The WINGS OF FIRE saga continues! Deep in the rain forest, danger awaits...Glory knows the dragon world is wrong about her tribe. After all, she isn't "as lazy as a RainWing" -- she isn't lazy at all! Maybe she wasn't meant to be one of the dragonets of destiny, as the older dragons constantly remind her, but Glory is sharp and her

venom is deadly... except, of course, no one knows it. When the dragonets seek shelter in the rain forest, Glory is devastated to find that the treetops are full of RainWings that no dragon could ever call dangerous. They nap all day and know nothing of the rest of Pyrrhia. Worst of all, they don't realize -- or care -- that RainWings are going missing from their beautiful forest. But Glory and the dragonets are determined to find the missing dragons, even if it drags the peaceful RainWing kingdom where

they never wanted to be - in the middle of the war. *The NoMad Cocktail Book* Good Press

Funstory

An evocative, multi-generational tale of a family haunted by the death of a young concubine. For fans of Dinah Jefferies and Amy Tan. In 1930s Malaya a sixteen-year-old girl, dreaming of marriage to her sweetheart, is sold as a concubine to a rich old

man desperate for an heir. Trapped, and bullied by his spiteful wife, Yu Lan plans to escape with her baby son, despite knowing that they will pursue her to the ends of the earth. Four generations later, her great-grandson, Nick, will return to Malaysia, looking for the truth behind the facade of a house cursed by the unhappy past. Nothing can prepare him for what he will find. This exquisitely rich novel brings to life a vanished world – a world of

abandoned ghost houses, inquisitive monkeys, smoky temples and a panoply of gods and demons. A world where a poor girl can be sold to fulfil a rich man's dream. But though he can buy her body, he can never capture her soul, nor quench her spirit. WHAT READERS ARE SAYING: 'Compelling, atmospheric and emotional' 'Well-written, compelling... A tale of duty, treachery, misery and superstition' 'Wonderfully drawn characters, searing emotion, powerful

intensity and nail-biting drama'.

According to a prophecy, five dragonets will end the bloodshed and choose a new queen. But not every dragonet wants a destiny. And when Clay, Tsunami, Glory, Starflight, and Sunny discover the truth

about their unusual, secret upbringing, they might choose freedom over fate -- and find a way to save their world in their own way. Unlike most creatures, which were

either born or hatched, pixies were, quite literally, formed from magic itself. Pixies were able to teleport, moving from one place to another simply by willing it. Pop, unlike most pixies, makes a popping sound when he teleports. And it is this sound that both influences his parents to give him his name, and also will be the catalyst for a decision that the young pixie will make that will result in one of the most unusual friendships the magical land had ever seen. The events that are

to occur as a result of that decision will, in the end, change not only Pop himself, but also the very land in which he lives. So come, young and young at heart, journey into a land of magic and wonder.....come journey

An ancient evil, a terrible prophecy -- and five dragonets who could save the world . . . Don't miss the most thrilling adventure yet in the New York Times bestselling *Wings of Fire* series! Qibli knows Darkstalker must

be stopped. And he knows he could stop him -- if he had magic. With even a sliver of the ancient dragon's all-powerful scroll, Qibli could rewrite history the right way: end war forever; make every dragon happy; perhaps even cast a very small spell so that everyone

would like him . . . Instead, as Darkstalker's dangerous influence spreads across Pyrrhia, entrancing or killing every dragon in the seven tribes, Qibli can only grasp the small animus objects he's borrowed from Turtle. With some clever thinking, Qibli's

talons finally hold the power to make a difference. But prophecies are not easy to rewrite. Can Qibli be the magical force Pyrrhia needs, or will he be the one to bring Jade Mountain -- and his family, his friends, his whole world -- crashing down?
