FARMER KHAN

Gender Trouble Routledge
 This book brings together Ancient Chinese stories from millennia ago, great novels depicting China's culture, online literature attracting millions of its youngsters, and people celebrating its traditions. It discusses the first-hand experience of living and teaching in China, different versions of "Beauty and the Beast," the Chinese New Year and its celebration beyond China, Taoism and Confucianism, and traditional and newly emerged literature. The volume represents a magic combination of stories and academic studies, with ideas from writers from different backgrounds. All these voices form a China in the modern chaotic world

and depict its relationship with other cultures, histories and literatures.
Beyond the Binary: Thinking about Sex and Gender - Second Edition Beacon Press Winner, 2023 Margaret W. Rossiter History of Women in Science Prize, History of Science Society Honorable Mention, 2023 John Boswell Prize, The Committee on Lesbian, Gay, Bisexual & Transgender History (CLGBTH) Longlisted, 2022 Lambda Literary Award for LGBTQ Studies, Lambda Literary Awards The Shape of Sex is a pathbreaking history of nonbinary sex, focusing on ideas and individuals who allegedly combined or crossed sex or gender categories from 200-1400 C.E. Ranging widely across premodern European thought and culture, Leah DeVun reveals how and why efforts to define "the human" so often hinged on ideas about nonbinary sex. The Shape of Sex examines a host of

thinkers—theologians, cartographers, natural philosophers, lawyers, poets, surgeons, and alchemists—who used ideas about nonbinary sex as conceptual tools to order their political, cultural, and natural worlds. DeVun reconstructs the cultural landscape navigated by individuals whose sex or gender did not fit the binary alongside debates about animality, sexuality, race, religion, and human nature. The Shape of Sex charts an embrace of nonbinary sex in early Christianity, its brutal erasure at the turn of the thirteenth century, and a new enthusiasm for nonbinary transformations at the dawn of the Renaissance. Along the way, DeVun explores beliefs that Adam and Jesus were nonbinary-sexed; images of "monstrous races" in encyclopedias, maps, and illuminated manuscripts; justifications for violence against purportedly nonbinary outsiders such as

Jews and Muslims; and the surgical "correction" of bodies that seemed to flout binary divisions. In a moment when questions about sex, gender, and identity have become incredibly urgent, *The Shape of Sex* casts new light on a complex and often contradictory past. It shows how premodern thinkers created a system of sex and embodiment that both anticipates and challenges modern beliefs about what it means to be male, female—and human. *Beyond the Gender Binary* Little, Brown "The foundational text that gave me life-changing context, helping me to understand who I was and who came before me."—Tourmaline, activist and filmmaker *Transgender Warriors* is an essential read for trans people of all ages who want to learn about the towering figures who have come before them—and for everyone who is part of the fight for trans liberation This groundbreaking book—far ahead of its time when first published in 1996 and still galvanizing today—interweaves history, memoir, and gender studies to show that transgender people, far from being a modern phenomenon, have always existed and have exerted their influence throughout history. Leslie Feinberg—herself a lifelong transgender revolutionary—reveals the origin of the check-one-box-only gender system and shows how she found empowerment in the lives of transgender warriors around the world, from the Two Spirits of the Americas to the many genders of India, from the trans shamans of East Asia to the gender-bending Queen Nzinga of Angola, from Joan of Arc to Marsha P. Johnson and beyond. This book was published with two different covers. Customers will be shipped the book with one of the available covers.

Transfeminist Perspectives in and beyond Transgender and Gender Studies
Cambridge Scholars Publishing

"Dive into the compelling saga of Two-Spirit identity and activism throughout history with 'Beyond Binary: The Two-Spirit Journey Through History.' This book takes you on an enlightening journey, revealing the roots of Two-Spirit identity in early Indigenous societies and tracing its evolution across centuries of change, struggle, and resilience. Discover the intersecting worlds of gender, identity, and Indigenous rights, and explore the profound impact Two-Spirit activists have had on society and culture. 'Beyond Binary' provides a powerful exploration of identity beyond the conventional binary, illuminating the path towards a more inclusive and understanding world."

Ancient Greek philosophers, medieval theologians, Enlightenment thinkers, and contemporary humanists alike have debated all aspects of human sexuality, including its purpose, permissibility, normalcy, and risks. *Philosophizing About Sex* provides a philosophical guide to those longstanding and important debates. Each chapter takes a general issue (freedom, privacy, objectification, etc.) and shows how ongoing public discussions of sexuality can be illuminated by careful philosophical investigation. Debates over topics such as sexual assault, sexual orientation, sex education, prostitution, and "sexting" involve larger questions about morality, law, science, and politics and cannot be intelligently discussed in isolation from broader issues. By asking deceptively simple questions, this book shows how difficult but important it is to arrive at satisfying answers.

Beyond Binary The Rosen Publishing Group, Inc

Jane McCredie takes readers on a tour of gender, the science and biology as well as the psychology and sociology, of what it means to be a boy or a girl, a man or a woman. Challenging commonly held beliefs, she reconsiders our notions and brings us to a better understanding of gender.

Beyond a Binary God Routledge

Winner of the 2021 In The Margins Award
"When reading this book, all I feel is kindness."-- Sam Smith, Grammy and Oscar award-winning singer and songwriter "Thank God we have Alok. And I'm learning a thing or two myself."--Billy Porter, Emmy award-winning actor, singer, and Broadway theater performer "Beyond the Gender Binary will give readers everywhere the feeling that anything is possible within themselves"--Princess Nokia, musician and co-founder of the Smart Girl Club "A fierce, penetrating, and empowering call for change."-- Kirkus Reviews, starred review "An affirming, thoughtful read for all ages." -- School Library Journal, starred review In *Beyond the Gender Binary*, poet, artist, and LGBTQIA+ rights advocate Alok Vaid-Menon deconstructs, demystifies, and reimagines the gender binary. Pocket Change Collective is a series of small books with big ideas from today's leading activists and artists. In this installment, *Beyond the Gender Binary*, Alok Vaid-Menon challenges the world to see gender not in black and white, but in full color. Taking from their own experiences as a gender-nonconforming artist, they show us that gender is a malleable and creative

form of expression. The only limit is your imagination.

Shadow Man NYU Press

While transgender people have been called many different things by different cultures, they have always existed. This book traces the history of how transgender, third gender, and other varieties of gender-nonconforming individuals have functioned in various societies. It documents how different societies' understanding of sex and gender has changed over time. Readers will explore how different cultures viewed these individuals as well as how their legal rights have evolved (or devolved). They will meet some of the historical figures that paved the way for so many others to live their truth.

Trans and Genderqueer Subjects in Medieval Hagiography Beyond Gender Binaries

A "stunning" (Hanif Abdurraqib), "unputdownable" (Mary Karr) meditation on queerness, family, and desire. How do you know if you are transgender? How do you know if what you want and feel is real? How do you know whether to believe yourself? Cyrus Dunham's life always felt like a series of imitations—lovable little girl, daughter, sister, young gay woman. But in a culture of relentless self-branding, and in a family subject to the intrusions and objectifications that attend fame, dissociation can come to feel normal. A Lambda Literary Award finalist, Dunham's fearless, searching debut brings us inside the chrysalis of a transition inflected as much by whiteness and proximity to wealth as by gender, asking us to bear witness to an uncertain and exhilarating process that troubles our most basic assumptions about identity. Written with disarming emotional intensity in a voice uniquely his, *A Year Without a Name* is a potent, thrillingly unresolved meditation on queerness, family, and selfhood. Named a Most Anticipated Book of the season by: Time NYLON Vogue ELLE BuzzFeed Bustle O Magazine Harper's Bazaar

She/He/They/Me Broadview Press

In the far future, human culture develops five distinctive genders due to the effects of a drug that eases sickness from faster-than-light travel. Winner of a Lambda Literary Award for Gay/Lesbian Science Fiction, "Shadow Man" remains one of the more important modern, speculative novels ever published in the field of gender and sexual identity.

Nina Here Nor There Simon and Schuster

Speculative fiction is the literature of questions, of challenges and imagination,

and what better to question than the ways in which gender and sexuality have been rigidly defined, partitioned off, put in little boxes? These seventeen stories explore the ways in which identity can go beyond binary from space colonies to small college towns, from angels to androids, and from a magical past to other worlds entirely, the authors in this collection have brought to life wonderful tales starring people who proudly define (and redefine) their own genders, sexualities, identities, and so much else in between.

Beyond Binary Penguin

'A joy to read' JEFFREY MARSH 'I'm so happy this book exists' FREDDY MCCONNELL 'Full of wit, fun and wisdom!' ALEX IANTAFFI 'Oh hello darling, and welcome to The Book of Non-Binary Joy! This book is here to help you be yourself - free from judgement and expectation - as you unlock more joy in your life. Take my hand, and let's start your journey of self-love today.' Whether you are at the start of your journey or have been on the wild ride of gender introspection for a long time, this guide is here to help you thrive as your authentic - and most fabulous - non-binary self. With personal stories, valuable insights and interactive sections, this inspiring book covers a wide range of topics, including mental health, pleasure, fashion, understanding your past, allyship privilege and self-expression. Written with warmth and unapologetic humour, and with bold illustrations throughout, Ben Pechey has created the ultimate safe space for you to embrace your non-binary life and start living.

Beyond Trans Beacon Press

'The book we all need for this moment in time.' CN LESTER 'An absolute must read' FOX FISHER 'A genius book' LIBRARY JOURNAL REVIEW Much of society's thinking operates in a highly rigid and binary manner; something is good or bad, right or wrong, a success or a failure, and so on. Challenging this limited way of thinking, this ground-breaking book looks at how non-binary methods of thought can be applied to all aspects of life, and offer new and greater ways of understanding ourselves and how we relate to others. Using bisexual and non-binary gender experiences as a starting point, this book addresses the key issues with binary thinking regarding our relationships, bodies, emotions, wellbeing and our sense of identity and sets out a range of practices which may help us to think in more non-binary, both/and, or uncertain ways. A truly original and insightful piece, this guide encourages reflection on how we view and understand the world we live in and how we all bend, blur or break

society's binary codes.

A Kind of Mirraculas Paradise Lethe Press *Queer Studies* is designed as an advanced undergraduate textbook in queer studies for this rapidly growing field. It is also appropriate as a required or recommended graduate textbook. The author uses the overarching concept of queering as a way of looking at the lives of queer people across a range of disciplines. *Queer Studies* Columbia University Press From renowned non-binary trans activist Joshua M. Ferguson comes a personal work of memoir and critical analysis that pushes for an inclusive understanding of sex and gender.

GenderQueer-Voices from Beyond the Sexual Binary Jessica Kingsley Publishers How are sex and gender related? Are they the same thing? What exactly is gender? How many genders are there? What is the science on all of this? Is gender a product of nature, nurture, or both? This book introduces readers to fundamental questions about sex and gender categories as they've been considered across the centuries and through a wide array of disciplines and perspectives. From the Bible to Darwin, from Enlightenment thinkers to contemporary trans philosophers, *Beyond the Binary* comprises an accessible survey of the wide range of views about sex and gender. This revised and expanded edition uses updated terminology and diagnostic criteria and offers new material with a greater focus on trans, Indigenous, racialized, and subaltern thinkers. It includes useful discussion questions and further reading recommendations at the end of each chapter, as well as an extensive glossary of terms.

Gender Stories Riverdale Avenue Books LLC

"Compelling...A bracing work of art and a loving tribute" (Los Angeles Times), this propulsive, stunning book illuminates the experience of living with schizophrenia like never before. Sandra Allen did not know their uncle Bob very well. As a child, Sandy had been told Bob was "crazy," that he had spent time in mental hospitals while growing up in Berkeley in the 60s and 70s. But Bob had lived a hermetic life in a remote part of California for longer than Sandy had been alive, and what little Sandy knew of him came from rare family reunions or odd, infrequent phone calls. Then in 2009 Bob mailed Sandy his autobiography. Typewritten in all caps, a stream of error-riddled sentences more than sixty, single-spaced pages, the often-incomprehensible manuscript proclaimed to be a "true story" about being "labeled a psychotic paranoid schizophrenic," and

arrived with a plea to help him get his story out to the world. "Searing" (O, The Oprah Magazine), "enthraling" (Star-Tribune, Minneapolis), and "a marvel" (Esquire), *A Kind of Mirraculas Paradise* shows how Sandy translated Bob's autobiography, artfully creating a gripping coming-of-age story while sticking faithfully to the facts as he shared them. Sandy also shares background information about their family, the culturally explosive time and place of their uncle's formative years, and the vitally important questions surrounding schizophrenia and mental healthcare in America more broadly. The result is a heartbreaking and sometimes hilarious portrait of a young man striving for stability in his life as well as his mind, and an utterly unique lens into an experience that, to most people, remains unimaginable. "Thrilling...Gorgeous...a watershed in empathetic adaptation of 'outsider' autobiography" (The New Republic), *A Kind of Mirraculas Paradise* is a dazzlingly, daringly written book that's poised to change conversations about schizophrenia and mental illness overall. *Alabama in Africa* Ten Speed Press What happens when your gender doesn't fit neatly into the categories of male or female? Even mundane interactions like filling out a form or using a public bathroom can be a struggle when these designations prove inadequate. In this groundbreaking book, thirty authors highlight how our experiences are shaped by a deeply entrenched gender binary. The powerful first-person narratives of this collection show us a world where gender exists along a spectrum, a web, a multidimensional space. Nuanced storytellers break away from mainstream portrayals of gender diversity, cutting across lines of age, race, ethnicity, ability, class, religion, family, and relationships. From Suzi, who wonders whether she'll ever "feel" like a woman after living fifty years as a man, to Aubri, who grew up in a cash-strapped fundamentalist household, to Sand, who must reconcile the dual roles of trans advocate and therapist, the writers' conceptions of gender are inextricably intertwined with broader systemic issues. Labeled gender outlaws, gender rebels, genderqueer, or simply human, the voices in *Nonbinary* illustrate what life could be if we allowed the rigid categories of "man" and "woman" to loosen and bend. They speak to everyone who has questioned gender or has paused to wonder, What does it mean to be a man or a woman—and why do we care so much?
