How the BJP Wins Westland

In a drastic re-evaluation of astronomy observations from Mahabharata, using high-tech tool of modern astronomy and low-tech tool of the logic of scientific discovery, Nilesh Oak's extraordinary book presents ordinary theory of astronomy observations that would lead to a quantum jump in our understanding of the Mahabharata War: How a theory based on single unifying idea corroborates 100+ astronomy observations Where to search for the year of the Mahabharata War - Epoch of 6500 years & Compact time interval of 3000 years How a single observation, previously known but unexplained, falsifies 96% of all proposals for the year of the Mahabharata War Why does it matter how long Bhishma was lying on the bed of arrows How ancient is the tradition of meticulous astronomy observations. Acceptance of his theory leads to surprising conclusions about our current understanding of world civilizations, domestication of horses, dating of Ramayana or

Vedas and antiquity of meticulous astronomy observations. Rejection of his theory would compel us to search for the likes of Newton and Lagrange, among the Sages of India, at least thousand years before Sir Isaac Newton & Joseph-Louis Lagrange. Praise for 'When did the Mahabharata War Happen?: The Mystery of Arundhati' "You have done a great job. I requested astronomers to consider if Arundhati had gone ahead of Vasisth in 1971, when I published 'Swayambhu' . But nobody cared. You are the first to do the great job " - P V Vartak (Author of 'Swayambhu' & 'Wastav Ramayana')--- "Grueling and unfaltering logic"--- I have to thank you for being the cause for a quantum leap in my own knowledge of general astronomy as well as Hindu astronomy / calendrical systems over a very short span of time. In some ways the effect of your book has some parallels with Rajiv Malhotra's 'Being Different', though in a very different context. RM never intended his book as a primer on Dharma / Hinduism - but nevertheless it introduced many aspects of Dharma in a light which would be

new even to a practitioner. Similarly, even though I am sure you never intended your book to act as an exploration of key astronomical principles and Vedic astronomy - that has definitely been a key side benefit, at least from my perspective.--- "Indology" has been populated by linguists and my respect for their work has gone down by several notches when I look at the shoddy assumptions many are prone to make. Science and rigor the way Nilesh Oak has used seems to be unknown to these Indologists. I bet that not one of those horse bone chewers can understand what Archeoastronomy means. Their awareness extends to looking at Archeo-asses and saying it was not *Equus caballus*.--- I am simply 'natmastak' to Shri Oak for the amazing piece of deductive reasoning applied by him in interpreting the 'Arundhati is leading Vasistha' remark. I think Shri Oak is not only on sound footing but also has clearly exhibited every 'lakshan' of a true seeker of knowledge in the finest Indian traditions. I cannot recall if he mentioned whether anybody else (other than him) thought

of the EOA approach. If he is the first one, he deserves billions of thanks from all the Bharatiyas in the last 7000+ years. Oak saheb, aamcha maanacha mujra sweekar karava hee vinanti.--- It is interesting how all Indologists the world over talk about linguistics and horse, but never mentions archaeoastronomy Perhaps the focus of the national and international debate on Aryan Invasion/Migration Theory needs to change.--- I do not want to sound obsequious, but the work you have done is nothing less than tremendous. Thank you, and keep it up.--- I have verified Nilesh Oak's elimination of "errors." A bow Excellent - -- Your rigorous methodology was simply a pleasure to read and that got me started off on my efforts to dabble in archeoastronomy.

A Manual of Hindu Astrology Diamond Pocket Books Pvt Ltd In the early 1920s, Jaydayal Goyandka and Hanuman Prasad Poddar, two Marwari businessmen-turned-spiritualists, set up the Gita Press and Kalyan magazine. As of early 2014, Gita Press had sold close to 72 million copies of the Gita, 70 million

copies of Tulsidas's works and 19 million copies of scriptures like the Puranas and Upanishads. And while most other journals of the period, whether religious, literary or political, survive only in press archives, Kalyan now has a circulation of over 200,000, and its English counterpart, Kalyana-Kalpataru, of over 100,000. Gita Press created an empire that spoke in a militant Hindu nationalist voice and imagined a quantifiable, reward-based piety. Almost every notable leader and prominent voice, including Mahatma Gandhi, was roped in to speak for the cause. Cow slaughter, Hindi as national language and the rejection of Hindustani, the Hindu Code Bill, the creation of Pakistan, India's secular Constitution: Kalyan and Kalyana-Kalpataru were the spokespersons of the Hindu position on these and other matters. Featuring an extraordinary cast of characters - buccaneering entrepreneurs and hustling editors, nationalist ideologues and religious fanatics - this is essential (and exciting) reading for our times. *100 Years' Indian Calendar* Science of Light

About the Book A DEEP-DIVE INTO THE FASCINATING WORLD OF THE MYTHOLOGICAL IMAGES THAT ARE FOUND IN ALL OUR HOMES AND THE STORIES BEHIND THEM Hindu mythology abounds with fascinating gods, goddesses and characters whose visual representations — through calendar art — are equally colourful. Hindu calendar art may seem fantastic and kitsch, but it is in fact the most democratic expression of a mythic imagery that was once restricted to temple walls and palm leaf manuscripts. These portraits of the Hindu pantheon of gods and the stories that surround them can be found on the walls and puja rooms of almost every Hindu household in India. Rich in symbols, each image is a piece of an ancient metaphysical jigsaw puzzle. In this book, Dr Devdutt Pattanaik, India's renowned mythologist, decodes these symbols to reveal a wisdom that has nourished India for thousands of years. *Majoritarian State* Pustak Mahal Marked by deep ideological divisions, a massive advertising blitz and an election campaign that could claim to rival

the US presidential polls, the 2014 general election has been called 'historic' for its verdict – a political party received a majority in the Lok Sabha for the first time in three decades. In this personal, partisan and superbly perceptive narrative of how the dice rolled in the four months leading up to 16 May 2014, Harish Khare – journalist, columnist, scholar and former media advisor to Prime Minister Manmohan Singh – provides an honest, impassioned record of India's greatest democratic exercise. Through a meticulous account of what he saw, heard and read during this time, Khare elucidates how the different political stakeholders kneaded into their day-to-day campaign rhetoric the latent cultural angst, economic anxieties and political expectations of a nation that has changed irrevocably over the past decade, to persuade the Indian voter to cast a decisive vote. From the brilliant and flexible campaign pitch made by the BJP to the jaded and outdated Congress rhetoric, from openly expressed middle-class aspirations to rural India's resurgent hopes, and from communal

polarization to shifting caste equations, *How Modi Won It* provides brilliant insight into and an incisive assessment of one of the most memorable elections in the country's history. *The Paradoxical Prime Minister* iUniverse
The biographies of Great Personalities of the World have been written not only to glorify their great deeds, but also to provide great inspirational tales of achievement, sacrifice, courage, commitment and all those exemplary qualities that made them as famed as they are. This book is a humble approach to compile life sketches of Great Personalities of the World in different fields, so as to act as a source of inspiration and motivation for each individual to excel in the field of activity they are related with.

Horoscope 2014 Nilesh Oak
What's the secret of Modi's mass appeal? How does the RSS help at election time? Does communal incitement actually win votes? Why did Amit Shah's election maths fail him in Bihar? Prashant Jha answers these questions and more, dissecting the BJP's election machine

with authority and insight

Sundar Kanda Sunstar Publishing
2020 Edition of Science of Light: An Introduction to Vedic Astrology by Freedom Cole
Lal Kitab - a Rare Book on Astrology Createspace Independent Pub
Emerging for the first time in the 5th cent. B.C., horoscopes reflect the application of the idea and practice of celestial divination to the life of the individual. Whereas an omen focuses on a single

astronomical phenomenon, the horoscope takes into account the positions of the moon, sun, and five planets at the moment of a birth. As such, Babylonian horoscopes presuppose the concept of the ecliptic and a methodology for obtaining the positions of heavenly bodies when they are not observable. This is the first complete edition of the extant cuneiform horoscopes -- with transcription and philological and astronomical commentary. This study offers a systematic description of the documents as a definable class of Babylonian astronomical/astrological texts.

Hinduism, the world's oldest living religion, embodies a wide spectrum of philosophies, beliefs, and customs. It has prompted thinkers from an array of cultures and ages—from Apollonius Tyaneus, a first century Greek thinker, to Voltaire, Mark Twain, and Albert Einstein—to extol its influence. Now, Dr. Hiro G. Badlani brings you *Hinduism: Path of the Ancient Wisdom*, an easy-to-understand guidebook

that delves into Hinduism's spiritual and historical perspectives. For more than ten years, Dr. Badlani has passionately channeled his resources and inner reflections into learning about this ancient religion. His meticulous research, combined with guidance from spiritual masters, sages, and swamis has brought forth in this volume. This mini-encyclopedia covers all aspects of Hinduism in a series of small chapters. Spiritual teachings form the book's core, for without the spiritual teachings, what function can any religion play? Still, however, information is presented in a non-dogmatic manner, stressing the basic unity and homogeneity of all religions. With its powerful narrative and roots in spiritual storytelling, this book is perfect for anyone who desires authentic information on Hinduism. Engaging with this book will not only educate you, but imbue you with personal peace and happiness, becoming an experience both elegant and empowering.

When Did the

Mahabharata War

Happen? Taylor & Francis

You are holding in your hands the first book containing an authentic biography of two greatest divinities of this country about which people are not well acquainted. It contains a unique account not found elsewhere

about the actual meetings of Bhaijee—Shri Hanuman Prasad Poddar with Lord Vishnu in 1927 at Jasidih in front of several gentlemen and again in Gorakhpur. Second important event is the exclusive appearance of saint Narad and great sage Angira in front of Bhaijee in 1936.

Conversation of Bhaijee with a Parsee ghost would certainly convince readers about the importance of Shraddh to be performed after one's death. Bhaijee was not only a true saint and social reformer but was also involved in independence movement of India. Founder editor of famous 'Kalyan'; Bhaijee did herculean efforts to translate rare and ancient scriptures like Ramayana & Mahabharat from Sanskrit to Hindi and made them available to everyone at very nominal price. Bhaijee showed an evidence for a brightest identity of the sweet love towards Radha-Krishna and explored its feasibility to achieve it with an utmost simplicity through his discourses and texts. He did an extraordinary campaign for divine name and religious devotion (Bhakti) amidst general public. Inclusion of a short biography of another divinity—Sethji Shri

Jaidayal Goyandka is another feature of this seminal book. The credit for establishment of Gita Press in Gorakhpur; Govind Bhawan in Kolkata; Gita Bhawan of Swargashram at Rishikesh and Rishikul Ashram in Churu including a unique; authentic and excellent commentary on Gita goes to him only. Hanuman Prasad Poddar: An Exalted Divinity by O.P. Gupta: This book offers a comprehensive exploration of the life and contributions of Hanuman Prasad Poddar, a revered figure known for his spiritual teachings and philanthropic endeavors. Key Aspects of the Book "Hanuman Prasad Poddar: An Exalted Divinity": 1. Spiritual Legacy: The book delves into the spiritual legacy of Hanuman Prasad Poddar and his impact on the spiritual community. 2. Philanthropy: It highlights Poddar's philanthropic activities and his dedication to humanitarian causes. 3. Life and Teachings: The book provides insights into his life journey and the teachings that continue to inspire many. O.P. Gupta is the author of this book, which pays tribute to the spiritual and philanthropic

contributions of Hanuman Prasad Poddar.

Ayurvedic Astrology

Oxford University Press, USA

The author, M K K Nayar's impressionable childhood, schooling and university years began in early 1920s - the most turbulent period of India's independence struggle. After graduating in 1940 and spending two years in Travancore Civil Service, M K K Nayar joined the Ordnance Department of British India in Hyderabad. During this phase of his career, he risked his life more than once to bring nefarious going-ons in the princely state of Hyderabad to the attention of national leaders like Sardar Vallabhai Patel and defuse conspiracies that were jeopardizing India's national interests. In 1948, M K K Nayar joined the IAS and was involved prominently in India's national development - notably in building the Bhilai Steel Plant and fertilizer plants that also seeded several other industries in the Cochin Industrial Belt, and by propagating modern agriculture throughout South India. His friendship and intimacy with national leaders like Pandit Jawaharlal Nehru,

illustrious civil servants like V P Menon, industrialists like J R D Tata and innumerable opinion-leaders all over India gave him a ringside view of and insider information on some the most important and interesting episodes of Indian history until mid 1970s. !Destiny took him to Kerala in 1959 to head India's pioneer fertilizer company, The Fertilisers And Chemicals Travancore Ltd (FACT) which he developed into a multifaceted organization that grew over twenty-fold during the decade of his tenure in it. This period that ended in 1971 also found him raising Kathakali, one of the most stylized forms of mime dance-drama from a destitute existence on the fringes of Kerala's social milieu to the forefront of international recognition. Success in everything he did even outside of his vocation, from resolving political imbroglios to promoting art and literature, took him to the forefront of life in Kerala and the national capital. Jealousies it aroused resulted in court cases being instituted against him on frivolous charges and they took 12 years for him to be fully exonerated. In that time,

India lost the services of one of its ablest go-getters during what should have been his peak years. !Between June 1986 until his premature passing away in September 1987, he penned a series of articles about his life and times. It was serialized under the title of Aarodum Paribhavamillathe, Oru Kalaghattathinte Katha in the popular Malayalam weekly, Kala Kaumudi. It was later published as a book which became a big hit with Malayali readers and is printed and published even now. !M K K Nayar emphasizes that this was not an autobiography but an attempt to share without bitterness or ill-will some of his experiences and the joy, pain and terrible sadness they brought him. The renowned historian, author and academician, M G S Narayan says that M K K Nayar's 'memoirs did not get the due recognition it deserved' and acknowledges it as a 'historical chronicle of pre and post independent India'. !The book has been translated into English by Gopakumar M Nair, who was an executive of FACT during a part of M K K Nayar's

tenure there. Though Gopakumar is a popular amateur writer from his college days in IIT Madras, this translation named *The Story of an Era, Told Without Ill-will* is his first book.

Land of Two Rivers Rupa Publications India Pvt Limited
Sanatan Hindu Dharma (Perennial Hindu Religion) is like a huge banyan tree. Different kinds of faiths and beliefs have merged into it from time immemorial. As a consequence, the branches and sub-branches of Hindu religion also grew. Is there any scientific basis of the faith and values propagated in Hinduism? A very large section of people with faith in Hindu Sanatan Dharma wants that every faith and belief of this religion should not be subjected to scientific test. A man of faith is theist, while a scientific mind is atheist in nature. A harmony between the two may indicate a state of dilemma. Therefore, more discussion should take place on religious basis of beliefs prevalent in society so that we can know better the origin and religious thinking behind our beliefs. Internationally acclaimed Vaastu-shastri and Jyotishacharya, Dr.

Bhojraj Dwivedi, is a rare signature of invincibility in time. More than 258 books on Astrology, Vaastu-shastra, Cheiromancy, Numerology, Figure Science, Yantra-Tantra-Mantra Science, Karmakand and priesthood written by Dr. Bhojraj Dwivedi, the founder of the International Vaastu Association, are read in many languages in India and abroad. *Sûrya-Siddhânta* Rupa Publications
The foundational and wildly popular go-to resource for influence and persuasion—a renowned international bestseller, with over 5 million copies sold—now revised adding: new research, new insights, new examples, and online applications. In the new edition of this highly acclaimed bestseller, Robert Cialdini—New York Times bestselling author of *Persuasion* and the seminal expert in the fields of influence and persuasion—explains the psychology of why people say yes and how to apply these insights ethically in business and everyday settings. Using memorable stories and relatable examples, Cialdini makes this

crucially important subject surprisingly easy. With Cialdini as a guide, you don't have to be a scientist to learn how to use this science. You'll learn Cialdini's Universal Principles of Influence, including new research and new uses so you can become an even more skilled persuader—and just as importantly, you'll learn how to defend yourself against unethical influence attempts. You may think you know these principles, but without understanding their intricacies, you may be ceding their power to someone else. Cialdini's *Principles of Persuasion: Reciprocation Commitment and Consistency Social Proof Liking Authority Scarcity Unity*, the newest principle for this edition Understanding and applying the principles ethically is cost-free and deceptively easy. Backed by Dr. Cialdini's 35 years of evidence-based, peer-reviewed scientific research—including a three-year field study on what leads people to change—*Influence* is a comprehensive guide to using these principles to move others in your direction.
Rise of Saffron Power
Oxford University Press

Ayurvedic Medicine represents the healing branch of yogic science, while Vedic astrology provides its understanding of time and karma. Ayurvedic Astrology teaches the interface of these two extraordinary systems in the Vedic astrology of healing. The book explains how the different mind-body and planetary types of the two systems interrelate. It examines disease factors from an astrological perspective and goes into depth into astrological remedial measures, particularly gem therapy. It also contains many notable example charts.

100 Year Patra

(Panchang) Vol 1

American Philosophical Society

Prasna Marga is a unique

work on astrology, natal and horary, of vital importance to every astrological scholar, practitioner and student. The author, a Nambudari Brahmin of Kerala who wrote this book in 1650 A.D., was a renowned scholar and has culled valuable information from a number of ancient sources. This ancient work, an English translation of which is presented here is simple and elegant English interspersed with copious notes incorporating the author's own experiences, touches on some of the most important aspects of life marriage, children, longevity, death, disease, etc. Part 1 is an exhaustive treatise on the various aspects of predictive astrology of immense practical utility, which deals not only with

the various aspects of Prasna or Horary Astrology but also with almost the entire range of the forecasting art-Jataka or predictive astrology, Muhurta or electional astrology, Parihara or remedial astrology and Nimittas or the science of indications (Omens). Part II is an encyclopaedic work on matters that affect all areas of human life, such as marriage, children, causes of diseases as given in karma vipaka and the remedies, matters relating to deities, rulers, war, natural calamities, travel, rainfall, digging wells, details for finding underground water, theft cases, dreams and their interpretation as indicators for the death of disease and its timings, etc.
