Livres hebdo Knopf Books for Young Readers

In the Sarboucane sea, Balbuzar the pirate reigns supreme. He attacks, plunders, sinks, and ransoms everything that comes within his reach. Savage, cruel, formidable, certainly, Balbuzar is; but also with a certain bonhomie, and a great sense of justice. He is in harmony with the sea, the

islands, the wind, the rocks. Around him, birds, always. Men, women, children...they all love him. For he is free as the air. But now the Empress Pépita XIII is worried about her state of affairs, and Balbuzar's constant plundering. She sends against him her best officer, the Commodore, at the head of an armada. He represents force, order, law. Arrogant, domineering, relentless. And sure to be the one who will clean the Sarboucane sea. Balbuzar and the Commodore clash. Two exceptional sailors, two sharp warriors. The fight begins, shattering, tumultuous. The struggle, however, is unequal, for the Commodore has immense resources, an army behind him and the power of the empire. He's built a gigantic ship that will surely sweep away the pirates and their black-flag flotilla. Balbuzar's fate seems certain. Will the outlaw will be crushed by the enormity of the adversary? Cooked in the imperial pot? Or will the cunning pirate will find the rift in the monster's breastplate? Will he will defeat his monstrous foe, like David blasting Goliath? Balbuzar is the story of a confrontation between two worlds, that of royalty and that of piracy, between conformity and diversity. Gérard Moncombe's text deftly balances action, humor and poetry, while artist Frédéric Pillot's stunning, gorgeously detailed illustrations help paint this rousing, unforgettable tale. One that you'll want to come back to again and again... A fable about freedom, about resistance, about power. And an ode to nature.

Color by Number Patterns W by Wattpad Books

Un ouvrage dense et minutieux qui regroupe aussi trois grandes aventures de l'homme qui tire plus vite que son ombre : « Alerte aux Pieds-Bleus », « Lucky Luke contre Joss Jamon » et « Les cousins Dalton » et, en bonus, « Voleurs de chevaux » et « Androclès » - deux récits complets publiés dans l'éphémère revue « Risque-Tout » - ainsi qu'une nouvelle signée Morris, « Pirates en pullman », et bien d'autres surprises encore. Cette collection marque à chacun de ses volumes une étape cruciale dans l'étude de la construction du mythe. Les années 1956-1957 confirment l'évolution du ton et de l'humour volontiers plus "intellectuel" apporté par René Goscinny et installent les frères Dalton dans leur forme définitive. Une période pour le moins prolifique, comme l'atteste le dossier complet réalisé par les spécialistes Christelle & Bertrand Pissavy-Yvernault. Une étape indispensable pour devenir incollable sur Morris et Lucky Luke !

Nice Little Town Createspace Independent Publishing Platform

What if Cinderella never tried on the glass slipper? Unable to prove that she's the missing princess, and unable to bear life under Lady Tremaine any longer, Cinderella attempts a fresh start, looking for work at the palace as a seamstress. But when the Grand Duke appoints her to serve under the king's visiting sister, Cinderella becomes witness to a grand conspiracy to take the king—and the prince—out of power, as well as a longstanding prejudice against fairies, including Cinderella's own Fairy Godmother. Faced with questions of love and loyalty to the kingdom, Cinderella must find a way to stop the villains of past and present . . . before it's too late.
