HARVEY HOLMES

Dude, You're a Fag W. W. Norton & Company
 Hollywood, Interrupted is a sometimes frightening, occasionally sad, and frequently hysterical odyssey into the darkest realms of showbiz pathology, the endless stream of meltdowns and flameouts, and the inexplicable behavior on the part of show business personalities. Charting celebrities from rehab to retox, to jails, cults, institutions, near-death experiences and the Democratic Party, Hollywood, Interrupted takes readers on a surreal field trip into the amoral belly of the entertainment industry. Each chapter — covering topics including warped Hollywood child-rearing, bad medicine,

hypocritical political maneuvering and the complicit media — delivers a meticulously researched, interview-infused, attitude heavy dispatch which analyzes and deconstructs the myths created by the celebrities themselves. Celebrities somehow believe that it's their god-given right to inflict their pathology on the rest of us. Hollywood, Interrupted illustrates how these dysfunctional dilettantes are mad as hell... And we're not going to take it any more.

The Wisconsin Agriculturist New Acdemia+ORM

A laugh-out-loud cozy paranormal mystery. Evangeline Winther accepts that she is a witch... but is she a capable one? Eh, not so much. She can't control her powers. She can't cast a spell. And—let down of a lifetime—no one rides a broom. But she does have the love of her hot

mechanic and her ever faithful—if somewhat annoying—cat. Things are looking up. Until someone runs her off the road. Now she must figure out who—or what—is trying to kill her.

Saving Sunflower Rochester, N.Y. : Scrantom, Wetmore

There are many reasons why this is the number one selling Western Civilization text in the country. The clear, single-author narrative by Jackson Spielvogel presents history in an appealing and accessible manner. This text truly tells a story that students will understand. WESTERN CIVILIZATION strikes a true balance and provides a synthesis of political, economic, social, religious, military, cultural, and intellectual history. This balance gives students a solid foundation for further study in history. Chapter 29, The Contemporary Western

World Since 1970 is a particularly good illustration of the text's balance. The book's documents and maps are useful and superb.

Hell's Angels Ballantine Books

From Bing Crosby's early days in college minstrel shows and vaudeville, to his first hit recordings, from his 11 year triumph as star of America's most popular radio show, to his first success in Hollywood, Gary Giddins provides a detailed study of the rise of this American star.

Ceremony of Innocence McFarland

"This fascinating collection of interviews is 'must reading' for anyone interested in the cultural politics of race in America. A unique historical resource." —Denise

Youngblood, author of *Cinematic Cold War*

This book pays tribute to the sacrifices and

achievements of seven individuals who

made difficult and controversial choices to

ensure that black Americans shared in the

evolution of the nation's cultural heritage.

Transcriptions and analyses of never-

before-published uncensored

conversations with Lorenzo Tucker, Lillian

Gish, King Vidor, Clarence Muse, Woody

Strode, Charles Gordone, and Frederick

Douglass O'Neal reveal many of the

reasons and rationalizations behind a

racist screen imagery in the first three-

quarters of the twentieth century. This

primary source, replete with pictures,

documentation, and extensive

annotations, recounts through the words

of important participants what happened

to many film pioneers when a new

generation of African-Americans rebelled

against the nation's stereotyped film

imagery. "The author has taken a unique

approach and may have even created a

new genre of writing: the interview

embellished with scholarly commentary. It

is a fascinating experiment . . . This book

belongs in every research library and in all

public libraries from mid-size to large

cities. It fills in lacunae between existing

studies." —Peter C. Rollins, Emeritus

Editor-in-Chief of *Film & History*

Witchful Thinking Simon and Schuster

"This is LIFE, people! You've got air coming

through your nose! You've got a

heartbeat! That means it's time to do

something!" announces Kid President in

his book, *Kid President's Guide to Being*

Awesome. From YouTube sensation (75

million views and counting!) to Hub

Network summer series star, Kid

President—ten-year-old Robby Novak—and

his videos have inspired millions to dance

more, to celebrate life, and to throw

spontaneous parades. In his *Guide to*

Being Awesome, Kid President pulls

together lists of awesome ideas to help

the world, awesome interviews with his

awesome celebrity friends (he has interviewed Beyoncé!), and a step-by-step guide to make pretty much everything a little bit awesomer. Grab a corn dog and settle in to your favorite comfy chair.

Pretend it's your birthday! (In fact, treat

everyone like it's THEIR birthday!) Kid

President is here with a 240-page, full-

color *Guide to Being Awesome* that'll

spread love and inspire the world.

Portland Transcript Kehrer Verlag

Draws on eighteen months of research in a

racially diverse working-class high school

to explore the meaning of masculinity and

the social practices associated with it,

discussing how homophobia is used to

enforce gender conformity.

Gay American Novels, 1870-1970

It's time to diversify your reading list. This

richly illustrated and vastly inclusive

collection uplifts the works of authors who

are often underrepresented in the literary

world. Using their keen knowledge and

deep love for all things literary, coauthors

Jamise Harper (founder of the *Diverse*

Spines book community) and Jane Mount

(author of *Bibliophile*) collaborated to

create an essential volume filled with

treasures for every reader: • Dozens of

themed illustrated book stacks—like

Classics, *Contemporary Fiction*, *Mysteries*,

Cookbooks, and more—all with an

emphasis on authors of color and own

voices • A look inside beloved bookstores

owned by Black, Indigenous, and People of

Color • Reading recommendations from

leading BIPOC literary influencers

Diversify your reading list to expand your

world and shift your perspective. Kickstart

your next literary adventure now! **EASY TO GIFT:**

This portable guide is packed with more

than 150 colorful illustrations is a perfect

gift for any booklover. The textured paper

cover, gold foil, and ribbon marker make

this book a special gift or self-purchase.

DISCOVER UNSUNG LITERARY HEROES:

The authors dive deep into a wide variety

of genres, such as *Contemporary Fiction*,

Classics, *Young Adult*, *Sci-Fi*, and more to

bring the works of authors of color to the

fore. **ENDLESS READING INSPIRATION:**

Themed book stacks and reading

suggestions from luminaries of the literary

world provide curated book

recommendations. Your to-read list will

thank you. Perfect for: bookish people;

literary lovers; book club members;

Mother's Day shoppers; stocking stuffers;

followers of #DiverseSpines; Jane Mount

and *Ideal Bookshelf* fans; Reese's Book

Club and *Oprah's Book Club* followers;

ReadHowYouWant.com

No one raises an eyebrow if you suggest

that a guy who arranges his furniture just

so, rolls his eyes in exaggerated disbelief,

likes techno music or show tunes, and

knows all of Bette Davis's best lines by

heart might, just possibly, be gay. But if

you assert that male homosexuality is a

cultural practice, expressive of a unique

subjectivity and a distinctive relation to

mainstream society, people will

immediately protest. Such an idea, they

will say, is just a stereotype-ridiculously

simplistic, politically irresponsible, and

morally suspect. The world acknowledges

gay male culture as a fact but denies it as

a truth. David Halperin, a pioneer of

LGBTQ studies, dares to suggest that

gayness is a specific way of being that gay

men must learn from one another in order

to become who they are. Inspired by the

notorious undergraduate course of the

same title that Halperin taught at the

University of Michigan, provoking cries of

outrage from both the right-wing media

and the gay press, *How To Be Gay* traces

gay men's cultural difference to the social

meaning of style. Far from being deterred

by stereotypes, Halperin concludes that

the genius of gay culture resides in some

of its most despised features: its

aestheticism, snobbery, melodrama,

adoration of glamour, caricatures of

women, and obsession with mothers. The

insights, impertinence, and unfazed critical

intelligence displayed by gay culture,

Halperin argues, have much to offer the

heterosexual mainstream.

Wizard Independently Published

The gay male world today is characterized

by seductive beauty, artful creativity,

flamboyant sexuality, and, encouragingly,

unprecedented acceptability in society.

Yet despite the progress of the recent

past, gay men still find themselves asking,

"Are we really better off?" The inevitable byproduct of growing up gay in a straight world continues to be the internalization of shame, a shame gay men may strive to obscure with a facade of beauty, creativity, or material success. Drawing on contemporary psychological research, the author's own journey to be free of anger and of shame, as well as the stories of many of his friends and clients, *The Velvet Rage* outlines the three distinct stages to emotional well-being for gay men. Offering profoundly beneficial strategies to stop the insidious cycle of avoidance and self-defeating behavior, *The Velvet Rage* is an empowering book that will influence the public discourse on gay culture, and positively change the lives of gay men who read it.

Western Civilization Harper Collins
Examining the development of gay American fiction and providing an essential reading list, this literary survey covers 257 works--novels, novellas, a graphic story cycle and a narrative poem--in which gay and bisexual male characters play a major role. Iconic works, such as James Baldwin's *Giovanni's Room* and Christopher Isherwood's *A Single Man*, are included, along with titles not given attention by earlier surveys, such as Wallace Thurman's *Infants of the Spring*, Dashiell Hammett's *The Maltese Falcon*, Julian Green's *Each in His Darkness*, Ursula Zilinsky's *Middle Ground* and David Plante's *The Ghost of Henry James*. Chronological entries discuss each work's plot, significance for gay identity, and publication history, along with a brief biography of the author.

Nuanced view into the complexities of aging as a transgender person
The Black Book and Schwambrania Back Bay Books
Spice up the marriage? Crossdressing? Feminization? A loving couple's sex life begins to dwindle and the woman introduces lingerie for her man to wear, sparking their sex life once more. She thinks if a little is good and makes him happy then a lot is better, and the hot wife buys the book, "Feminizing Men - A Guide for Males to Achieve Maximum Feminization," by Barbara Deloto and Thomas Newgen. Enter a new world. The feminized husband feminizes himself for his wife as a favor to her for a week long stay-cation and they follow the guide and develop his feminine aspects. Quickly, even though he still is sure he will become a man again after the stay-cation, he looks at life very differently. In less than a week, the feminization turns their lives into something most would never reach.

Cuckolding, sex toys, a transvestite-crossdressing husband, an incredible sex life for the wife and a sissy catering to everyone's needs. The hot wife's life is enhanced by the efforts of her feminized husband in ways she could only fantasize about previously. Her ex-male, now in a male chastity cage, finds ways to satisfy the woman he loves and gives his hot wife gifts she never would have imagined. What would happen if a loving couple decided to feminize the male? Would the feminized man no longer be a man? After a few short days crossdressing as a woman, and being feminized, would he be able to turn back time and become a man again, or would he become addicted to the alluring aspects of being feminized, giving him new sensations, intriguing challenges, and womanly desires to which he was previously unaware along with a new point of view on his hot wife's situation. Experience this erotic tale as you become enveloped in the story of what happened to this feminized male and his hot wife. Does she end up cuckolding the feminized male? Do they stay married and have a better life, or do they part ways? What gifts can a feminized man possibly give to a woman? Can he resist the lure of feminization, return to his old male self and try to be a real man, or is he forever destined to crossdressing as a woman and increasing his feminization until he becomes a shemale? Does he end up as a sissy and not a real man, or is he able to return to masculinity after his hot wife has introduced him to feminization and he's been immersed in the experience. A quick read to immerse you with 18,000 words and 68 pages of feminized male, hot wife, cuckold, crossdressing, sissy fiction. Start now on this highly erotic triple xxx rated, adult, crossdressing, tranny, cuckold, feminization fantasy.

Hollywood, Interrupted SCB Distributors
What we can learn about human nature from the informative, manipulative, confusing, and amusing messages at the bottom of the web. Online comment can be informative or misleading, entertaining or maddening. Haters and manipulators often seem to monopolize the conversation. Some comments are off-topic, or even topic-less. In this book, Joseph Reagle urges us to read the comments. Conversations "on the bottom half of the Internet," he argues, can tell us much about human nature and social behavior. Reagle visits communities of Amazon reviewers, fan fiction authors, online learners, scammers, freethinkers, and mean kids. He shows how comment can inform us (through reviews), improve us (through feedback), manipulate us

(through fakery), alienate us (through hate), shape us (through social comparison), and perplex us. He finds pre-Internet historical antecedents of online comment in Michelin stars, professional criticism, and the wisdom of crowds. He discusses the techniques of online fakery (distinguishing makers, fakers, and takers), describes the emotional work of receiving and giving feedback, and examines the culture of trolls and haters, bullying, and misogyny. He considers the way comment—a nonstop stream of social quantification and ranking—affects our self-esteem and well-being. And he examines how comment is puzzling—short and asynchronous, these messages can be slap-dash, confusing, amusing, revealing, and weird, shedding context in their passage through the Internet, prompting readers to comment in turn, "WTF?!?" [my heart belongs](#) Wadsworth Publishing Company

"A tongue-in-cheek advice book from one of the most famous unemployed millennials in Manhattan and founder of the Instagram account *Girl With No Job*"--*Rochester* Harvard University Press
Published in 1993, this brave, original novel is considered to be the finest account ever written of the complexities of a transgendered existence. Woman or man? That's the question that rages like a storm around Jess Goldberg, clouding her life and her identity. Growing up differently gendered in a blue-collar town in the 1950s, coming out as a butch in the bars and factories of the pre-feminist 60s, deciding to pass as a man in order to survive when she is left without work or a community in the early 70s. This powerful, provocative and deeply moving novel sees Jess coming full circle, she learns to accept the complexities of being a transgendered person in a world demanding simple explanations: a he-she emerging whole, weathering the turbulence.

The Cultivator & Country Gentleman Da Capo Lifelong Books
Dominic DeBlanc is a wayward street hustler and part-time rapper constantly running from a past that haunts him. With a bleak outlook on life, he finds himself teetering between two worlds—a seedy one where he's not guaranteed to see his twenty-second birthday and a promising one that might bring him recognition for his talent. After a chance encounter with a peculiar waitress, he finds himself engulfed in a friendship he never knew he needed. However, his complex life and reckless decisions challenge their already complicated bond.

Liberty MIT Press
A fully revised and updated edition to a

classic bestseller, *The Macho Paradox* is the first book to show how violence against women is a men's issue—and how all genders can come together to stop it. From the #MeToo movement to current discussions about gender norms in schools, sports, politics, and media culture, *The Macho Paradox* incorporates the voices and experiences of the women, men, and others who have confronted the problem of gender violence from all angles. Bestselling author Jackson Katz is a pioneering educator and activist on the topic of men's violence against women. In this revised edition of his heralded book, Katz outlines the ways in which cultural ideas about "manhood" contribute to men's sexually harassing and abusive behaviors and that men have a positive role to play in challenging and changing the sexist cultural norms that too often

lead to gender violence. This important book for abused women covers topics ranging from mental and emotional abuse to sexual harassment to domestic violence and is a vital read for women with controlling partners or as a self-help book for men. Praise for *The Macho Paradox*: "A candid look at the cultural factors that lend themselves to tolerance of abuse and violence against women."—Booklist "If only men would read Katz's book, it could serve as a potent form of male consciousness-raising."—Publishers Weekly "These pages will empower both men and women to end the scourge of male violence and abuse. Katz knows how to cut to the core of the issues, demonstrating undeniably that stopping the degradation of women should be every man's priority."—Lundy Bancroft, author of

Why Does He Do That?: Inside the Minds of Angry and Controlling Men

The Good Earth Univ of California Press
 Certain lines define a movie. Marlene Dietrich in *Morocco*: "Anyone who has faith in me is a sucker." Too, there are lines that fit actor and character. Mae West in *I'm No Angel*: "I'm very quick in a slow way." Jane Fonda in *California Suite*: "Fit? You think I look fit? What an awful shit you are. I look gorgeous." From the classics to the grade-B slasher movies, over 11,000 quotes are arranged by over 900 subjects, like accidents, double entendres, eyes (and other body parts!), ice cream, luggage, parasites, and ugliness. Each quote gives the movie title, production company, year of release, speaker of the line, and, when appropriate, a comment putting the quote in context.
