha meditators sets out on a tour of the Himalayas. Accompanying them on this journey is Sadhguru – a spiritual master considered by many to be one of the foremost living yogis on the planet. This is a book for those who stayed behind. It is a chance to make a pilgrimage on the page, travelling through the unpredictable but fascinating terrain of the master’s words. Amalgamating discourses and conversations from several yatras, it is a blend of the specific and the timeless. This book is not just about the Himalayas. And yet, the book would never have happened without the Himalayas. The mountains play a vital role in the text, alternately as context and catalyst, mood and metaphor. Without them, some of the questions in this book would never have been asked. Even if they sometimes seem tangential to the line of enquiry, they remain a powerful subterranean presence, eventually becoming the very bedrock of this book.
