Dictionary of the English and German Languages for Home and School: German-English rouven-finn Verlag

All that Dora Riley wants is her husband home safe for Christmas... The Nightingale Hospital, London, 1944: With her husband Nick away fighting, Dora struggles to keep the home fires burning and is put in charge of a ward full of German prisoners of war. Can she find it in her heart to care for her enemies? Fellow nurse Kitty thinks she might be falling for a German soldier, whilst Dora's old friend Helen returns from Europe with a dark secret. Can the women overcome their prejudices and the troubles of their past to do their duty for their country?

The dictionary is based on a new concept which takes into account recent developments and findings in lexicographical research. It combines the best features of monolingual and bilingual dictionaries as well as learner dictionaries. Every sense of a word is first fully explained and then provided with translation equivalents. The grammatical behaviour of the words, their construction patterns are described in a language that is clear and easy to understand. Every sense of a word, every construction pattern is illustrated with an example. These example sentences are given in English and German so that the word looked up is shown in actual use and the translation guarantees its understanding and promotes retention. Special care is taken to explain differences between English and German in language use and culture. A new reader-friendly layout ensures that users will easily and speedily find the answer to what they want to know.

The present work deals not only with the well-organized right extremism in modern Europe as well as with its function in proper political parties, but equally includes two additional, broader approaches: the militant branches and subcultures that exist, including some paramilitary phenomena in Eastern Europe; and the broad realm of their political ideas and cultural trends and the influence they exert on European political culture.

An exploration of how the theme of Anti-Americanism was employed by influential sections of the West German media to oppose the modernisation of the Federal Republic of Germany during the

'long 1950s'. In the public battle over the future direction of Germany, America stood as a symbol of social, political and economic corruption.

Narrated in the tradition of Tolstoy's confessional trilogy and Nabokov's autobiography, *Leaving Russia: A Jewish Story* is a searing account of growing up a Jewish refusenik, of a young poet's rebellion against totalitarian culture, and of Soviet fantasies of the West during the Cold War. Shroyer's remembrances are set against a rich backdrop of politics, travel, and ethnic conflict on the brink of the Soviet empire's collapse. His moving story offers generous doses of humor and tenderness, counterbalanced with longing and violence.

Anthony Chambers arbeitet für eine seriöse Agentur, die Begleitungen für reiche Frauen organisiert. Dabei geht es um gute Umgangsformen, feines Benehmen, aber nicht um Sex. Als Tony in einem Auszug steckenbleibt, bittet er seinen besten Freund Stan für ihn einzuspringen. Stan Montgomery, der gerade in New York ist, willigt ein und lernt Raven Backside kennen, eine der reichsten Frauen der Stadt. Die beiden verbringen einen schönen und aufregenden Abend. Als sich ihre Wege trennen, bittet die junge Witwe, die als Malerin arbeitet, dass Stan ihr Model sitzt. Er lehnt ab, doch Raven bucht kurz darauf Tony erneut, sodass Stan wieder als Tony auftreten muss. Es dauert nicht lange und er verliebt sich in die schöne reiche Frau, die so unerreichbar scheint, denn Kundinnen sind tabu und Stan eilt ein gewisser Ruf voraus ... Eine Story in der alles anders kommt, als es scheint ...

The dictionary lists the general vocabulary - nouns, verbs, adverbs, adjectives - which occurs in practically all technical texts. This vocabulary should be mastered by all those who actively or passively work with technical texts since it provides the structures into which the technical terms of various fields of technology are embedded. The keywords are provided with numerous model sentences illustrating their usage and offering the user a variety of suggestions for his / her own formulations.

WONDERFUL WINDING WORDS Touring in four languages (Chinese, English, French, German) From Francois PIALAT Welcome to this phrase-book in 4 languages (Chinese, English, French and German) which let us discover fluent words and expressions from our daily life. We are at the crossing of Asian and European civilisations which intermingle with each others. Each civilisation shows its spirit according to its experience. A flow of ideas carries away the reader, awaking his perception. Funny, baffling, picturesque, echoing a colour, a fragrance, a scent beyond the words gives them their own sensibility. The hundred words chosen by the writer during his peregrinations and recollections are enriching our knowledge on our own vocabulary and the one of our neighbours from here and abroad. We discover an unusual Anglo-Saxon world and the Far East is bringing its exotic touch. Each word may have a special resonance in the imaginary or in the reality. Short, a clever book to learn while amusing oneself, confirming the maxim: Truth in the Pyrenees, mistake beyond. After having studied in Bournemouth, England, Tbingen and Bochum, Germany, the French author

discovers ethnology with the hill tribes of the Golden Triangle, Thailand. His passion for Asia leads him to study Asian languages and civilisations.
