"Back for their second year at Pennyroyal Academy, Evie and her friends must unravel a devious plot to bring down the academy"--

Beware the Boogerman Thomas Nelson

Soon to be a major motion picture from Academy Award-winning director Guillermo del Toro and starring Bradley Cooper, Cate Blanchett, Rooney Mara, and Toni Collette. Nightmare Alley begins with an extraordinary description of a carnival-show geek—alcoholic and abject and the object of the voyeuristic crowd’s gleeful disgust and derision—going about his work at a county fair. Young Stan Carlisle is working as a carny, and he wonders how a man could fall so low. There’s no way in hell, he vows, that anything like that will ever happen to him. And since Stan is clever and ambitious and not without a useful streak of ruthlessness, soon enough he’s going places. Onstage he plays the mentalist with a cute assistant (before long his harried wife), then he graduates to full-blown spiritualist, catering to the needs of the rich and gullible in their well-upholstered homes. It looks like the world is Stan’s for the taking. At least for now.

Every encounter leaves her deeply shaken...though it has more to do with her fierce attraction to him than she'd ever admit. But it isn't long before he reveals the truth: Wendy is a changeling who was switched at birth—and he's come to take her home. Now Wendy's about to journey to a magical world she never knew existed, one that's both beautiful and frightening. And where she must leave her old life behind to discover who she's meant to become... As a special gift to readers, this book contains a new, never-before-published bonus story, "The Vittra Attacks," set in the magical world of the Trylle.
