Leave a Cheater, Gain a Life

NOELLE CHOI

Morbid Letters Skyhorse Publishing, Inc.

Leave a Cheater, Gain a Life is a no-nonsense self-help guide for anyone who has ever been cheated on. Here's advice not based on saving your relationship after infidelity -- but saving your sanity. When it comes to cheating, a lot of the attention is focused on cheaters -- their unmet needs or their challenges with monogamy. But Tracy Schorn (aka Chump Lady) lampoons such blameshifting and puts the focus squarely on the-cheated-upon (chumps) and their needs. Combining solid advice that champions self-respect, along with hilarious cartoons satirizing the pomposity of cheaters, Leave a Cheater, Gain a Life offers a fresh voice for chumps who want (and need) a new message about infidelity. This book will offer advice on Stupid sh*t cheaters say and how to respond, Rookie mistakes of the recently chumped and how to disarm your fears, Why chumps take the blame and how to protect yourself, and more. Full of snark, sass, and real wisdom about how to bounce back after the gut blow of betrayal, Schorn is the friend who guides you through this nightmare and gives you hope for a better life ahead.

Child Custody & Visitation Law and Practice Routledge

Nationally recognized expert Robert Emery applies his twenty-five years of experience as a researcher, therapist, and mediator to offer parents a new road map to divorce. Dr. Emery shows how our powerful emotions and the way we handle them shape how we divorce—and whether our children suffer or thrive in the long run. His message is hopeful, yet realistic—divorce is invariably painful, but parents can help promote their children's resilience. With compassion and authority, Dr. Emery explains: • Why it is so hard to really make divorce work • How anger and fighting can keep people from really separating • Why legal matters should be one of the last tasks • Why parental love—and limit setting—can be the best “therapy” for kids • How to talk to children, create workable parenting schedules, and more

The Little Sect is the story of Michelle and her close-knit extended family in Montreal. Though not without their troubles, they're mostly happy, until the arrival of her brother's second child creates the need for a live-in nanny, Lita. Lita's arrival warps their family dynamic and tears Michelle's happy world apart. She struggles desperately to keep her family together, but, in doing so, unearths long buried traumas that threaten her emotional wellbeing and her sense of safety even more. The Little Sect is the hopeful story of a woman's struggle to salvage peace and happiness in the wake of her family's destruction.

Child Custody Running Press Adult

The Knowledge Every Man Needs for a Successful Divorce Each year 500,000 men will face divorce, and most of them make at least one crucial—and often irreversible—mistake. These errors might seem minor, such as moving out while things get sorted out, or thinking of “temporary” orders as being truly temporary. But when they get to court, these men discover they have put themselves in a terrible position. They may have to give up their house, pay impossibly high alimony, or even lose custody. You could be one of these men. But you don't have to be. Joseph Cordell, the founder of the nation's largest law firm focusing on men's divorce and the creator of the Dads Divorce website, has seen the consequences of the mistakes men make. Drawing upon the huge number of cases that Cordell & Cordell has handled, this book identifies the 10 most common mistakes that end up hurting men in divorce. Cordell demystifies the divorce process, explains what judges consider in making their final decisions, and lays out a road map for positive actions men can take to achieve the best possible outcome. No man should face divorce without this book.

Custody Chaos, Personal Peace Harmony

This book is a compilation of letters spread over a long period of time and unsent for obvious reasons. The purpose of publication is to thank God first and then to convey the hidden meaning behind the contents for its own use to improvise the society, community, readers, law abiders, and the patriots. Each letter speaks a story in itself. If elaborated, each letter may turn into a book in totality. Each letter can transform itself into an epic saga of sequence of events, which can fill the shelves of a library. It is better to leave them as they are. Some letters may appear similar and rather familiar because they are addressed to the same class, same genre and same type of abusers, molesters, assholes, shitheads, and scumbags. The letter addressed to God is a personal retribution to personal relationships authors entertain and enjoy, and God will forgive them if he thinks it is required. Detailed elaboration can only bring peace into pieces. The in thing is for 100 percent tolerance to stupidity and not 0 percent intolerance. It also comprises of the abuse for use and not use or abuse. This book teaches one to remain contented with what is destined.

The Federal Reporter Simon and Schuster

Witnessing a woman go through divorce is like watching a tornado tear up a trailer park. Not only is someone losing their home and life as they know it, but for most women, it seems to go down with some extra drama thrown in the mix. This is where the advice of authors, Holiday Miller and Valerie Shepherd, two experts in all things divorce, comes in handy. Their unique friendship began after they had both married and divorced the same man! *The Ex Wives' Guide to Divorce* was born from this friendship with the goal to ease women's fears, save them money, and give them a road map of what lies ahead. It will motivate women to get their head out of the sand and build their future dream sand castle by themselves, sans Prince Charming. Divorce is painful, heartbreaking, and pretty miserable for everyone involved. While men tend to champion the process, most women collapse and become emotionally distracted. Miller and Shepherd's experience is while the husband is gathering ammunition with his high paid attorney; the wife is frantic and disorganized—most likely spending her energy on the phone with her best friend or sister, instead of preparing herself for the battle ahead. This helpful guide teaches women how to manage the “business of divorce” in a focused, realistic, and organized manner. Miller and Shepherd aren't lawyers or psychologists, but they've experienced the process first hand and offer advice on how to build a support system and come out ahead. This book charges women to “put their big girl panties on” and maintain a tenacious spirit while preparing and organizing for their divorce.

The 10 Stupidest Mistakes Men Make When Facing Divorce Impact

Publishers

This important contribution to understanding the whole process of conducting child custody evaluation, based on the author's extensive experience, examines in detail the complex questions and issues involved. The many topics addressed include: interviewing parents and children; testifying in court; writing custody evaluations; assessing the capacity to parent; assessing the attachment of children to their parents; planning custody and parental access; children's adjustment to divorce; domestic violence, drug and alcohol abuse; mental illness; parental alienation; and on-going evaluation.

Steg-O-Normous (The Oodlethunks, Book 2) SAGE Publications

Whether assessing general family functioning or specific areas of conflict, professionals preparing child custody evaluations require sound knowledge of three interrelated fields: up-to-date legal issues, psychological findings, and forensic procedures. This book covers these three essential areas to walk readers through the evaluation process clearly and concisely. It further provides a unique combination of legal guidelines with social science research.

Working Mother Baker Books

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church
What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices,

Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

GAO Documents Thomson West

When an adult child's marriage ends, lots of folks are hurt. The divorcing couple, of course, and their children. Until now, however, little attention has been paid to the parents of the divorcees. Temlock's examination of this sensitive topic offers parents a friendly guidebook packed with helpful information and suggestions from parents who've “been there.” Her five-stage model of the divorce process for parents (Accepting the News, Rescuing Your Child, Responding to Changes, Stabilizing the Family, Refocusing and Rebuilding) will help readers stay grounded through the emotional upheavals they'll share with their children and grandchildren. This practical manual puts an arm around the shoulder of parents of divorcing adults and supports them through the difficult days of the divorce process and its aftermath.

The Ex-Wives' Guide to Divorce

Make the Most of Your Time with Your Children On the day of their baby dedication, Eryn and her husband were given a jar of 936 pennies. The jar contained a penny for every week they would raise their child until graduation, and they were instructed to remove one penny each Sunday as a reminder, placing it into another jar as an investment. At some point every parent realizes time is moving swiftly, and they ask themselves, How am I investing in my child? Through personal stories and biblical examples, *936 Pennies* will help you discover how to capture time and use it to its fullest potential, replacing guilt and regrets with freedom. Meanwhile, your kids will see how simple choices, like putting the cell phone down and going on a family hike, will make all the difference. Together you will stretch time and make it richer. Craft a family legacy in tune with God's heartbeat as you capture a new vision for your children and learn the best ways to spend your pennies.

The Little Sect

Best Life magazine empowers men to continually improve their physical, emotional and financial well-being to better enjoy the

most rewarding years of their life.

Your Child's Divorce

Internationally renowned therapist, family expert and mediator Isolina Ricci, Ph.D. presents this definitive and newly updated guide to divorce and making shared custody work for parents and children. The ground-breaking classic, *Mom's House, Dad's House*, has become the standard for two generations of divorcing parents, and includes examples, self-tests, checklists, tools, and guidelines to help separated moms and dads with the legal, emotional, and financial issues they will encounter as they work to create happy and stable homes. This comprehensive guide looks anew at the needs of all family members with creative options and common-sense advice, including: * The map to a "decent divorce" and two happy homes * Helping children of divorce with age-specific advice * Negotiating Parental Agreements and custody arrangements * Breaking away from "negative intimacy" with a difficult ex-husband or ex-wife *

Sidestepping destructive myths about divorce (and marriage) *

Handling long-distance parenting and parenting alone With *Mom's House, Dad's House*, parents will learn how to help their children heal and find a sense of continuity, security, and stability throughout the divorce process and in any custody situation.

The Southwestern Reporter

For too long, divorce and remarriage literature has focused only on the outcome in the personal lives of the divorcees during and after divorce. But now, in *Child Custody: Legal Decisions and Family Outcomes*, you'll see that divorce is a chain reaction that begins in the courtrooms and branches out into the families of the world, changing the lives of children, parents, and grandparents alike. *Child Custody* is an incisive, up-to-date collection of studies that addresses both child custody decisions and the varied and often surprising outcomes for those children and their families. Divided into two main sections, one focusing on legislative guidelines and the other on family issues, this unique compilation of recent divorce and remarriage research gives you a rare view

of the attitudes some judges have toward divorce. In addition, those people in both law and family research fields will have at their disposal the many aspects of the legal decision-making process and the legislative guidelines that currently hold sway over custody and post-divorce cases. Here are some of the topics you'll read about: the evolution of three types of residential custody arrangements--father, mother, and joint--followed over a two-year period legal reforms aimed at guaranteeing parental access to children how social research has shaped New Hampshire's child support policy divorced fathers and mothers in Greece the stigmas on lesbian mothers in custody cases how grandparent involvement shapes post-divorce families Meant as a catalyst for further research and study, this book begins to touch upon the intrinsic flaws in both legal and family systems that continue to exist. Too often, we think of divorce and child custody as merely legal decisions. In *Child Custody*, however, you'll find that what matters in court is also a family matter.
