DANIEL CUEVAS

Ethics in Ancient Greek Literature Penguin

Staying Sober Without God is a guide for non-believers who want to get sober without an act of faith. Traditional 12-step programs push for a belief in God or a higher power. The practical 12 steps outlined in this book provide a path to lasting recovery that requires no belief in the supernatural.

The Narcotics Anonymous Step Working Guides Ave Maria Press

A concise, and delightful introduction to Vedanta, the philosophical backbone of Hinduism. Written with verve and charm by a Western nun for a Western audience, this brief book gives a comprehensive overview of Vedanta philosophy while emphasizing its practical Western application.

Daily Reflections Simon and Schuster

Twelve Step Sponsorship is the first truly comprehensive look at sponsorship, a role recovering people benefit from both as sponsees and ultimately as sponsors. Sponsorship is a rich and enduring part of tradition of Alcoholics Anonymous. Twelve Step Sponsorship delivers both the theory and practice--how to do it and why--in a clear, step-by-step presentation. Written by the author of Getting Started in AA, a widely acclaimed guide for the newcomer to the program of AA, Twelve Step Sponsorship is the first truly comprehensive look at sponsorship, a role recovering people benefit from both as sponsees and ultimately as sponsors. Twelve Step Sponsorship includes informative sections that deal with: finding a sponsor and being a sponsor. Twelve Step Sponsorship offers a welcome reinforcement to the tradition of "passing it on" from one generation of sponsors to the next.

Drop the Rock Simon and Schuster

The Catholic in Recovery Workbook is the first step-by-step guide for working through the Twelve Steps of recovery from a Catholic perspective. If you struggle with addiction, dependency, or unhealthy attachments—or love someone who does—this book will help you discover the life-changing mercy of Jesus Christ through Church tradition and the grace of the sacraments. The workbook includes an overview of the Twelve Steps and insights from well-known recovery resources; relevant excerpts from the Catechism of the Catholic Church; the wisdom of saints and teachings of theologians; powerful prayers and inspiring testimonials; and practical tools such as discussion questions, journaling prompts, personal inventories, and reflection exercises. The Twelve Steps and the sacraments have the power to set you free, no matter what your addiction or unhealthy attachment, and this workbook offers the steps, insights, and practices that can lead you to healing and recovery. The Catholic in Recovery Workbook can be used with person, or in a group. This book can stand alone or alongside Weeman's award-winning book The Twelve Steps and the Sacraments.

The Little Red Book Study Guide Walter de Gruyter GmbH & Co KG

The definitive history of writing and producing the "Big Book" of Alcoholics Anonymous, told through

extensive access to the group's archives. Alcoholics Anonymous is arguably the most significant self-help book published in the twentieth century. Released in 1939, the "Big Book," as it's commonly known, has sold an estimated 37 million copies, been translated into seventy languages, and spawned numerous recovery communities around the world while remaining a vibrant plan for recovery from addiction in all its forms for millions of people. While there are many books about A.A. history, most rely on anecdotal stories told well after the fact by Bill Wilson and other early members—accounts that have proved to be woefully inaccurate at times. Writing the Big Book brings exhaustive research, academic discipline, and informed insight to the subject not seen since Ernest Kurtz's Not-God, published forty years ago. Focusing primarily on the eighteen months from October 1937, when a book was first proposed, and April 1939 when Alcoholics Anonymous was published, Schaberg's history is based on eleven years of research into the wealth of 1930s documents currently preserved in several A.A. archives. Woven together into an exciting narrative, these real-time documents tell an almost week-by-week story of how the book was created, providing more than a few unexpected turns and surprising departures from the hallowed stories that have been so widely circulated about early A.A. history. Fast-paced, engaging, and contrary, Writing the Big Book presents a vivid picture of how early A.A. operated and grew and reveals many previously unreported details about the colorful cast of characters who were responsible for making that group so successful.

A New Pair of Glasses Alcoholics Anonymous World Services

Since leaving Alcoholics Anonymous after 17 wasted years, Fransway has devoted herself to exposing horrifying first-person accounts of physical, sexual, and emotional abuse in 12-step programs.

One Breath at a Time Page Publishing Inc

"Rewriting Life Scripts" contains information, explanation, and processes for change that embrace an entire family, not just the alcoholic or drug addict. The steps outlined can bring peace of mind, forgiveness, and reconciliation.

The Privileged Addict Marijuana Anonymous

This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year--one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. Daily Reflections has proved to be a popular book that aids individuals in their practice of

daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole.

Drop the Rock--The Ripple Effect Beacon Press

Similar to *The Big Book of Alcoholics Anonymous*, *Life with Hope* thoroughly explains the 12 Steps and 12 Traditions as they relate to marijuana addicts and those with cannabis use disorder. This is an essential resource for anyone seeking recovery through Marijuana Anonymous (MA). "How can we tell you how to recover? We cannot. All we can do is share with you our own experiences and recovery through the Twelve Steps of Marijuana Anonymous." Similar to *The Big Book of Alcoholics Anonymous*, *Life with Hope* thoroughly explains the Twelve Steps and Twelve Traditions as they relate to individuals with cannabis use disorder. The text includes the 12 Steps and the 12 Traditions, fifteen personal stories from Marijuana Anonymous members, and the section, A Doctor's Opinion about Marijuana Addiction. *Life with Hope* is an essential resource for the marijuana addict and for anyone with a cannabis use disorder who is seeking recovery through Marijuana Anonymous (MA). The text is ideal for newcomers, people who are in active addiction, and anyone interested learning more about how marijuana addiction affects people's lives.

Based on the spiritual foundations of Twelve Step programs, these daily readings—part of Hazelden's meditation series—offer inspiration, affirmation, and hope to those of us in recovery from addiction. Drawing upon insightful phrases often overheard in the rooms of recovery, the daily reflections and prayers in this collection are intended to offer comfort and guiding reminders to those recovering from alcoholism, drug addiction, substance use disorders, process addictions, or other compulsive behaviors. Recovery is a process that happens a day at a time, and this daily reader will support your journey.

Twelve Steps and Twelve Traditions Trade Edition The Teitan Press, Inc.

Discusses the causes and characteristics of addiction, examines its psychological, neurological, and theological aspects, and explains how grace can help overcome addiction.

Life with Hope Simon and Schuster

Early Akron AAs wanted "The James Club" to be the name of their fellowship. The Bible's Book of James was their favorite; they also studied it, Jesus' Sermon on the Mount, and 1 Corinthians 13. These three Bible segments were considered "absolutely essential" to their program. This book takes each verse in James, the Sermon, and 1 Cor 13, and shows the influence of such verses on A.A. language.

[Asking God to Grow My Character: The Journey Continues, Participant's Guide 6](#) Lulu.com

John S. turned his little house on Genessee Avenue in Fort Wayne, Indiana, into a place where he sponsored, over the years, a long series of alcoholics and addicts, and led them to sobriety through Alcoholics Anonymous and the twelve steps. Many of these people came from very rough backgrounds, including hardened ex-cons and people who rode in motorcycle gangs, but what you see in them now is a combination of strength and gentleness, of fearlessness and kindness, and of what is still the old toughness, but mixed now with a marvelous depth of love and spiritual presence. In this book he and seven of the people he sponsored tell the story of how their alcoholism and addiction led them into lives of desperation and despair, but how practicing a set of simple daily

actions enabled them to recover from their seemingly hopeless affliction. In John's early life he was a great sailor, using St. John in the Virgin Islands as his base and taking fast sailboats for adventure and commerce through the waters of the Southern Atlantic and Caribbean Sea. He worked for many years at a special martial arts dojo, and rode motorcycles which could outrun anything else on the road. But in 1985, he put aside alcohol and drugs, and by 1994 he was devising the method which he lays out in this book. Eleven of the first twelve people he tried it on got sober and stayed sober. It is built on the *Big Book of Alcoholics Anonymous*, the Joe and Charlie tapes, and the teachings of the good Fort Wayne physician Dr. Zweig. John boils it down into something so simple that anyone can understand how to do it. And it works! People all over John's part of the country have seen it work for the past 18 years, again and again, for the toughest, the angriest, the most rebellious, and the most self-destructive alcoholics and addicts in the world.

[Journey to the Center of the Soul](#) Harper Collins

A powerful exposé of Alcoholics Anonymous, 12-step programs, and the rehab industry—and how a failed addiction treatment model came to dominate America. "A humane, science-based, global view of addiction . . . an essential, bracing critique of the rehab industry and its ideological foundations that we have much to learn from." —Gabor Maté M.D., author of *In The Realm of Hungry Ghosts* Alcoholics Anonymous has become so infused in our society that it is practically synonymous with addiction recovery. Yet the evidence shows that AA has only a 5-10 percent success rate—hardly better than no treatment at all. Despite this, doctors, employers, and judges regularly refer addicted people to treatment programs and rehab facilities based on the 12-step model. In *The Sober Truth*, acclaimed addiction specialist Dr. Lance Dodes exposes the deeply flawed science that the 12-step industry has used to support its programs. Dr. Dodes analyzes dozens of studies to reveal a startling pattern of errors, misjudgments, and biases. He also pores over the research to highlight the best peer-reviewed studies available and discovers that they reach a grim consensus on the program's overall success. But *The Sober Truth* is more than a book about addiction. It is also a book about science and how and why AA and rehab became so popular, despite the discouraging data. Drawing from thirty-five years of clinical practice and firsthand accounts submitted by addicts, Dr. Dodes explores the entire story of AA's rise—from its origins in early fundamentalist religious and mystical beliefs to its present-day place of privilege in politics and media. A powerful response to the monopoly of the 12-step program and the myth that they are a universal solution to addiction, *The Sober Truth* offers new and actionable information for addicts, their families, and medical providers, and lays out better ways to understand addiction for those seeking a more effective and compassionate approach to this treatable problem.

[A Currency of Hope](#) HarperChristian Resources

Explains how recovery programs work and how to apply the "Twelve Steps" of Alcoholics Anonymous. Offers specific exercises and activities for use by individuals and in group settings.

Vedanta New Look Publishing Company

A practical guide to letting go of the character defects that get in the way of true and joyful recovery. Resentment. Fear. Self-Pity. Intolerance. Anger. As Bill P. explains, these are the "rocks" that can sink recovery- or at the least, block further progress. Based on the principles behind Steps Six and Seven, *Drop the Rock* combines personal stories, practical advice, and powerful insights to

help readers move forward in recovery. The second edition features additional stories and a reference section.

A Gentle Path Through the Twelve Steps Simon and Schuster

Celebrate Recovery introduces The Journey Continues—four new participant's guides designed as a revolutionary, new second step study curriculum. This step study is taken after completing The Journey Begins (Participant Guides 1-4). In the five lessons in Guide 6: Asking God to Grow My Character, you will experience Christ-centered and biblically-based studies filled with brand new acrostics, deeper questions, and more helpful Bible verses. The content in Guide 6 will focus on a deeper study of the fourth recovery principle: Openly examine and confess my faults to God, to myself, and to someone I trust. "Happy are the pure in heart" (Matthew 5:8). By working through the lessons and exercises found in each of the four participant's guides of The Journey Continues you will find a deeper sense of true peace and serenity, continue to restore and develop stronger relationships with others and with God, and find deeper freedom from life's hurts, hang-ups, and habits.

Emotional Sobriety II Hazelden Publishing

Merging Buddhist mindfulness practices with the Twelve Step program, this updated edition of the bestselling recovery guide One Breath at a Time will inspire and enlighten you to live a better, healthier life. Many in recovery turn to the Twelve Steps to overcome their addictions, but struggle with the spiritual program. But what they might not realize is that Buddhist teachings are intrinsically intertwined with the lessons of the Twelve Steps, and offer time-tested methods for addressing the challenges of sobriety. In what is considered the cornerstone of the most significant recovery movement of the 21st century, Kevin Griffin shares his own extraordinary journey to sobriety and how he integrated the Twelve Steps of recovery with Buddhist mindfulness practices. With a new foreword by William Alexander, the author of Ordinary Recovery, One Breath at a Time takes you on a journey through the Steps, examining critical ideas like Powerlessness, Higher Power,

and Moral Inventory through the lens of the core concepts of Buddhism—the Four Noble Truths, the Eightfold Path, mindfulness, loving-kindness, and more. The result is a book that presents techniques and meditations for finding clarity and awareness in your life, just as it has for thousands of addicts and alcoholics.

Addiction and Grace august house

An inclusive, research-based guide to working the 12 steps: a trauma-informed approach for clinicians, sponsors, and those in recovery. Step 1: You admit that you're powerless over your addiction. Now what? 12-step programs like Alcoholics Anonymous (AA) and Narcotics Anonymous (NA) have helped countless people on the path to recovery. But many still feel that 12-step programs aren't for them: that the spiritual emphasis is too narrow, the modality too old-school, the setting too triggering, or the space too exclusive. Some struggle with an addict label that can eclipse the histories, traumas, and experiences that feed into addiction, or dismisses the effects of adverse experiences like trauma in the first place. Advances in addiction medicine, trauma, neuropsychiatry, social theory, and overall strides in inclusivity need to be integrated into modern-day 12-step programs to reflect the latest research and what it means to live with an addiction today. Dr. Jamie Marich, an addiction and trauma clinician in recovery herself, builds necessary bridges between the 12-step's core foundations and up-to-date developments in trauma-informed care. Foregrounding the intersections of addiction, trauma, identity, and systems of oppression, Marich's approach treats the whole person—not just the addiction—to foster healing, transformation, and growth. Written for clinicians, therapists, sponsors, and those in recovery, Marich provides an extensive toolkit of trauma-informed skills that: Explains how trauma impacts addiction, recovery, and relapse Celebrates communities who may feel excluded from the program, like atheists, agnostics, and LGBTQ+ folks Welcomes outside help from the fields of trauma, dissociation, mindfulness, and addiction research Explains the differences between being trauma-informed and trauma-sensitive; and Discusses spiritual abuse as a legitimate form of trauma that can profoundly impede spirituality-based approaches to healing.
