Eric Bittle may be a former junior figure skating champion, vlogger extraordinaire, and very talented amateur pâtissier, but being a freshman on the Samwell University hockey team is a whole new challenge. It is nothing like co-ed club hockey back in Georgia! First of all? There's checking (anything that hinders the player with possession of the puck, ranging from a stick check all the way to a physical sweep). And then, there is Jack—his very attractive but moody captain. A collection of the first half, freshmen and sophomore year, of the megapopular webcomic series of the same name, Check, Please!: #Hockey is the first book of a hilarious and stirring two-volume coming-of-age story about hockey, bros, and trying to find yourself during the best four years of your life. This book includes updated art and a hilarious, curated selection of Bitty's beloved tweets. This is perfect for fans of the hit series Heartstopper!

The inspiring true story of Manon Rhéaume, the first and only woman to play a game in the National Hockey League, featuring an afterward from Manon herself. "One day, a woman will play in the National Hockey League. If no one prevents her," said a twelve-year-old Manon Rhéaume. Manon always dreamed of playing hockey. So, when the team her father coached needed a goalie, five-year-old Manon begged for the chance to play. She didn't care that she'd be the only girl in the entire league or that hockey was considered a "boys' sport" in her hometown of Lac-Beauport, Quebec, Canada. All she cared about was the game. After her father gave her that first chance to play, she embarked on a spectacular, groundbreaking career in hockey. At every level of competition, Manon was faced with naysayers, but she continued to play, earning her place on prestigious teams and ultimately becoming the first woman to play a game in the NHL. Including an afterward written by Manon herself, *Breaking the Ice* is the true story of one girl's courage, determination, and love for the sport.

WESTLY The fall from NHL superstar to domestic disaster was swift and painful. When I became the legal guardian of my five younger siblings, I had no idea what I was doing. One year later, I'm still lost. Coaching CU's hockey team might be the only thing I'm excelling at. But when our star forward is failing math, I have to do what it takes to keep him on the team. Even if it's going head-to-head with Jasper Eckstein. One minute I'm confronting the notorious hockey-hating professor, and the next I'm agreeing to be his date to his twenty-year high school reunion. I don't know how that happened. JASPER My rules are simple. I don't give extra credit. Ever. No matter how entitled jocks think they are, I refuse to give them special treatment. It's not because I hate them. It's not because a hockey player broke my nose in high school. It's fair. But when Westly Dalton bursts into my office like a hurricane, all my principles fly out the window. Suddenly I'm giving extra credit.

And I have a date to my reunion. After one explosive night together, I want more, but his home life is a mess, and I don't want to get in the way. If all we can have is quick thrills, I'm okay with that. It's not like I could ever fall for a jock.
