A warm summer novel
about a community
banding together in the
wake of a tornado, perfect
for fans of Lynda Mullaly
Hunt, Kate Messner, and
Jeanne Birdsall. The night
of the sixth-grade dance
is supposed to be perfect
for Maddie: she'll wear
her perfect new dress, hit
the dance floor with her
friends, and her crush,
Avery, will ask her to
dance. But as the first
slow song starts to play,
her plans crumble. Avery
asks someone else to
dance instead—and then
the power goes out.
Huddled in the gym,
Maddie and her friends
are stunned to hear that a
tornado has ripped
through the other side of
town, destroying both
Maddie's and Avery's
homes. Kind neighbors
open up their home to
Maddie's and Avery's
families, which both
excites and horrifies
Maddie. Sharing the same

house . . . with Avery? For the entire summer? While it buys her some time to prove that Avery made the wrong choice at the dance, it also means he'll be there to witness her morning breath and her annoying little brother. At the dance, all she wanted was to be more grown-up. Now that she has no choice, is she really ready for it? Praise for *14 Hollow Road: A Kansas National Education Association Reading Circle Selection* "Bishop nails the tween voice: Maddie is a realistic heroine who deals with typical middle-grade problems amidst disaster, and she navigates upheavals with occasional grace and more frequent missteps."--Booklist "The emotional impact of this coming-of-age novel lies in its sensitive exploration of Maddie's changing friendships in the transition from elementary school to junior high...Readers going through the messy transition into adolescence will find hope in the newly strengthened friendships with which Maddie enters seventh grade."--The Bulletin "The hopeful tone and conversational writing style make this an accessible read."--SLJ "This gorgeous summer

tale will hit the spot with fans of *The Penderwicks* by Jeanne Birdsall and *Gertie's Leap to Greatness* by Kate Beasley." —Erin E. Moulton, author of *Flutter and Keepers of the Labyrinth*

The Bishop's Daughter:

A Memoir Central European University Press This groundbreaking study brings into dialogue for the first time the writings of Julian, the last non-Christian Roman Emperor, and his most outspoken critic, Bishop Gregory of Nazianzus, a central figure of Christianity. Susanna Elm compares these two men not to draw out the obvious contrast between the Church and the Emperor's neo-Paganism, but rather to find their common intellectual and social grounding. Her insightful analysis, supplemented by her magisterial command of sources, demonstrates the ways in which both men were part of the same dialectical whole. Elm recasts both Julian and Gregory as men entirely of their times, showing how the Roman Empire in fact provided Christianity with the ideological and social matrix without which its longevity and dynamism

would have been inconceivable.

A Children's Book on Bishop Richard Allen Scholastic Inc.

This book investigates how bishops deployed reward and punishment to control their administrative subordinates in thirteenth-century England. Bishops had few effective avenues available to them for disciplining their clerks, and rarely pursued them, preferring to secure their service and loyalty through rewards. The chief reward was the benefice, often granted for life. Episcopal administrators' security of tenure in these benefices, however, made them free agents, allowing them to transfer from diocese to diocese or even leave administration altogether; they did not constitute a standing episcopal civil service. This tenuous bureaucratic relationship made the personal relationship between bishop and clerk more important. Ultimately, many bishops communicated in terms of friendship with their administrators, who responded with expressions of devotion. Michael Burger's study brings together

ecclesiastical, social, legal, and cultural history, producing the first synoptic study of thirteenth-century English diocesan administration in decades. His research provides an ecclesiastical counterpoint to numerous studies of bastard feudalism in secular contexts.

The Bishop's Pawn continues renowned New York Times top 5 bestseller Steve Berry's Cotton Malone series with another riveting, history-based thriller. History notes that the ugly feud between J. Edgar Hoover and Martin Luther King, Jr., marked by years of illegal surveillance and the accumulation of secret files, ended on April 4, 1968 when King was assassinated by James Earl Ray. But that may not have been the case. Now, fifty years later, former Justice

Department agent, Cotton Malone, must reckon with the truth of what really happened that fateful day in Memphis. It all turns on an incident from eighteen years ago, when Malone, as a young Navy lawyer, is trying hard not to live up to his burgeoning reputation as a maverick. When Stephanie Nelle, a high-level Justice Department lawyer, enlists him to help with an investigation, he jumps at the opportunity. But he soon discovers that two opposing forces—the Justice Department and the FBI—are at war over a rare coin and a cadre of secret files containing explosive revelations about the King assassination, information that could ruin innocent lives and threaten the legacy of the civil rights movement's greatest martyr. Malone's decision to see it through to the end—from the raucous bars of Mexico, to the clear waters of the Dry Tortugas, and ultimately into the halls of power within Washington D.C. itself—not only changes his own life, but the course of history. Steve Berry always mines the lost riches of history—in *The Bishop's Pawn* he imagines a gripping, provocative thriller about

an American icon.

Father Duncan MacAskill has spent most of his priesthood as the "Exorcist"—an enforcer employed by his bishop to discipline wayward priests and suppress potential scandal. He knows all of the devious ways that lonely priests persuade themselves that their needs trump their vows, but he's about to be sorely tested himself. While sequestered by his bishop in a small rural parish to avoid an impending public controversy, Duncan must confront the consequences of past cover-ups and the suppression of his own human needs. Pushed to the breaking point by loneliness, tragedy, and sudden self-knowledge, Duncan discovers how hidden obsessions and guilty secrets either find their way to the light of understanding or poison any chance we have for love and spiritual peace. "In this profound memoir, Mary Carter Bishop takes an openhearted and unflinching look at a family history that is equal parts love story and requiem for a brother she barely knew. Bishop turns her formidable investigative journalism skills inward to unearth long-simmering class and culture divides in bucolic rural Virginia."--Beth Macy
From a prizewinning journalist, Mary Carter Bishop, a moving and beautifully rendered memoir about the half-brother she didn't know existed that hauntingly explores family, class, secrets, and fate. Applying for a passport as an adult, Mary Carter Bishop made a shocking discovery. She had a secret half-brother. Her mother, a farm manager's wife on a country estate, told Mary Carter the abandoned boy was a youthful "mistake" from

an encounter with a married man. There'd been a home for unwed mothers; foster parents; an orphanage. Nine years later, Mary Carter tracked Ronnie down at the barbershop where he worked, and found a near-broken man—someone kind, and happy to meet her, but someone also deeply and irreversibly damaged by a life of neglect and abuse at the hands of an uncaring system. He was also disfigured because of a rare medical condition that would eventually kill him, three years after their reunion. During that window, Mary Carter grew close to Ronnie, and as she learned more about him she became consumed by his story. How had Ronnie's life gone so wrong when hers had gone so well? How could she reconcile the doting, generous mother she knew with a woman who could not bring herself to acknowledge her own son? Digging deep into her family's lives for understanding, Mary Carter unfolds a sweeping story of religious intolerance, poverty, fear, ambition, class, and social expectations. *Don't You Ever* is a modern Dickensian tale about a

child seemingly cursed from birth; a woman shattered by guilt; a husband plagued by self-doubt; a prodigal daughter whose innocence was cruelly snatched away—all living in genteel central Virginia, a world defined by extremes of rural poverty and fabulous wealth. A riveting memoir about a family haunted by a shameful secret, *Don't You Ever* is a powerful story of a woman's search for her long-hidden sibling, and the factors that profoundly impact our individual destinies. *Before Dallas* Bantam Scandal rocks Amish Clan: Murder, Sexual Depravity . Forget the images of 19th century farmers, close-knit families and hard-working craftsmen immune to the stresses of our modern times. The Amish find themselves facing ever-greater scrutiny as reports of polio outbreaks, child abuse, rape, incest, and bestiality grab the headlines. Once the symbol of better, simpler times, the closeted world of the Amish is now in the spotlight and at the center of growing controversies. Chris Burkholder, the son of an Amish bishop, has shattered the silence. At

the cost of being excommunicated and ostracized by his own father, Chris reveals what it is like to grow up in a world where brainwashing, terrifying violence and sexual depravity are commonplace. In *Amish Confidential* Chris Burkholder shares his harrowing tale of abuse and reasons that compelled him to leave his family and faith in search of a new life among the "sinful and condemned world" of the rest of us Americans. *The Ecclesiastical Legal Guide to Archbishops, Bishops and Their Secretaries, the Clergy ... &c. With Forms of the Different Instruments, and Particulars of the Ceremonies ... and Cases and Opinions from Eminent Counsel ... Carefully Selected and Arranged by a Barrister, Etc. Pt. 1* Zondervan *The Beekeeper's Son* Sometimes it takes a barren landscape to see the beauty of Gott's creation. Phineas King knows better than to expect anything but shock and pity wherever he shows his face. Horribly scarred from the tragic accident that claimed his mother's life, he chooses to keep his distance from

everyone, focusing his time and energy on the bees his family raises. If no one sees him, no one can judge him. So why does he start finding excuses to seek out Deborah Lantz, the beautiful new arrival in town? Deborah can't get out of Bee County, Texas, soon enough. Once her mother and younger siblings are settled, she is on the first bus out of this dusty town. She is only waiting on the letter from Aaron, asking her to return to lush Tennessee to be his fraa. But that letter never comes. As she spends time getting to know Phineas—hoping to uncover the man beneath the scars—she begins to realize that she no longer minds that Aaron hasn't sent for her. As both Deborah and Phineas try to come to terms with lives that haven't turned out the way they imagined, they discover that perhaps Gott's plans for them are more extraordinary than they could have dreamed. But they need to let go of their own past sorrows and disappointments to find the joy and beauty that lies just ahead for them both. The Bishop's Son Two men offer Leila two very different futures. Will she choose with her

heart or with her faith? Leila Lantz has been in love with Jesse Glick from the day she first saw him at his father's store, but she can't make sense of his intentions. One day he wants to come courting, the next he seems to be putting distance between them. Jesse may be the bishop's son, but his faith has been wavering of late. If he is so unsure, is it fair to give Leila false hope for a future he doubts he can provide? Then there's Will, Jesse's cousin. He has been trying to keep his feelings for Leila a secret, but he also knows Jesse is wrestling with his faith. Would declaring his feelings for Leila be in her best interest or simply serving his own selfish desires? Leila knows she can choose Will and be secure in her own future. But when her heart speaks, it's Jesse's name she hears. When will God make His will known to her? Could leaving everything she knows—even her own faith—be a part of God's plan? The Saddle Maker's Son Rebekah Lantz feels imprisoned by circumstances she didn't create. Tobias Byler is haunted by regret. Can two young runaways from half a world away teach them the healing power of

true family? Rebekah isn't like her sister, but the watchful gaze of her family and small, close knit Amish community makes her feel as if she's been judged and found lacking. The men avoid her and the women whisper behind her back. She simply longs for the same chance to be a wife and mother that her friends have. Tobias Byler only wants to escape feelings for a woman he knows he should never have allowed to get close to him. Moving with his family to isolated Bee County, Texas, seemed the best way to leave his mistakes behind. But even a move across the country can't erase the past that accompanies his every thought. A surprise encounter with two half-starved runaway children forces both Rebekah and Tobias to turn to each other to help a sister and brother who have traveled thousands of miles in search of lives of unfettered peace and joy. In doing so, Rebekah and Tobias discover the key to forgetting the past is the one that will open the door to love and the future they both seek.
