CALEB NAVARRO

Nouveau dictionnaire ... R is for Ricochet

This extensive bibliography and reference guide is an invaluable resource for researchers, practitioners, students, and anyone with an interest in Canadian film and video. With over 24,500 entries, of which 10,500 are annotated, it opens up the literature devoted to Canadian film and video, at last making it readily accessible to scholars and researchers. Drawing on both English and French sources, it identifies books, catalogues, government reports, theses, and periodical and newspaper articles from Canadian and non-Canadian publications from the first decade of the twentieth century to 1989. The work is bilingual; descriptive annotations are presented in the language(s) of the original publication. Canadian Film and Video / Film et vidéo canadiens provides an in-depth guide to the work of over 4000 individuals working in film and video and 5000 films and videos. The entries in Volume I cover topics such as film types, the role of government, laws and legislation, censorship, festivals and awards, production and distribution companies, education, cinema buildings, women and film, and video art. A major section covers filmmakers, video artists, cinematographers, actors, producers, and various other film people. Volume II presents an author index, a film and video title index, and a name and subject index. In the tradition of the highly acclaimed publication *Art and Architecture in Canada* these volumes fill a long-standing need for a comprehensive reference tool for Canadian film and video. This bibliography guides and supports the work of film historians and practitioners, media librarians and visual curators, students and researchers, and members of the general public with an interest in film and video.

The Lloyd's Register of Yachts was first issued in 1878, and was issued annually until 1980, except during the years 1916-18 and 1940-46. Two supplements containing additions and corrections were also issued annually. The Register contains the names,

details and characters of Yachts classed by the Society, together with the particulars of other Yachts which are considered to be of interest, illustrates plates of the Flags of Yacht and Sailing Clubs, together with a List of Club Officers, an illustrated List of the Distinguishing Flags of Yachtsmen, a List of the Names and Addresses of Yacht Owners, and much other information. Harrap's Compact French Dictionary Lloyd's Register

Panurge, le moins estimé des personnages rabelaisiens, est souvent traité comme le faire-valoir du géant Pantagruel. Rabelais le convoque cependant si fréquemment et sous des traits suffisamment variés et essentiels à l'intrigue pour qu'il paraisse réducteur de ne voir en Panurge qu'un actant de second ordre. Élément complexe de la trame romanesque, Panurge étonne tout d'abord par son éloquence atypique, dont Myriam Marrache-Gouraud dégage les particularités en les jugeant à celles des autres personnages. Son discours, où s'agrègent des langues diverses, des pièces poétiques, des pastiches et des mélanges déconcertants, résiste à la définition. Le boniment éclectique de Panurge est alors tout proche de la narration. Le discours de Panurge provoque d'une autre manière encore lorsqu'il décode des signes, notamment linguistiques. Ses audaces interprétatives témoignent d'une habileté autant que d'une méthode inédites. La singularité du personnage tient à cette insolence herméneutique qui multiplie les gloses : elle s'engage toujours " au rebours " des attentes et des convenances sémiotiques dont elle ne peut se satisfaire. L'excentricité se mesure enfin aux agissements de ce personnage paradoxal : apparentés aux fourberies du gueux littéraire et aux façons du fou de cour, ils surprennent et empêchent la classification. À ce titre, ils confirment le ton du discours. Leur fonction avive celle de la parole : " excuse " de Rabelais, Panurge endosse le rôle essentiel qui offre à son auteur d'esquiver les attaques de la

censure. Toujours innocente, et pourtant très corrosive, cette voix de fiction introduit dans le roman l'office rempli par la carte du Mat dans le jeu de tarot.

Nouveau dictionnaire néerlandais-français Carnot

In this #1 New York Times bestseller in Sue Grafton's Alphabet series, private investigator Kinsey Millhone has her hands full when a job that should be easy money takes a turn for the worse. Reba Lafferty was a daughter of privilege, the only child of an adoring father. Nord Lafferty was already in his fifties when Reba was born, and he could deny her nothing. Over the years, he quietly settled her many scrapes with the law, but wasn't there for her when she was convicted of embezzlement and sent to the California Institution for Women. Now, at thirty-two, she's about to be paroled, having served twenty-two months of a four-year sentence. Her father wants to be sure Reba stays straight, stays home and away from the drugs, the booze, and the gamblers... It seems a straightforward assignment for Kinsey: babysit Reba until she settles in, make sure she follows all the niceties of her parole. Maybe a week's work. Nothing untoward—the woman seems remorseful and friendly. And the money is good. But life is never that simple, and Reba is out of prison less than twenty-four hours when one of her old crowd comes circling round...

Mémoires de l'Académie impériale des sciences, littérature et beaux-arts de Turin Lloyd's Register

Fille de Nord Lafferty qui ne lui a jamais rien refusé, Reba, 32 ans, s'apprête à sortir de la Centrale pour femmes de l'État de Californie où elle a été condamnée à quatre ans de prison pour escroquerie. Redoutant qu'elle mette en danger sa conditionnelle en retouchant à la drogue, son père engage la célèbre détective privée Kinsey Millhone pour lui servir d'ange gardien. Simple, la mission ne devrait pas durer longtemps. Les deux femmes sont au restaurant quand surgit un certain Alan Beckwith, l'ancien patron de Reba. Kinsey comprend vite qu'il y a bien plus que des relations professionnelles entre eux. Et cela se complique quand elle découvre que Reba l'a détrossé et qu'il est recherché pour blanchiment d'argent. Dès lors, la vie un brin monotone de Kinsey va changer du tout au tout, et c'est peu dire...
