New Jersey is in the media everywhere these days, with no fewer than seven major television shows focusing on Jersey culture. Cool, confident Jersey Girls have inspired far beyond the boundaries of Bayonne, and now their moxy and mighty hair have propelled them to star status. Fiction. Winner of the 3-Day Novel Contest (2013). Joshua Chapman Green is searching...searching for answers. He is combing through boxes in the attic of his recently deceased mother's home and uncovering childhood memories, mysterious letters, and perplexing photos of people he does not know. They appear to be circus performers, members of a travelling freak show, or Victorian-era sideshow performers. Then he finds a crumbling copy of Moss-Haired Girl: Confessions of a Circus Performer by Zara Zalinzi...the clasp falls away, and the pages open revealing a family story that may or may not be true. In this ambitious novella, R.H. Slansky weaves a complex narrative about the very nature of narrative: it is an annotated re-issue of a fictional autobiography that casts a questioning eye on the reliability of family lore. MOSS- HAIREG GIRL is wonderful stuff, punchy and clever and engaging.--San Francisco Book Review Ever wonder if the mad-dash products of speed-writing contests can be any good? With MOSS-HAIREG GIRL, winner of the 2013 Three-Day Novel Contest, R.H. Slansky answers in the affirmative and offers some guidance by example to would-be contestants: Start with a great premise and bite off only so much as you can chew... At 72 pages, it's a slight but extremely fun read. Let's see what Slansky can do with a few more days.--The Globe and Mail MOSS-HAIREG GIRL is an enjoyable, light read with stylistic flair... the elements of Slansky's writing and the novella's presentation offer the reader plenty to reflect upon.--The Peak
