Pediatrics Board Review (PBR) was written by Dr. Ashish Goyal to help pediatricians pass the American Board of Pediatrics Initial Certification exam, the MOC recertification exam & the MOCA-Peds exam. The PBR offers a 100% money-back first-time pass guarantee & has had multiple consecutive years of 100% Pass Rates for the MOC exam. PBR has also achieved seemingly unattainable results, such as helping pediatricians finally pass their initial certification exam after up to SEVEN previous failed attempts. PBR's Core Study Guide is now available on mobile devices (e.g., iPhone) and tablets (e.g., iPad). _____ Testimonials: <http://www.pediatricsboardreview.com/testimonials> _____ Pass Guarantee & Return Policy: <http://www.pediatricsboardreview.com/guarantee> _____ BUNDLES (PRODUCTS INCLUDING THIS ONE AT A DISCOUNT PRICE): <http://www.pediatricsboardreview.com/catalog> _____ DISCOUNTED PEDIATRIC BOARD REVIEW QUESTIONS: <http://www.pediatricsboardreview.com/tools> *Fast Facts Handbook for Pediatric Primary Care* Lippincott Williams & Wilkins
