Christmas Romance Get cozy with this heartwarming story perfect for your holiday reading "When I read anything from Sheila Roberts, I know I will laugh, cry and close the book with a happy sigh."
—RaeAnne Thayne From USA TODAY bestselling author Sheila Roberts, three generations of travelers embark on a Christmas road trip filled with humor and heart, set against the snowy mountains of Washington State. Michelle and Max are not planning on a happy holiday. Their marriage is in shambles and the D word has entered their vocabulary. But now their youngest

daughter, Julia, wants everyone to come to her new house in Idaho for Christmas, and she's got the guest room all ready for Mom and Dad. Oh, joy. Their other daughters, Audrey and Shyla, are driving up from California and hoping to meet a sexy rancher for Audrey along the way. What they don't plan on is getting stranded on a ranch when the car breaks down. The ones with the shortest drive are Grandma and Grandpa—also known as Hazel and Warren. It's still a bit of a trek, and Hazel doesn't like the idea of driving all that way in snow, but Warren knows they'll have no problem. They have a reliable car—and snow tires and chains if they need them. They'll be fine. Surprises lie in store for all three sets of intrepid travelers as they set out on three very different adventures, all leading to one memorable family Christmas.

"I can't do this, Will. I can't fake my way through the holidays just to make our families happy. We both know our happily-ever-after is a farce." "You could if you tried, Ava. It's not that difficult to be nice to each other. We used to do it all the time." "We used to be in love, Will." "We still could be." Ava stared at him. "What are you saying? You want to call off the divorce?" "I'm saying that I don't think we are through, Ava. Not yet." Can a couple on the verge of divorce find romance again during their last Christmas holiday at Holly Hill Inn? Will and Ava Cohen were wildly in love—five years ago. Today, they are ships passing in the night, two professionals driven to reach the pinnacle of their professions. When Will steps in the door of their restored brownstone in Brooklyn each evening, Ava is already on stage at the Gershwin, playing the role of Glinda in *Wicked*. They are calling their marriage quits—but not until they spend one more Christmas holiday together with their families at Holly Hill Inn. Traditionally, the family arrives in New York, and they all take the Christmas train to Dickens together. Will and Ava plan to share their news on the train ride back home. That was the plan, anyway. As the Christmas spirit of Dickens and Holly Hill Inn spins around them, Ava and Will begin to look at each other differently, and both wonder if they've been too hasty in deciding to divorce. Have they really thought this separation through? But the train is about to leave the station, and they are unsure if they can halt it—or if they should. Will this really be their last Christmas at Holly Hill Inn?

Immortal Reborn - Arianna's Choice HarperCollins Australia

When Alexandria Grace Groaban was a child, she learned she was very different from other children and adults she encountered. She saw and heard things that no child should ever bear witness to. She knew details of things and people long since passed, and she could hear voices and repeat them in whatever language she heard during the scenes which played out before her young and impressionable eyes. Through an encounter with someone she thought to be her guardian angel, Alexandria was given a reprieve so that she might know some normalcy in her childhood. But at the age of twenty-one, Alexandria returned home to her family's small estate outside Oxford, England for Christmas, and learned the hard way that her grace period was about to come to an abrupt and vicious end. Now, whether for better or worse, she will find herself on the edge of a great precipice. One that will call her into action and into a world that she could never have fathomed existed. For Alexandria to know who and what she truly is, she will have to rise to the challenge of a battle that

has been waged for millennia by beings first spoken of in Genesis, and embrace that which has lay dormant within her since she was a child.
