Ted always dreamed that someday he would be a ventriloquist and that day finally arrived on his 50th birthday. One of his closest friends Bob decided since it was the big 50 and he would make his dream come true. Bob had his eyes on an antique ventriloquist dummy at his aunt's antique shop. He told her to put it on hold so he could surprise his good friend Ted at his birthday dinner tomorrow. Bob was excited to be able to make his buddy Ted's dream come true. Bob gave his aunt the money for the dummy and got it gift-wrapped. Bob called Ted on the phone and told him he wanted to take him out for his birthday tomorrow. Ted said, "I'll be there." Bob said, "I've also got a big surprise for you." "Thanks, good buddy, I guess I'll see you tomorrow," replied Ted. The day finally arrived and Ted was having a great time with his buddy Bob. Ted opened his gift and was so excited he said "Bob, this is a dream come true and now I can share it with the world and I

owe you big time." Bob replied "Bob said, "Don't worry about it, you're my best friend and I'm just happy I was able to make your dream come true." After dinner was over the two men shook hands and Bob said "You're going to be famous someday and don't forget me when you do." Ted replied, "Don't worry I won't." Ted put the dummy back in its box got in his car and headed home to practice with the dummy until his eyes were too tired to see. As Ted was driving down the road singing along with the radio he thought he heard someone call his name. He just ignored it and kept singing along with the radio then it happened again. The voice said, "Hey stupid get me out of this box I can't breathe." Ted said "I must be losing my mind. I thought I heard a voice come from the box." "That's right stupid! Now get me out of this box before I kill you! Ted cautiously opened the box and the dummy sat up looking at Ted directly in his eyes and said "You look as though you've seen a ghost." Ted swerved to the side of the road and said "Dummies can't talk!" "This dummy can talk and stop the car and listen to what I have to say?"

Life for Real Dummies John Wiley & Sons

At forty, deeply iconoclastic Spat Ryan is recently divorced, unemployed, and frequently intoxicated. Inspired by the cliché "we're only as sick as our secrets," he decides to reveal himself a piece at a time for the "cure." A deeply skeptical outsider, stunted by many adolescent appetites, Spat survived his often violent, terrifying past by keeping his darkest truths out of mind. A wholly unpopular student, he was christened "Big Dummy" by a nun teaching at his junior high. The name Spat the Dummy and an unearned bad reputation followed him to the end of his miserable school years. Raised by a bagman for the Irish mob, Spat has fictionalized or ignored chunks of his life too painful to contemplate. When he meets an old friend of his father's in a bar on the Main, they develop a camaraderie built on memories of the man they both revered. During a drinking session with his father's old friend, it is revealed that she, too, has been keeping the same secret that ultimately shaped Spat's tumultuous life. Her reaction to the recollection ends their friendship and begins his quest to understand how he became himself. 'Spat the Dummy' is a brilliant debut novel that will have readers longing for more from this wildly original writer."This is a satisfying read from a talented author that manages to convey the rather hopeful message that each of Spat's small successes mean more than all of his spectacular failures combined." - Montreal Gazette

From the sexcapades of Bill Clinton to the unbelievable story of Hugh Grant and the prostitute; from the 15-year-old who weighs only 82 pounds but believes she's obese, to the professor who screams profanities at other drivers in snarled traffic—we wonder out loud, "What are they thinking?!" What drives so many apparently normal, intelligent people to act irrationally, harming themselves and others? According to Sigmund Freud, such behavior may be caused by the "id," our built-in mental invitation to everything from dangerous fun to horrendous acts of irrationality. For popular psychology writer David Weiner, "id" stands for "Inner Dummy," the part of the brain that we must come to understand if we are ever to know why we do foolish, irrational, and compulsive things. Drawing on the groundbreaking theories of evolutionary psychology, Battling the Inner Dummy localizes the source of our irrationality in the limbic id—the most primitive part of our brain that endlessly thirsts for status, sex, territory, nurturance, and survival. "We become captured by these drives," Weiner says. "By understanding our Inner Dummy, we can avoid disasters in our own lives." Along with sound advice from clinical psychiatrist Dr. Gilbert Heffer on how to handle our own Inner Dummies with built-in rewards and punishments, Weiner brilliantly interweaves delightful, imagined conversations with Freud and staffers at a mythical advertising agency, who have been given the assignment of communicating the nature of the id's irrationalities to the general public (e.g., t-shirts that say, "Would someone please fix my Inner Dummy before I fall in love with another idiot?" and a bathroom scale that allows you to weigh eight pounds less each time you use it). This inviting, humorous romp with Inner Dummies who have made the news illustrates how we can apply "ID prevention" in our daily lives and includes all the major strategies science and medicine have developed over the years to counter Inner Dummies that threaten our well-being. Brunhilda the witch loves making trouble. Each morning, she wakes up on the wrong side of the bed, puts on her ugliest dress, eats spider mush for breakfast, and brushes her teeth with candy. Then she looks in the mirror and happily observes, "You are utterly repulsive!" As soon as she leaves the house, she begins to spread her misery. No one is safe from her rainy-day spells or her wart-growing charms! But one night, Brunhilda's cat makes trouble instead. When Brunhilda wakes

up that next morning, she is on the right side of the bed. All she can find to wear is a fluffy pink ball gown. And her spider mush is replaced with oatmeal; her candy replaced by toothpaste! The day has gone completely backwards. What will happen when Brunhilda casts her all-time favorite misery-inducing spells? This is a silly story about how sometimes being nice can be more rewarding than being mean. Brunhilda may decide to keep some of her warts in the end, but she's a changed witch. Waking up on the wrong side of the bed just doesn't work for her anymore. A picture book for 3 to 6 year olds, this book teaches kids that being kind and nice to people actually makes you feel better than playing tricks and being mean. A good lesson for young children,

teachers and parents will enjoy the message while kids will be enthralled with the bright, colorful illustrations and the silly, warty witch. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults.
